RECESS

MEMORANDUM

DATE	July 18, 2011
TO	Dental Board of California
FROM	Linda Byers, Administrative Assistant Dental Board of California
SUBJECT	Agenda Item 1: Presentation by Dr. Malcmacher, President of the American Academy of Facial Esthetics

Dr. Louis Malcmacher, President of the American Academy of Facial Esthetics, requested that he be placed on the Agenda in order to give a Presentation.

MEMORANDUM

DATE	July 26, 2011
TO	Dental Board of California
FROM	Dr. John Bettinger, Dental Board President Dental Board of California
SUBJECT	Agenda Item 2: Discussion and Possible Action Regarding Scope of Practice Issues and Board Policy Related to the use of Botox and Dermal Fillers

The Dental Board of California receives regular inquiries from licensed dentists regarding the use of BOTOX and dermal fillers in California. Many states allow general dentists to inject BOTOX and dermal fillers.

The Dental Board's website posting on the use of BOTOX is as follows:

"Botox or any related agents can only be used for the diagnosis and treatment of TMD/myofascial conditions as part of a comprehensive treatment plan. Use for isolated cosmetic purposes is illegal, unless privileged under the Facial Cosmetic Surgery Permit. For further information, please contact our Sacramento Enforcement Unit at 916-274-6326 or our Southern California Enforcement Field Office at 714-247-2100 (please see Business and Professions Code, Sections [1625](#) and [1638.1](#))."

We have been advised by legal counsel that this language is not accurate and needs to be updated.

Action:

The Board is being asked to determine the appropriate policy restrictions under current statutes. The statutes that pertain to this issue follow.

Business & Professions Code, Section 1625.

1625. Dentistry is the diagnosis or treatment, by surgery or other method, of diseases and lesions and the correction of malpositions of the human teeth, alveolar process, gums, jaws, or associated structures; and such diagnosis or treatment may include all necessary related procedures as well as the use of drugs, anesthetic agents, and physical evaluation. Without limiting the foregoing, a person practices dentistry within the meaning of this chapter who does any one or more of the following:

(a) By card, circular, pamphlet, newspaper or in any other way advertises himself or represents himself to be a dentist.

(b) Performs, or offers to perform, an operation or diagnosis of any kind, or treats diseases or lesions of the human teeth, alveolar process, gums, jaws, or associated structures, or corrects malposed positions thereof.

(c) In any way indicates that he will perform by himself or his agents or servants any operation upon the human teeth, alveolar process, gums, jaws, or associated structures, or in any way indicates that he will construct, alter, repair, or sell any bridge, crown, denture or other prosthetic appliance or orthodontic appliance.

(d) Makes, or offers to make, an examination of, with the intent to perform or cause to be performed any operation on the human teeth, alveolar process, gums, jaws, or associated structures.

(e) Manages or conducts as manager, proprietor, conductor, lessor, or otherwise, a place where dental operations are performed.

Business & Professions Code, Section 1638.1

1638.1. (a) (1) A person licensed pursuant to Section 1634 who wishes to perform elective facial cosmetic surgery shall first apply for and receive a permit to perform elective facial cosmetic surgery from the board.

(2) A permit issued pursuant to this section shall be valid for a period of two years and must be renewed by the permitholder at the time his or her license is renewed. Every six years, prior to renewal of the permitholder's license and permit, the permitholder shall submit evidence acceptable to the credentialing committee that he or she has maintained continued competence to perform the procedures authorized by the permit. The credentialing committee may limit a permit consistent with paragraph (1) of subdivision (e) if it is not satisfied that the permitholder has established continued competence.

(b) The board may adopt regulations for the issuance of the permit that it deems necessary to protect the health, safety, and welfare of the public.

(c) A licensee may obtain a permit to perform elective facial cosmetic surgery by furnishing all of the following information on an application form approved by the board:

(1) Proof of successful completion of an surgery residency program accredited by the Commission on Dental Accreditation of the American Dental Association.

(2) Proof that the applicant has satisfied the criteria specified in either subparagraph (A) or (B):

(A) (i) Is certified, or is a candidate for certification, by the American Board of Oral and Maxillofacial Surgery.

(ii) Submits to the board a letter from the program director of the accredited residency program, or from the director of a postresidency fellowship program accredited by the Commission on Dental Accreditation of the American Dental Association, stating that

the licensee has the education, training, and competence necessary to perform the surgical procedures that the licensee has notified the board he or she intends to perform.

(iii) Submits documentation to the board of at least 10 operative reports from residency training or proctored procedures that are representative of procedures that the licensee intends to perform from both of the following categories:

(I) Cosmetic contouring of the osteocartilaginous facial structure, which may include, but is not limited to, rhinoplasty and otoplasty.

(II) Cosmetic soft tissue contouring or rejuvenation, which may include, but is not limited to, facelift, blepharoplasty, facial skin resurfacing, or lip augmentation.

(iv) Submits documentation to the board showing the surgical privileges the applicant possesses at any licensed general acute care hospital and any licensed outpatient surgical facility in this state.

(B) (i) Has been granted privileges by the medical staff at a licensed general acute care hospital to perform the surgical procedures set forth in paragraph (A) at that hospital.

(ii) Submits to the board the documentation described in clause (iii) of subparagraph (A).

(3) Proof that the applicant is on active status on the staff of a general acute care hospital and maintains the necessary privileges based on the bylaws of the hospital to maintain that status.

(d) The application shall be accompanied by an application fee of five hundred dollars (\$500) for an initial permit. The fee to renew a permit shall be two hundred dollars (\$200).

(e) (1) The board shall appoint a credentialing committee to review the qualifications of each applicant for a permit. Upon completion of the review of an applicant, the committee shall make a recommendation to the board on whether to issue or not issue a permit to the applicant. The permit may be unqualified, entitling the permit holder to perform any facial cosmetic surgical procedure authorized by this section, or it may contain limitations if the credentialing committee is not satisfied that the applicant has the training or competence to perform certain classes of procedures, or if the applicant has not requested to be permitted for all procedures authorized by this section.

(2) The credentialing committee shall be comprised of five members, as follows:

(A) A physician and surgeon with a specialty in plastic and reconstructive surgery who maintains active status on the staff of a licensed general acute care hospital in this state.

(B) A physician and surgeon with a specialty in otolaryngology who maintains active status on the staff of a licensed general acute care hospital in this state.

(C) Three oral and maxillofacial surgeons licensed by the board who are board certified by the American Board of Oral and Maxillofacial Surgeons, and who maintain active status on the staff of a licensed general acute care hospital in this state, at least one of whom shall be licensed as a physician and surgeon in this state. Two years after the effective date of this section, any oral and maxillofacial surgeon appointed to the committee who is not licensed as a physician and surgeon shall hold a permit pursuant to this section.

(3) The board shall solicit from the following organizations input and recommendations regarding members to be appointed to the credentialing committee:

(A) The Medical Board of California.

- (B) The California Dental Association.
- (C) The California Association of Oral and Maxillofacial Surgeons.
- (D) The California Medical Association.
- (E) The California Society of Plastic Surgeons.

(4) The credentialing committee shall meet at a time and place directed by the board to evaluate applicants for permits. A quorum of three members shall be required for the committee to consider applicants and make recommendations to the board.

(f) A licensee may not perform any elective, facial cosmetic surgical procedure except at a general acute care hospital, a licensed outpatient surgical facility, or an outpatient surgical facility accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO), the American Association for Ambulatory Health Care (AAAHC), the Medicare program, or an accreditation agency approved by the Medical Board of California pursuant to subdivision (g) of Section 1248.1 of the Health and Safety Code.

(g) For purposes of this section, the following terms shall have the following meanings:

(1) "Elective cosmetic surgery" means any procedure defined as cosmetic surgery in **subdivision (d) of Section 1367.63** of the Health and Safety Code, and **excludes** any procedure that constitutes reconstructive surgery, as defined in **subdivision (c) of Section 1367.63** of the Health and Safety Code.

(2) "Facial" means those regions of the human body described in **Section 1625** and in any regulations adopted pursuant to that section by the board.

(h) A holder of a permit issued pursuant to this section shall not perform elective facial cosmetic surgical procedures unless he or she has malpractice insurance or other financial security protection that would satisfy the requirements of Section 2216.2 and any regulations adopted thereunder.

(i) A holder of a permit shall comply with the requirements of subparagraph (D) of paragraph (2) of subdivision (a) of Section 1248.15 of the Health and Safety Code, and the reporting requirements specified in Section 2240, with respect to any surgical procedure authorized by this section, in the same manner as a physician and surgeon.

(j) Any violation of this section constitutes unprofessional conduct and is grounds for the revocation or suspension of the person's permit, license, or both, or the person may be reprimanded or placed on probation. Proceedings initiated by the board under this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the board shall have all the powers granted therein.

(k) On or before January 1, 2009, and every four years thereafter, the board shall report to the Joint Committee on Boards, Commissions and Consumer Protection on all of the following:

(1) The number of persons licensed pursuant to Section 1634 who apply to receive a permit to perform elective facial cosmetic surgery from the board pursuant to subdivision (a).

(2) The recommendations of the credentialing committee to the board.

(3) The board's action on recommendations received by the credentialing committee.

(a) Every health care service plan contract, except a specialized health care service plan contract, that is issued, amended, renewed, or delivered in this state on or after July 1, 1999, shall cover reconstructive surgery, as defined in subdivision (c), that is necessary to achieve the purposes specified in subparagraph (A) or (B) of paragraph (1) of subdivision (c). Nothing in this section shall be construed to require a plan to provide coverage for cosmetic surgery, as defined in subdivision (d).

(b) No individual, other than a licensed physician competent to evaluate the specific clinical issues involved in the care requested, may deny initial requests for authorization of coverage for treatment pursuant to this section. For a treatment authorization request submitted by a podiatrist or an oral and maxillofacial surgeon, the request may be reviewed by a similarly licensed individual, competent to evaluate the specific clinical issues involved in the care requested.

(c) (1) "Reconstructive surgery" means surgery performed to correct or repair abnormal structures of the body caused by congenital defects, developmental abnormalities, trauma, infection, tumors, or disease to do either of the following:

(A) To improve function.

(B) To create a normal appearance, to the extent possible.

(2) As of July 1, 2010, "reconstructive surgery" shall include medically necessary dental or orthodontic services that are an integral part of reconstructive surgery, as defined in paragraph (1), for cleft palate procedures.

(3) For purposes of this section, "cleft palate" means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

(e) In interpreting the definition of reconstructive surgery, a health care service plan may utilize prior authorization and utilization review that may include, but need not be limited to, any of the following:

(1) Denial of the proposed surgery if there is another more appropriate surgical procedure that will be approved for the enrollee.

(2) Denial of the proposed surgery or surgeries if the procedure or procedures, in accordance with the standard of care as practiced by physicians specializing in reconstructive surgery, offer only a minimal improvement in the appearance of the enrollee.

(3) Denial of payment for procedures performed without prior authorization.

(4) For services provided under the Medi-Cal program (Chapter 7 (commencing with Section 14000) of Part 3 of Division 9 of the

Welfare and Institutions Code), denial of the proposed surgery if the procedure offers only a minimal improvement in the appearance of the enrollee, as may be defined in any regulations that may be promulgated by the State Department of Health Care Services.

(f) As applied to services described in paragraph (2) of subdivision (c) only, this section shall not apply to Medi-Cal managed care plans that contract with the State Department of Health Care Services pursuant to Chapter 7 (commencing with Section 14000) of, Chapter 8 (commencing with Section 14200) of, or Chapter 8.75 (commencing with Section 14590) of, Part 3 of Division 9 of the Welfare and Institutions Code, where such contracts do not provide coverage for California Children's Services (CCS) or dental services.

MEMORANDUM

DATE	July 19, 2011
TO	Dental Board of California
FROM	Sarah Wallace, Legislative & Regulatory Analyst Dental Board of California
SUBJECT	Agenda Item 3 (A): Discussion and Possible Action Regarding Comments Received During the 45-day Public Comment Period for the Board's Proposed Rulemaking to Amend Title 16, CCR, Sections 1018 and 1020.5 Regarding Uniform Standards for Substance Abusing Licensees and Disciplinary Guidelines and

Background:

At its February 25, 2011 meeting, the Board discussed and approved proposed regulatory language relative to the uniform standards relating to substance abusing licensees and Disciplinary Guidelines. The Board directed staff to initiate a rulemaking.

The initial rulemaking file was submitted to the Office of Administrative Law on March 11, 2011. The proposed action was published on March 25, 2011 and was noticed on the Board's web site and mailed to interested parties. The 45-day public comment period began on March 25, 2011 and ended on May 9, 2011. The regulatory hearing was held on May 10, 2011. The Board received oral testimony from the California Dental Association and written comments from the Center for Public Interest Law.

The Substance Abuse Coordination Committee (SACC) met on April 11, 2011 and revised requirements contained in the *Uniform Standards Relating to Substance-Abusing Healing Arts Licensees*.

Comments Received During the 45-Day Public Comment Period:

Comments Received from the California Dental Association:

Bill Lewis, California Dental Association (CDA), delivered verbal testimony at the regulatory hearing on May 10, 2011 in response to the proposed regulatory action. Mr. Lewis indicated CDA's overall support of the proposed regulations as drafted. Mr. Lewis thanked the Dental Board of California and staff for finding a balance between implementing the Uniform Standards, as created by the Substance Abuse Coordination Committee, and recognizing the distinction between the appropriate roll of the Board's Diversion Program and disciplinary action. Mr. Lewis stated that it is important that the

Board maintain flexibility and discretion while treating individuals self-referred into the Diversion Program and not in a one-size fits all approach.

Since this was not an adverse comment, there is no Board action required in response to the California Dental Association's comment.

Comments Received from the Center for Public Interest Law:

Julianne D'Angelo Fellmeth, Administrative Director, for the Center for Public Interest Law submitted a letter (copy enclosed) in response to the proposed regulations.

First, Ms. Fellmeth stated that the proposed regulation does not incorporate the correct version of the Uniform Standards developed by the Department of Consumer Affairs' Substance Abuse Coordination Committee (SACC). The letter further explained that the SACC finalized its Uniform Standards in April 2011, and that the new version should be incorporated into the DBC's Disciplinary Guidelines.

Secondly, Ms. Fellmeth commented that the Dental Board of California does not have discretion to order individual conditions. Ms. Fellmeth commented that the Board is required to apply any applicable standard developed by the SACC as finalized in April 2011. She stated that Business and Professions Code Section 315 states: "...the committee shall formulate uniform and specific standards in each of the following areas that each healing arts board shall use in dealing with substance-abusing licensees, whether or not a board chooses to have a formal diversion program..." and that there is nothing discretionary in this language. Ms. Fellmeth further stated that the language was intended to ensure consistency across all the healing arts boards when dealing with substance-abusing licensees and that no healing arts board is allowed to pick and choose among the SB 1441 standards and decide which to follow and which to ignore.

Staff recommends rejection of these comments. The Dental Board ("Board") incorporated the original terms of the probationary standards recommended by the Substance Abuse Coordination Committee (SACC) into its originally noticed text, which was filed before the SACC amended its standards in April 2011. The Board intends to modify its proposed text to reflect these new amendments as of April 2011.

However, the Board disagrees with the commenter that it has no discretion. Rulemaking is a discretionary act that has been specifically delegated to the Board by law, not to the SACC. The SACC has been given no power to enact rules or regulations by Section 315 of the Business and Professions Code and the SACC's proposed standards are not exempt from the APA. As a result, any standards the SACC proposes do not have the force of law (statute or regulation) and do not set standards for the Board's licensees unless adopted by the Board through the rulemaking process. In addition, Section 315 of the Business and Professions Code does not restrict the Board's discretion to determine how and when to use the standards, or divest it of its rulemaking authority. The statute merely states that the boards "shall use" the standards formulated by the SACC in dealing with substance-abusing licensees. The Board has done this by proposing to add the standards as written by the SACC to its guidelines. However, the Board has made it clear that it still has authority to determine

how and whether to apply the standards. The analysis in support of these conclusions follows.

The Board has been expressly delegated the authority to make rules by the Legislature.

Section 108 of the Business and Professions Code states, in pertinent part, that:

“Each of the boards comprising the department **exists as a separate unit**, and has the functions of **setting standards**, ... passing upon applicants, conducting investigations of violations of laws under its jurisdiction, ... holding hearings for the revocation of licenses, and the imposing of penalties following those hearings, insofar as these powers are given by statute to each respective board.” (Emphasis added.)

In particular, Section 1611 of the Business and Professions Code charges the Board with carrying out the purposes of and enforcing the provisions of the Dental Practice Act. This includes adopting rules necessary to issue and renew a license and administer and enforce the Dental Practice Act (Bus.&Prof.Code, § 1614.). Section 1628.7 of the Business and Professions Code states that the Board has “sole discretion” to determine whether an applicant should be issued a probationary license and the Board “may” determine what term or condition of a probationary license may be imposed. Further, Section 1628.7 requires any rules regarding the terms and conditions of probation, including those for abstention of alcohol, to “be adopted, amended, or repealed in accordance with the provisions of the Administrative Procedure Act.” Further, Section 1695.5 of the Business and Professions Code states that the “Board shall establish criteria for the acceptance, denial or termination of licentiates in a diversion program.” As a result, the Board has been specifically delegated the authority to decide what standards to adopt and when those standards will be applied.

Section 315 neither divests the Board of its rulemaking authority nor restricts its rulemaking authority. Later enacted statutes support this conclusion.

The first step “is to scrutinize the actual words of the statute, giving them a plain and commonsense meaning.” (*People v. Valladoli* (1996) 13 Cal.4th 590, 597, 54 Cal.Rptr.2d 695, 918 P.2d 999.) “If the statutory language is clear and unambiguous, there is no need for construction.” (*Viking Pools, Inc. v. Maloney* (1989) 48 Cal.3d 602, 606, 257 Cal.Rptr. 320, 770 P.2d 732.) “[T]he Legislature is presumed to have meant what it said, and the plain meaning of the statute governs.” (*People v. Johnson* (2002) 28 Cal.4th 240, 244, 121 Cal.Rptr.2d 197, 47 P.3d 1064.) It is assumed that when enacting a statute, the legislature is deemed to be aware of statutes already in existence and to have enacted new laws in light of the existing law with an intent to maintain a consistent body of statutes (*People v. Harrison* (1989) 48 Cal.3d 321, 329 citing *People v. Overstreet* (1986) 42 Cal.3d. 891,897; *Burlington Northern and Sante Fe Ry. Co. v. Public Utilities Com'n* (2003) 112 Cal.App.4th 881, 889.)

Looking at the plain language of section 315, the statute merely states that each board “shall use” the standards proposed by the SACC. It says nothing about the SACC's power to either adopt rules that must be adopted by the boards or that the boards have no discretion but to apply these terms in every case, regardless of the facts of the case.

On the contrary, the failure of the Board to exercise its discretion in every case could subject the Board to legal challenges for any decision it issues when it has expressly been delegated the authority to exercise its discretion. (See, e.g., *Ventimiglia v. Board of Behavioral Sciences* (2008)168 Cal.App.4th 296, 300-301.)

Further, the Legislature presumptively knew that the Board had been delegated “sole discretion” to determine probationary conditions, but instead only chose to require the Board to “use” the standards proposed by the SACC. Later statutory enactments at Sections 315.2 and 315.4 of the Business and Professions Code further support this conclusion. Section 315.4 of the Business and Professions Code, which was enacted after Section 315, reinforces that the Board has discretion when it states that “a board, as described in Section 315, **may** adopt regulations authorizing the board to order a licensee on probation or in a diversion program to cease practice...when the board orders a licensee to undergo a clinical diagnostic evaluation...” (Emphasis added.) The use of the word “may” is ordinarily permissive (*Hogya v. Superior Court* (1977) 75 Cal.App.3d 122, 133.)

However, when the Legislature intended to restrict the board’s discretion, it did so clearly when it enacted Section 315.2 of the Business and Professions Code, which states that all boards: “shall order a licensee of the board to cease practice if the licensee tests positive for any substance that is prohibited under the terms of the licensee’s probation or diversion program.” As a result, a plain reading of the statute would indicate that the board must order a licensee to cease practice if the licensee tests positive for a banned substance. The Board’s current proposal is consistent with this legislative mandate, and has been included in the Board’s changes on page 33 of the proposed amendments.

In conclusion, the Dental Board has authority to set standards as authorized by the Dental Practice Act and other applicable statutes. The enactment of Section 315 of the Business and Professions Code did not remove the Board’s authority to exercise its discretion in adopting rules applicable to the professions it regulates. The statute merely states that the boards shall “use” the standards. The statute does not state that the boards are not permitted to exercise their discretion in determining how and when to use the standards proposed by the SACC. Later enacted statutory provisions support this interpretation. As a result, the Board does indeed have discretion to determine whether a particular condition should be applied to a licensee in a given case.

MEMORANDUM

DATE	August 4, 2011
TO	Dental Board of California
FROM	Sarah Wallace, Legislative & Regulatory Analyst Dental Board of California
SUBJECT	Agenda Item 3 (A): Discussion and Possible Action Regarding Comments Received During the 45-day Public Comment Period for the Board's Proposed Rulemaking to Amend Title 16, CCR, Sections 1018 and 1020.5 Regarding Uniform Standards for Substance Abusing Licensees and Disciplinary Guidelines and

In addition to responding to the comments received during the 45-day public comment period and reviewing the changes made to the proposed language to use the Substance Abuse Coordination Committee's (SACC) April 2011 amendments, the Board may wish to discuss and take action to further modify the text, based on the following issues:

Issue #1:

The Board's proposed language does not provide a definition for "substance-abusing licensee". The Board may wish to discuss the need for clarifying the proposed language to advise the Administrative Law Judge (ALJ) as to when the Uniform Standards for Substance Abusing Licensees and related conditions of probations would apply.

Issue #2:

Staff recommends interchanging the numbering for proposed conditions "(35) Facilitated Group Support Meetings" and "(36) Clinical Diagnostic Evaluation" to be "(35) Clinical Diagnostic Evaluation" and "(36) Facilitated Group Support Meetings". The condition for a clinical diagnostic evaluation should come before other conditions relating to the Uniform Standards. A clinical diagnostic evaluation must be performed to determine if a licensee has a substance abuse problem that would necessitate the order of other probationary conditions relating to substance abuse.

Issue #3:

When a clinical diagnostic evaluation is ordered as a condition of probation, the Board is responsible for determining if the licensee should be required to participate in inpatient, outpatient or any other type of treatment. When making that determination, the Board shall take into consideration the recommendation of the clinical diagnostic evaluation,

license type, licensee's history, length of sobriety, scope and pattern of substance abuse, treatment history, medical history, current medical condition, nature, duration and severity of substance abuse and whether the licensee is a threat to himself or herself or others.

The originally proposed language did not include a condition of probation relative to a treatment and rehabilitation program for substance abuse other than the Diversion Program. Since the Diversion Program probationary condition is separate from the Clinical Diagnostic Evaluation probationary condition, and the two conditions should not be included on the same probationary order, an order containing a Clinical Diagnostic Evaluation condition should also include a Treatment/Rehabilitation Program probationary condition in the case the evaluator and the Board determine the licensee should participate in an inpatient, outpatient, or any other type of treatment. Staff recommends adding the following probationary condition to ensure compliance with the Uniform Standards as developed by the SACC:

(37) TREATMENT/REHABILITATION PROGRAM FOR SUBSTANCE ABUSE

After a receipt of a clinical diagnostic evaluation, the Board or its designee may order that Respondent enter an inpatient or outpatient alcohol or other drug abuse recovery program or equivalent program as approved by the Board or its designee. If so ordered, then within seven (7) days from the date of the order, Respondent shall enter an inpatient or outpatient alcohol or other drug abuse recovery program or an equivalent program as approved by the Board or its designee. Components of the treatment program shall be relevant to the violation and to the Respondent's current status in recovery or rehabilitation. Respondent shall provide the Board or its designee with proof that the approved program was successfully completed. Terminating the program without permission or being expelled for cause shall constitute a violation of probation by Respondent. All costs associated with the program shall be paid by Respondent.

However, if Respondent has already attended such an inpatient or outpatient alcohol or other drug abuse recovery program, as described above, commencing with the current period of sobriety, respondent shall provide the Board or its designee with proof that the program was successfully completed and this shall suffice to comply with this term of probation.

In determining whether inpatient or outpatient treatment is necessary, the Board or its designee shall consider the following factors: the recommendation of the clinical diagnostic evaluation, license type, licensee's history, documented length of sobriety or time that has elapsed since substance abuse, scope and pattern of substance abuse, treatment history, medical history, current medical condition, nature, duration and severity of substance abuse, and whether the licensee is a threat to himself or herself or the public.

Note: This term should be used in conjunction with the (35) Clinical Diagnostic Evaluation term. This term should also be used when Respondent's license is placed on probation for substance or alcohol abuse violations and Additional Probationary Term No. (26) (Diversion Program) is not a term and condition of the probationary order.

The following is the full text of the proposed amendments identified in Issue #2 and Issue #3:

(3635) CLINICAL DIAGNOSTIC EVALUATION – Upon order of the Board, Respondent shall undergo a clinical diagnostic evaluation. Respondent shall provide the evaluator with a copy of the Board’s Decision prior to the clinical diagnostic evaluation being performed.

Any time the Respondent is ordered to undergo a clinical diagnostic evaluation, Respondent shall cease practice for a minimum of 1 month pending the results of a clinical diagnostic evaluation. During such time, the Respondent shall submit to random drug testing at least 2 times per week.

Respondent shall cause the evaluator to submit to the Board a written clinical diagnostic evaluation report within 10 days from the date the evaluation was completed, unless an extension, not to exceed 30 days, is granted to the evaluator by the Board. The cost of such evaluation shall be paid by the Respondent.

Respondent shall cease practice until the Board determines that he or she is able to safely practice either full-time or part-time and has had at least 1 month of negative drug test results. Respondent shall comply with any restrictions or recommendations made as a result of the clinical diagnostic evaluation.

Note: This condition should be imposed when the Respondent’s license is placed on probation for substance or alcohol abuse violations and Additional Probationary Term No. (26) (Diversion Program) is not a term and condition of the probationary order.

RATIONALE: This condition gives the Board the ability to order a Respondent, at any time during the probation period, to undergo an evaluation to determine if he or she is currently safe to practice.

(3536) FACILITATED GROUP SUPPORT MEETINGS –

Within fifteen (15) days from the effective date of the decision, Respondent shall submit to the Board or its designee for prior approval the name of one or more meeting facilitators. Respondent shall participate in facilitated group support meetings within fifteen (15) days after notification of the Board’s approval of the meeting facilitator. When determining the type and frequency of required facilitated group support meeting attendance, the Board shall give consideration to the following:

- The licensee’s history;
- The documented length of sobriety/time that has elapsed since substance abuse;

- The recommendation of the clinical evaluator;
- The scope and pattern of use;
- The licensee's treatment history; and ,
- The nature, duration, and severity of substance abuse.

Verified documentation of attendance shall be submitted by Respondent with each quarterly report. Respondent shall continue attendance in such a group for the duration of probation unless notified by the Board that attendance is no longer required.

If a facilitated group support meeting is ordered, the group facilitator shall meet the following qualifications and requirements:

1. The group meeting facilitator shall have a minimum of three (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed or certified by the state or other nationally certified organizations.
2. The group meeting facilitator shall not have a financial relationship, personal relationship, or business relationship with the licensee within the last ~~five (5)~~ years.
3. The group facilitator shall provide to the Board a signed document showing the licensee's name, the group name, the date and location of the meeting, the licensee's attendance, and the licensee's level of participation and progress.
4. The group meeting facilitator shall report any unexcused absence to the Board within twenty-four (24) hours.

Note: This condition should be imposed when the Respondent's license is placed on probation for substance or alcohol abuse violations.

RATIONALE: Alcohol and/or drug abuse treatment should be required in addition to other terms of probation in cases where the use of alcohol or other drugs by the Respondent has impaired the Respondent's ability to safely practice.

