ROLL CALL AND ESTABLISHMENT OF QUORUM

LCP 1 - Approval of the May 19, 2011 Licensing, Certification, and Permits Committee Meeting Minutes

M/S/C (Afriat/Forsythe) to approve the May 19, 2011 Licensing, Certification, and Permits Committee Meeting Minutes. The motion passed unanimously.

LCP 2 – Dental and Dental Assisting Program Licensure and Permit Statistics

Dr. Whitcher gave an overview of the Dental and Dental Assisting Program Licensure Statistics provided. Dr. Lori Gagliardi, Director of Public Policy for CADAT, requested that the Orthodontic Assistant Written Exam be placed on the next agenda for discussion. She questioned how they can prepare their students for this exam when there are very few reference materials that currently exist. She also requests that the DANBE Orthodontic Assistant Certification Exam be placed on the next agenda for possible consideration and discussion.

LCP 3 – General Anesthesia/Conscious Sedation Permit Evaluation Statistics

Dr. Whitcher gave an overview of the statistics provided. There is still a need for evaluators. To make the program more successful, Dr. Whitcher suggested that a conscious sedation

calibration course be done where evaluators could be recruited. They will be redoubling their efforts regarding recruitment.

LCP 4 – Update Regarding Fingerprinting Renewal Requirements for Licensees

Dr. Whitcher reviewed the information provided regarding the new regulations that became effective July 1, 2011. Overall the process is going very smoothly with fewer returned records than anticipated. A statistical report will be provided at the next Board meeting. Dr. Earl Johnson asked what is done with the results of the fingerprinting. Mr. DeCuir responded that any results returned for convictions are turned over to the Enforcement Unit for processing.

MEMORANDUM

DATE	October 13, 2011
TO	Licensing, Certification and Permits Committee Dental Board of California
FROM	Donna Kantner, Manager, Licensing & Exam Unit Dental Board of California
SUBJECT	LCP 4: Update Regarding Fingerprinting Requirements for Licensees

Background

California Code of Regulations, Title 16, Sections 1007, 1008, and 1017.2 were approved in March of this year by the Office of Administrative Law (OAL), to implement the requirement and process for electronic (Live Scan) fingerprinting of all licensees for whom no record exists at the Department of Justice (DOJ). Effective July 1, 2011, licensees for whom no such record exists must complete the Live Scan process as a condition of renewal, beginning with licenses that expire in July of 2011. This requirement includes dentists, registered dental assistants, and registered dental assistants in extended functions.

DOJ provided the Dental Board a list of all licensees for whom no record of fingerprinting exists and staff began notifying affected licensees in May whose renewals would be affected by this requirement.

Information, including Frequently Asked Questions, has been placed on the Board's website. Renewal notices include a question that licensees must complete to certify that they have met the requirements for Live Scan fingerprinting and the online renewal process has added this question as well.

Update

Following are statistics regarding this project, which will be completed in approximately 21 months.

License Type	Total Affected Licensees	Licensees Notified	Phone Calls/Emails
DDS and OMS	18,137	3,679	647
RDA and RDAEF	17,899	3,790	689