(37) TREATMENT/REHABILITATION PROGRAM FOR SUBSTANCE ABUSE After a receipt of a clinical diagnostic evaluation, the Board or its designee may order that Respondent enter an inpatient or outpatient alcohol or other drug abuse recovery program or equivalent program as approved by the Board or its designee. If so ordered, then within seven (7) days from the date of the order, Respondent shall enter an inpatient or outpatient alcohol or other drug abuse recovery program or an equivalent program as approved by the Board or its designee. Components of the treatment program shall be relevant to the violation and to the Respondent's current status in

recovery or rehabilitation. Respondent shall provide the Board or its designee with proof that the approved program was successfully completed. Terminating the program without permission or being expelled for cause shall constitute a violation of probation by Respondent. All costs associated with the program shall be paid by Respondent.

However, if Respondent has already attended such an inpatient or outpatient alcohol or other drug abuse recovery program, as described above, commencing with the current period of sobriety, respondent shall provide the Board or its designee with proof that the program was successfully completed and this shall suffice to comply with this term of probation.

In determining whether inpatient or outpatient treatment is necessary, the Board or its designee shall consider the following factors: the recommendation of the clinical diagnostic evaluation, license type, licensee's history, documented length of sobriety or time that has elapsed since substance abuse, scope and pattern of substance abuse, treatment history, medical history, current medical condition, nature, duration and severity of substance abuse, and whether the licensee is a threat to himself or herself or the public.

Note: This term should be used in conjunction with the (35) Clinical Diagnostic Evaluation term. This term should also be used when Respondent's license is placed on probation for substance or alcohol abuse violations and Additional Probationary Term No. (26) (Diversion Program) is not a term and condition of the probationary order.

re: DBC's Disciplinary Guidelines Regulations

Dear Ms. Wallace:

The Center for Public Interest Law (CPIL) has two comments on DBC's proposal to amend sections 1018 and 1020.5, Title 16 of the CCR, and its Disciplinary Guidelines.

First, the proposal does not incorporate the correct version of the Uniform Standards developed by the Department of Consumer Affairs' Substance Abuse Coordination Committee (SACC). The Committee finalized its standards in April 2011, and that version should be incorporated into DBC's guidelines.

Secondly, page 3 of the disciplinary guidelines (under the heading "Uniform Standards Related to Substance Abuse") states: "The following standards should be followed in all cases in which a license is placed on probation due to a substance abuse problem. *Whether individual conditions are ordered, however, is within the discretion of the Board.*"

We assume you are referring to the "uniform and consistent standards" developed by the SACC as directed by SB 1441 (Ridley-Thomas) (2008). Under that law (specifically Business and Professions Code section 315), the Dental Board has no discretion. It is required to apply any applicable standard developed by the SACC and finalized in April 2011. Section 315 specifically states: "...the committee shall formulate uniform and specific standards in each of the following areas that **each healing arts board shall use in dealing with substance-abusing licensees, whether or not a board chooses to have a formal diversion program...**" (emphasis added). There is nothing discretionary about that language; it was intended to ensure consistency across all the healing arts boards in their dealings with substance-abusing licensees. No healing arts board is allowed to pick and choose among the SB 1441 standards and decide which to follow and which to ignore.

Title 16, California Code of Regulations, Amend Sections 1018 and 1020.5 for Uniform Standards Relating to Substance Abusing Licensees and Disciplinary Guidelines

Sarah Wallace, Legislative and Regulatory Analyst, read the opening statement explaining the hearing process and opened the hearing for testimony at approximately 10:00 a.m.

Mr. Bill Lewis, California Dental Association (CDA), delivered verbal testimony in response to the proposed regulatory action. Mr. Lewis indicated CDA's overall support of the proposed regulations as drafted. Mr. Lewis thanked the Dental Board of California and staff for finding a balance between implementing the Uniform Standards, as created by the Substance Abuse Coordination Committee, and recognizing the distinction between the appropriate roll of the Board's Diversion Program and disciplinary action. Mr. Lewis stated that it is important that the Board maintain flexibility and discretion while treating individuals self-referred into the Diversion Program and not in a one-size fits all approach.

There were no other comments, and the hearing was adjourned at 10:15 a.m.

INTRODUCTION

In keeping with its obligation to protect the consumers of dental services from the unsafe, incompetent, negligent or impaired dentists and dental auxiliaries, the Dental Board of California ("Board") has adopted the following recommended guidelines for disciplinary orders and conditions of probation for violations of the Dental Practice Act as well as Uniform Standards Related to Substance Abuse.

The Board carefully considers the totality of the facts and circumstances in each individual case, with the safety of the public being paramount and to the extent not inconsistent with public protection, disciplinary actions shall be calculated to aid in the rehabilitation of the licensee. Consequently, the Board requests that the Administrative Law Judge ("ALJ") clearly state the factual basis for his or her decision. This is especially important should the ALJ deviate from the recommended guidelines. The rationale for the deviation should be reflected in the decision to enable the Board to understand the reasons for the deviation and to evaluate the appropriateness of the decision.

These guidelines are for use by administrative law judges, attorneys and any licensee involved in settlement of disciplinary actions or statement of issues proceedings. It is emphasized that these are guidelines and the Board acknowledges that there may be departures in individual cases depending upon mitigating or aggravating circumstances. Probation conditions are divided into two categories: (1) Standard conditions, to be used in all cases of probation; and (2) Optional conditions, to be imposed dependent upon the circumstances and nature of an individual case. Optional conditions will be used to define the extent of the disciplinary action if a given case warrants a penalty above the minimum established but below the established maximum. In a Statement of Issues, optional conditions should also be used if a probationary license is issued depending upon the nature and circumstances of the matter.

If, at the time of hearing, the ALJ finds that the Respondent₁ for any reason₁ is not capable of safe practice, the Board favors outright revocation of the license. If, however, the Respondent has demonstrated a capacity to practice dentistry safely, a stayed revocation order with probation is recommended.

Suspension of a license may also be appropriate where the public may be better protected if the practice of the dentist or dental auxiliary is suspended in order to correct deficiencies in skills, education or rehabilitation.

UNIFORM STANDARDS RELATED TO SUBSTANCE ABUSE

The following standards should be followed in all cases in which a license is placed on probation due to a substance abuse problem. Whether individual conditions are ordered, however, is within the discretion of the Board.

Clinical Diagnostic Evaluations:

Whenever a licensee is ordered to undergo a clinical diagnostic evaluation, the evaluator shall be a licensed practitioner who holds a valid, unrestricted license which authorizes the practitioner to conduct clinical diagnostic evaluations, and has three (3) years experience in providing evaluations of health care professionals with substance abuse disorders. The evaluator shall be approved by the Board. The evaluations shall be conducted in accordance with acceptable professional standards for conducting substance abuse clinical diagnostic evaluations.

Clinical Diagnostic Evaluation Report:

The clinical diagnostic evaluation report shall set forth, in the evaluator's opinion, whether the licensee has a substance abuse problem, whether the licensee is a threat to himself or herself or others, and recommendations for substance abuse treatment, practice restrictions, or other recommendations related to the licensee's rehabilitation and safe practice.

The evaluator shall not have had a financial, personal, business or other relationship with the licensee within the last five (5) years. The evaluator shall provide an objective, unbiased, and independent evaluation.

If the evaluator determines during the evaluation process that a licensee is a threat to himself or herself or others, the evaluator shall notify the board within 24 hours of such a determination.

For all evaluations, a final written report shall be provided to the board no later than ten (10) days from the date the evaluator is assigned the matter unless the evaluator requests additional information to complete the evaluation, not to exceed 30 days.

The Board shall review the clinical diagnostic evaluation to help determine whether or not the licensee is safe to return to either part-time or full-time practice and what restrictions or recommendations should be imposed on the licensee based on the application of the following criteria:

License type, licensee's history, documented length of sobriety, scope and pattern of substance abuse, treatment history, medical history, current medical condition, nature, duration and severity of substance abuse problem, and whether the licensee is a threat to himself or herself or others.

When determining if the licensee should be required to participate in inpatient, outpatient or any other type of treatment, the Board shall take into consideration the recommendation of the clinical diagnostic evaluation, license type, licensee's history, length of sobriety, scope and pattern of substance abuse, treatment history, medical history, current medical condition, nature, duration and severity of substance abuse and whether the licensee is a threat to himself or herself or others.

Facilitated Group Support Meetings:

If the board requires a licensee to participate in facilitated group support meetings, either because it is the decision of the Board or it is within the discretion of the Board staff when determining the nature of group support meetings, the following shall apply:

1. When determining the frequency of required facilitated group meeting attendance, the board shall give consideration to the following:

- The licensee's history;
- The documented length of sobriety/time that has elapsed since substance use;
- The recommendation of the clinical evaluator;
- The scope and pattern of use;
- The licensee's treatment history; and,
- The nature, duration, and severity of substance abuse.

2. Group Meeting Facilitator Qualifications and Requirements:

a. The meeting facilitator must have a minimum of three (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed or certified by the state or other nationally certified organizations.

b. The meeting facilitator must not have had a financial relationship, personal relationship, or business relationship with the licensee within the last five (5) years.

c. The group meeting facilitator shall provide to the board a signed document showing the licensee's name, the group name, the date and location of the meeting, the licensee's attendance, and the licensee's level of participation and progress.

d. The facilitator shall report any unexcused absence within 24 hours.

Supervised Practice (Work Site Monitor Requirements):

If the Board determines that supervised practice is necessary for a particular licensee, the supervisor must meet the following requirements to be considered for approval by the Board:

The supervisor shall not have a current or former financial, personal, or familial relationship with the licensee, or other relationship that could reasonably be expected to compromise the ability of the monitor to render impartial and unbiased reports to the

Board. If it is impractical for anyone but the licensee's employer to serve as the supervisor, this requirement may be waived by the Board; however, under no circumstances shall a licensee's supervisor be an employee or supervisee of the licensee.

The supervisor's license scope of practice shall include the scope of practice of the licensee who is being monitored, ~~or be another health care professional if no monitor with like scope of practice is available, or, as approved by the Board, be a person in a position of authority who is capable of monitoring the licensee at work.~~

The supervisor shall have an active unrestricted license, with no disciplinary action within the last five (5) years.

The supervisor shall sign an affirmation that he or she has reviewed the terms and conditions of the licensee's disciplinary order and agrees to monitor the licensee as set forth by the Board.

The supervisor must adhere to the following required methods of monitoring the licensee:

- a) Have face-to-face contact with the licensee in the work environment on as frequent a basis as determined by the Board, but at least once per week.
- b) Interview other staff in the office regarding the licensee's behavior, if applicable.
- c) Review the licensee's work attendance and behavior.

Reporting by the supervisor to the Board shall be as follows:

Any suspected substance abuse must be orally reported to the Board and the licensee's employer within one (1) business day of occurrence. If occurrence is not during the Board's normal business hours the oral report must be within one (1) hour of the next business day. A written report shall be submitted to the Board within 48 hours of occurrence.

The supervisor shall complete and submit a written report monthly or as directed by the board. The report shall include: the licensee's name; license number; supervisor's name and signature; supervisor's license number; worksite location(s); dates licensee had face-to-face contact with supervisor; worksite staff interviewed, if applicable; attendance report; any change in behavior and/or personal habits; any indicators that can lead to suspected substance abuse.

The licensee shall complete the required consent forms and sign an agreement with the supervisor and the Board to allow the Board to communicate with the supervisor.

Major and Minor Violations:

Major Violations include, but are not limited to, the following:

- Failure to complete a Board-ordered program;
- Failure to undergo a required clinical diagnostic evaluation;
- Multiple minor violations;
- Treating patients while under the influence of drugs or alcohol;
- Committing any drug or alcohol offense that is a violation of the Business and Professions Code or state or federal law;
- Failure to obtain biological testing for substance abuse;
- Testing positive for a banned substance; and
- Knowingly using, making, altering or possessing any object or product in such a way as to defraud a drug test designed to detect the presence of alcohol or a controlled substance.

If a licensee commits a major violation, the Board shall:

1. Order the licensee to cease practice;
2. Inform the licensee that he or she has been so ordered and that he or she may not practice unless notified by the Board;
3. Require the licensee to undergo a new clinical diagnostic evaluation;
4. Terminate contract/agreement; and
5. Refer the matter for disciplinary action or other action as determined by the Board.

Minor Violations include, but are not limited to:

- Failure to submit required documentation as required;
- Unexcused absence at required meetings;
- Failure to contact a monitor as required; and
- Any other violations that do not present an immediate threat to the licensee or to the public.

If a licensee commits a minor violation, the Board shall determine what action is appropriate.

Drug Testing Standards:

If a licensee tests positive for a banned substance, the Board shall order that the licensee cease any practice, and contact the licensee to inform him or her that he or she has been ordered to cease practice and that he or she may not practice until the Board determines that he or she is able to safely practice. The Board shall also notify the licensee's employer that the licensee has been ordered to cease practice, and that he or she may not practice until the Board determines that he or she is able to safely practice. The Board shall determine whether the positive alcohol or drug test is, in fact, evidence of prohibited use, a major violation. If not, the Board shall immediately lift the cease practice order. If the Board files a petition to revoke probation or an accusation based upon the positive drug screen, the licensee shall be automatically suspended

from practice pending the final decision on the petition to revoke probation or accusation.

The following drug testing standards shall apply to each licensee subject to drug testing:

1. Licensees shall be randomly alcohol or drug tested at least 104 times per year for the first year and at any time as directed by the Board. After the first year, licensees who are practicing, shall be randomly alcohol or drug tested at least 50 times per

Licensees shall be tested randomly in accordance with the schedule below:

<u>Level</u>		
I		
II		

*The minimum range of 36-104 tests identified in level II, is for the second year of probation or diversion, and each year thereafter, up to five (5) years. Thereafter, administration of one (1) time per month if there have been no positive drug tests in the previous five (5) consecutive years of probation or diversion.

Nothing precludes the Board from increasing the number of random tests for any reason. If the Board finds or has suspicion that a licensee has committed a violation of the testing program or who has committed a Major Violation, the Board may reestablish the testing cycle by placing that licensee at the beginning of level I, in addition to any other disciplinary action that may be pursued.

- 2. Alcohol or drug testing may be required on any day, including weekends and holidays.
- 3. Except when directed, the scheduling of alcohol or drug tests shall be done on a random basis, preferably by a computer program.
- 4. Licensees shall be required to make daily contact as directed to determine if alcohol or drug testing is required.
- 5. Licensees shall be alcohol or drug tested on the date of notification as directed by the Board.
- 6. Specimen collectors must either be certified by the Drug and Alcohol Testing Industry Association or have completed the training required to serve as a collector for the U.S. Department of Transportation.
- 7. Specimen collectors shall adhere to the current U.S. Department of Transportation Specimen Collection Guidelines.

8. Testing locations shall comply with the Urine Specimen Collection Guidelines published by the U.S. Department of Transportation, regardless of the type of test administered.
9. Collection of specimens shall be observed.
10. Prior to vacation or absence, alternative alcohol or drug testing location(s) must be approved by the board.
11. Laboratories shall be certified and accredited by the U.S. Department of Health and Human Services.
12. A collection site must submit a specimen to the laboratory within one (1) business day of receipt. A chain of custody shall be used on all specimens. The laboratory shall process results and provide legally defensible test results within seven (7) days of receipt of the specimen. The Board will be notified of non-negative test results within one (1) business day and will be notified of negative test results within seven (7) business days.

EXCEPTIONS TO TESTING FREQUENCY SCHEDULE

I. PREVIOUS TESTING/SOBRIETY

II. VIOLATION(S) OUTSIDE OF EMPLOYMENT

An individual whose license is placed on probation for a single conviction or incident or two convictions or incidents, spanning greater than seven years from each other, where those violations did not occur at work or while on the licensee's way to work, where alcohol or drugs were a contributing factor, may bypass level I and participate in level II of the testing frequency schedule.

III. NOT EMPLOYED IN HEALTH CARE FIELD

person who is not practicing OR working in any health care field. If a reduced testing frequency schedule is established for this reason, and if a licensee wants to return to practice or work in a health care field, the licensee shall notify and secure the approval of the Board. Prior to returning to any healthcare employment, the licensee shall be subject to level I testing frequency for at least 60 days. At such time the person returns to employment (in a health care field), if the licensee has not

previously met the level I frequency standard, the licensee shall be subject to completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

IV. TOLLING

placed in a tolling status if the overall length of the probationary or diversion period is also tolled. A licensee shall notify the Board upon the licensee's return to California and shall be subject to testing as provided in this term. If the licensee returns to employment in a health care field, and has not previously met the level I frequency standard, the licensee shall be subject to completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

V. SUBSTANCE USE DISORDER NOT DIAGNOSED

period of monitoring and toxicology screening may be adopted by the board, but not to be less than 24 times per year. completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

DISCIPLINARY GUIDELINES

FACTORS TO BE CONSIDERED

In determining whether revocation, suspension or probation should be imposed in a given case, factors such as the following should be considered:

1. Nature and severity of the act(s), offense(s), or crime(s) under consideration;
2. Actual or potential harm to the public;
3. Actual or potential harm to any patient;
4. Prior disciplinary record;
5. Number and variety of violations;
6. Mitigation evidence;
7. Aggravating evidence;
8. Rehabilitation evidence;
9. In case of a criminal conviction, compliance with conditions of sentence and court-ordered probation;
10. Criminal record;
11. Time passed since the act(s) or offense(s) occurred; and
12. If applicable, evidence of expungement proceedings pursuant to Penal Code Section 1203.4.

Evidence of Rehabilitation:

The following documents are examples of evidence the Respondent may submit to demonstrate his or her rehabilitative efforts and dental competency:

- Successful completion of drug or alcohol treatment program
- Individual or group counseling

- Random, documented biological fluid screening
- Participation in dental support groups
- Education courses taken related to addictive disease
- Adherence to a 12-step recovery program philosophy, or equivalent
- Written documentation of participation in 12-step recovery groups, or equivalent
- Recent, dated letters from counselors regarding Respondent's participation in a rehabilitation or recovery program, where appropriate. These should include a description of the program, the number of sessions the Respondent has attended, the counselor's diagnosis of Respondent's condition and current state of rehabilitation improvement, the counselor's basis for determining improvement, and the credentials of the counselor and records from a treatment facility.
- For licensees, statement from employers documenting that the employer is aware of the previous drug or alcohol abuse problems. Statement must also substantiate that while employed, there was no evidence of continued alcohol or drug use and that the respondent performed dental functions in a safe and competent manner. Each statement should include the period of time and capacity in which the person worked with the Respondent and should contain the following sentence at the end: "I declare, under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct." It should be signed by the one making the statement and dated.
- Recent, dated laboratory analyses or drug screen reports, where appropriate.
- Recent, dated performance evaluations from Respondent's employer.
- Recent, dated physical examination reports by a licensed physician and surgeon, nurse practitioner, or physician assistant.
- Certificates or transcripts of courses related to dentistry that Respondent completed since the date of the violation. A dentist or dental auxiliary whose license has been revoked can use his or her former license number to obtain continuing education credit or hours or for any other purpose.

Mitigation Evidence:

- Length of time in practice
- No prior disciplinary action
- Illness or death of a family member or other personal circumstances affecting licensee's performance at the time of the incident
- Early admissions

~~OTHER~~ SITUATIONS IN WHICH REVOCATION IS THE RECOMMENDED PENALTY

- Failure to file a notice of defense or to appear at a disciplinary hearing, where the Board has requested revocation.
- Violation of a condition(s) of the Board's Probation Program.
- Substantiated evidence or convictions of physical abuse or sexual offenses.

PROBATIONARY TERMS AND CONDITIONS

The Board's primary responsibility is consumer protection. The Board believes that in disciplinary matters where probation has been imposed, conditions should be established to provide for consumer protection and to allow the probationer to demonstrate rehabilitation.

The following conditions of probation provide for consumer protection and establish a mechanism to monitor the rehabilitation progress of a probationer.

Probationary Term:

Generally, the Board recommends a minimum of three years of probation unless a longer or shorter term is warranted.

Probationary Conditions:

Conditions of probation are divided into two categories:

1. ***Standard*** conditions that are included in all probation orders; and
2. ***Additional*** conditions which are applicable to the nature of the violation(s).

For purposes of implementation of these conditions of probation, any reference to the Board also means staff working for the Dental Board of California or its designee.

In order to provide clarity and consistency in its decisions, the following language should be used in proposed decisions or stipulated agreements for exam applicants, credential applicants [those who hold a license in another state(s)], and for petitioners for reinstatement who are issued a license that is placed on probation.

Exam applicants who are placed on probation:

The application of respondent _____ for licensure is hereby granted. It is further ordered that (INSERT TYPE OF ADDITIONAL LICENSE OR PERMIT) Number (INSERT LICENSE OR PERMIT NUMBER) issued to Respondent is revoked. However, the revocation is stayed and Respondent's (INSERT TYPE OF ADDITIONAL LICENSE OR PERMIT) name the certificates) is placed on probation for (INSERT NUMBER OF YEARS) years on the following conditions.

STANDARD PROBATION CONDITIONS FOR ALL DECISIONS AND ORDERS

SEVERABILITY CLAUSE – Each condition of probation is a separate and distinct condition. If any condition of this Decision and Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Decision and Order, and all other applications thereof, shall not be affected. Each condition of this Decision and Order shall separately be valid and enforceable to the fullest extent permitted by law.

RATIONALE: The severability clause is required for all decisions and orders and stipulated agreements where there are conditions of probation, to avoid the possibility of all probation conditions being invalidated upon a successful appeal.

(1) OBEY ALL LAWS - Respondent shall obey all federal, state and local laws and all rules and regulations governing the practice of dentistry in California, and remain in full compliance with any court ordered criminal probation, payments and other requirements. A full and detailed account of all misdemeanor and felony arrests and convictions shall be reported by Respondent to the Board in writing within seven (7) days of occurrence. To permit monitoring of compliance with this condition, Respondent shall submit a completed California Department of Justice state and federal Livescan fingerprint form, unless previously submitted as part of the licensure application process. Fingerprints shall be submitted within 15 calendar days of the effective date of the Decision and Order.

CRIMINAL COURT ORDERS: If Respondent is under criminal court orders by any governmental agency, including probation or parole, and the orders are violated, this shall be deemed a violation of probation and may result in the filing of an accusation or petition to revoke probation or both.

OTHER BOARD OR REGULATORY AGENCY ORDERS: If Respondent is subject to any other disciplinary order from any other health-care related board or any professional licensing or certification regulatory agency in California or elsewhere, and violates any of the orders or conditions imposed by other agencies, this shall be deemed a violation of probation and may result in the filing of an accusation or petition to revoke probation or both.

RATIONALE: All licensees are responsible for abiding by federal, state, and local laws. Licensees are also responsible for complying with criminal court orders. If a licensee is subject to other health-care related board or regulatory agency orders, violations of

those orders may impact the status of his or her discipline by the Board. This condition emphasizes the Respondent's responsibility and specifies the Board's authority to take more immediate and severe action if other violations occur. If a licensee whose license is on probation violates other probationary conditions or order they may be unsafe to practice in this state.

(2) QUARTERLY REPORTS - Respondent shall submit quarterly reports signed under penalty of perjury stating whether there has been compliance with all the conditions of probation. Respondent shall submit a quarterly report no later than seven (7) calendar days from the beginning of the assigned quarter.

RATIONALE: This provides the Board with a mechanism for maintaining communication with the Respondents between meetings; gathering pertinent information from Respondent's; obtaining written materials, other than routine reports, that might be deemed necessary on an individual basis. This also allows coordination with other state agencies that discipline dentists and dental auxiliaries.

(3) COMPLY WITH THE BOARD'S PROBATION PROGRAM - Respondent shall fully comply with the conditions of probation established by the Board and all requirements necessary to implement the conditions of probation. Respondent shall cooperate with the Board in its monitoring and investigation of the Respondent's compliance with the conditions of probation. Respondent shall respond to all requests and inquiries from the Board within the time period specified by the Board.

Upon successful compliance with the conditions of probation, and completion of the probation term, Respondent's license shall be fully restored.

RATIONALE: Full compliance with conditions of probation demonstrate a Respondent's commitment to rehabilitation and to correcting the problems which led to the disciplinary action.

(4) ADDRESS CHANGE, NAME CHANGE, LICENSE STATUS - Respondent shall inform the Board in writing within 15 calendar days of any change in his or her address of record, physical employment address, physical residence address, and any legal name change. Respondent shall maintain an active, current license with the Board, including while suspended from practice of dentistry unless otherwise specified by the disciplinary orders.

Any misrepresentation by Respondent of his or her restricted license status to the public shall be a violation of the probation conditions.

RATIONALE: Informing the Board of address and name changes is necessary to ensure ongoing Board monitoring and contact with the Respondent.

(5) MEETINGS AND INTERVIEWS - Respondent shall appear in person for meetings and shall be available by telephone for interviews as directed by the Board.

RATIONALE: This provides a means for the Board representatives to make periodic assessments of the Respondent, to determine compliance with probation conditions and to give guidance and directions to licensees on probation.

(6) STATUS OF RESIDENCY, PRACTICE, OR LICENSURE OUTSIDE OF STATE - In the event Respondent should leave California to reside or practice outside the state, Respondent must provide written notification to the Board of the dates of departure and anticipated return to the state. Respondent's probation is tolled, if and when he or she ceases practicing in California. Period of practice outside of California will not apply to the reduction of the probationary period.

Respondent shall provide a list of all states, United States territories, and elsewhere in the world where he or she has ever been licensed as a dentist or dental auxiliary or held any health-care related professional license or certificate. Respondent shall further provide information regarding the status of each license and certificate and any changes in the license or certificate status during the term of probation. Respondent shall inform the Board if he or she applies for or obtains a dental or dental auxiliary license or certificate outside of California during the term of probation.

For purposes of this condition, non-practice due to Board ordered suspension or in compliance with any other condition of probation, shall not be considered a period of non-practice.

RATIONALE: Ensures that Respondents may not complete probation without being fully monitored for their period of probation in California. This further ensures that the Board is aware of all licensure outside of California as a dentist or dental auxiliary or in any health care related capacity.

(7) SUBMIT DOCUMENTATION - Upon request, Respondent shall submit documentation to the Board including, but not limited to the following: Livescan forms, quarterly reports, authorization for release of confidential information.

Such documentation shall be submitted under penalty of perjury, as required by the Board. On a case-by-case basis, documents shall be required to contain statements relative to Respondent's compliance with all the conditions of probation, and compliance with Board instructions.

RATIONALE: This provides the Board with a mechanism for maintaining communication with the Respondent between meetings; gathering pertinent information from the Respondent; and obtaining written materials, other than routine reports, that might be deemed necessary on an individual basis.

(8) COST RECOVERY – Respondent is hereby ordered to reimburse the Board the amount of \$_____ within ninety (90) calendar days from the effective date of this decision for its investigative and prosecution costs up to the date of the hearing. Failure to reimburse the Board's cost of its investigation and prosecution shall constitute a violation of the probationary order, unless the Board or its designee agrees in writing to payment by an installment plan because of financial hardship. Any and all requests for a payment plan shall be submitted in writing by Respondent to the Board. However, full payment of any and all costs required by this condition must be received by the Board no later than one (1) year prior to the scheduled termination of probation. Periods of non-practice by Respondent shall not relieve Respondent of his or her obligation to reimburse the Board for its costs.

RATIONALE: The Board has statutory authority to collect probation monitoring costs and all orders should contain this provision.

(9) PROBATION MONITORING COSTS: All costs incurred for probation monitoring during the entire probation shall be paid by the Respondent. The monthly cost may be adjusted as expenses are reduced or increased. Respondent's failure to comply with all terms and conditions may also cause this amount to be increased.

All payments for costs are to be sent directly to the Board and must be received by the dates specified.

If Respondent is unable to submit costs for any month, he or she shall be required, instead to submit an explanation of why he or she is unable to submit the costs, and the dates he or she will be able to submit the costs including payment amounts. Supporting documentation and evidence of why the Respondent is unable to make such payments must accompany this submission.

In addition to any other disciplinary action taken by the Board, the probationary period will be extended.

RATIONALE: The Board has statutory authority to collect probation monitoring costs and all orders should contain this provision.

(10) LICENSE SURRENDER - If Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the conditions of probation, Respondent may surrender his or her license to the Board. The Board shall evaluate Respondent's request and to exercise its discretion whether to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Such surrender shall be accomplished through a written stipulated agreement, without the filing of an accusation or petition to revoke probation, and without further hearing. Upon formal acceptance of the surrender, Respondent shall deliver his or her wallet and wall certificate to the Board or its designee and Respondent shall no longer practice dentistry or be subject to the conditions of probation.

Surrender of Respondent's license shall be considered a disciplinary action and shall become a part of Respondent's license history with the Board. If Respondent re-applies for a dental license, the application shall be treated as a petition for reinstatement of a revoked license.

(11) FUNCTION AS A LICENSEE – Respondent, during the period of probation, shall engage in the practice of [INSERT APPROPRIATE LICENSING CATEGORY, e.g. dentistry, dental hygiene, dental hygiene in extended functions, etc.] in California for a minimum of sixteen (16) hours per week or sixty-four (64) hours per calendar month. For the purpose of compliance with this section, “engaged in the practice of [INSERT APPROPRIATE LICENSING CATEGORY] may include, when approved by the Board, volunteer work in [INSERT APPROPRIATE LICENSING CATEGORY], or work in any non-direct patient position that requires licensure.

In the event Respondent should leave California to practice outside the state, Respondent must provide written notification to the Board of the dates of departure and anticipated return to the state. Respondent's probation is tolled, if and when he or she ceases practicing in California. Periods of practice outside of California will not apply to the reduction of the probationary period. In the event Respondent ceases to practice a minimum of sixteen (16) hours per calendar week or sixty-four hours per calendar month in California, Respondent must provide written notification of that fact to the Board. The period when the Respondent is not practicing, the minimum number of hours, will not apply to the reduction of the probationary period. Absence from practice

shall not relieve the Respondent from maintaining a current license or from fulfilling all of the terms and conditions of probation. For purposes of this condition, non-practice due to Board ordered suspension shall not be considered a period of non-practice. If Respondent stops practicing in California for a total of five (5) years, Respondent's license shall be automatically cancelled.

If Respondent has not complied with this condition during the probationary term, and Respondent has presented sufficient documentation of his or her good faith efforts to comply with this condition, and if Respondent is in compliance with all other probation conditions, the Board, in its sole discretion, may grant an extension of Respondent's probation period up to one year without further hearing in order to comply with this condition. During the one year extension, all original conditions of probation shall apply unless they have been modified by the Board via a petition for modification of probation.

RATIONALE: This provides the Board with an opportunity to monitor Respondents and determine if they can perform the functions and duties of his or her licensing category in a competent manner. It also prevents Respondents from merely "sitting out" the probation and avoiding the necessity of demonstrating competence and compliance with probation conditions.

(12) CONTINUANCE OF PROBATIONARY TERM/COMPLETION OF PROBATION -

If Respondent violates the terms of this probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may set aside the stay order and impose the revocation or suspension of the Respondent's license. If, during the period of probation, an accusation and/or a petition to revoke probation or both has been filed against Respondent's license or the Attorney General's Office has been requested to prepare an accusation and/or a petition to revoke probation or both against Respondent's license, the probationary period shall automatically be extended and shall not expire until the accusation and/or the petition to revoke probation has been acted upon by the Board. Upon successful completion of probation, Respondent's license will be fully restored.

RATIONALE: The provision ensures that the Board will be able to continue monitoring the practice of licensees who are either out of compliance with his or her probation conditions or have allegedly committed further acts that constitute a violation of the Dental Practice Act. This is necessary to protect the public from licensees who have already demonstrated a lack of compliance.

(13) SALE OR CLOSURE OF AN OFFICE AND/OR PRACTICE - If Respondent sells or closes his or her office after the imposition of administrative discipline, Respondent shall ensure the continuity of patient care and the transfer of patient records.

Respondent shall also ensure that patients are refunded money for dental work not completed, and shall not misrepresent to anyone the reason for the sale or closure of the office and/or practice. The provisions of this condition in no way authorize the practice of dentistry by the Respondent during any period of license suspension.

RATIONALE: This provision is intended to protect patients whose dentist of record has been disciplined and he or she needs to or chooses to sell or close his or her practice.

(14) NOTIFICATION TO EMPLOYER - Prior to engaging in the practice of dentistry, the Respondent shall provide a true copy of the Decision and Accusation to his or her employer, supervisor, or contractor, or prospective employer or contractor, and at any other facility where Respondent engages in the practice of dentistry before accepting or continuing employment. Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days.

This condition shall apply to any change(s) in place of employment.

The Respondent shall provide to the Board the names, physical addresses, mailing addresses, and telephone numbers of all employers and supervisors, or contractors, and shall inform the Board in writing of the facility or facilities at which the person engages in the practice of dentistry.

Respondent shall complete the required consent forms and sign an agreement with the employer and supervisor, or contractor, and the Board to allow the Board to communicate with the employer and supervisor, or contractor regarding the licensee's work status, performance, and monitoring.

RATIONALE: The condition provides the Board with a mechanism for ensuring that the employer providing dental services is informed of the license status of the respondent so that, if necessary, the work environment can be structured to ensure consumer safety.

ADDITIONAL CONDITIONS OF PROBATION MODEL LANGUAGE

These are additional probationary conditions that may be imposed depending on the nature of the violation(s). Some of the additional probationary conditions should be applied to substance abusing licensees.

(15) SUSPENSION - Commencing from the effective date of this decision, Respondent shall be suspended from the practice of dentistry for a minimum period of (minimum of 14 days). Respondent shall not mislead patients regarding the reasons for suspension from practicing dentistry.

During the suspension Respondent shall not practice dentistry directly or indirectly, including the supervision of dental auxiliaries, nor shall Respondent receive or have set aside for future receipt, any new monies derived from the practice of dentistry as defined by the provisions of Business and Professions Code Section 1625, which includes managing or conducting as manager, proprietor, conductor, lessor, or otherwise, a place where dental operations are performed.

If Respondent operates his or her own office as a solo practitioner or as a one person professional corporation, said office is to be closed except for administrative purposes (making future appointments when suspension is over, opening mail, referring patients, accepting payments on account, and general office administration); and Respondent shall not lease the dental office nor make any monetary gain from the practice earned during the period of time that the office is closed.

During the suspension period, all probation conditions are in full force and effect except those relating to the actual practice of [INSERT APPROPRIATE LICENSE CATEGORY.]

RATIONALE: This provision is necessary for the protection of the public because in some cases the licensee needs to stop practicing and participate in either rehabilitation or remedial education before resuming practice. And, it is appropriate in cases where the serious nature of the misconduct warrants a period of suspension from practice.

(16) REMEDIAL EDUCATION – Within (90 days) of the effective date of this decision, Respondent shall submit to the Board for its prior approval, an appropriate program of remedial education related to (*the cause of disciplinary action*) in an educational facility or program which must also to be approved by the Board. (*If appropriate, Respondent shall be evaluated by a dental educational institution prior to submitting remedial education courses for approval.*) The exact number of hours and specific content of the

program shall be determined by the Board or its designee. Respondent shall successfully complete the remedial education program and may be required to pass an examination administered by the Board or its designee related to the program's content. *(If appropriate, Respondent shall be restricted from the practice of {areas where a deficiency has been identified} until the remedial education program has been successfully completed.)* Respondent shall pay all costs of the remedial education program.

RATIONALE: In those instances where a licensee has demonstrated negligence or incompetence, or has been found to have performed work or attempting treatment beyond the scope of training or experience, the Board will impose a program of remedial education. This program shall specify the areas and hours of education remediation required, and may also dictate the institution(s) where the education will be received. A remedial education program is usually required prior to allowing the licensee to return to the identified deficient area of practice, and requires prior approval by the Board. Continuing education courses used for renewal of licensure will not fulfill the remedial education requirement. This program is for dentists and auxiliaries who have demonstrated deficiencies in skill but do not constitute a present danger to patients in other areas of practice.

(17) EXAMINATION – Respondent shall not practice dentistry until he or she has passed the California clinical examination or the Western Regional Examination Board examination. Respondent shall pay all fees related to the examination. If Respondent fails the examination three times, a period of one year must pass prior to retaking the required examination. Under the condition of failure for three times, the Respondent must also show evidence of remediation in the deficient area(s) prior to retaking the examination. Respondent must be successful in each section of the examination in order to fulfill this requirement and may not practice until totally successful. The probation period is tolled until Respondent passes either examination.

RATIONALE: This condition concerns itself with those individuals who are significantly deficient in the practice of dentistry or who have had a prior revocation and are petitioning the Board for reinstatement of their license. This condition will also apply to licensees who have had prior restrictions on practicing in a particular area or specialty field. This condition is particularly recommended in cases where Respondent has been found to have committed gross negligence, incompetence or repeated negligence.

(18) SUPERVISED PRACTICE - Within 60 days of the effective date of this decision, Respondent shall submit to the Board, for its prior approval, the name and qualifications of one or more proposed supervisors and a plan for each such supervisor by which

Respondent's practice would be supervised. The Board will advise Respondent within two weeks whether or not the proposed supervisor and plan of supervision are approved. Respondent shall not practice until receiving notification of Board approval of Respondent's choice of a supervisor and plan of supervision. Respondent shall complete any required consent forms and sign an agreement with the supervisor and the Board regarding the Respondent and the supervisor's requirements and reporting responsibilities.

The plan of supervision shall be *(direct and require the physical presence of the supervising dentist in the dental office during the time dental procedures are performed.) (general and not require the physical presence of the supervising dentist during the time dental procedures are performed but does require an occasional random check of the work performed on the patient as well as quarterly monitoring visits at the office or place of practice).* Additionally, the supervisor shall have full and random access to all patient records of Respondent. The supervisor may evaluate all aspects of Respondent's practice regardless of Respondent's areas of deficiencies.

Each proposed supervisor shall be a California licensed dentist who shall submit written reports to the Board on a quarterly basis verifying that supervision has taken place as required and include an evaluation of Respondent's performance. It shall be Respondent's responsibility to assure that the required reports are filed in a timely manner. Each supervisor shall have been licensed in California for at least five (5) years and not have ever been subject to any disciplinary action by the Board. An administrative citation and fine does not constitute discipline and therefore, in and of itself is not a reason to deny an individual as a supervisor.

The supervisor shall be independent, with no prior business or professional relationship with Respondent and the supervisor shall not be in a familial relationship with or be an employee, partner or associate of Respondent. If the supervisor terminates or is otherwise no longer available, Respondent shall not practice until a new supervisor has been approved by the Board. All costs of the supervision shall be borne by the Respondent.

If Respondent is placed on probation due to substance or alcohol abuse, then the supervisor shall meet the following additional requirements:

The supervisor shall sign an affirmation that he or she has reviewed the terms and conditions of the licensee's disciplinary order and agrees to supervise the licensee as set forth by the Board.

The supervisor shall have face-to-face contact with the licensee in the work environment on a frequent basis as determined by the Board, but at least once per week. The supervisor shall interview other staff in the office regarding the licensee's behavior, if applicable. The supervisor shall review the licensee's work attendance and behavior.

The supervisor shall orally report any suspected substance abuse to the Board and the licensee's employer within one (1) business day of occurrence. If occurrence is not during the Board's normal business hours the oral report must be within one (1) hour of the next business day. The supervisor shall submit a written report to the Board within 48 hours of occurrence.

The supervisor shall complete and submit a written report monthly or as directed by the board. The report shall include: the licensee's name; license number; supervisor's name and signature; supervisor's license number; worksite location(s); dates licensee had face-to-face contact with supervisor; worksite staff interviewed, if applicable; attendance report; any change in behavior and/or personal habits; any indicators that can lead to suspected substance abuse.

RATIONALE: This condition allows the Board to monitor the competency of Respondent by use of a fellow practitioner. It ~~is most appropriate~~ should be used in those cases involving incompetence, negligence, ~~and sexual misconduct,~~ and substance abuse. The type of supervision needs to be clearly defined relative to the necessity for the presence of the supervisor. Direct supervision would require the physical presence of the supervisor during the time dental procedures are performed. General supervision does not require the physical presence of the supervising dentist. The type of required supervision depends on the severity of the violation(s).

(19) RESTRICTED PRACTICE - Respondent shall not practice which includes consulting, examining and treating in *(area of noted deficiency) (shall not treat {male}{female}{minors} patients {without the presence of another party})*. Within 30 days from the effective date of this decision, Respondent shall submit to the Board, for prior approval, a plan to implement this restriction. Respondent shall submit proof satisfactory to the Board of compliance with this term of probation.

Respondent shall notify all current and prospective patients of the inability to perform the dental procedure of ____ by posting a written notification visible to all patients before they receive any dental treatment. Respondent shall submit documentation which provides satisfactory evidence of compliance with this term of probation.

RATIONALE: The condition prevents the Respondent from engaging in the practice of dentistry in situations where there is no close supervision and/or where the respondent could have undue authority over others and access to controlled substances.

(20) THIRD PARTY CHAPERONE MONITOR - During probation, Respondent shall have a third party Board-approved monitor present at all times while consulting, examining or treating (INSERT PATIENT CATEGORY, e.g., male, female, or minors) patients. Respondent shall, within (30) calendar days of the effective date of the Decision, submit to the Board for prior approval names of persons who will act as the third party monitor. Each third party monitor shall initial and date each patient dental record at the time the monitor's services are provided. Each third party monitor shall read the Decision(s) and the Accusation(s) and fully understand the role of the third party monitor.

Respondent shall maintain a log of all patients seen for whom a third party monitor is required. The log shall contain the; 1) monitor's name, patient name, age, gender, address, and telephone number; and date of service. Respondent shall keep this log in a separate file or ledger, in chronological order, shall make the log available for immediate inspection and copying on the premises at all times during business hours by the Board, and shall retain the log for the entire term of probation. Failure to maintain a log of all patients requiring a third party monitor, or to make the log available for immediate inspection and copying on the premises, is a violation of probation.

Respondent shall provide written notification prior to treatment to Respondent's affected patients that a third party monitor shall be present during all consultations, examination, or treatment with (e.g., male, female, or minor) patients. Respondent shall maintain in the patient's file a copy of the written notification, shall make the notification available for immediate inspection and copying on the premises at all times during business hours by the Board, and shall retain the notification for the entire term of probation.

Respondent shall submit documentation to the Board that provides satisfactory evidence of compliance with this term of probation.

RATIONALE: This condition should only be imposed in those rare instances where the Respondent has shown evidence of rehabilitation and is no longer considered a danger to patients. In those instances where Respondent is still considered a danger to patients, revocation should be imposed.

NOTE: In those cases where practice is restricted by either scope of practice or by the age or gender of patients, the Respondent must notify all current and prospective

patients of the restriction. Respondents found to have violation(s) or conviction(s) of sexual misconduct shall also be placed in a supervised environment.

(21) RESTITUTION - Within (30 to 90) days of the effective date of this decision, Respondent shall make arrangements for restitution to (*patient or entity*) in the amount of (*dollar amount*). (Insert who payment is to be made and when it is due. If a payment plan is imposed, insert specifics regarding payment plan.)

RATIONALE: Where there has been patient harm resulting from negligent or incompetent treatment or a determination has been made concerning fraudulent billing, restitution may be warranted. Careful scrutiny should be made to ensure that proper restitution is made to either the patient or any other applicable entity. Restitution may be made within a specific time frame or on a payment schedule. Restitution should cover those amounts that are a direct result of the actions of Respondent.

(22) COMMUNITY SERVICE - Within 60 days of the effective date of this decision, Respondent shall submit to the Board, for its prior approval, a community service program for the (*first year of probation or a specified period of probation*) in which Respondent shall provide volunteer services on a regular basis to a non-profit community or charitable facility or agency for at least (*number of hours per month/year for the first year or specified period of probation*). Such community service shall be (*dental or non-dental*) related.

Community service required by this condition shall be performed in the State of California. Community service performed prior to the effective date of the Decision shall not be accepted in fulfillment of this condition.

Prior to engaging in any community service Respondent shall provide a true copy of the Decision to the chief of staff, director, office manager, program manager, officer, or the chief executive officer at every community or non-profit organization where Respondent provides community service and shall submit proof of compliance to the Board or its designee within 15 calendar days. This condition shall also comply to any change(s) in community service.

All community services must be completed no later than one hundred and twenty (120) calendar days prior to the scheduled termination of probation.

RATIONALE: The Dental Practice Act authorizes the Board to impose as a condition of probation the fulfillment of community service. This is appropriate in those cases where

the Respondent has violated the public's trust. If the violation relates to quality of care, the community service shall not be dentally related.

(23) PSYCHOLOGICAL EVALUATION - Within 60 days of the effective date of this decision, and on a periodic basis thereafter as required by the Board or its designee, Respondent shall undergo a psychological evaluation by a licensed psychiatrist or psychologist approved by the Board. The psychiatrist or psychologist shall have been licensed for a minimum of five years and shall not have been subject to discipline by a regulatory agency. The evaluator shall furnish a detailed written report to the Board regarding Respondent's judgment and ability to practice dentistry independently and safely and other information as the Board may require. The cost of the evaluation shall be paid by Respondent. Respondent shall execute a Release of Information form authorizing the evaluator to release all information to the Board. Respondent shall comply with all of the recommendations of the evaluator unless excused by the Board in its sole discretion. This evaluation shall be confidential by the Board and is not subject to discovery. Psychological evaluations conducted prior to the effective date of the Decision shall not be accepted towards the fulfillment of this requirement.

OPTION: Respondent shall not engage in the practice of dentistry until notified by the Board in writing of its determination that Respondent is safe to practice dentistry independently and safely. The period of time that Respondent is not practicing shall not be counted toward completion of the term of probation.

Respondent's failure to undergo and complete the psychological evaluation, recommended therapy or comply with any other recommendations by the evaluator is a violation of probation.

RATIONALE: This condition shall be applied, but not limited to, any licensee who may be affected by a psychological problem, who has committed an act of sexual misconduct or who has suffered a substantially related conviction. This evaluation may be ordered and the results evaluated prior to allowing practice by the Respondent.

(24) PSYCHOTHERAPY - Within 45 days of the effective date of this decision, or within 45 days of a determination that psychotherapy is required, Respondent shall submit a proposed therapist and plan of therapy to be approved by the Board. The cost of therapy shall be borne by Respondent. The plan of therapy shall include the nature of the treatment and its proposed duration. The psychotherapist shall agree to submit quarterly reports to the Board regarding the progress and participation of Respondent. The treatment program shall not be terminated except upon Board approval after submission of the results of the program by the psychotherapist.

If there is a need for ongoing psychiatric psychological treatment, Respondent shall, within 30 days of the requirement notice, submit to the Board for its prior approval the name and qualifications of a psychotherapist psychiatrist licensed mental health professional of Respondent's choice. If the psychological evaluation recommends that Respondent seek treatment from a specific type of mental health professional (e.g. psychiatrist, psychologist, licensed clinical social worker or marriage and family therapist), Respondent shall only submit for consideration those who meet that recommendation. Respondent shall undergo and continue psychotherapy until further notice from the Board or its designee. Respondent shall have the treating psychotherapist mental health care professional submit quarterly status reports to the Board or its designee indicating whether the Respondent is capable of practicing dentistry safely.

RATIONALE: This condition should be imposed whenever there is evidence that the Respondent may have a psychological problem that may impact his or her being able to practice safely. If the Respondent is already in therapy this condition should be imposed to ensure that he or she continues to receive help.

(25) PHYSICAL EVALUATION - Within 45 days of the effective date of this decision, Respondent, at his or her expense, shall have a licensed physician and surgeon, who is approved by the Board before the assessment is performed, submit an assessment of the Respondent's physical condition and capability to perform the duties of a dentist. If medically determined, a recommended treatment program will be instituted and followed by the Respondent with the physician providing written reports to the Board.

If Respondent is determined to be unable to practice dentistry safely with or without restrictions, the licensed physician and surgeon making this determination shall immediately notify the Board and Respondent by telephone, and the Board shall request that the Attorney General's office prepare an accusation or petition to revoke probation. Respondent shall immediately cease practice and shall not resume practice until notified by the Board in writing. During this period of cessation of practice, Respondent shall not engage in any practice for which a license issued by the Board is required until the Board has notified Respondent that a medical determination permits Respondent to resume practice. This period of cessation of practice shall not apply to the reduction of this probationary time period.

If the Respondent fails to have the above assessment submitted to the Board within the 45-day requirement, Respondent's license is immediately suspended and he or she shall immediately cease practice and shall not resume practice until notified by the

Board in writing. This period of suspension of practice shall not apply to the reduction of this probationary time period. The Board may waive or postpone this suspension only if significant, documented evidence of mitigation is provided. Such evidence must establish good faith efforts by the Respondent to obtain the assessment, and a specific date for compliance must be provided. Only one such waiver or extension may be permitted.

Physical evaluations conducted prior to the effective date of the Decision shall not be accepted towards the fulfillment of this requirement.

OPTION: Respondent shall not engage in the practice of dentistry until notified by the Board in writing of its determination that Respondent is safe to practice dentistry independently and safely. The period of time that Respondent is not practicing shall not be counted toward completion of the term of probation.

RATIONALE: This condition shall be applied, but not limited to, any licensee whose ability to practice safely may be affected by a physical condition. This evaluation may be ordered and the results evaluated prior to allowing practice by the Respondent.

(26) DIVERSION PROGRAM - Within 7 days of the effective date of this Decision, Respondent shall contact the Program Manager of the Board's Diversion Program or his or her designee to schedule an intake and assessment and drug testing for evaluation by the Diversion Evaluation Committee (DEC). If Respondent fails to participate in the time required by the Diversion Program in the initial intake and assessments before his or her meeting with the DEC, this shall constitute a violation of probation and shall be reported to the enforcement program. If the Board notifies Respondent in writing of such failure to participate in the time required for the initial intake and assessment, he or she shall immediately cease practicing. If the DEC determines that Respondent is not appropriate for the program for reasons other than Respondent's failure to cooperate or make a good faith effort to participate, this condition of probation will have been met. If accepted into the program, Respondent shall fully comply with the terms and conditions of treatment and any other requirements imposed by the DEC. Any costs incurred shall be paid by Respondent. Failure to successfully complete the DEC treatment Diversion Program shall constitute a violation of probation.

If Respondent is not accepted into the Diversion Program for any reason, then the following probation condition shall apply.

Upon order of the Board, Respondent shall undergo a clinical diagnostic evaluation. Respondent shall provide the evaluator with a copy of the Board's Decision prior to the clinical diagnostic evaluation being performed.

Any time the Respondent is ordered to undergo a clinical diagnostic evaluation, Respondent shall cease practice for a minimum of 1 month pending the results of a clinical diagnostic evaluation. During such time, the Respondent shall submit to random drug testing at least 2 times per week.

Respondent shall cause the evaluator to submit to the Board a written clinical diagnostic evaluation report within 10 days from the date the evaluation was completed, unless an extension, not to exceed 30 days, is granted to the evaluator by the Board. The cost of such evaluation shall be paid by the Respondent.

Respondent shall cease practice until the Board determines that he or she is able to safely practice either full-time or part-time and has had at least 1 month of negative drug test results. Respondent shall comply with any restrictions or recommendations made as a result of the clinical diagnostic evaluation.

Note: This condition should be imposed when the Respondent's license is placed on probation for substance or alcohol abuse violations.

RATIONALE: Where it has been determined that in order to protect the public, a licensee or applicant should be evaluated to determine if he or she should participate in the Board's Diversion Program due to drug or alcohol impairment, this condition of probation should be imposed.

(27) BIOLOGICAL TESTING - Respondent shall submit to and pay for any random and directed biological fluid or hair sample, breath alcohol or any other mode of testing required by the Board. The Respondent shall be subject to a minimum of ~~one hundred~~ _____ random tests per year within the first year of probation, and a minimum of _____ random tests per year thereafter.

_____ Respondent shall make daily contact as directed by the Board to determine if he or she must submit to drug testing. Respondent shall have the test performed by a Board-approved laboratory certified and accredited by the U.S. Department of Health and Human Services within ~~twelve (12) hours upon request by the Board, or sooner if so requested by the Board and on the same day that he or she is notified that a test is required.~~ This shall ensure that the test results are sent immediately to the Board. Failure to comply within the time specified shall be considered an admission of a

positive drug screen and constitutes a violation of probation. If a test results in a determination that the urine admission was too diluted for testing, the result shall be considered an admission of a positive urine screen and constitutes a violation of probation. If an “out of range result” is obtained, the Board may require Respondent to immediately undergo a physical examination and to complete laboratory or diagnostic test to determine if any underlying physical condition has contributed to the diluted result and to cease practice. Any such examination or laboratory and testing costs shall be paid by respondent. An “out of range result” is one in which, based on scientific principles, indicates the Respondent attempted to alter the test results in order to either render the test invalid or obtain a negative result when a positive result should have been the outcome. If it is determined that Respondent altered the test results, the result shall be considered an admission of a positive urine screen and constitutes a violation of probation and Respondent must cease practicing. Respondent shall not resume practice until notified by the board. If Respondent tests positive for a banned substance, Respondent shall be ordered by the Board to cease any practice, and may not practice unless and until notified by the Board. All alternative drug testing sites due to vacation or travel outside of California must be approved by the Board prior to the vacation or travel.

Nothing precludes the Board from increasing the number of random tests for any reason. If the Board finds or has suspicion that a licensee has committed a violation of the testing program or who has committed a Major Violation, the Board may reestablish the testing cycle by placing that licensee at the beginning of level I, in addition to any other disciplinary action that may be pursued.

RESPONDENT’S TESTING FREQUENCY SCHEDULE IS SUBJECT TO THE FOLLOWING EXCEPTIONS:

I. PREVIOUS TESTING/SOBRIETY

In cases where the Board has evidence that a licensee has participated in a treatment or monitoring program requiring random testing, prior to being subject to testing by the Board, the Board may give consideration to that testing in altering the testing frequency schedule so that it is equivalent to this standard. This means that credit may be given for testing that has already occurred in setting the frequency schedule of drug testing.

II. VIOLATION(S) OUTSIDE OF EMPLOYMENT

An individual whose license is placed on probation for a single conviction or incident or two convictions or incidents, spanning greater than seven years from each other, where those violations did not occur at work or while on the licensee’s way to work, where alcohol or drugs were a contributing factor, may bypass level I and participate in level II of the testing frequency schedule.

III. NOT EMPLOYED IN HEALTH CARE FIELD

person who is not practicing OR working in any health care field. If a reduced testing frequency schedule is established for this reason, and if a licensee wants to return to practice or work in a health care field, the licensee shall notify and secure the approval of the Board. Prior to returning to any healthcare employment, the licensee shall be subject to level I testing frequency for at least 60 days. At such time the person returns to employment (in a health care field), if the licensee has not previously met the level I frequency standard, the licensee shall be subject to completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

IV. TOLLING

placed in a tolling status if the overall length of the probationary or diversion period is also tolled. A licensee shall notify the Board upon the licensee's return to California and shall be subject to testing as provided in this term. If the licensee returns to employment in a health care field, and has not previously met the level I frequency standard, the licensee shall be subject to completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

V. SUBSTANCE USE DISORDER NOT DIAGNOSED

In cases where no current substance use disorder diagnosis is made, a lesser period of monitoring and toxicology screening may be adopted by the Board, but not to be less than 24 times per year.

RATIONALE: This probation condition will allow the Board to monitor the Respondent in order to ascertain if he/she is substance and/or chemical free. It is to be required when the Respondent has violated any alcohol and/or substance abuse prohibitions. This condition shall be used in conjunction with additional probationary condition (28) Abstain from Use of Alcohol, Controlled Substance and Dangerous Drugs.

(28) ABSTAIN FROM USE OF ALCOHOL, CONTROLLED SUBSTANCES AND DANGEROUS DRUGS - Respondent shall abstain completely from the possession, injection, or consumption of any route, including inhalation, of all psychotropic (mood altering) drugs, including alcohol, and including controlled substances as defined in the California Uniform Controlled Substances Act, dangerous drug as defined by Business and Professions Code Section 4022, and any drugs requiring a prescription. This prohibition does not apply to medications lawfully prescribed by a physician and surgeon, dentist, or nurse practitioner for a bona fide illness or condition. Within fifteen (15) calendar days of receiving any lawful prescription medications, Respondent shall notify the Board in writing of the following: prescriber's name, address, and telephone

number; medication name and strength, issuing pharmacy name, address, and telephone number, and specific medical purpose for medication. Respondent shall also provide a current list of prescribed medication with the prescriber's name, address, and telephone number on each quarterly report submitted. Respondent shall provide the Board with a signed and dated medical release covering the entire probation period.

Respondent shall identify for the Board's approval a single coordinating physician and surgeon who shall be aware of Respondent's history of substance abuse and who will coordinate and monitor any prescriptions for Respondent for dangerous drugs, controlled substances, psychotropic or mood altering drugs. Once a Board-approved physician and surgeon has been identified Respondent shall provide a copy of the accusation and decision to the physician and surgeon. The coordinating physician and surgeon shall report to the Board on a quarterly basis Respondent's compliance with this condition. If any substances considered addictive have been prescribed, the report shall identify a program for the time limited use of such substances.

The Board may require that only a physician and surgeon who is a specialist in addictive medicine be approved as the coordinating physician and surgeon.

If Respondent has a positive drug screen for any substance not legally authorized, Respondent shall be ordered by the Board to cease any practice and may not practice unless and until notified by the Board. and If the Board files a petition to revoke probation or an accusation based upon the positive drug screen, Respondent shall be automatically suspended from practice pending the final decision on the petition to revoke probation or accusation. This period of suspension will not apply to the reduction of this probationary period.

Note: This condition is to be required when Respondent has violated any alcohol and/or substance abuse prohibitions. The provisions of Section 315.2 of the Business and Professions Code require the Board to order a licensee to cease practice if the licensee tests positive for any substance that is prohibited under the terms of the licensee's probation or diversion program.

RATIONALE: Abstinence from mood altering substances (alcohol/drugs) is necessary for compliance with the Board's Probation Program and to ensure successful rehabilitation. Abstinence from any psychotropic drug is required to prevent the substitution of one addicting substance with another.

(29) SURRENDER/PARTIAL SURRENDER OF DRUG ENFORCEMENT AGENCY PERMIT -

Option 1:

Controlled Substances - Within 60 days of the effective date of this decision, Respondent shall submit to the Board proof of surrender of Respondent's Drug Enforcement Agency Permit. Respondent shall not apply for a new permit without prior written approval from the Board.

OR

Option 2:

Respondent shall not prescribe, administer, dispense, order, or possess any controlled substances as defined by the California Uniform Controlled Substances Act, (*except for those drugs listed in Schedule(s)_____*) of the Act and/or prescribed to Respondent for a bona fide illness or condition by another practitioner. Respondent shall ensure that the DEA Permit is modified to reflect this restriction and proof submitted to the Board of this modification within 60 days.

RATIONALE: In cases of substance abuse/or violation of statutes regulating the procurement, dispensing or administration of controlled substances and dangerous drugs, this condition must be imposed.

(30) ETHICS COURSE - Within 30 days of the effective date of this decision, Respondent shall submit for prior Board approval a course in ethics that will be completed within the first year of probation. Units obtained for an approved course in ethics shall not be used for continuing education units required for renewal of licensure. No correspondence or Internet courses shall be allowed. An ethics course taken after the acts that gave rise to the charges in the accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board, be accepted towards the fulfillment of this condition.

RATIONALE: In those cases involving fraud, false advertising, excessive billing, or negligence this condition of probation will be imposed and may also be imposed in other cases if applicable.

(31) BILLING MONITOR – Within sixty (60) days of the effective date of this decision, Respondent shall submit to the Board, for its prior approval, the name and qualifications of one or more persons to act as a billing monitor. The proposed billing monitor(s) shall have been licensed dentist for at least five (5) years be approved and not have ever been subject to any disciplinary action by the Board. Once the Board has approved a

billing monitor, Respondent shall submit a plan by which the billing monitor will provide monitoring of Respondent billing practices.

All proposed billing monitors shall be independent, with no professional or personal relationship with Respondent, including a familial relationship with or be an employee, partner, or associate of Respondent. If at any time during the period of probation, the billing monitor quits or is otherwise unavailable to perform his or her monitoring duties, within fifteen (15) calendar days of the same, Respondent shall submit to the Board, for its prior approval, the name and qualifications of one or more persons to be the monitor.

The billing monitor shall submit written reports to the Board on a quarterly basis verifying that monitoring has taken place as required. It shall be Respondent's responsibility to ensure that the required reports are filed in a timely manner.

Respondent shall give the monitor access to all of Respondent's dental practice business records including financial and patient records. Monitoring shall consist of at least four (4) hours, per quarter, of review of Respondent's records. This review shall take place in Respondent's office and or place of employment. If the monitor prepares a quarterly report to the Board which finds substantial errors or omissions in, and/ or questionable billing practices, monitoring may be increased at the discretion of the Board and Respondent shall immediately comply therewith. All costs of monitoring shall be borne by the Respondent.

Each supervising monitor shall have read this Decision and the related Accusation.

RATIONALE: Recommended in cases involving capping, steering, fees for patient referrals or any other type of billing irregularities or fraud.

(32) SOLO PRACTICE - Respondent is prohibited from engaging in the solo practice of dentistry.

RATIONALE: Like similar conditions, this condition prevents the respondent from engaging as a sole practitioner in the practice of dentistry in situations where there is no close supervision and/or where the respondent could have undue authority over others and/or access to controlled substances.

(33) CONTROLLED SUBSTANCE-MAINTENANCE OF RECORDS AND INVENTORIES - Respondent shall maintain a record of all controlled substances ordered, prescribed, dispensed, administered, or possessed by Respondent, during probation, showing all the following: 1) the name and address of patient; 2) the date; 3)

the character and quantity of controlled substances involved; and 4) the indications and diagnosis for which the controlled substances were furnished.

Respondent shall keep these records in a separate file or ledger, in chronological order. All records and any inventories of controlled substances shall be available for immediate inspection and copying on the premises by the Board or its designee at all times during business hours and shall be retained for the entire term of probation.

Failure to maintain all records, to provide immediate access to the inventory, or to make all records available for immediate inspection and copying on the premises, is a violation of probation.

RATIONALE: In cases of substance abuse/or violation of statutes regulating the procurement, dispensing or administration of controlled substances and dangerous drugs, this condition must be imposed.

(34) CLINICAL TRAINING PROGRAM - Within 60 days of the effective date of this Decision, respondent shall enroll in a clinical training or educational program offered by an approved California Dental School. The program shall consist of a comprehensive assessment comprised of a two-day assessment of respondent's basic clinical and communication skills common to all clinicians; and dental knowledge, skill and judgment pertaining to respondent's specialty or sub-specialty (if he or she has one), and at a minimum, a 40 hour program of clinical education in the area of practice for which respondent was alleged to be deficient and that takes into account data obtained from the assessment, administrative decisions and accusations, and any other information that the Board deems relevant. Respondent shall pay all expenses associated with the clinical training program.

Based on respondent's performance and test results in the assessment and clinical education, the program will advise the Board of its recommendations for the scope and length of any additional education or clinical training or anything else affecting respondent's practice of dentistry.

At the completion of any additional education or training, respondent shall submit to and pass an examination. The program's determination whether or not respondent passed the examination or successfully completed the program shall be binding.

Respondent shall complete the program no later than six months after respondent's initial enrollment unless the Board agrees in writing to a later time for completion.

Failure to participate in and complete successfully all phases of the clinical training program as outlined above is a violation of probation.

Option #1: Condition Precedent

Respondent shall not practice dentistry until he or she has successfully completed the program and has been so notified by the Board in writing, except that respondent may practice in a clinical training program approved by the Board. Respondent's practice of dentistry shall be restricted to that which is required by the program.

Option #2 Condition Subsequent

If respondent fails to complete the clinical training program within the designated time period, respondent shall cease the practice of dentistry within 72 hours after being notified by the Board that respondent failed to successfully complete the program.

(35) FACILITATED GROUP SUPPORT MEETINGS –

Within fifteen (15) days from the effective date of the decision, Respondent shall submit to the Board or its designee for prior approval the name of one or more meeting facilitators. Respondent shall participate in facilitated group support meetings within fifteen (15) days after notification of the Board's approval of the meeting facilitator. When determining the type and frequency of required facilitated group support meeting attendance, the Board shall give consideration to the following:

- The licensee's history;
- The documented length of sobriety/time that has elapsed since substance abuse;
- The recommendation of the clinical evaluator;
- The scope and pattern of use;
- The licensee's treatment history; and ,
- The nature, duration, and severity of substance abuse.

Verified documentation of attendance shall be submitted by Respondent with each quarterly report. Respondent shall continue attendance in such a group for the duration of probation unless notified by the Board that attendance is no longer required.

If a facilitated group support meeting is ordered, the group facilitator shall meet the following qualifications and requirements:

1. The group meeting facilitator shall have a minimum of three (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed or certified by the state or other nationally certified organizations.

2. The group meeting facilitator shall not have a financial relationship, personal relationship, or business relationship with the licensee within the last ~~five (5)~~ years.
3. The group facilitator shall provide to the Board a signed document showing the licensee's name, the group name, the date and location of the meeting, the licensee's attendance, and the licensee's level of participation and progress.
4. The group meeting facilitator shall report any unexcused absence to the Board within twenty-four (24) hours.

Note: This condition should be imposed when the Respondent's license is placed on probation for substance or alcohol abuse violations.

RATIONALE: Alcohol and/or drug abuse treatment should be required in addition to other terms of probation in cases where the use of alcohol or other drugs by the Respondent has impaired the Respondent's ability to safely practice.

(36) CLINICAL DIAGNOSTIC EVALUATION –Upon order of the Board, Respondent shall undergo a clinical diagnostic evaluation. Respondent shall provide the evaluator with a copy of the Board's Decision prior to the clinical diagnostic evaluation being performed.

Any time the Respondent is ordered to undergo a clinical diagnostic evaluation, Respondent shall cease practice for a minimum of 1 month pending the results of a clinical diagnostic evaluation. During such time, the Respondent shall submit to random drug testing at least 2 times per week.

Respondent shall cause the evaluator to submit to the Board a written clinical diagnostic evaluation report within 10 days from the date the evaluation was completed, unless an extension, not to exceed 30 days, is granted to the evaluator by the Board. The cost of such evaluation shall be paid by the Respondent.

Respondent shall cease practice until the Board determines that he or she is able to safely practice either full-time or part-time and has had at least 1 month of negative drug test results. Respondent shall comply with any restrictions or recommendations made as a result of the clinical diagnostic evaluation.

Note: This condition should be imposed when the Respondent's license is placed on probation for substance or alcohol abuse violations and Additional Probationary Term No. (26) (Diversion Program) is not a term and condition of the probationary order.

WORKING COPY

#1 SENATE BILL 1441 REQUIREMENT

Specific requirements for a clinical diagnostic evaluation of the licensee, including, but not limited to, required qualifications for the providers evaluating the licensee.

#1 Uniform Standard

If a healing arts board orders a licensee who is either in a diversion program or whose license is on probation due to a substance abuse problem to undergo a clinical diagnosis evaluation, the following applies:

1. The clinical diagnostic evaluation shall be conducted by a licensed practitioner who:
 - holds a valid, unrestricted license, which includes scope of practice to conduct a clinical diagnostic evaluation;
 - has three (3) years experience in providing evaluations of health professionals with substance abuse disorders; and,
 - is approved by the board.
2. The clinical diagnostic evaluation shall be conducted in accordance with acceptable professional standards for conducting substance abuse clinical diagnostic evaluations.
3. The clinical diagnostic evaluation report shall:
 - set forth, in the evaluator's opinion, whether the licensee has a substance abuse problem;
 - set forth, in the evaluator's opinion, whether the licensee is a threat to himself/herself or others; and,
 - set forth, in the evaluator's opinion, recommendations for substance abuse treatment, practice restrictions, or other recommendations related to the licensee's rehabilitation and safe practice.

The evaluator shall not have a financial relationship, personal relationship, or business relationship with the licensee within the last five years. The evaluator shall provide an objective, unbiased, and independent evaluation.

If the evaluator determines during the evaluation process that a licensee is a threat to himself/herself or others, the evaluator shall notify the board within 24 hours of such a determination.

For all evaluations, a final written report shall be provided to the board no later than ten (10) days from the date the evaluator is assigned the matter unless the evaluator requests additional information to complete the evaluation, not to exceed 30 days.

#2 SENATE BILL 1441 REQUIREMENT

Specific requirements for the temporary removal of the licensee from practice, in order to enable the licensee to undergo the clinical diagnostic evaluation described in subdivision (a) and any treatment recommended by the evaluator described in subdivision (a) and approved by the board, and specific criteria that the licensee must meet before being permitted to return to practice on a full-time or part-time basis.

#2 Uniform Standard

The following practice restrictions apply to each licensee who undergoes a clinical diagnostic evaluation:

1. The Board shall order the licensee to cease practice during the clinical diagnostic evaluation pending the results of the clinical diagnostic evaluation and review by the diversion program/board staff.
2. While awaiting the results of the clinical diagnostic evaluation required in Uniform Standard #1, the licensee shall be randomly drug tested at least two (2) times per week.

After reviewing the results of the clinical diagnostic evaluation, and the criteria below, a diversion or probation manager shall determine, whether or not the licensee is safe to return to either part-time or fulltime practice. However, no licensee shall be returned to practice until he or she has at least 30 days of negative drug tests.

- the license type;
- the licensee's history;
- the documented length of sobriety/time that has elapsed since substance use
- the scope and pattern of use;
- the treatment history;
- the licensee's medical history and current medical condition;
- the nature, duration and severity of substance abuse, and
- whether the licensee is a threat to himself/herself or the public.

#3 SENATE BILL 1441 REQUIREMENT

Specific requirements that govern the ability of the licensing board to communicate with the licensee's employer about the licensee's status or condition.

#3 Uniform Standard

If the licensee who is either in a board diversion program or whose license is on probation has an employer, the licensee shall provide to the board the names, physical addresses, mailing addresses, and telephone numbers of all employers and supervisors and shall give specific, written consent that the licensee authorizes the board and the employers and supervisors to communicate regarding the licensee's work status, performance, and monitoring.

#4 SENATE BILL 1441 REQUIREMENT

Standards governing all aspects of required testing, including, but not limited to, frequency of testing, randomicity, method of notice to the licensee, number of hours between the provision of notice and the test, standards for specimen collectors, procedures used by specimen collectors, the permissible locations of testing, whether the collection process must be observed by the collector, backup testing requirements when the licensee is on vacation or otherwise unavailable for local testing, requirements for the laboratory that analyzes the specimens, and the required maximum timeframe from the test to the receipt of the result of the test.

#4 Uniform Standard

The following drug testing standards shall apply to each licensee subject to drug testing govern all aspects of testing required to determine abstention from alcohol and drugs for any person whose license is placed on probation or in a diversion program due to substance use:

~~Licensees shall be randomly drug tested at least 104 times per year for the first year and at any time as directed by the board. After the first year, licensees, who are practicing, shall be randomly drug tested at least 50 times per year, and at any time as directed by the board.~~

TESTING FREQUENCY SCHEDULE

A board may order a licensee to drug test at anytime. Additionally, each licensee shall be tested RANDOMLY in accordance with the schedule below:

<u>Level</u>	<u>Segments of Probation/Diversion</u>	<u>Minimum Range of Number of Random Tests</u>
<u>I</u>	<u>Year 1</u>	<u>52-104 per year</u>
<u>II*</u>	<u>Year 2+</u>	<u>36-104 per year</u>

*The minimum range of 36-104 tests identified in level II, is for the second year of probation or diversion, and each year thereafter, up to five (5) years. Thereafter, administration of one (1) time per month if there have been no positive drug tests in the previous five (5) consecutive years of probation or diversion.

Nothing precludes a board from increasing the number of random tests for any reason. Any board who finds or has suspicion that a licensee has committed a violation of a board's testing program or who has committed a Major Violation, as identified in Uniform Standard 10, may reestablish the testing cycle by placing that licensee at the beginning of level I, in addition to any other disciplinary action that may be pursued.

EXCEPTIONS TO TESTING FREQUENCY SCHEDULE**I. PREVIOUS TESTING/SOBRIETY**

In cases where a board has evidence that a licensee has participated in a treatment or monitoring program requiring random testing, prior to being subject to testing by the board, the board may give consideration to that testing in altering the testing frequency schedule so that it is equivalent to this standard.

II. VIOLATION(S) OUTSIDE OF EMPLOYMENT

An individual whose license is placed on probation for a single conviction or incident or two convictions or incidents, spanning greater than seven years from each other, where those violations did not occur at work or while on the licensee's way to work, where alcohol or drugs were a contributing factor, may bypass level I and participate in level II of the testing frequency schedule.

III. NOT EMPLOYED IN HEALTH CARE FIELD

A board may reduce testing frequency to a minimum of 12 times per year for any person who is not practicing OR working in any health care field. If a reduced testing frequency schedule is established for this reason, and if a licensee wants to return to practice or work in a health care field, the a licensee shall notify and secure the approval of the licensee's board. Prior to returning to any healthcare employment, the licensee shall be subject to level I testing frequency for at least 60 days. At such time the person returns to employment (in a health care field), if the licensee has not previously met the level I frequency standard, the licensee shall be subject to completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

IV. TOLLING

A board may postpone all testing for any person whose probation or diversion is placed in a tolling status if the overall length of the probationary or diversion period is also tolled. A licensee shall notify the board upon the licensee's return to California and shall be subject to testing as provided in this standard. If the licensee returns to employment in a health care field, and has not previously met the level I frequency standard, the licensee shall be subject to completing a full year at level I of the testing frequency schedule, otherwise level II testing shall be in effect.

V. SUBSTANCE USE DISORDER NOT DIAGNOSED

In cases where no current substance use disorder diagnosis is made, a lesser period of monitoring and toxicology screening may be adopted by the board, but not to be less than 24 times per year.

OTHER DRUG STANDARDS

Drug testing may be required on any day, including weekends and holidays.

The scheduling of drug tests shall be done on a random basis, preferably by a computer program, so that a licensee can make no reasonable assumption of when he/she will be tested again. Boards should be prepared to report data to support back-to-back testing as well as, numerous different intervals of testing.

Licensees shall be required to make daily contact to determine if drug testing is required.

Licensees shall be drug tested on the date of notification as directed by the board.

Specimen collectors must either be certified by the Drug and Alcohol Testing Industry Association or have completed the training required to serve as a collector for the U.S. Department of Transportation.

Specimen collectors shall adhere to the current U.S. Department of Transportation Specimen Collection Guidelines.

Testing locations shall comply with the Urine Specimen Collection Guidelines published by the U.S. Department of Transportation, regardless of the type of test administered.

Collection of specimens shall be observed.

Prior to vacation or absence, alternative drug testing location(s) must be approved by the board.

Laboratories shall be certified and accredited by the U.S. Department of Health and Human Services.

A collection site must submit a specimen to the laboratory within one (1) business day of receipt. A chain of custody shall be used on all specimens. The laboratory shall process results and provide legally defensible test results within seven (7) days of receipt of the specimen. The appropriate board will be notified of non-negative test results within one (1) business day and will be notified of negative test results within seven (7) business days.

A board may use other testing methods in place of, or to supplement biological fluid testing, if the alternate testing method is appropriate.

MEMORANDUM

DATE	August 3, 2011
TO	Dental Board of California
FROM	Donna Kantner, Manager, Licensing and Examination Unit Dental Board of California
SUBJECT	Agenda Item 4: Renewal Application for Universidad De La Salle. Discussion Regarding: (1) Current Status and Review of the School's Application; (2) the Board's Authority to Approve a Specified Curriculum within a School of Dentistry or Only a Dental School; and, (3) the Board's Authority to Extend the School's Approval Pending Completion of its Review.

Background:

In December 2004, the Dental Board notified the Universidad De La Salle Bajio that its dental curriculum had been granted full approval according to the provisions of Section 1636.4 of the Business and Professions Code, which sets out the requirements for the evaluation, approval and renewal of foreign dental schools by the Board. Section 1636.4(g) requires that each approved institution submit a renewal application every seven years.

On January 31, 2011, the Board transmitted via overnight mail a renewal application and copies of the applicable statutes and regulations, requesting that the renewal application be returned no later than May 1, 2011 to conform to regulatory timelines.

At its February 24, 2011 meeting, the Board voted that a subcommittee be created to review the renewal application and documents when submitted by the school. President Bettinger appointed Dr. Huong Le and Dr. Steven Morrow to act as this Subcommittee.

The renewal package was received by staff at the Board office on Friday, April 29, 2011 and copies of it were forwarded to the Subcommittee for review on Monday, May 2, 2011. The renewal application contained several volumes that were in Spanish, preventing a complete review by the subcommittee until a translation was received. On May 2, Drs. Le and Morrow met via teleconference with the Board's Legal counsel Kristy Shellans, her supervisor Don Chang and Richard DeCuir. The consensus at the meeting was that the Board has the option to extend the review and approval process.

On June 15, the English translation was received of the materials that were originally submitted in Spanish. The translations were forwarded to Dr. Le and Dr. Morrow for review on June 15. The subcommittee's initial review of the translated materials revealed a number of items that the school must provide before the application can be considered complete and a full review can begin. These requirements were communicated to the school on August 2 in the attached letter.

Due to the deficiencies of the initial renewal application described above, the subcommittee may not have the opportunity to complete its review prior to the new dates proposed for the site visit.

Legal counsel Kristy Shellans will provide a legal opinion at the meeting regarding the Board's authority to approve a specified curriculum within a school of dentistry and the Board's authority to extend the school's approval pending completion of its review.

Drs. Morrow and Le will provide the Board with additional information at the meeting.

MEMORANDUM

DATE	July 21, 2011
TO	Dental Board of California
FROM	Karen Fischer, Administrative Analyst Dental Board of California
SUBJECT	Agenda Item 6: Discussion and Possible Action Regarding SB 540 (Price) – Legislative Proposal for the Dental Board of California’s Sunset Review

Status of SB 540 (Price) Since the May 2011 Dental Board Meeting

At its May 2011 meeting, the Board directed staff to submit a letter to Senator Price, indicating the Board’s support of SB 540 while at the same time outlining concerns about the legislation. (A copy of that letter is attached.)

Specifically, the Board asked for Senator Prices’ consideration of the following:

1. Re-consideration of the composition of the Board to include eight dentists, five public members, and two dental assistants.
2. Additional enforcement methods that would assist enforcement staff in handling of minor to moderate violations more quickly and appropriately. These methods include time limitations on public disclosure for citations issued for less egregious violations, Notice of Correction, and Letter of Admonishment. Suggested language has been provided to the Committee staff.
3. Further clarification of issues relating to the Dental Assisting Council.
4. Language to ensure that the Board will be able to continue to collect current Dental Assisting fees on or after January 1, 2012; but that any increase in fees on or after January 1, 2012 would need to be adopted by regulation rather than resolution.

SB 540 was heard in the Assembly Business & Professions Committee on July 5, 2011. Drs. Bettinger, Witcher, Ms. Fran Burton and staff attended the hearing.

The bill was amended July 12th. The amendments specify that the composition of the Board will be eight (8) practicing dentists, one (1) registered dental hygienist, one (1) registered dental assistant, and five (5) public members; and contain a provision that the next sunset date of the Dental Board is January 1, 2016. (The July 12, 2011 amended version of SB 540 is attached.)

With regard to clarification of issues relating to the Dental Assisting Council, we have been told that amendments have been submitted to the Legislative Counsel and will be made in the Assembly Appropriations Committee.

In response to the Board's request for clarification relating to its ability to collect dental assisting fees after January 1, 2012, the Senate Business, Professions, and Economic Development Committee staff inserted the following language expressing the legislative intent regarding this issue:

SEC. 20. It is the intent of the Legislature that any fees established by the Dental Board of California under Section 1725 of the Business and Professions Code that are in effect on December 31, 2011, continue to apply on and after January 1, 2012, until the board changes those fees by regulation, as set forth in Section 44 12 of this act.

According to our legal counsel, "legislative intent" language regarding dental assisting fees may be insufficient and not legally defensible. If "legislative intent" language is necessary to clarify the statute, it may be easier to amend the law itself.

Currently the bill does not contain amendments to provide for enforcement tools such as time limitations on public disclosure for citations issued for less egregious violations, Notice of Correction, and Letter of Admonishment.

SB 540 was re-referred to the Appropriations Committee where it is scheduled to be heard on August 17th at 9:00 am.

Chair, Senate Business, Professions and Economic Development Committee

Subject: Senate Bill 540 (Price), Amended May 12, 2011

Dear Senator Price:

The intent of this letter is to extend the Dental Board of California's support of Senate Bill 540, while at the same time providing you with our concerns about this legislation as outlined below:

1. The Board believes that dental assistant representation on the Board is critical and therefore opposes removing the dental assistant position from the Board. Public testimony from the professional organizations expressed similar concern at the Board's quarterly meeting in San Francisco last week. We respectfully request that you re-consider the composition of the Board to include eight dentists, five public members, and two dental assistants.
2. We request that you continue to consider additional enforcement methods that would assist enforcement staff in handling of minor to moderate violations more quickly and appropriately. These methods include time limitations on public disclosure for citations issued for less egregious violations, Notice of Correction, and Letter of Admonishment. Suggested language has been provided to your Committee staff.
3. With regard to the proposed creation of a Dental Assisting Council, the Board took no position. However, we request further clarification of the following items:
 - a. Is it your intent to limit the Board's ability to hear dental assisting issues in its other committees such as Enforcement, Examinations, Licensing/Certification/Permits, and Legislation/Regulatory?
 - b. Does this language prohibit the Board from seeking input from other entities outside the Council on issues relating to dental assisting?
 - c. Is it the intent of this legislation that the Council consider disciplinary matters in closed session?

- d. Will the legislation be amended to include conflict of interest language for the qualifications of the Dental Assisting Council appointees?
4. The current version of the bill requires that Registered Dental Assistant fees be raised by regulation rather than resolution. As written, SB 540 prohibits the Board from collecting fees until after the regulations are promulgated which could be up to one year. We request that you provide an amendment to ensure that the Board will be able to continue to collect current fees on or after January 1, 2012; but that any increase in fees on or after January 1, 2012 would need to be adopted by regulation rather than resolution. Unless this legislation is amended, the Board will be unable to collect current dental assisting fees after January 1, 2012 until the regulations become effective. Suggested language has already been provided to your Committee staff.

The Board appreciates the opportunity to continue to work with you and your staff on Senate Bill 540. If you have any questions, please feel free to contact me.

Sincerely,

John Bettinger, DDS,
President, Dental Board of California

LEGISLATIVE COUNSEL'S DIGEST

SB 540, as amended, Price. Dentistry.

Existing law, until January 1, 2012, provides for the Dental Board of California within the Department of Consumer Affairs. Existing law requires the membership of the board to consist of 8 practicing dentists, a registered dental hygienist, a registered dental assistant, and 4 public members. Existing law requires the Governor to appoint all of the members of the board, except that the Senate Committee on Rules and the Speaker of the Assembly each appoint a public member. Existing law, until January 1, 2012, allows the board, with the approval of the Director of Consumer Affairs, to appoint a person exempt from civil service as the executive officer of the board. Under existing law, boards

scheduled for repeal are required to be evaluated by the Joint Sunset Review Committee.

This bill would extend the operation of ~~the board~~ *those provisions* until January 1, 2016, and instead specify that the board would be subject to review by the appropriate policy committees of the Legislature. The bill would change the membership of the board, ~~until January 1, 2014,~~ to include a total of 5 public members, and would, ~~on and after January 1, 2014,~~ delete the dental hygienist member and the dental assistant member, and provide for a total of 7 public members to the board *one additional public member*, to be appointed by the Governor. ~~The bill would make technical, conforming changes to related provisions.~~ The bill would also create a Dental Assisting Council of the board, to be appointed by the board, to consider matters relating to dental assistants and make recommendations to the board and standing committees of the board, as specified.

Existing law makes it unlawful for a healing arts practitioner to disseminate or cause to be disseminated any form of public communication containing a false, fraudulent, misleading, or deceptive statement, claim, or image for the purpose of or likely to induce, directly or indirectly, the rendering of professional services or furnishing of products in connection with the professional practice or business for which he or she is licensed. Existing law prohibits a dentist from making certain advertisements or holding himself or herself out as a specialist unless he or she meets specified criteria.

This bill would delete the advertising prohibitions described above that apply only to dentists.

Existing law requires every board in the Department of Consumer Affairs to initiate the process of adopting regulations on or before June 30, 1999, to require its licensees to provide notice to their clients or customers that the practitioner is licensed in this state, except as specified.

This bill would require the board to comply with that provision by January 1, 2013, and would set forth requirements for the notice to be adopted by the board.

Existing law authorizes the board to, upon an applicant's successful completion of the board examination, issue a probationary license to an applicant for licensure as a dentist or dental auxiliary. Existing law authorizes the board to require the applicant to comply with specified terms or conditions of a probationary license.

This bill would require the board to adopt written guidelines on how to make probation assignments and to ensure that probationary and evaluation reports are conducted consistently and regularly.

Existing law requires an applicant for licensure as a dentist to successfully complete an examination in California law and ethics developed and administered by the board.

This bill would require the board to ensure that the law and ethics examination reflects current law and regulations and that the examinations are randomized.

Existing law requires the board to establish criteria for the acceptance, denial, or termination of licentiates in a diversion program for the rehabilitation of licensees.

This bill would make changes to the provisions that apply to a licensee who withdraws or terminates from the diversion program. The bill would provide that all diversion records for that licensee shall be provided to the board's enforcement program and may be used in any disciplinary proceeding, including if the licensee tests positive for banned substances, as specified.

Existing law provides that the amount of the fees under the Dental Practice Act that relate to the licensing and permitting of dental assistants shall be established by resolution.

This bill would instead require those fees to be established by regulation.

Existing law requires the board to extend the California Dental Corps Loan Repayment Program of 2002 and distribute the money remaining in the account only until a specified date.

This bill would instead require the moneys to be distributed until all of the moneys are expended.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 651 of the Business and Professions Code
- 2 is amended to read:
- 3 651. (a) It is unlawful for any person licensed under this
- 4 division or under any initiative act referred to in this division to
- 5 disseminate or cause to be disseminated any form of public
- 6 communication containing a false, fraudulent, misleading, or
- 7 deceptive statement, claim, or image for the purpose of or likely

1 to induce, directly or indirectly, the rendering of professional
2 services or furnishing of products in connection with the
3 professional practice or business for which he or she is licensed.
4 A “public communication” as used in this section includes, but is
5 not limited to, communication by means of mail, television, radio,
6 motion picture, newspaper, book, list or directory of healing arts
7 practitioners, Internet, or other electronic communication.

8 (b) A false, fraudulent, misleading, or deceptive statement,
9 claim, or image includes a statement or claim that does any of the
10 following:

11 (1) Contains a misrepresentation of fact.

12 (2) Is likely to mislead or deceive because of a failure to disclose
13 material facts.

14 (3) (A) Is intended or is likely to create false or unjustified
15 expectations of favorable results, including the use of any
16 photograph or other image that does not accurately depict the
17 results of the procedure being advertised or that has been altered
18 in any manner from the image of the actual subject depicted in the
19 photograph or image.

20 (B) Use of any photograph or other image of a model without
21 clearly stating in a prominent location in easily readable type the
22 fact that the photograph or image is of a model is a violation of
23 subdivision (a). For purposes of this paragraph, a model is anyone
24 other than an actual patient, who has undergone the procedure
25 being advertised, of the licensee who is advertising for his or her
26 services.

27 (C) Use of any photograph or other image of an actual patient
28 that depicts or purports to depict the results of any procedure, or
29 presents “before” and “after” views of a patient, without specifying
30 in a prominent location in easily readable type size what procedures
31 were performed on that patient is a violation of subdivision (a).
32 Any “before” and “after” views (i) shall be comparable in
33 presentation so that the results are not distorted by favorable poses,
34 lighting, or other features of presentation, and (ii) shall contain a
35 statement that the same “before” and “after” results may not occur
36 for all patients.

37 (4) Relates to fees, other than a standard consultation fee or a
38 range of fees for specific types of services, without fully and
39 specifically disclosing all variables and other material factors.

- 1 (5) Contains other representations or implications that in
2 reasonable probability will cause an ordinarily prudent person to
3 misunderstand or be deceived.
- 4 (6) Makes a claim either of professional superiority or of
5 performing services in a superior manner, unless that claim is
6 relevant to the service being performed and can be substantiated
7 with objective scientific evidence.
- 8 (7) Makes a scientific claim that cannot be substantiated by
9 reliable, peer reviewed, published scientific studies.
- 10 (8) Includes any statement, endorsement, or testimonial that is
11 likely to mislead or deceive because of a failure to disclose material
12 facts.
- 13 (c) Any price advertisement shall be exact, without the use of
14 phrases, including, but not limited to, “as low as,” “and up,”
15 “lowest prices,” or words or phrases of similar import. Any
16 advertisement that refers to services, or costs for services, and that
17 uses words of comparison shall be based on verifiable data
18 substantiating the comparison. Any person so advertising shall be
19 prepared to provide information sufficient to establish the accuracy
20 of that comparison. Price advertising shall not be fraudulent,
21 deceitful, or misleading, including statements or advertisements
22 of bait, discount, premiums, gifts, or any statements of a similar
23 nature. In connection with price advertising, the price for each
24 product or service shall be clearly identifiable. The price advertised
25 for products shall include charges for any related professional
26 services, including dispensing and fitting services, unless the
27 advertisement specifically and clearly indicates otherwise.
- 28 (d) Any person so licensed shall not compensate or give anything
29 of value to a representative of the press, radio, television, or other
30 communication medium in anticipation of, or in return for,
31 professional publicity unless the fact of compensation is made
32 known in that publicity.
- 33 (e) Any person so licensed may not use any professional card,
34 professional announcement card, office sign, letterhead, telephone
35 directory listing, medical list, medical directory listing, or a similar
36 professional notice or device if it includes a statement or claim
37 that is false, fraudulent, misleading, or deceptive within the
38 meaning of subdivision (b).

1 (f) Any person so licensed who violates this section is guilty of
2 a misdemeanor. A bona fide mistake of fact shall be a defense to
3 this subdivision, but only to this subdivision.

4 (g) Any violation of this section by a person so licensed shall
5 constitute good cause for revocation or suspension of his or her
6 license or other disciplinary action.

7 (h) Advertising by any person so licensed may include the
8 following:

9 (1) A statement of the name of the practitioner.

10 (2) A statement of addresses and telephone numbers of the
11 offices maintained by the practitioner.

12 (3) A statement of office hours regularly maintained by the
13 practitioner.

14 (4) A statement of languages, other than English, fluently spoken
15 by the practitioner or a person in the practitioner's office.

16 (5) (A) A statement that the practitioner is certified by a private
17 or public board or agency or a statement that the practitioner limits
18 his or her practice to specific fields.

19 (B) A statement of certification by a practitioner licensed under
20 Chapter 7 (commencing with Section 3000) shall only include a
21 statement that he or she is certified or eligible for certification by
22 a private or public board or parent association recognized by that
23 practitioner's licensing board.

24 (C) A physician and surgeon licensed under Chapter 5
25 (commencing with Section 2000) by the Medical Board of
26 California may include a statement that he or she limits his or her
27 practice to specific fields, but shall not include a statement that he
28 or she is certified or eligible for certification by a private or public
29 board or parent association, including, but not limited to, a
30 multidisciplinary board or association, unless that board or
31 association is (i) an American Board of Medical Specialties
32 member board, (ii) a board or association with equivalent
33 requirements approved by that physician and surgeon's licensing
34 board, or (iii) a board or association with an Accreditation Council
35 for Graduate Medical Education approved postgraduate training
36 program that provides complete training in that specialty or
37 subspecialty. A physician and surgeon licensed under Chapter 5
38 (commencing with Section 2000) by the Medical Board of
39 California who is certified by an organization other than a board
40 or association referred to in clause (i), (ii), or (iii) shall not use the

1 term “board certified” in reference to that certification, unless the
2 physician and surgeon is also licensed under Chapter 4
3 (commencing with Section 1600) and the use of the term “board
4 certified” in reference to that certification is in accordance with
5 subparagraph (A). A physician and surgeon licensed under Chapter
6 5 (commencing with Section 2000) by the Medical Board of
7 California who is certified by a board or association referred to in
8 clause (i), (ii), or (iii) shall not use the term “board certified” unless
9 the full name of the certifying board is also used and given
10 comparable prominence with the term “board certified” in the
11 statement.

12 For purposes of this subparagraph, a “multidisciplinary board
13 or association” means an educational certifying body that has a
14 psychometrically valid testing process, as determined by the
15 Medical Board of California, for certifying medical doctors and
16 other health care professionals that is based on the applicant’s
17 education, training, and experience.

18 For purposes of the term “board certified,” as used in this
19 subparagraph, the terms “board” and “association” mean an
20 organization that is an American Board of Medical Specialties
21 member board, an organization with equivalent requirements
22 approved by a physician and surgeon’s licensing board, or an
23 organization with an Accreditation Council for Graduate Medical
24 Education approved postgraduate training program that provides
25 complete training in a specialty or subspecialty.

26 The Medical Board of California shall adopt regulations to
27 establish and collect a reasonable fee from each board or
28 association applying for recognition pursuant to this subparagraph.
29 The fee shall not exceed the cost of administering this
30 subparagraph. Notwithstanding Section 2 of Chapter 1660 of the
31 Statutes of 1990, this subparagraph shall become operative July
32 1, 1993. However, an administrative agency or accrediting
33 organization may take any action contemplated by this
34 subparagraph relating to the establishment or approval of specialist
35 requirements on and after January 1, 1991.

36 (D) A doctor of podiatric medicine licensed under Chapter 5
37 (commencing with Section 2000) by the Medical Board of
38 California may include a statement that he or she is certified or
39 eligible or qualified for certification by a private or public board
40 or parent association, including, but not limited to, a

1 multidisciplinary board or association, if that board or association
2 meets one of the following requirements: (i) is approved by the
3 Council on Podiatric Medical Education, (ii) is a board or
4 association with equivalent requirements approved by the
5 California Board of Podiatric Medicine, or (iii) is a board or
6 association with the Council on Podiatric Medical Education
7 approved postgraduate training programs that provide training in
8 podiatric medicine and podiatric surgery. A doctor of podiatric
9 medicine licensed under Chapter 5 (commencing with Section
10 2000) by the Medical Board of California who is certified by a
11 board or association referred to in clause (i), (ii), or (iii) shall not
12 use the term “board certified” unless the full name of the certifying
13 board is also used and given comparable prominence with the term
14 “board certified” in the statement. A doctor of podiatric medicine
15 licensed under Chapter 5 (commencing with Section 2000) by the
16 Medical Board of California who is certified by an organization
17 other than a board or association referred to in clause (i), (ii), or
18 (iii) shall not use the term “board certified” in reference to that
19 certification.

20 For purposes of this subparagraph, a “multidisciplinary board
21 or association” means an educational certifying body that has a
22 psychometrically valid testing process, as determined by the
23 California Board of Podiatric Medicine, for certifying doctors of
24 podiatric medicine that is based on the applicant’s education,
25 training, and experience. For purposes of the term “board certified,”
26 as used in this subparagraph, the terms “board” and “association”
27 mean an organization that is a Council on Podiatric Medical
28 Education approved board, an organization with equivalent
29 requirements approved by the California Board of Podiatric
30 Medicine, or an organization with a Council on Podiatric Medical
31 Education approved postgraduate training program that provides
32 training in podiatric medicine and podiatric surgery.

33 The California Board of Podiatric Medicine shall adopt
34 regulations to establish and collect a reasonable fee from each
35 board or association applying for recognition pursuant to this
36 subparagraph, to be deposited in the State Treasury in the Podiatry
37 Fund, pursuant to Section 2499. The fee shall not exceed the cost
38 of administering this subparagraph.

39 (6) A statement that the practitioner provides services under a
40 specified private or public insurance plan or health care plan.

- 1 (7) A statement of names of schools and postgraduate clinical
2 training programs from which the practitioner has graduated,
3 together with the degrees received.
- 4 (8) A statement of publications authored by the practitioner.
- 5 (9) A statement of teaching positions currently or formerly held
6 by the practitioner, together with pertinent dates.
- 7 (10) A statement of his or her affiliations with hospitals or
8 clinics.
- 9 (11) A statement of the charges or fees for services or
10 commodities offered by the practitioner.
- 11 (12) A statement that the practitioner regularly accepts
12 installment payments of fees.
- 13 (13) Otherwise lawful images of a practitioner, his or her
14 physical facilities, or of a commodity to be advertised.
- 15 (14) A statement of the manufacturer, designer, style, make,
16 trade name, brand name, color, size, or type of commodities
17 advertised.
- 18 (15) An advertisement of a registered dispensing optician may
19 include statements in addition to those specified in paragraphs (1)
20 to (14), inclusive, provided that any statement shall not violate
21 subdivision (a), (b), (c), or (e) or any other section of this code.
- 22 (16) A statement, or statements, providing public health
23 information encouraging preventative or corrective care.
- 24 (17) Any other item of factual information that is not false,
25 fraudulent, misleading, or likely to deceive.
- 26 (i) Each of the healing arts boards and examining committees
27 within Division 2 shall adopt appropriate regulations to enforce
28 this section in accordance with Chapter 3.5 (commencing with
29 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
30 Code.
- 31 Each of the healing arts boards and committees and examining
32 committees within Division 2 shall, by regulation, define those
33 efficacious services to be advertised by businesses or professions
34 under their jurisdiction for the purpose of determining whether
35 advertisements are false or misleading. Until a definition for that
36 service has been issued, no advertisement for that service shall be
37 disseminated. However, if a definition of a service has not been
38 issued by a board or committee within 120 days of receipt of a
39 request from a licensee, all those holding the license may advertise
40 the service. Those boards and committees shall adopt or modify

1 regulations defining what services may be advertised, the manner
2 in which defined services may be advertised, and restricting
3 advertising that would promote the inappropriate or excessive use
4 of health services or commodities. A board or committee shall not,
5 by regulation, unreasonably prevent truthful, nondeceptive price
6 or otherwise lawful forms of advertising of services or
7 commodities, by either outright prohibition or imposition of
8 onerous disclosure requirements. However, any member of a board
9 or committee acting in good faith in the adoption or enforcement
10 of any regulation shall be deemed to be acting as an agent of the
11 state.

12 (j) The Attorney General shall commence legal proceedings in
13 the appropriate forum to enjoin advertisements disseminated or
14 about to be disseminated in violation of this section and seek other
15 appropriate relief to enforce this section. Notwithstanding any
16 other provision of law, the costs of enforcing this section to the
17 respective licensing boards or committees may be awarded against
18 any licensee found to be in violation of any provision of this
19 section. This shall not diminish the power of district attorneys,
20 county counsels, or city attorneys pursuant to existing law to seek
21 appropriate relief.

22 (k) A physician and surgeon or doctor of podiatric medicine
23 licensed pursuant to Chapter 5 (commencing with Section 2000)
24 by the Medical Board of California who knowingly and
25 intentionally violates this section may be cited and assessed an
26 administrative fine not to exceed ten thousand dollars (\$10,000)
27 per event. Section 125.9 shall govern the issuance of this citation
28 and fine except that the fine limitations prescribed in paragraph
29 (3) of subdivision (b) of Section 125.9 shall not apply to a fine
30 under this subdivision.

31 SEC. 2. Section 1601.1 of the Business and Professions Code,

13 participate in a diversion program.

14 (b) A licentiate who is not the subject of a current investigation
15 may self-refer to the diversion program on a confidential basis,
16 except as provided in subdivision (f).

17 (c) A licentiate under current investigation by the board may

19 board's Diversion Program Manager. The Diversion Program

26 statement of understanding that states that the licentiate understands
27 that his or her violations of the Dental Practice Act or other statutes
28 that would otherwise be the basis for discipline, may still be
29 investigated and the subject of disciplinary action.

30 (d) If the reasons for a current investigation of a licentiate are

34 prescription, or nonviolent procurement of any controlled substance
35 or dangerous drugs for self-administration that does not involve
36 actual, direct harm to the public, the board shall close the
37 investigation without further action if the licentiate is accepted
38 into the board's diversion program and successfully completes the
39 requirements of the program. If the licentiate withdraws or is
40 terminated from the program by a diversion evaluation committee,

1 and the termination is approved by the program manager, the
2 investigation shall be reopened and disciplinary action imposed,
3 if warranted, as determined by the board.

4 (e) Neither acceptance nor participation in the diversion program
5 shall preclude the board from investigating or continuing to
6 investigate, or taking disciplinary action or continuing to take
7 disciplinary action against, any licentiate for any unprofessional
8 conduct committed before, during, or after participation in the
9 diversion program.

10 (f) If a licentiate withdraws or is terminated from the diversion
11 program for failure to comply or is determined to be a threat to
12 the public or his or her own health and safety, all diversion records
13 for that licentiate shall be provided to the board's enforcement
14 program and may be used in any disciplinary proceeding. If a
15 licentiate in a diversion program tests positive for any banned
16 substance, the board's diversion program manager shall
17 immediately notify the board's enforcement program and provide
18 the documentation evidencing the positive test result to the
19 enforcement program. This documentation may be used in a
20 disciplinary proceeding.

21 (g) Any licentiate terminated from the diversion program for
22 failure to comply with program requirements is subject to
23 disciplinary action by the board for acts committed before, during,
24 and after participation in the diversion program. A licentiate who
25 has been under investigation by the board and has been terminated
26 from the diversion program by a diversion evaluation committee
27 shall be reported by the diversion evaluation committee to the

MEMORANDUM

DATE	August 1, 2011
TO	Legislative and Regulatory Committee, Dental Board of California
FROM	Sarah Wallace, Legislative & Regulatory Analyst Dental Board of California
SUBJECT	Agenda Item 7: Discussion and Possible Action Regarding SB 544 (Price), Professions and Vocations: Regulatory Boards Relating to the Consumer Health Protection Enforcement Act

Background

Senate Bill 544 (Price) Professions and vocations: regulatory boards was amended on April 14, 2011 and contains enforcement changes similar to that of Senate Bill 1111 (Negrete McLeod, 2009-2010 Legislative Session). Prior to the bill being amended, Senate Business and Professions Committee staff provided the healing arts boards with an outline of the changes that were to be included in SB 544 (**Attachment A – Enforcement Changes for Healing Arts Boards**). Some of the provisions in the bill are applicable to all healing arts boards and some of the provisions are pertinent to specified healing arts boards (**Attachment B – Senate Bill 544, As Amended April 14, 2011**). Committee staff completed an analysis of the April 14, 2011 amended version of the bill in preparation of a hearing scheduled for May 2, 2011 (**Attachment C – Senate Committee on Business, Professions, and Economic Development Bill Analysis**).

With the assistance of the Board's subcommittee, Dr. Bruce Witcher and Ms. Fran Burton, Richard DeCuir, Executive Officer, prepared a letter addressed to the author, Senator Price (**Attachment D – Letter Addressed to Senator Price Regarding Senate Bill 544**). The letter (1) requested additional clarification, (2) identified duplication within the proposed statutes, (3) identified fiscal impact, (4) identified previous positions taken by the Board on provisions contained within the bill, and (5) respectfully requested the ability to respond to issues regarding mandatory revocation for a sex offense and prohibition of gag orders in settlements in civil litigation at a later date. The letter was delivered to the Committee Office, as well as all of the members of the Committee on April 29, 2011. The bill was heard in the Committee hearing on May 2, 2011 at the State Capitol. During the hearing, the bill was identified as a two-year bill and will be carried over to next year.

The April 14, 2011 version of SB 544 contains a total of one-hundred-and-ninety-one (191) sections containing various amendment and additions to the Business and Professions Code and the Government Code. Of the one-hundred-and-ninety-one

sections, there are forty (40) sections that contain proposed amendments and additions that will directly affect the Board. These proposed amendments and additions are included in the: (1) general provisions of the Business and Professions Code applicable to the Department of Consumer Affairs and all healing arts boards, and (2) provisions contained in the Dental Practice Act.

As part of the Board's Sunset Review process, staff identified three enforcement tools that require legislative action. The following tools were presented to Committee staff to enable to Board to address minor to moderate violations of the Dental Practice Act:

1. Time limitations on public disclosure for citations issued for less egregious violations,
2. Letter of Admonishment, and
3. Notice of Correction

Committee staff advised the Board that these additional enforcement tools would be included in SB 544 when the bill was picked up again in 2012.

Action Requested:

The purpose of this agenda item is to seek the Board's position on the provisions contained in SB 544 as currently amended. Please note that this is a two-year bill and the provisions may be amended in 2012. It is important to begin this process now, as we may find ourselves in between meetings when the bill begins moving again and staff may need to send a letter regarding the Board's position.

Due to the enormity of this bill, staff requests the Board review each of the provisions of this bill over the course of two meetings. For the August meeting, staff has prepared an analysis of the seventeen (17) provisions contained within SB 544 that amend the Dental Practice Act. Staff will prepare an analysis of the proposed amendments to the Business and Profession Code general provisions for the November meeting.

Staff requests the Board take one of the following actions:

- Request the Board President appoint a subcommittee to work with staff to develop preliminary positions and correlating rationales for each of the forty (40) proposed provisions contained in SB 544 and the proposed enforcement tools to present to the Board at the next meeting for consideration; or
- Discuss as a full Board and take positions on each of the following seventeen (17) proposed amendments that relate to the Dental Practice Act at the August meeting, and discuss and take positions on the remaining amendments to the general provisions at the November meeting.

ENFORCEMENT TOOLS REQUIRING STATUTORY AMENDMENTS AS PRESENTED DURING THE BOARD'S SUNSET REVIEW PROCESS

The Board has identified additional enforcement methods that will require legislative action. These additional methods include specific time limitations on public disclosure for citations issued for less egregious violations, Notice of Correction, and Letter of Admonishment. The Board will be able to utilize these tools to address minor to moderate violations of the Dental Practice Act.

Time Limitations on Public Disclosure for Citations Issued:

One of the current methods available is the issuance of an administrative citation. This method is used to address minor violations that do not warrant more severe disciplinary measures. However, because a citation remains on the licensee's record indefinitely, and the information is available to the public via the Internet, licensee's routinely request an informal hearing to challenge the merits of the allegation. In most cases, the licensee questions the fairness of a permanent mark against their license for a minor violation of the Dental Practice Act. The amount of time devoted to the informal hearing process limits the efficiency of the citation as an intermediate disciplinary tool. By comparison, citations issued by other Boards have a statute of limitations placed on the length of time posted for public disclosure (i.e. Medical Board of California, 5 years; Board of Registered Nursing, 3 years). The Board is seeking a comparable statute so that the citation method will be efficiently utilized and reduce the time and expense associated with informal hearings.

Letter of Admonishment:

In addition, the Letter of Admonishment, as used by the Board of Pharmacy, would be used by the enforcement staff who have already performed an investigation and have identified areas of concern that do **not** rise to the level of filing of a formal accusation. The results of the investigation need to be brought to the attention of the practitioner so that they can take the necessary steps to address the deficiency (i.e. record keeping course, remedial education). This method allows for an additional level of consumer protection without the lengthy administrative hearing process, and would be publically disclosed, including via the Internet.

Notice of Correction:

The final proposed method is the implementation of a Notice of Correction, as also currently used by the Board of Pharmacy. As opposed to the Letter of Admonishment, this would be used as an alternative to the method of citation during an inspection of a licensee's workplace when an incident does not rise to or warrant a formal citation but should be brought to the practitioner's attention (i.e. name of licensed practitioners not posted in the office, failure to wear a name tag, failure to post auxiliary duties). The notice will serve as documentation for the Board in the event of a repeated violation, but is not publically disclosed.

**ANALYSIS OF PROVISIONS CONTAINED IN SENATE BILL 544 (PRICE):
AMENDMENTS AND ADDITIONS TO THE DENTAL PRACTICE ACT**

**1) Proposed Addition of Business and Professions Code Section 1688 (SEC. 24,
Page 18 of SB 544)**

Summary:

This bill authorizes the Board to delegate to its executive officer the authority to adopt a proposed default decision where there is an administrative action to revoke a license has been filed and the licensee has failed to file a notice of defense or to appear at the hearing and a proposed default decision revoking the license has been issued. This bill requires the executive officer to report to the Board the number of proposed default decision adopted pursuant to this section.

This bill authorizes the Board to delegate to its executive officer the authority to adopt a proposed settlement agreement where an administrative action to revoke a license has been filed by the healing arts board and the licensee has agreed to the revocation or surrender his or her license. This bill requires the executive officer to report to the Dental Board the number of proposed settlement agreements adopted pursuant to this section.

Analysis:

This language is permissive and does not require the Board to delegate authority to the Executive Officer. When reviewing the proposed Consumer Protection Enforcement Initiative regulatory language in 2010, the Board voted to not include the delegation of authority in the proposed regulatory language.

**2) Proposed Addition of Business and Professions Code Section 1688.1 (SEC. 25,
Page 18 of SB 544)**

Summary:

This bill allows the Board to enter into a settlement with a licensee or applicant in lieu of the issuance of an accusation or statement of issues against that licensee or applicant. The bill requires the settlement to include language identifying the factual basis for the action being taken and a list of the statutes or regulations violated and specifies that a person who enters a settlement is not precluded from filing a petition, in the timeframe permitted by law, to modify the terms of the settlement or petition for early termination of probation, if probation is part of the settlement. The bill states that any settlement executed against a licensee shall be considered discipline, and a public record to be posted on the applicable board's Internet Website. The executive officer is required to report to the Dental Board the number of proposed settlement agreements adopted pursuant to this section.

Analysis:

This proposed language may violate due process laws and the Administrative Procedure Act. The factual basis and findings for a violation are contained within the Accusation or Statement of Issues before reaching settlement agreements.

3) Proposed Addition of Business and Professions Code Section 1688.2 (SEC. 26, Page 19 of SB 544)**Summary:**

This bill requires the automatic suspension of any licensee who is incarcerated after conviction of a felony, regardless of whether the conviction has been appealed. The Board is required to notify the licensee in writing of the suspension and of his or her right to elect to have the issue of penalty heard, as specified.

Analysis:

This provision will aid the Board with expediting the disciplinary process for licensees who have been incarcerated.

4) Proposed Addition of Business and Professions Code Section 1688.3 (SEC. 27, Page 21 of SB 544)**Summary:**

This bill provides that any proposed decision issued by an administrative law judge that contains a finding of fact that a licensee has engaged in any act of sexual contact, as defined, with a patient, or has committed a sex offense as defined, shall contain an order of revocation. This bill specifies that the revocation shall not be stayed by the administrative law judge.

Analysis:

The Board's current Disciplinary Guidelines specify that the maximum penalty for the commission of act of sexual abuse or misconduct with a patient is revocation, and the minimum penalty is revocation stayed with five years of probation for consensual sex with one patient. This new provision would eliminate the Board's discretion when deciding penalties for crimes relating to sexual contact between patients and licensees. Business and Professions Code Section 729 defines "Sexual contact" as sexual intercourse or the touching of an intimate part of a patient for the purpose of sexual arousal, gratification, or abuse.

Existing law, Business and Professions Code Section 1687, authorizes the Board to deny, revoke, or suspend the license of an individual who is required to register as a sex offender. The proposed amendment contradicts existing law, and will effectively repeal it if this bill is enacted.

5) Proposed Addition of Business and Professions Code Section 1688.4 (SEC. 28, Page 21 of SB 544)

Summary:

This bill requires the Board to deny an application for licensure by a registered sex offender. This bill requires the Board to revoke the license of an individual required to register as a sex offender. The Board is not authorized to reinstate or reissue the license or issue a stay of denial or place the licensee on probation.

Analysis:

This proposed language is duplicative of existing law, Business and Professions Code Section 1687. The proposed language also states that the Board shall "promptly" revoke the license of an individual required to register as a sex offender. Adding the term "promptly" is undefined and may cause confusion as to what would qualify as prompt revocation of a license.

6) Proposed Addition of Business and Professions Code Section 1688.5 (SEC. 29, Page 22 of SB 544)

Summary:

This bill provides that on or after July 1, 2013, the Board shall post on the Internet specified information in its possession, custody, or control regarding every licensee for which the board licenses, including whether or not the licensee or former licensee is in good standing, subject to a temporary restraining order, subject to an interim suspension order, subject to a restriction or cease practice order, as specified, or subject to any of the enforcement actions, as specified; whether or not the licensee or former licensee has been subject to discipline by the Board or by the board of another state or jurisdiction, as described; any felony conviction of a licensee reported to the Board; all current accusations filed by the AG's Office; any malpractice judgment or arbitration award; any hospital disciplinary action imposed against a licensee as a result of termination or revocation of the licensee's hospital staff privileges for a medical disciplinary cause; any misdemeanor conviction of a licensee that results in the disciplinary action of an accusation that is not subsequently withdrawn or dismissed; and appropriate disclaimers and explanatory statements to accompany the above information. This bill specifies that the information on the Internet will be in accordance with the California Public Records Act and it may not include personal information, as specified.

Analysis:

The Board's license verification web site will need to be modified to accommodate the information required to be disclosed. This will require additional work load of staff to compile this information, modify the Board's web site, add the necessary information to the web site, and maintain of the web site.

7) Proposed Addition of Business and Professions Code Section 1668.6 (SEC. 30, Page 24 of SB 544)

Summary:

This bill provides for the automatic suspension of a Board licensee, if the licensee holds a license in another state that has been suspended or revoked, for the duration of the suspension or revocation. This bill requires the Board to notify the licensee of the suspension and their right to have the issue of penalty heard. The Board, upon its own motion for good cause shown, may decline to impose or may set aside the suspension when it appears to be in the interest of justice to do so. This bill provides that the issue of penalty will be heard by an administrative law judge alone or with a panel of the Board in the discretion of the Board. This bill provides that the record of the proceedings that resulted in the suspension or revocation of the licensee's out-of-state license, including a transcript of the testimony, may be received in evidence. These provisions do not apply to a licensee who maintains their primary practice in California, as specified. This bill provides that these provisions will not apply to a licensee whose license has been surrendered, whose only discipline is a medical staff disciplinary action at a federal hospital and not for medical disciplinary cause or reason whose suspension or revocation has been stayed. This bill provides that this shall not apply to a suspension or revocation imposed by a state that is based solely on the prior discipline of the licensee by another state.

Analysis:

This will assist the board if quickly suspending a license of a practitioner whose license has been suspended or revoked in another state that is substantially related to their ability to safely practice and with providing better public protection.

8) Proposed Addition of Business and Professions Code Section 1947.1 (SEC. 31, Page 25 of SB 544)

Summary:

This bill allows the Board to delegate to its executive officer the authority to adopt a proposed default decision where an administrative action to revoke a license has been filed and the licensee has failed to file a notice of defense or to appear at the hearing and a proposed default decision revoking the license has been issued. This bill requires the executive officer to report to the Board the number of proposed default decision adopted pursuant to this section.

This bill allows the Board to delegate to its executive officer the authority to adopt a proposed settlement agreement where an administrative action to revoke a license has been filed by the healing arts Board and the licensee has agreed to the revocation or surrender his or her license. This bill requires the executive officer to report to the Board the number of proposed settlement agreements adopted pursuant to this section.

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California. All references to “board” in these sections should be changed to “committee” as the Dental Hygiene Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice.

9) Proposed Addition of Business and Professions Code Section 1947.2 (SEC. 32, Page 25 of SB 544)

Summary:

This bill allows the Board to enter into a settlement with a licensee or applicant in lieu of the issuance of an accusation or statement of issues against that licensee or applicant. This bill requires the settlement to include language identifying the factual basis for the action being taken and a list of the statutes or regulations violated and specifies that a person who enters a settlement is not precluded from filing a petition, in the timeframe permitted by law, to modify the terms of the settlement or petition for early termination of probation, if probation is part of the settlement. This bill states that any settlement executed against a licensee shall be considered discipline, and a public record to be posted on the applicable board's Internet Website. This bill requires the executive officer to report to the Board the number of proposed settlement agreements adopted pursuant to this section.

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California. All references to “board” in these sections should be changed to “committee” as the Dental Hygiene Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice.

10) Proposed Addition of Business and Professions Code Section 1947.3 (SEC. 33, Page 26 of SB 544)

Summary:

This bill requires the automatic suspension of any licensee who is incarcerated after conviction of a felony, regardless of whether the conviction has been appealed. This bill requires the healing arts board to notify the licensee in writing of the suspension and of his or her right to elect to have the issue of penalty heard, as specified

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California. All references to “board” in these sections should be changed to “committee” as the Dental Hygiene

Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice.

11) Proposed Addition of Business and Professions Code Section 1947.4 (SEC. 34, Page 28 of SB 544)

Summary:

This bill provides that any proposed decision issued by an administrative law judge that contains a finding of fact that a licensee has engaged in any act of sexual contact, as defined, with a patient, or has committed a sex offense as defined, shall contain an order of revocation. This bill specifies that the revocation shall not be stayed by the administrative law judge.

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California. All references to “board” in these sections should be changed to “committee” as the Dental Hygiene Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice.

12) Proposed Addition of Business and Professions Code Section 1947.5 (SEC. 35, Page 28 of SB 544)

Summary:

This bill requires the board to deny an application for licensure by a registered sex offender. This bill requires the board to revoke the license of an individual required to register as a sex offender. The board is not authorized to reinstate or reissue the license or issue a stay of denial or place the licensee on probation.

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California (DHCC). All references to “board” in these sections should be changed to “committee” as the Dental Hygiene Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice.

13) Proposed Addition of Business and Professions Code Section 1947.6 (SEC. 36, Page 29 of SB 544)

Summary:

This bill requires any employer of a RDH, RDHEF, or RDHAP to report to the board the suspension or termination for cause of any licensed RDH, RDHEF, or RDHAP in its employ. This bill defines suspension or termination for cause as suspension or

termination from employment for any of the following reasons: (a) use of controlled substances or alcohol, as specified; (b) unlawful sale of controlled substances or other prescription items; (c) patient or client abuse, neglect, physical harm, or sexual contact with a patient or client; (d) falsification of medical records; (e) gross negligence or incompetence and (f) theft from patients or clients, other employees, or the employer. This bill makes willful failure to report punishable by an administrative fine not to exceed \$100,000 per violation. This bill makes any failure, other than willful failure, to report punishable by an administrative fine not to exceed \$50,000 per violation

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California (DHCC). All references to “board” in these sections should be changed to “committee” as the Dental Hygiene Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice. The employer reporting requirements are not included in proposed provisions relating to the Board.

14) Proposed Addition of Business and Professions Code Section 1947.7 (SEC. 37, Page 31 of SB 544)

Summary:

This bill provides that on or after July 1, 2013, the Board shall post on the Internet specified information in its possession, custody, or control regarding every licensee for which the board licenses, including whether or not the licensee or former licensee is in good standing, subject to a temporary restraining order, subject to an interim suspension order, subject to a restriction or cease practice order, as specified, or subject to any of the enforcement actions, as specified; whether or not the licensee or former licensee has been subject to discipline by the Board or by the board of another state or jurisdiction, as described; any felony conviction of a licensee reported to the Board; all current accusations filed by the AG’s Office; any malpractice judgment or arbitration award; any hospital disciplinary action imposed against a licensee as a result of termination or revocation of the licensee’s hospital staff privileges for a medical disciplinary cause; any misdemeanor conviction of a licensee that results in the disciplinary action of an accusation that is not subsequently withdrawn or dismissed; and appropriate disclaimers and explanatory statements to accompany the above information. This bill specifies that the information on the Internet will be in accordance with the California Public Records Act and it may not include personal information, as specified.

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California (DHCC). All references to “board” in these sections should be changed to “committee” as the Dental Hygiene Committee runs their own enforcement program and is autonomous from the Dental Board except when defining scope of practice.

15) Proposed Addition of Business and Professions Code Section 1947.8 (SEC. 38, Page 32 of SB 544)

Summary:

This bill provides for the automatic suspension of a Board licensee, if the licensee holds a license in another state that has been suspended or revoked, for the duration of the suspension or revocation. This bill requires the Board to notify the licensee of the suspension and their right to have the issue of penalty heard. The Board, upon its own motion for good cause shown, may decline to impose or may set aside the suspension when it appears to be in the interest of justice to do so. This bill provides that the issue of penalty will be heard by an administrative law judge alone or with a panel of the Board in the discretion of the Board. These provisions do not apply to a licensee who maintains their primary practice in California, as specified. This bill provides that these provisions will not apply to a licensee whose license has been surrendered, whose only discipline is a medical staff disciplinary action at a federal hospital and not for medical disciplinary cause or reason whose suspension or revocation has been stayed. This bill provides that this shall not apply to a suspension or revocation imposed by a state that is based solely on the prior discipline of the licensee by another state.

Analysis:

This bill proposes additions of Business and Professions Code Sections 1947.1 through 1947.8 pertaining to the Dental Hygiene Committee of California (DHCC). Attachment A

Enforcement Changes for Healing Arts Boards

Enforcement Changes for Healing Arts Boards

1. **Title and Intent – Consumer Health Protection Enforcement Act**
2. **Bureau of State Audits Review of Diversion Programs of Healing Arts Boards in 2012.**

Justification. To ensure full implementation of SB 1441 standards and address problems encountered with the Maximus audit and drug testing requirements, this audit ensures that diversion programs are protecting the public and rehabilitating licensees.

3. **(GC) Information Provided on the Internet.** Requires healing arts boards to disclose the status of every license, including suspensions and revocations, whether or not the licensee or former licensee is in good standing, or has been subject to discipline by the healing arts board or by the board of another state or jurisdiction. Prohibits the disclosure of personal information, including home telephone number, date of birth, or social security number.

Justification. Although a number of boards, including healing arts boards, are required to post the aforementioned information regarding a licensee, there are other healing arts boards that do not. One of the issues raised by the *LA Times* is that the public is unaware of problem licensees, whether they have had prior disciplinary action taken against them, or whether their license is currently in good standing. There were instances in which the *LA Times* looked up on the Internet or on the BRN's Website and never saw prior disciplinary or criminal convictions of nurses. This provision ensures the uniformity of information about the status of licensees that are posted on the Internet.

4. **(GC) Director's Authority to Audit Enforcement Programs of Health Boards.** Existing law authorizes the Director of DCA to audit and review, among other things, inquiries and complaints regarding licensees, dismissals of disciplinary cases, and discipline short of formal accusation by the Medical Board of California (MBC) and the California Board of Podiatric Medicine. This bill allows the Director to audit and review the aforementioned activities for any of the healing arts boards. The Director may make recommendations for changes to the disciplinary system to the appropriate board, the Legislature, or both, for their consideration.

Justification. There does not appear to be any reason why the Director should only be limited to auditing and taking specific actions on behalf of consumers for the MBC and the Podiatric Board. The Director should be authorized to audit and review any healing arts boards as necessary, and allow the Director to make recommendations for changes to the board's disciplinary or enforcement system.

5. **(GC) Determination of Reasonable Costs by an ALJ and Payment of Costs.** Existing law allows an administrative law judge to direct a licensee who has committed a violation to pay healing arts boards a sum not to exceed the reasonable costs of the

investigation and enforcement of the case. This provision requires that in determining reasonable costs, an ALJ consider only the public resources expended pursuant to the investigation, prosecution and enforcement of the case. Requires an ALJ to provide an explanation as to how the amount ordered for reasonable costs was determined if the actual costs were not ordered. Allows a licensee and board to agree to a payment plan.

Justification. All boards are subject to cost recovery provisions. Healing arts boards have indicated to committee staff that there has been inconsistency in the manner ALJ's calculate cost recovery. These provisions will give direction to the ALJs in their determination of costs.

6. **(GC) Allow Boards to Contract with Collection Agency.** Allows a board to contract with a collection service for the purpose of collecting outstanding fees, fines, or cost recovery amounts. Specifies requirements to ensure privacy of information.

Justification. All of DCA's boards are authorized to issue administrative citations which may include an administrative fine to licensees for violations of law, and to non-licensees for unlicensed activity. However, most boards come far from ever collecting all administrative fines due to them. In order to improve effectiveness in boards' fine collection efforts, the DCA will procure a contract with a collection agency that can serve all boards. Legislation is needed to allow the DCA the ability to provide the collection agency with social security numbers.

7. **(GC) Allow Health Boards to Contract for Investigative Services provided by the Department of Justice.** Allows a healing arts board to contract with the Department of Justice to provide investigative services as determined necessary by the Executive Officer.

Justification. Healing arts boards should be provided with the greatest flexibility in obtaining investigative services and in completing cases in a timely manner. By allowing healing arts boards to contract with the Department of Justice, or to utilize the investigative services of the DOI, they will be provided with the broadest opportunity to move cases forward in a more expeditious manner. The AG's Office made this recommendation since it also believes that more difficult criminal-type cases could be investigated and prosecuted by their Office.

8. **(GC) Create Within the Division of Investigation (DOI) a Health Quality Enforcement Unit.** Creates within DOI a special unit titled the "Health Quality Enforcement Unit" to focus on health care quality cases and to work closely with the AG's Health Quality Enforcement Section in investigation and prosecution of complex and varied disciplinary actions against licensees of the various healing arts boards.

Justification. Creating a Health Quality Enforcement Unit to focus on health care quality cases will create expertise in the investigation and prosecution of complex and varied disciplinary actions against licensees of the various healing arts boards.

9. **(PA) Allow Executive Officers (EO) to Adopt Default Decisions and Stipulated Settlements.** Allows a healing arts board to delegate to the executive officer the authority to adopt a proposed default decision in an administrative action to revoke a license if a licensee fails to file a notice of defense, appear at the hearing, or has agreed to surrender his or her license. Require the EO to report to the board the number of default decisions and stipulated settlements adopted. Requires that a stipulated settlement give notice to licensees, to include language identifying the factual basis for the action taken, and a list of the statutes or regulations violated. Allows a licensee to file a petition to modify the terms of the settlement or petition for early termination of probation, if probation is part of the settlement.

Justification. According to the AG's Office, a majority of filed cases settle and the receipt of a Notice of Defense can trigger either settlement discussions or the issuance of a Default Decision. Stipulated settlements are a more expeditious and less costly method of case resolution. The EO of the board can provide summary reports of all settlements to the board and the board can provide constant review and feedback to the executive officer so that policies can be established and adjusted as necessary. Also, there have been instances of undue delays between when a fully-signed settlement has been forwarded to the board's headquarters and when it has been placed on the board's agenda for a vote. Delegating this authority to the executive officer will result in a final disposition of these matters much more quickly. The fact that the BRN, for example, has reduced the number of its annual meetings has only increased the need for this.

According to the Center for Public Interest Law (CPIL), it is taking the AG too long to prepare a proposed default decision. In 2004-2005, it was taking the AG almost 6 months to file a proposed default decision. In 2008-2009 it was down to about 2.5 months. As argued by CPIL, filing a proposed default decision is "not rocket science" and should only take a matter of hours.

10. **(PA) Automatic Suspension of License While Incarcerated.** Provides that the license of a healing arts licensee shall be suspended automatically if the licensee is incarcerated after the conviction of a felony, regardless of whether the conviction has been appealed, and requires the board to notify the licensee of the suspension and of his or her right to a specified (due process) hearing.

Justification. Existing law allows physicians and surgeons and podiatrists to be suspended while incarcerated and there is no reason why other healing arts professionals should not be subject to the same requirements regarding suspension of their license if they are convicted of a felony and incarcerated. Automatic license suspension is needed to prevent a healing arts licensee from practicing while in prison or while released pending appeal of a conviction. Years may pass before a convicted licensee's license can be revoked. According to the *LA Times*, "in some cases, nurses with felony records continue to have spotless licenses even while serving time behind bars." The *LA Times* gave examples of at least five nurses who had felony convictions and yet continued to have a license in good standing.

11. **(PA) Mandatory Revocation for Acts of Sexual Exploitation and Registration as Sex Offender.** States that a decision issued by an administrative law judge that contains a finding that a healing arts practitioner engaged in any act of sexual exploitation, as defined, or has committed an act or been convicted of a sex offense, shall contain an order of revocation. The revocation shall not be stayed by the administrative law judge. Also, adds a new section that would require the board to deny a license to an applicant or revoke the license of a licensee who has been required to register as a sex offender.

Justification. Mandatory revocation of a license for acts of sexual exploitation currently applies to physician and surgeons, psychologists, respiratory care therapists, marriage and family therapists, and clinical social workers. Additionally, there is a mandatory revocation for any physician and surgeon, dentist, physical therapist, or psychologist who registers as a sex offender. There is no reason why these provisions should not apply to other healing arts licensees.

12. **(PA) Prohibition of Gag Clauses in Civil Dispute Settlement Agreements.** Prohibits a healing arts licensee from including, or permitting to be included, any provision in a civil dispute settlement agreement which would prohibit a person from contacting, cooperating with or filing a complaint with a board based on any action arising from his or her practice.

Justification. Currently, physicians and surgeons are prohibited from including gag clauses in civil dispute settlements. AB 249 (Eng, 2007) would have extended this prohibition to all healing arts professionals but was vetoed by the Governor. There is no reason why other healing arts professionals should not be subject to the same prohibition which would prevent them from including a “gag clause” in a malpractice settlement and thus prevent a board from receiving information about a practitioner who may have violated the law. The use of gag clauses still persists. Gag clauses are sometimes used to intimidate injured victims so they refuse to testify against a licensee in investigations. Gag clauses can cause delays and thwart a board’s effort to investigate possible cases of misconduct, thereby preventing the board from performing its most basic function – protection of the public. Gag clauses increase costs to taxpayers, delay action by regulators, and tarnish the reputation of competent and reputable licensed health professionals. California should not allow repeat offenders who injure patients to hide their illegal acts from the authority that grants them their license to practice as a healing arts professional.

13. **(PA) Access to Medical Records/Documents Pursuant to Board Investigations.** Authorizes the AG and his or her investigative agents and healing arts boards to inquire into any alleged violation of the laws under the board’s jurisdiction and to inspect documents subject to specified procedures. Provides that any document relevant to an investigation may be inspected, and copies may be obtained where patient written authorization is given. Imposes civil and criminal penalties for licensees or health facilities for failure to comply with a patient’s medical record request or with a court order mandating release of record.

Justification. Provisions authorizing the AG and its investigative agents and boards to

inquire into any alleged violations of the laws under the board's jurisdiction and to inspect documents subject to specified procedures currently exists for physicians and surgeons. Furthermore, existing law requires physicians and surgeons, dentists, and psychologists to produce medical records accompanied by a patient's written authorization and pursuant to a court order (subpoena), and prescribes penalties for failure to produce the records. When a board or the AG is trying to obtain important documents and medical records pursuant to a disciplinary action of a licensee, requirements for obtaining these documents and records should be consistent with those of other health care practitioners. Language has been included which protects those licensees who may not be responsible for medical records or have no access or control over these records. Also, medical records can only be obtained under two circumstances: (1) The patient has given written authorization for release of the records to a board; and, (2) the board or the AG has sought a court order and the court has issued a subpoena mandating the release of records. Under both circumstances penalties would apply if the records are not supplied by those who have both possession and control over the records. There is no reason why the requirement for obtaining important medical records and documents pursuant to an investigation by a board should not uniformly apply to all healing arts boards.

14. **(PA) Access to Records/Documents from Governmental Agencies.** Requires a state agency, upon receiving a request from a board, to provide all records in the custody of the agency including but not limited to confidential reports, medical records and records related to closed or open investigations. Requires a healing arts board to maintain the confidentiality of any personal identifying information.

Justification. When a regulatory program conducts an investigation on one of its licensees, there can be significant delays caused by the amount of time it takes to secure records from various state agencies. This proposal would solve this problem by requiring these agencies to release information relevant to investigations, upon the request of a board.

15. **(PA) Payment to Agencies for Record/Documents Received.** Requires all local and state law enforcement agencies, state and local governments, state agencies and licensed health care facilities, and employers of any licensee of a board to provide records requested prior to receiving payment from the board.

Justification. Only a small number of external governmental agencies charges boards for producing records (i.e., Federal courts, several Los Angeles county agencies). However, under current practices, procedures involved in receiving approval for and completing the payment can delay delivery of the requested records.

16. **(PA) Employer of Health Care Practitioner Reporting Requirements.** Requires any employer of a healing arts licensee to report to the respective board the suspension or termination for cause, as defined (serious violations of professional practice), or resignation in lieu of suspension or termination, of any healing arts licensee in its employ. Requires the information reported to be confidential and not subject to discovery in civil cases, and to include the facts and circumstances of the suspension, termination or resignation. Requires a healing arts board to investigate the

circumstances underlying the report within 30 days to determine if an interim suspension order or temporary restraining order should be issued.

Justification. Currently employers of vocational nurses, psychiatric technicians and respiratory care therapists are required to report to the respective boards the suspension or termination for cause of these health care practitioners. The MBC, the Board of Podiatric Medicine, Board of Behavioral Sciences, Board of Psychology and the Dental Board also have more extensive reporting requirements for peer review bodies and hospitals which are specified in Section 805 of the B&P Code. There is no reason why the remaining healing arts boards should not have similar reporting requirements for those licensees who have been suspended or terminated from employment for serious disciplinary reasons.

17. **(GC) Annual Enforcement Reports by Boards to the Department and Legislature.**

Requires healing arts boards to report annually, by October 1, to the DCA and the Legislature certain information, including, but not limited to, the total number of consumer calls received by the board, the total number of complaint forms received by the board, the total number of convictions reported to the board, and the total number of licensees in diversion or on probation for alcohol or drug abuse.

Justification. Currently, the MBC reports annually to the DCA and the Legislature certain enforcement actions taken against physicians and surgeons. There is no reason why other healing arts boards should not be subject to the same requirements in submitting an annual enforcement report both to the DCA and the Legislature.

18. **(GC) Enforcement Timeframes for the Attorney General's Office.** Requires the AG's Office to serve an accusation within 60-calendar days after receipt of a request for accusation from a board; serve a default decision within 5 days following the time period allowed for the filing of a Notice of Defense and to set a hearing date within three days of receiving a Notice of Defense, unless instructed otherwise by the board.

Justification. There are delays in the prosecution of cases at the AG's Office that are contributing to the lengthy enforcement and disciplinary process that can take on average up to 2 to 3 years. According to statistics provided by the AG's Office, the average time for the AG to file an accusation for a board is taking from 5 to 8 months, and to complete prosecution can take on average about 400 days. Concerns have also been raised about the time it takes the AG to prepare a proposed default decision. The filing of a default decision is made once a licensee has failed to file a "notice of defense" when an accusation has been served on him or her. If the licensee fails to file a notice of defense within a specified timeframe, he or she is subject to a default judgment because of a failure to appear or make a defense of the disciplinary case. In 2004-2005 it was taking the AG almost 6 months to file a proposed default decision. In 2008-2009 it was down to about 2.5 months. However, the filing of a proposed default decision is "not rocket science" and should only take a matter of days.

19. **(GC) Limited License for Mental Illness/Chemical Dependency.** Grants healing arts boards the authority to provide a limited license, certificate or permit to an applicant who may be unable to practice his or her profession safely because of mental or

physical illness. Specifies requirements for the provision of limited license.

Justification. Boards lack the authority to deny a license application or compel an applicant to submit to a psychological or physical examination when the applicant's fitness to practice is compromised based on suspected mental illness or chemical dependency. Boards have the authority to deny an applicant a license for criminal convictions, dishonesty, fraud or deceit, or any act if committed by a licensee would be grounds for disciplinary action. This proposed language would solidify the Board's authority to protect the public, given the potential harm/damage to public safety of a substance abusing licensee or one with mental illness or other physical illness.

20. **(PA) Report Licensing Actions and Checking Information Maintained by the National Practitioner Data Bank (NPDB) and the Healthcare Integrity and Protection Data Bank (HIPDB).** Requires healing arts boards to check the NPDB and the HIPDB prior to renewing the license, certificate or permit. Allows a healing arts board to charge a fee to cover the actual costs to conduct the search. Codifies federal requirements of healing arts boards to report specific enforcement actions taken against health care practitioners.

Justification. There is no reason for boards not to check the NPDB or other national professional or council databases to find out whether applicants or licensees have been sanctioned or disciplined by other states prior to granting or renewing of a license.

For background purposes, the NPDB and HIPDB, managed by the Health Resources and Services Administration of the U.S. Department of Health and Human Services, serves as an electronic repository of information on adverse licensure actions, certain actions restricting clinical privileges, and professional society membership actions taken against physicians, dentists, and other practitioners. The legislation that led to the creation of the NPDB was enacted because the U.S. Congress believed that the increasing occurrence of medical malpractice litigation and the need to improve the quality of medical care had become nationwide problems that warranted greater efforts than any individual State could undertake. The intent is to improve the quality of health care by encouraging State licensing boards, hospitals and other health care entities, and professional societies to identify and discipline those who engage in unprofessional behavior; and to restrict the ability of incompetent physicians, dentists, and other health care practitioners to move from State to State without disclosure or discovery of previous medical malpractice payment and adverse action history. The information reported to these databanks is not public information.

One of the articles published by the *LA Times* pointed out that these databanks were missing critical cases, including those who have harmed patients in California. The *LA Times* asserted that there has been sporadic reporting to these databanks, and state boards, hospitals and other entities could be missing information necessary to ensure the protection of the public.

21. **(PA) Conviction of Sexual Misconduct – Substantially Related Crime.** Provides that a conviction of sexual misconduct or a felony requiring registration as a registered sex offender shall be considered a crime substantially related to the qualifications, functions, or duties of a board license.

Justification. Existing law provides that for physicians and surgeons, dentists and other health professionals, a conviction of sexual misconduct or a felony requiring registration as a registered sex offender is considered a crime substantially related to the qualifications, functions, or duties of a board licensee. There is no reason why other health professionals who have been convicted of sexual misconduct, or have been required to register as a sex offender pursuant to a felony conviction, should not be subject to the same standard and finding that such a crime is substantially related to the qualifications, functions, or duties of a board licensee.

22. **(PA) Unprofessional Conduct for Drug Related Offense.** Specifies that a conviction of a charge of violating any federal statutes or regulations or any statute or regulation of this state, regulating dangerous drugs or controlled substances, constitutes unprofessional conduct, and that the record of the conviction is conclusive evidence of such unprofessional conduct.

Justification. The Medical Practice Act provides that a conviction of a charge of violating any federal statutes or regulations or any statute or regulation of this state, regulating dangerous drugs or controlled substances, constitutes unprofessional conduct, and that the record of the conviction is conclusive evidence of such unprofessional conduct. There is no reason why other health professionals should not be subject to the same requirements regarding certain drug related offenses which would be considered as unprofessional conduct on the part of the practitioner.

23. **(PA) Unprofessional Conduct for Failure to Cooperate With Investigation of Board.** Specifies that failure to furnish information in a timely manner to the board or cooperate in any disciplinary investigation constitutes unprofessional conduct.

Justification. This requirement was recommended by the AG's Office. According to the AG, a significant factor preventing the timely completion of investigations is the refusal of some health care practitioners to cooperate with an investigation of the board. This refusal to cooperate routinely results in significant scheduling problems and delays, countless hours wasted serving and enforcing subpoenas, and delays resulting from the refusal to produce documents or answer questions during interviews. Other states have long required their licensees to cooperate with investigations being conducted by disciplinary authorities. The AG argues that the enactment of a statutory requirement in California would significantly reduce the substantial delays that result of a practitioner's failure to cooperate during a board's investigation.

24. **(GC) Reporting by Licensee of Conviction or Disciplinary Action.** Requires a healing arts licensee to submit a written report for the following reasons: (1) the bringing of an indictment or information charging a felony against the licensee; (2) conviction of the licensee of any felony or misdemeanor; and, (3) any disciplinary action taken by another healing arts board of this state or of another state or an agency of the

federal government.

Justification. Existing law requires a physician and surgeon, osteopathic physician and surgeon, and a doctor of podiatric medicine to report to his or her respective board when there is an indictment or information charging a felony against the licensee or he or she been convicted of a felony or misdemeanor. There is no reason why all health professionals should not be subject to the same reporting requirements as some of the other health professionals.

25. **(GC) Report of Crime or Personal Injury Judgment by Clerk of Court.** Requires that the clerk of the court provide notice to a healing arts boards for which the licensee is licensed, if there is a judgment for a crime committed or for any death or personal injury in excess of \$30,000, for which the licensee is responsible due to their negligence, error or omission in practice, or his or her rendering unauthorized professional services.

Justification. There is no reason the clerk of the court should not report a judgment for a crime or for personal injury to any of the other healing arts boards. Most healing arts boards are currently covered under this provision.

26. **(GC) Report of Felony Charges by DA, City Attorney, or Clerk of Court.** Requires that any filings of charges of a felony be reported to all appropriate healing arts boards for which the licensee is licensed.

Justification. There is no reason why all the other healing arts boards should not receive notice that charges of a felony have been filed against the licensee of the board.

27. **(GC) Report of Preliminary Hearing Transcript of Felony by Clerk of Court.** Requires that any filings of charges of a felony be reported to all appropriate healing arts boards for which the licensee is licensed.

Justification. There is no reason why all other healing arts boards should not receive notice that charges of a felony have been filed against the licensee of the board.

28. **(GC) Notification of Future Arrests or Convictions from DOJ.** Requires the Department of Justice to provide reports within 30 days of subsequent arrests, convictions or other updates of licensees.

Justification. While all new fingerprints are performed electronically, not all records at the DOJ are kept electronically for licensees who were fingerprinted in the past. Retrieving non-electronic records adds unnecessary time to investigations. The DCA is not in a position to recommend how exactly the DOJ can reduce the amount of time it takes to complete subsequent arrest and conviction notices, but believes that a benchmark should be set. This would speed up the time it takes to receive some arrest and conviction notices and will allow boards to take action against licensees sooner.

29. **(GC) Unlicensed Practice – Public Crime.** Specifies that it is a public offense, punishable by a fine not to exceed \$100,000 or imprisonment, to engage in any practice, including healing arts practice, without a current and valid license.

Justification. Unlicensed practice presents a serious threat to public health and safety. However, it can be difficult for a board to get a district attorney to prosecute these cases criminally because the penalties are often significantly less than the cost to prosecute the case. While district attorneys do prosecute the most egregious cases, the inconsistent prosecution of these cases diminishes the deterrent effect. If the penalty for unlicensed practice is substantially increased, the deterrent will be increased two-fold; not only will the punishment be more severe, but district attorneys will be more likely to prosecute these cases.

30. **(Gov't Code) Allow Healing Arts Boards to Utilize the Vertical Enforcement and Prosecution Model.** Expands the use of the vertical enforcement and prosecution model for cases handled by all other health boards.

Justification. Allowing healing arts boards to utilize the vertical enforcement and prosecution model that currently applies to physicians and surgeons could be beneficial especially for complex types of actions.

31. **Intent Language for a New Information Technology System.** Provides that it is the intent of the Legislature that the DCA shall, on or before December 31, 2012, establish an enterprise information technology system necessary to electronically create and update healing arts license information, track enforcement cases, and allocate enforcement efforts pertaining to healing arts licensees.

Justification. DCA's current licensing and enforcement database systems are antiquated and impede the boards' abilities to meet their program goals and objectives. Over the past 25 years, these systems have been updated and expanded, but system design and documentation have deteriorated to such an extent that it has left the systems unstable and difficult to maintain. These systems have inadequate performance measurement, data quality errors, an inability to quickly adapt to changing laws and regulations, and a lack of available public self-service options. Implementation of a replacement system is needed to support enforcement monitoring, automate manual processes, streamline processes, and integrate information about licensees. The Governor's 2011-2012 Budget appropriated funds for the implementation of this system.

SENATE BILL

No. 544

Introduced by Senator Price

Professions Code, and to add section 12529.8 to the Government Code, relating to professions and vocations.

LEGISLATIVE COUNSEL'S DIGEST

SB 544, as amended, Price. ~~Dental Board of California: collection of fees, fines, and cost recovery.~~ *Professions and vocations: regulatory boards.*

(1) Existing law provides for the licensure and regulation of profession and vocation licensees by various boards within the Department of Consumer Affairs. Within the department, there are healing arts boards and nonhealing arts boards. The department is under the control of the Director of Consumer Affairs.

This bill would require cooperation between state agencies and all boards within the department when investigating a licensee, and would require a state agency to provide to the board all licensee records in the custody of the state agency. The bill would require all local and state law enforcement agencies, state and local governments, state agencies, licensed health care facilities, and any employers of any licensee to provide licensee records to any board within the department upon request by that board, and would make an additional requirement specific to the Department of Justice. By imposing additional duties on local agencies, the bill would impose a state-mandated local program.

The bill would prohibit a licensee regulated by a board within the department from including certain provisions in an agreement to settle a civil litigation action arising from his or her practice, as specified.

(2) Existing law authorizes the director to audit and review, among other things, inquiries and complaints regarding licensees, dismissals of disciplinary cases, and discipline short of formal accusation by the Medical Board of California and the California Board of Podiatric Medicine.

This bill would additionally authorize the director or his or her designee to audit and review the aforementioned activities by any of the healing arts boards.

Existing law authorizes the director to employ investigators, inspectors, and deputies as are necessary to investigate and prosecute all violations of any law, the enforcement of which is charged to the department, or to any board in the department. Inspectors used by the boards are not required to be employees of the Division of Investigation, but may be employees of, or under contract to, the boards.

This bill would authorize healing arts boards to employ investigators who are not employees of the Division of Investigation, and would authorize those boards to contract for investigative services provided by the Department of Justice. The bill would also establish within the Division of Investigation the Health Quality Enforcement Unit to provide investigative services for healing arts proceedings.

The bill would require all healing arts boards within the department to report annually, by October 1, to the department and the Legislature certain information, including, but not limited to, the total number of complaints closed or resolved without discipline, the total number of complaints and reports referred for formal investigation, and the total number of accusations filed and the final disposition of accusations through the board and court review, respectively.

The bill would also provide that it is an act of unprofessional conduct for any licensee of a healing arts board to fail to furnish information in a timely manner to the board or the board's investigators, or to fail to cooperate and participate in any disciplinary investigation pending against him or her, except as specified.

Existing law requires a physician and surgeon, osteopathic physician and surgeon, and a doctor of podiatric medicine to report to his or her respective board when there is an indictment or information charging a felony against the licensee or he or she has been convicted of a felony or misdemeanor.

This bill would expand that requirement to a licensee of any healing arts board, as specified, and would further require a report when disciplinary action is taken against a licensee by another healing arts board or by a healing arts board of another state or an agency of the federal government.

Existing law requires the district attorney, city attorney, and other prosecuting agencies to notify the Medical Board of California, the Osteopathic Medical Board of California, the California Board of Podiatric Medicine, the State Board of Chiropractic Examiners, and other allied health boards and the court clerk if felony charges have been filed against one of the board's licensees. Existing law also requires, within 10 days after a court judgment, the clerk of the court to report to the appropriate board when a licentiate has committed a crime or is liable for any death or personal injury resulting in a specified judgment. Existing law also requires the clerk of the court to transmit to certain boards specified felony preliminary transcript hearings concerning a defendant licensee.

The bill would instead make those provisions applicable to all healing arts boards. By imposing additional duties on these local agencies, the bill would impose a state-mandated local program.

The bill would require a healing arts board, the State Board of Chiropractic Examiners, and the Osteopathic Medical Board of California to query the federal National Practitioner Data Bank prior to, among other things, granting a license to an applicant who is currently residing in another state or granting a petition for reinstatement of a revoked or surrendered license.

This bill would make it a crime to engage in the practice of healing arts without a current and valid license, except as specified; or to fraudulently buy, sell, or obtain a license to practice healing arts. By creating new crimes, the bill would impose a state-mandated local program.

(3) Under existing law, healing arts licensees are regulated by various healing arts boards within the department. These boards are authorized to issue, deny, suspend, and revoke licenses based on various grounds and to take disciplinary action against a licensee for the failure to comply with their laws and regulations. Existing law requires or authorizes a board to appoint an executive officer to, among other things, perform duties delegated by the board.

This bill would authorize a healing arts board to delegate to its executive officer, where an administrative action has been filed by the board to revoke the license of a licensee and the licensee has failed to file a notice of defense or appear at the hearing, the authority to adopt a proposed default decision. The bill would also authorize a healing arts board to enter into a settlement with a licensee or applicant in lieu of the issuance of an accusation or statement of issues against the licensee or applicant.

The bill would also provide that the license of a licensee of a healing arts board shall be suspended if the licensee is incarcerated after the conviction of a felony and would require the board to notify the licensee of the suspension and of his or her right to a specified hearing. The bill would specify that no hearing is required, however, if the conviction was for a violation of federal law or state law for the use of dangerous drugs or controlled substances or specified sex offenses; a violation for the use of dangerous drugs or controlled substances would also constitute unprofessional conduct and a crime, thereby imposing a state-mandated local program.

The bill would prohibit the issuance of a healing arts license to any person who is a registered sex offender, and would provide for the revocation of a license upon the conviction of certain sex offenses, as defined. The bill would provide that the commission of, and conviction for, any act of sexual abuse, misconduct, or attempted sexual misconduct, whether or not with a patient, or conviction of a felony requiring registration as a sex offender, be considered a crime substantially related to the qualifications, functions, or duties of a healing arts licensee. The bill would impose requirements on boards with respect to individuals required to register as a sex offender.

This bill would authorize the Attorney General and his or her investigative agents and certain healing arts boards to inquire into any alleged violation of the laws under the boards' jurisdiction and to inspect documents subject to specified procedures. The bill would make the licensees of those healing arts boards or a health care facility that fails to comply with a patient's medical record request, as specified, within 15 days, or who fails or refuses to comply with a court order mandating release of records, subject to civil and criminal penalties, as specified. By creating a new crime, the bill would impose a state-mandated local program.

The bill would require the employer of certain health care licensees to report to the appropriate board within a specified timeframe information relating to a health care licensee who is suspended or terminated for cause or who resigns. The bill would require a board to investigate these reports, including the inspection and copying of certain documents relating to that suspension, termination, or resignation.

The bill would require specified healing arts boards, on or after July 1, 2013, to post on their Internet Web sites specified information in their possession, custody, or control regarding their licensees and their license status, prior discipline, and convictions.

The bill would authorize a healing arts board to automatically suspend the license of any licensee who also has an out-of-state license or a license issued by an agency of the federal government that is suspended or revoked, except as specified.

(4) The bill would declare the intent of the Legislature that the Bureau of State Audits conduct a specified review of the Pharmacists Recovery Program by January 1, 2013.

(5) Existing law establishes in the Department of Justice the Health Quality Enforcement Section, whose primary responsibility is to investigate and prosecute proceedings against licensees and applicants

within the jurisdiction of the Medical Board of California and any committee of the board, the California Board of Podiatric Medicine, and the Board of Psychology.

This bill would authorize a healing arts board to utilize the services of the Health Quality Enforcement Section or licensing section. If utilized, the bill would require the Attorney General to assign attorneys employed by the office of the Attorney General to work on location at the licensing unit of the Division of Investigation of the Department of Consumer Affairs, as specified.

(6) The bill would delete, revise and recast various provisions of the Physical Therapy Practice Act and would make other conforming changes.

(7) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

~~Existing law, the Dental Practice Act, provides for the licensure and regulation of dentists by the Dental Board of California. Existing law establishes specified fees for licenses, permits, and certificates issued by the board. Existing law also sets forth specified fines and penalties for violations of the Dental Practice Act.~~

~~This bill would authorize the board to contract with a collection agency to collect outstanding fees, fines, or cost recovery amounts from persons who owe those moneys to the board, as specified. The bill would require the contract with a collection agency to contain specified safeguards to protect an individual's personal information from unauthorized disclosure and to provide for the liability of the collection agency for the unauthorized use or disclosure of that information.~~

26 (b) The board may delegate to its executive officer the authority
27 to adopt a proposed settlement agreement where an administrative

31 (c) The executive officer shall, at scheduled board meetings,
32 report to the board the number of proposed default decisions or

2 Penal Code, shall be conclusively presumed to be substantially
3 related to the qualifications, functions, or duties of a licensee and
4 no hearing shall be held on this issue. However, upon its own
5 motion or for good cause shown, the board may decline to impose
6 or may set aside the suspension when it appears to be in the interest
7 of justice to do so, with due regard to maintaining the integrity of,
8 and confidence in, the practice regulated by the board.

9 (d) (1) Discipline may be ordered against a licensee in
10 accordance with the statutes and regulations of the board when
11 the time for appeal has elapsed, the judgment of conviction has
12 been affirmed on appeal, or an order granting probation is made
13 suspending the imposition of sentence, irrespective of a subsequent
14 order under Section 1203.4 of the Penal Code allowing the person
15 to withdraw his or her plea of guilty and to enter a plea of not
16 guilty, setting aside the verdict of guilty, or dismissing the

20 shall not be had until the judgment of conviction has become final
21 or, irrespective of a subsequent order under Section 1203.4 of the
22 Penal Code, an order granting probation has been made
23 suspending the imposition of sentence; except that a licensee may,
24 at his or her option, elect to have the issue of penalty decided
25 before those time periods have elapsed. Where the licensee so
26 elects, the issue of penalty shall be heard in the manner described
27 in subdivision (b) at the hearing to determine whether the
28 conviction was substantially related to the qualifications, functions,
29 or duties of a licensee. If the conviction of a licensee who has made
30 this election is overturned on appeal, any discipline ordered
31 pursuant to this section shall automatically cease. Nothing in this
32 subdivision shall prohibit the board from pursuing disciplinary
33 action based on any cause other than the overturned conviction.

34 (e) The record of the proceedings resulting in a conviction,
35 including a transcript of the testimony in those proceedings, may
36 be received in evidence.

37 (f) Any other provision of law setting forth a procedure for the

39 apply to proceedings conducted pursuant to this section.

1 *SEC. 27. Section 1688.3 is added to the Business and*
2 *Professions Code, to read:*

3 1688.3. (a) *Except as otherwise provided, any proposed*

8 *with a patient, as defined in subdivision (c) of Section 729, or any*
9 *finding that the licensee has committed a sex offense, shall contain*
10 *an order revoking the license. The proposed decision shall not*
11 *contain any order staying the revocation of the licensee.*

12 (b) *As used in this section, the term sex offense shall mean any*
13 *of the following:*

14 (1) *Any offense for which registration is required by Section*
15 *290 of the Penal Code or a finding that a person committed such*
16 *an act.*

17 (2) *Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
18 *or 647(a) or (d) of the Penal Code or a finding that a person*
19 *committed such an act.*

20 (3) *Any attempt to commit any of the offenses specified in this*
21 *section.*

22 (4) *Any offense committed or attempted in any other state or*
23 *against the laws of the United States which, if committed or*
24 *attempted in this state, would have been punishable as one or more*
25 *of the offenses specified in this section.*

26 *SEC. 28. Section 1688.4 is added to the Business and*
27 *Professions Code, to read:*

28 1688.4. (a) *Except as otherwise provided, with regard to an*
29 *individual who is required to register as a sex offender pursuant*
30 *to Section 290 of the Penal Code, or the equivalent in another*
31 *state or territory, under military law, or under federal law, the*
32 *board shall be subject to the following requirements:*

33 (1) *The board shall deny an application by the individual for*
34 *licensure in accordance with the procedures set forth in Chapter*
35 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
36 *2 of the Government Code.*

37 (2) *If the individual is licensed under this chapter, the board*
38 *shall promptly revoke the license of the individual in accordance*
39 *with the procedures set forth in Chapter 5 (commencing with*
40 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*

3 (3) The board shall not reinstate or reissue the individual's
4 license. The board shall not issue a stay of license denial nor place
5 the license on probation.

6 (b) This section shall not apply to any of the following:

12 (2) An individual who is required to register as a sex offender
13 pursuant to Section 290 of the Penal Code solely because of a
14 misdemeanor conviction under Section 314 of the Penal Code.
15 However, nothing in this paragraph shall prohibit the board from
16 exercising its discretion to discipline a licensee under any other
17 provision of state law based upon the licensee's conviction under
18 Section 314 of the Penal Code.

19 (3) Any administrative adjudication proceeding under Chapter
20 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
21 2 of the Government Code that is fully adjudicated prior to January
22 1, 2008. A petition for reinstatement of a revoked or surrendered
23 license shall be considered a new proceeding for purposes of this
24 paragraph, and the prohibition against reinstating a license to an
25 individual who is required to register as a sex offender shall be
26 applicable.

27 SEC. 29. Section 1688.5 is added to the Business and
28 Professions Code, to read:

- 12 **(e)** *Any malpractice judgment or arbitration award imposed*
13 *against a licensee and reported to the board.*
- 14 **(f)** *Any hospital disciplinary action imposed against a licensee*

16 *hospital staff privileges for a medical disciplinary cause or reason*
17 *pursuant to Section 805.*
- 18 **(g)** *Any misdemeanor conviction of a licensee that results in a*

6 *that license or authority is suspended or revoked outright, the*
7 *California license of the licensee shall be suspended automatically*
8 *for the duration of the suspension or revocation, unless terminated*

14 *appears to be in the interest of justice to do so, with due regard*
15 *to maintaining the integrity of, and confidence in, the specific*
16 *healing art.*

17 (c) *The issue of penalty shall be heard by an administrative law*
18 *judge sitting alone or with a panel of the board, in the discretion*
19 *of the board. A licensee may request a hearing on the penalty and*
20 *that hearing shall be held within 90 days from the date of the*
21 *request. If the order suspending or revoking the license or authority*

24 *to the administrative law judge or panel by the licensee that the*
25 *out-of-state action is not a basis for discipline in California, the*
26 *suspension shall be rescinded. If an accusation for permanent*
27 *discipline is not filed within 90 days of the suspension imposed*
28 *pursuant to this section, the suspension shall automatically*
29 *terminate.*

30 (d) *The record of the proceedings that resulted in the suspension*

38 *Nothing in this section shall preclude a licensee's license from*

1 (f) *This section shall not apply to a licensee whose license has*

19 **1947.3.** *(a) The license of a licensee shall be suspended*
20 *automatically during any time that the licensee is incarcerated*
21 *after conviction of a felony, regardless of whether the conviction*
22 *has been appealed. The board shall, immediately upon receipt of*
23 *the certified copy of the record of conviction, determine whether*
24 *the license of the licensee has been automatically suspended by*
25 *virtue of his or her incarceration, and if so, the duration of that*
26 *suspension. The board shall notify the licensee in writing of the*

34 *shall suspend the license until the time for appeal has elapsed, if*
35 *no appeal has been taken, or until the judgment of conviction has*
36 *been affirmed on appeal or has otherwise become final, and until*
37 *further order of the board.*

38 **(c)** *Notwithstanding subdivision (b), a conviction of a charge*
39 *of violating any federal statute or regulation or any statute or*
40 *regulation of this state, regulating dangerous drugs or controlled*

1 substances, or a conviction of Section 187, 261, 262, or 288 of the

4 no hearing shall be held on this issue. However, upon its own
5 motion or for good cause shown, the board may decline to impose
6 or may set aside the suspension when it appears to be in the interest
7 of justice to do so, with due regard to maintaining the integrity of,
8 and confidence in, the practice regulated by the board.

9 (d) (1) Discipline may be ordered against a licensee in
10 accordance with the statutes and regulations of the board when
11 the time for appeal has elapsed, the judgment of conviction has
12 been affirmed on appeal, or an order granting probation is made
13 suspending the imposition of sentence, irrespective of a subsequent
14 order under Section 1203.4 of the Penal Code allowing the person
15 to withdraw his or her plea of guilty and to enter a plea of not
16 guilty, setting aside the verdict of guilty, or dismissing the

31 pursuant to this section shall automatically cease. Nothing in this
32 subdivision shall prohibit the board from pursuing disciplinary
33 action based on any cause other than the overturned conviction.

34 (e) The record of the proceedings resulting in a conviction,

15 *290 of the Penal Code or a finding that a person committed such*
16 *an act.*

17 (2) *Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
18 *or 647(a) or (d) of the Penal Code or a finding that a person*

20 (3) *Any attempt to commit any of the offenses specified in this*
21 *section.*

22 (4) *Any offense committed or attempted in any other state or*
23 *against the laws of the United States which, if committed or*
24 *attempted in this state, would have been punishable as one or more*
25 *of the offenses specified in this section.*

26 *SEC. 35. Section 1947.5 is added to the Business and*
27 *Professions Code, to read:*

28 1947.5. (a) *Except as otherwise provided, with regard to an*
29 *individual who is required to register as a sex offender pursuant*
30 *to Section 290 of the Penal Code, or the equivalent in another*
31 *state or territory, under military law, or under federal law, the*
32 *board shall be subject to the following requirements:*

33 (1) *The board shall deny an application by the individual for*
34 *licensure in accordance with the procedures set forth in Chapter*
35 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
36 *2 of the Government Code.*

37 (2) *If the individual is licensed under this chapter, the board*
38 *shall promptly revoke the license of the individual in accordance*
39 *with the procedures set forth in Chapter 5 (commencing with*
40 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*

1 Code. The board shall not stay the revocation and place the license
2 on probation.

3 (3) The board shall not reinstate or reissue the individual's
4 license. The board shall not issue a stay of license denial nor place
5 the license on probation.

6 (b) This section shall not apply to any of the following:

7 (1) An individual who has been relieved under Section 290.5 of
8 the Penal Code of his or her duty to register as a sex offender, or
9 whose duty to register has otherwise been formally terminated
10 under California law or the law of the jurisdiction that requires
11 his or her registration as a sex offender.

12 (2) An individual who is required to register as a sex offender
13 pursuant to Section 290 of the Penal Code solely because of a
14 misdemeanor conviction under Section 314 of the Penal Code.
15 However, nothing in this paragraph shall prohibit the board from
16 exercising its discretion to discipline a licensee under any other
17 provision of state law based upon the licensee's conviction under
18 Section 314 of the Penal Code.

19 (3) Any administrative adjudication proceeding under Chapter
20 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
21 2 of the Government Code that is fully adjudicated prior to January
22 1, 2008. A petition for reinstatement of a revoked or surrendered
23 license shall be considered a new proceeding for purposes of this
24 paragraph, and the prohibition against reinstating a license to an
25 individual who is required to register as a sex offender shall be
26 applicable.

27 SEC. 36. Section 1947.6 is added to the Business and
28 Professions Code, to read:

29 1947.6. (a) Notwithstanding any other provision of law, any
30 employer of a licensee shall report to the board the suspension or
31 termination for cause, or any resignation in lieu of suspension or
32 termination for cause, of any licensee in its employ within 15
33 business days. The report shall not be made until after the
34 conclusion of the review process specified in Section 52.3 of Title
35 2 of the California Code of Regulations and *Skelly v. State*
36 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
37 required reporting shall not constitute a waiver of confidentiality
38 of medical records. The information reported or disclosed shall
39 be kept confidential except as provided in subdivision (c) of Section
40 800 and shall not be subject to discovery in civil cases.

1 **(b)** *The information to be reported by the employer shall include*
2 *the name and license number of the licensee involved, a*
3 *description of the facts and circumstances of the suspension or*
4 *termination for cause, any resignation in lieu of suspension or*
5 *termination for cause, and any other relevant information deemed*
6 *appropriate by the employer.*

7 **(c)** *The board shall be entitled to inspect and copy the following*
8 *documents in the record for any suspension or termination for*
9 *cause, or any resignation in lieu of suspension or termination for*
10 *cause, resulting in action that is required to be reported pursuant*
11 *to this section:*

12 **(1)** *Any statement for suspension or termination of the licensee.*

13 **(2)** *Any document or exhibits relevant to the suspension or*
14 *termination.*

15 **(d)** *If, during the investigation by the board of the cause for the*
16 *termination or suspension or resignation of the licensee, it is found*
17 *that there has been a violation of existing state or federal law, the*
18 *board shall report the violation to the appropriate agency.*

19 **(e)** *For purposes of this section, “suspension or termination for*
20 *cause” or “resignation in lieu of suspension or termination for*
21 *cause” is defined as resignation, suspension, or termination from*
22 *employment for any of the following reasons:*

23 **(1)** *Use of controlled substances or alcohol to the extent that it*
24 *impairs the licensee’s ability to safely practice.*

25 **(2)** *Unlawful sale of a controlled substance or other prescription*
26 *items.*

27 **(3)** *Patient or client abuse, neglect, physical harm, or sexual*
28 *contact with a patient or client.*

29 **(4)** *Gross negligence or incompetence.*

30 **(5)** *Theft from a patient or client, any other employee, or the*
31 *employer.*

32 **(f)** *As used in this section, the following definitions apply:*

33 **(1)** *“Gross negligence” means a substantial departure from the*
34 *standard of care, which, under similar circumstances, would have*
35 *ordinarily been exercised by a competent licensee, and which has*
36 *or could have resulted in harm to the consumer. An exercise of so*
37 *slight a degree of care as to justify the belief that there was a*
38 *conscious disregard or indifference for the health, safety, or*
39 *welfare of the consumer shall be considered a substantial departure*
40 *from the standard of care.*

1 (2) “Incompetence” means the lack of possession of, and the
2 failure to exercise that degree of learning, skill, care, and
3 experience ordinarily possessed by, a responsible licensee.

4 (3) “Willful” means a knowing and intentional violation of a
5 known legal duty.

6 (g) (1) Willful failure of an employer to make a report required
7 by this section is punishable by an administrative fine not to exceed
8 one hundred thousand dollars (\$100,000) per violation.

9 (2) Any failure of an employer, other than willful failure, to
10 make a report required by this section is punishable by an
11 administrative fine not to exceed fifty thousand dollars (\$50,000).

12 (h) The board shall investigate the circumstances underlying
13 any report received pursuant to this section within 30 days to
14 determine if an interim suspension order or temporary restraining
15 order should be issued. The board shall otherwise provide timely
16 disposition of the reports received pursuant to this section.

17 (i) The board shall send to the licentiate a copy of the report
18 along with the reasons for the filing of the report and notice
19 advising the licentiate of his or her right to submit additional
20 statements or other information to the board.

21 (j) Pursuant to Section 43.8 of the Civil Code, no person shall
22 incur any civil penalty as a result of making any report required
23 by this article.

24 (k) No report is required under this section where a report of
25 the action taken is already required under Section 805.

26 SEC. 37. Section 1947.7 is added to the Business and
27 Professions Code, to read:

28 1947.7. Unless otherwise provided, on or after July 1, 2013,
29 the board shall post on its Internet Web site the following
30 information, including the name and license number, in its
31 possession, custody, or control regarding every licensee for which
32 the board licenses:

33 (a) With regard to the status of every license, whether or not
34 the licensee or former licensee is in good standing, subject to a
35 temporary restraining order, subject to an interim suspension
36 order, subject to a restriction or cease practice ordered pursuant
37 to Section 23 of the Penal Code, or subject to any of the
38 enforcement actions described in Section 803.1.

39 (b) With regard to prior discipline of a licensee, whether or not
40 the licensee or former licensee has been subject to discipline by

1 *the board or by the board of another state or jurisdiction, as*
2 *described in Section 803.1.*

3 *(c) Any felony conviction of a licensee reported to the board.*

4 *(d) All current accusations filed by the Attorney General,*
5 *including those accusations that are on appeal. For purposes of*
6 *this paragraph, “current accusation” means an accusation that*
7 *has not been dismissed, withdrawn, or settled, and has not been*
8 *finally decided upon by an administrative law judge and the board*
9 *unless an appeal of that decision is pending.*

10 *(e) Any malpractice judgment or arbitration award imposed*
11 *against a licensee and reported to the board.*

12 *(f) Any hospital disciplinary action imposed against a licensee*
13 *that resulted in the termination or revocation of a licensee’s*
14 *hospital staff privileges for a medical disciplinary cause or reason*
15 *pursuant to Section 805.*

16 *(g) Any misdemeanor conviction of a licensee that results in a*
17 *disciplinary action or an accusation that is not subsequently*
18 *withdrawn or dismissed.*

19 *(h) Appropriate disclaimers and explanatory statements to*
20 *accompany the above information, including an explanation of*
21 *what types of information are not disclosed. These disclaimers*
22 *and statements shall be developed by the board and shall be*
23 *adopted by regulation.*

24 *(i) The information provided on the Internet shall be in*
25 *accordance with the California Public Records Act (Chapter 3.5*
26 *(commencing with Section 6250) of Division 7 of Title 1 of the*
27 *Government Code) and the Information Practices Act of 1977*
28 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*
29 *of Division 3 of the Civil Code) and shall comply with the*
30 *Department of Consumer Affairs Guidelines for Access to Public*
31 *Records.*

32 *(j) Information provided on the Internet may not include*
33 *personal information, unless otherwise provided pursuant to this*
34 *chapter, including the home telephone number, date of birth, or*
35 *social security number. The information may not include the*
36 *licensee’s address, but may include the city and county of the*
37 *licensee’s address of record.*

38 *SEC. 38. Section 1947.8 is added to the Business and*
39 *Professions Code, to read:*

1 1947.8. (a) *Unless otherwise provided, if a licensee possesses*
2 *a license or is otherwise authorized to practice in any state other*
3 *than California or by any agency of the federal government and*
4 *that license or authority is suspended or revoked outright, the*
5 *California license of the licensee shall be suspended automatically*
6 *for the duration of the suspension or revocation, unless terminated*
7 *or rescinded as provided in subdivision (c). The board shall notify*
8 *the licensee of the license suspension and of his or her right to*
9 *have the issue of penalty heard as provided in this section.*

10 (b) *Upon its own motion or for good cause shown, the board*
11 *may decline to impose or may set aside the suspension when it*
12 *appears to be in the interest of justice to do so, with due regard*
13 *to maintaining the integrity of, and confidence in, the specific*
14 *healing art.*

15 (c) *The issue of penalty shall be heard by an administrative law*
16 *judge sitting alone or with a panel of the board, in the discretion*
17 *of the board. A licensee may request a hearing on the penalty and*
18 *that hearing shall be held within 90 days from the date of the*
19 *request. If the order suspending or revoking the license or authority*
20 *to practice is overturned on appeal, any discipline ordered*
21 *pursuant to this section shall automatically cease. Upon a showing*
22 *to the administrative law judge or panel by the licensee that the*
23 *out-of-state action is not a basis for discipline in California, the*
24 *suspension shall be rescinded. If an accusation for permanent*
25 *discipline is not filed within 90 days of the suspension imposed*
26 *pursuant to this section, the suspension shall automatically*
27 *terminate.*

28 (d) *The record of the proceedings that resulted in the suspension*
29 *or revocation of the licensee's out-of-state license or authority to*
30 *practice, including a transcript of the testimony therein, may be*
31 *received in evidence.*

32 (e) *This section shall not apply to a licensee who maintains his*
33 *or her primary practice in California, as evidenced by having*
34 *maintained a practice in this state for not less than one year*
35 *immediately preceding the date of suspension or revocation.*
36 *Nothing in this section shall preclude a licensee's license from*
37 *being suspended pursuant to any other provision of law.*

38 (f) *This section shall not apply to a licensee whose license has*
39 *been surrendered, whose only discipline is a medical staff*
40 *disciplinary action at a federal hospital and not for medical*

1 *disciplinary cause or reason as that term is defined in Section 805,*
2 *or whose revocation or suspension has been stayed, even if the*
3 *licensee remains subject to terms of probation or other discipline.*

4 *(g) This section shall not apply to a suspension or revocation*
5 *imposed by a state that is based solely on the prior discipline of*
6 *the licensee by another state.*

7 *(h) The other provisions of this article setting forth a procedure*
8 *for the suspension or revocation of a licensee's license or*
9 *certificate shall not apply to summary suspensions issued pursuant*
10 *to this section. If a summary suspension has been issued pursuant*
11 *to this section, the licensee may request that the hearing on the*
12 *penalty conducted pursuant to subdivision (c) be held at the same*
13 *time as a hearing on the accusation.*

14 *(i) A board that complies with Section 2310 shall not be subject*
15 *to the requirements of this section.*

16 *SEC. 39. Section 2246 of the Business and Professions Code*
17 *is amended to read:*

18 *2246. (a) Any proposed decision or decision issued under this*
19 *article that contains any finding of fact that the licensee engaged*
20 *in any act of sexual exploitation, as described in paragraphs (3) to*
21 *(5), inclusive, of subdivision (b) of Section 729, with a patient*
22 *shall contain an order of revocation. The revocation shall not be*
23 *stayed by the administrative law judge.*

24 *(b) Except as otherwise provided, any proposed decision or*
25 *decision issued under this article in accordance with the*
26 *procedures set forth in Chapter 5 (commencing with Section 11500)*
27 *of Part 1 of Division 3 of Title 2 of the Government Code, that*
28 *contains any finding of fact that the licensee has committed a sex*
29 *offense, shall contain an order revoking the license. The proposed*
30 *decision or decision shall not contain any order staying the*
31 *revocation of the licensee.*

32 *(c) As used in this section, the term sex offense shall mean any*
33 *of the following:*

34 *(1) Any offense for which registration is required by Section*
35 *290 of the Penal Code or a finding that a person committed such*
36 *an act.*

37 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
38 *or 647(a) or (d) of the Penal Code or a finding that a person*
39 *committed such an act.*

1 (3) Any attempt to commit any of the offenses specified in this
2 section.

3 (4) Any offense committed or attempted in any other state or
4 against the laws of the United States which, if committed or
5 attempted in this state, would have been punishable as one or more
6 of the offenses specified in this section.

7 SEC. 40. Section 2533.5 is added to the Business and
8 Professions Code, to read:

9 2533.5. (a) The board may delegate to its executive officer the
10 authority to adopt a proposed default decision where an
11 administrative action to revoke a license has been filed and the
12 licensee has failed to file a notice of defense or to appear at the
13 hearing and a proposed default decision revoking the license has
14 been issued.

15 (b) The board may delegate to its executive officer the authority
16 to adopt a proposed settlement agreement where an administrative
17 action to revoke a license has been filed by the board and the
18 licensee has agreed to the revocation or surrender of his or her
19 license.

20 (c) The executive officer shall, at scheduled board meetings,
21 report to the board the number of proposed default decisions or
22 proposed settlement agreements adopted pursuant to this section.

23 SEC. 41. Section 2533.6 is added to the Business and
24 Professions Code, to read:

25 2533.6. (a) Notwithstanding Section 11415.60 of the
26 Government Code, the board may enter into a settlement with a
27 licensee or applicant in lieu of the issuance of an accusation or
28 statement of issues against that licensee or applicant, as applicable.

29 (b) The settlement shall include language identifying the factual
30 basis for the action being taken and a list of the statutes or
31 regulations violated.

32 (c) A person who enters a settlement pursuant to this section is
33 not precluded from filing a petition, in the timeframe permitted by
34 law, to modify the terms of the settlement or petition for early
35 termination of probation, if probation is part of the settlement.

36 (d) Any settlement against a licensee executed pursuant to this
37 section shall be considered discipline and a public record and
38 shall be posted on the applicable board's Internet Web site. Any
39 settlement against an applicant executed pursuant to this section

1 shall be considered a public record and shall be posted on the
2 applicable board's Internet Web site.

3 (e) The executive officer shall, at scheduled board meetings,
4 report to the board the number of proposed settlement agreements
5 adopted pursuant to this section.

6 SEC. 42. Section 2533.7 is added to the Business and
7 Professions Code, to read:

8 2533.7. (a) The license of a licensee shall be suspended
9 automatically during any time that the licensee is incarcerated
10 after conviction of a felony, regardless of whether the conviction
11 has been appealed. The board shall, immediately upon receipt of
12 the certified copy of the record of conviction, determine whether
13 the license of the licensee has been automatically suspended by
14 virtue of his or her incarceration, and if so, the duration of that
15 suspension. The board shall notify the licensee in writing of the
16 license suspension and of his or her right to elect to have the issue
17 of penalty heard as provided in subdivision (d).

18 (b) Upon receipt of the certified copy of the record of conviction,
19 if after a hearing before an administrative law judge from the
20 Office of Administrative Hearings it is determined that the felony
21 for which the licensee was convicted was substantially related to
22 the qualifications, functions, or duties of a licensee, the board
23 shall suspend the license until the time for appeal has elapsed, if
24 no appeal has been taken, or until the judgment of conviction has
25 been affirmed on appeal or has otherwise become final, and until
26 further order of the board.

27 (c) Notwithstanding subdivision (b), a conviction of a charge
28 of violating any federal statute or regulation or any statute or
29 regulation of this state, regulating dangerous drugs or controlled
30 substances, or a conviction of Section 187, 261, 262, or 288 of the
31 Penal Code, shall be conclusively presumed to be substantially
32 related to the qualifications, functions, or duties of a licensee and
33 no hearing shall be held on this issue. However, upon its own
34 motion or for good cause shown, the board may decline to impose
35 or may set aside the suspension when it appears to be in the interest
36 of justice to do so, with due regard to maintaining the integrity of,
37 and confidence in, the practice regulated by the board.

38 (d) (1) Discipline may be ordered against a licensee in
39 accordance with the statutes and regulations of the board when
40 the time for appeal has elapsed, the judgment of conviction has

1 *been affirmed on appeal, or an order granting probation is made*
2 *suspending the imposition of sentence, irrespective of a subsequent*
3 *order under Section 1203.4 of the Penal Code allowing the person*
4 *to withdraw his or her plea of guilty and to enter a plea of not*
5 *guilty, setting aside the verdict of guilty, or dismissing the*
6 *accusation, complaint, information, or indictment.*

7 *(2) The issue of penalty shall be heard by an administrative law*
8 *judge from the Office of Administrative Hearings. The hearing*
9 *shall not be had until the judgment of conviction has become final*
10 *or, irrespective of a subsequent order under Section 1203.4 of the*
11 *Penal Code, an order granting probation has been made*
12 *suspending the imposition of sentence; except that a licensee may,*
13 *at his or her option, elect to have the issue of penalty decided*
14 *before those time periods have elapsed. Where the licensee so*
15 *elects, the issue of penalty shall be heard in the manner described*
16 *in subdivision (b) at the hearing to determine whether the*
17 *conviction was substantially related to the qualifications, functions,*
18 *or duties of a licensee. If the conviction of a licensee who has made*
19 *this election is overturned on appeal, any discipline ordered*
20 *pursuant to this section shall automatically cease. Nothing in this*
21 *subdivision shall prohibit the board from pursuing disciplinary*
22 *action based on any cause other than the overturned conviction.*

23 *(e) The record of the proceedings resulting in a conviction,*
24 *including a transcript of the testimony in those proceedings, may*
25 *be received in evidence.*

26 *(f) Any other provision of law setting forth a procedure for the*
27 *suspension or revocation of a license issued by the board shall not*
28 *apply to proceedings conducted pursuant to this section.*

29 *SEC. 43. Section 2533.8 is added to the Business and*
30 *Professions Code, to read:*

31 *2533.8. (a) Except as otherwise provided, any proposed*
32 *decision or decision issued in accordance with the procedures set*
33 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
34 *Division 3 of Title 2 of the Government Code, that contains any*
35 *finding of fact that the licensee engaged in any act of sexual contact*
36 *with a patient, as defined in subdivision (c) of Section 729, or any*
37 *finding that the licensee has committed a sex offense, shall contain*
38 *an order revoking the license. The proposed decision shall not*
39 *contain any order staying the revocation of the licensee.*

1 (b) As used in this section, the term sex offense shall mean any
2 of the following:

3 (1) Any offense for which registration is required by Section
4 290 of the Penal Code or a finding that a person committed such
5 an act.

6 (2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,
7 or 647(a) or (d) of the Penal Code or a finding that a person
8 committed such act.

9 (3) Any attempt to commit any of the offenses specified in this
10 section.

11 (4) Any offense committed or attempted in any other state or
12 against the laws of the United States which, if committed or
13 attempted in this state, would have been punishable as one or more
14 of the offenses specified in this Section.

15 SEC. 44. Section 2533.9 is added to the Business and
16 Professions Code, to read:

17 2533.9. (a) Except as otherwise provided, with regard to an
18 individual who is required to register as a sex offender pursuant
19 to Section 290 of the Penal Code, or the equivalent in another
20 state or territory, under military law, or under federal law, the
21 board shall be subject to the following requirements:

22 (1) The board shall deny an application by the individual for
23 licensure in accordance with the procedures set forth in Chapter
24 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
25 2 of the Government Code.

26 (2) If the individual is licensed under this chapter, the board
27 shall promptly revoke the license of the individual in accordance
28 with the procedures set forth in Chapter 5 (commencing with
29 Section 11500) of Part 1 of Division 3 of Title 2 of the Government
30 Code. The board shall not stay the revocation and place the license
31 on probation.

32 (3) The board shall not reinstate or reissue the individual's
33 license. The board shall not issue a stay of license denial nor place
34 the license on probation.

35 (b) This section shall not apply to any of the following:

36 (1) An individual who has been relieved under Section 290.5 of
37 the Penal Code of his or her duty to register as a sex offender, or
38 whose duty to register has otherwise been formally terminated
39 under California law or the law of the jurisdiction that requires
40 his or her registration as a sex offender.

1 (2) *An individual who is required to register as a sex offender*
2 *pursuant to Section 290 of the Penal Code solely because of a*
3 *misdemeanor conviction under Section 314 of the Penal Code.*
4 *However, nothing in this paragraph shall prohibit the board from*
5 *exercising its discretion to discipline a licensee under any other*
6 *provision of state law based upon the licensee’s conviction under*
7 *Section 314 of the Penal Code.*

8 (3) *Any administrative adjudication proceeding under Chapter*
9 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
10 *2 of the Government Code that is fully adjudicated prior to January*
11 *1, 2008. A petition for reinstatement of a revoked or surrendered*
12 *license shall be considered a new proceeding for purposes of this*
13 *paragraph, and the prohibition against reinstating a license to an*
14 *individual who is required to register as a sex offender shall be*
15 *applicable.*

16 *SEC. 45. Section 2533.10 is added to the Business and*
17 *Professions Code, to read:*

18 2533.10. (a) *Notwithstanding any other provision of law*
19 *making a communication between a licensee and his or her patients*
20 *a privileged communication, those provisions shall not apply to*
21 *investigations or proceedings conducted by the board. Members*
22 *of the board, deputies, employees, agents, the office of the Attorney*
23 *General, and representatives of the board shall keep in confidence*
24 *during the course of investigations the names of any patients whose*
25 *records are reviewed and may not disclose or reveal those names,*
26 *except as is necessary during the course of an investigation, unless*
27 *and until proceedings are instituted. The authority under this*
28 *subdivision to examine records of patients in the office of a licensee*
29 *is limited to records of patients who have complained to the board*
30 *about that licensee.*

31 (b) *Notwithstanding any other provision of law, the Attorney*
32 *General and his or her investigative agents, and the board and its*
33 *investigators and representatives may inquire into any alleged*
34 *violation of the laws under the jurisdiction of the board or any*
35 *other federal or state law, regulation, or rule relevant to the*
36 *practice regulated by the board, whichever is applicable, and may*
37 *inspect documents relevant to those investigations in accordance*
38 *with the following procedures:*

1 (1) Any document relevant to an investigation may be inspected,
2 and copies may be obtained, where a patient provides written
3 authorization.

4 (2) Any document relevant to the business operations of a
5 licensee, and not involving medical records attributable to
6 identifiable patients, may be inspected and copied where relevant
7 to an investigation of a licensee.

8 (c) In all cases where documents are inspected or copies of
9 those documents are received, their acquisition or review shall be
10 arranged so as not to unnecessarily disrupt the medical and
11 business operations of the licensee or of the facility where the
12 records are kept or used.

13 (d) Where certified documents are lawfully requested from
14 licensees in accordance with this section by the Attorney General
15 or his or her agents or deputies, or investigators of any board, the
16 documents shall be provided within 10 business days of receipt of
17 the request, unless the licensee is unable to provide the certified
18 documents within this time period for good cause, including, but
19 not limited to, physical inability to access the records in the time
20 allowed due to illness or travel. Failure to produce requested
21 certified documents or copies thereof, after being informed of the
22 required deadline, shall constitute unprofessional conduct. A board
23 may use its authority to cite and fine a licensee for any violation
24 of this section. This remedy is in addition to any other authority
25 of the board to sanction a licensee for a delay in producing
26 requested records.

27 (e) Searches conducted of the office or medical facility of any
28 licensee shall not interfere with the recordkeeping format or
29 preservation needs of any licensee necessary for the lawful care
30 of patients.

31 (f) The licensee shall cooperate with the board in furnishing
32 information or assistance as may be required, including, but not
33 limited to, participation in an interview with investigators or
34 representatives of the board.

35 (g) This section shall not apply to a licensee who does not have
36 access to, and control over, certified medical records or other
37 types of documents that belong to or are controlled by a health
38 facility or clinic.

39 SEC. 46. Section 2533.11 is added to the Business and
40 Professions Code, to read:

1 2533.11. (a) (1) Notwithstanding any other provision of law,
2 a licensee who fails or refuses to comply with a request for the
3 certified medical records of a patient that is accompanied by that
4 patient's written authorization for release of records to a board
5 together with a notice citing this section and describing the
6 penalties for failure to comply with this section shall be required
7 to pay to the board a civil penalty of up to one thousand dollars
8 (\$1,000) per day for each day that the documents have not been
9 produced after the 15th day, up to ten thousand dollars (\$10,000),
10 unless the licensee is unable to provide the documents within this
11 time period for good cause.

12 (2) A health care facility shall comply with a request for the
13 certified medical records of a patient that is accompanied by that
14 patient's written authorization for release of records to a board
15 together with a notice citing this section and describing the
16 penalties for failure to comply with this section. Failure to provide
17 the authorizing patient's certified medical records to the board
18 within 15 days of receiving the request, authorization, and notice
19 shall subject the health care facility to a civil penalty, payable to
20 the board, of up to one thousand dollars (\$1,000) per day for each
21 day that the documents have not been produced after the 15th day,
22 up to ten thousand dollars (\$10,000), unless the health care facility
23 is unable to provide the documents within this time period for good
24 cause. This paragraph shall not require health care facilities to
25 assist the board in obtaining the patient's authorization. The board
26 shall pay the reasonable costs of copying the certified medical
27 records, but shall not be required to make that payment prior to
28 the production of the medical records.

29 (b) (1) A licensee who fails or refuses to comply with a court
30 order, issued in the enforcement of a subpoena, mandating the
31 release of records to the board, shall pay to the board a civil
32 penalty of up to one thousand dollars (\$1,000) per day for each
33 day that the documents have not been produced after the date by
34 which the court order requires the documents to be produced, up
35 to ten thousand dollars (\$10,000), unless it is determined that the
36 order is unlawful or invalid. Any statute of limitations applicable
37 to the filing of an accusation by the board shall be tolled during
38 the period the licensee is out of compliance with the court order
39 and during any related appeals.

1 (2) Any licensee who fails or refuses to comply with a court
2 order, issued in the enforcement of a subpoena, mandating the
3 release of records to a board is guilty of a misdemeanor punishable
4 by a fine payable to the board not to exceed five thousand dollars
5 (\$5,000). The fine shall be added to the licensee's renewal fee if
6 it is not paid by the next succeeding renewal date. Any statute of
7 limitations applicable to the filing of an accusation by the board
8 shall be tolled during the period the licensee is out of compliance
9 with the court order and during any related appeals.

10 (3) A health care facility that fails or refuses to comply with a
11 court order, issued in the enforcement of a subpoena, mandating
12 the release of patient records to the board, that is accompanied
13 by a notice citing this section and describing the penalties for
14 failure to comply with this section, shall pay to the healing arts
15 board a civil penalty of up to one thousand dollars (\$1,000) per
16 day for each day that the documents have not been produced, up
17 to ten thousand dollars (\$10,000), after the date by which the court
18 order requires the documents to be produced, unless it is
19 determined that the order is unlawful or invalid. Any statute of
20 limitations applicable to the filing of an accusation by the board
21 against a licensee shall be tolled during the period the health care
22 facility is out of compliance with the court order and during any
23 related appeals.

24 (4) Any health care facility that fails or refuses to comply with
25 a court order, issued in the enforcement of a subpoena, mandating
26 the release of records to the board is guilty of a misdemeanor
27 punishable by a fine payable to the board not to exceed five
28 thousand dollars (\$5,000). Any statute of limitations applicable
29 to the filing of an accusation by the healing arts board against a
30 licensee shall be tolled during the period the health care facility
31 is out of compliance with the court order and during any related
32 appeals.

33 (c) Multiple acts by a licensee in violation of subdivision (b)
34 shall be punishable by a fine not to exceed five thousand dollars
35 (\$5,000) or by imprisonment in a county jail not exceeding six
36 months, or by both that fine and imprisonment. Multiple acts by
37 a health care facility in violation of subdivision (b) shall be
38 punishable by a fine not to exceed five thousand dollars (\$5,000),
39 shall be reported to the State Department of Public Health, and
40 shall be considered as grounds for disciplinary action with respect

1 to licensure, including suspension or revocation of the license or
2 certificate.

3 (d) A failure or refusal of a licensee to comply with a court
4 order, issued in the enforcement of a subpoena, mandating the
5 release of records to the healing arts board constitutes
6 unprofessional conduct and is grounds for suspension or revocation
7 of his or her license.

8 (e) Imposition of the civil penalties authorized by this section
9 shall be in accordance with the Administrative Procedure Act
10 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
11 2 of the Government Code). Any civil penalties paid to, or received
12 by, the board pursuant to this section shall be deposited into the
13 fund administered by the board.

14 (f) For purposes of this section, “certified medical records”
15 means a copy of the patient’s medical records authenticated by
16 the licensee or health care facility, as appropriate, on a form
17 prescribed by the licensee’s board.

18 (g) For purposes of this section, a “health care facility” means
19 a clinic or health facility licensed or exempt from licensure
20 pursuant to Division 2 (commencing with Section 1200) of the
21 Health and Safety Code.

22 (h) If a board complies with Section 1684.1, 2225.5, or 2969,
23 that board shall not be subject to the requirements of this section.

24 (i) This section shall not apply to a licensee who does not have
25 access to, or control over, certified medical records or other types
26 of documents that belong to or are controlled by a health facility
27 or clinic.

28 SEC. 47. Section 2533.12 is added to the Business and
29 Professions Code, to read:

30 2533.12. (a) Notwithstanding any other provision of law, any
31 employer of a licensee shall report to the board the suspension or
32 termination for cause, or any resignation in lieu of suspension or
33 termination for cause, of any licensee in its employ within 15
34 business days. The report shall not be made until after the
35 conclusion of the review process specified in Section 52.3 of Title
36 2 of the California Code of Regulations and *Skelly v. State*
37 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
38 required reporting shall not constitute a waiver of confidentiality
39 of medical records. The information reported or disclosed shall

1 *be kept confidential except as provided in subdivision (c) of Section*
2 *800 and shall not be subject to discovery in civil cases.*

3 *(b) The information to be reported by the employer shall include*
4 *the name and license number of the licensee involved, a*
5 *description of the facts and circumstances of the suspension or*
6 *termination for cause, any resignation in lieu of suspension or*
7 *termination for cause, and any other relevant information deemed*
8 *appropriate by the employer.*

9 *(c) The board shall be entitled to inspect and copy the following*
10 *documents in the record for any suspension or termination for*

12 *cause, resulting in action that is required to be reported pursuant*
13 *to this section:*

14 *(1) Any statement for suspension or termination of the licensee.*

15 *(2) Any document or exhibits relevant to the suspension or*
16 *termination.*

17 *(d) If, during the investigation by the board of the cause for the*
18 *termination or suspension or resignation of the licensee, it is found*
19 *that there has been a violation of existing state or federal law, the*
20 *board shall report the violation to the appropriate agency.*

21 *(e) For purposes of this section, “suspension or termination for*
22 *cause” or “resignation in lieu of suspension or termination for*
23 *cause” is defined as resignation, suspension, or termination from*
24 *employment for any of the following reasons:*

25 *(1) Use of controlled substances or alcohol to the extent that it*
26 *impairs the licensee’s ability to safely practice.*

27 *(2) Unlawful sale of a controlled substance or other prescription*
28 *items.*

29 *(3) Patient or client abuse, neglect, physical harm, or sexual*
30 *contact with a patient or client.*

31 *(4) Gross negligence or incompetence.*

32 *(5) Theft from a patient or client, any other employee, or the*
33 *employer.*

34 *(f) As used in this section, the following definitions apply:*

35 *(1) “Gross negligence” means a substantial departure from the*
36 *standard of care, which, under similar circumstances, would have*
37 *ordinarily been exercised by a competent licensee, and which has*
38 *or could have resulted in harm to the consumer. An exercise of so*
39 *slight a degree of care as to justify the belief that there was a*
40 *conscious disregard or indifference for the health, safety, or*

1 *welfare of the consumer shall be considered a substantial departure*
2 *from the standard of care.*

3 (2) *“Incompetence” means the lack of possession of, and the*

11 (2) *Any failure of an employer, other than willful failure, to*
12 *make a report required by this section is punishable by an*
13 *administrative fine not to exceed fifty thousand dollars (\$50,000).*

14 (h) *The board shall investigate the circumstances underlying*
15 *any report received pursuant to this section within 30 days to*
16 *determine if an interim suspension order or temporary restraining*
17 *order should be issued. The board shall otherwise provide timely*
18 *disposition of the reports received pursuant to this section.*

19 (i) *The board shall send to the licentiate a copy of the report*
20 *along with the reasons for the filing of the report and notice*
21 *advising the licentiate of his or her right to submit additional*
22 *statements or other information to the board.*

23 (j) *Pursuant to Section 43.8 of the Civil Code, no person shall*
24 *incur any civil penalty as a result of making any report required*
25 *by this article.*

26 (k) *No report is required under this section where a report of*
27 *the action taken is already required under Section 805.*

28 SEC. 48. *Section 2533.13 is added to the Business and*

36 *the licensee or former licensee is in good standing, subject to a*
37 *temporary restraining order, subject to an interim suspension*

4 *described in Section 803.1.*
- 5 **(c)** *Any felony conviction of a licensee reported to the board.*
- 6 **(d)** *All current accusations filed by the Attorney General,*
7 *including those accusations that are on appeal. For purposes of*
8 *this paragraph, “current accusation” means an accusation that*
9 *has not been dismissed, withdrawn, or settled, and has not been*
10 *finally decided upon by an administrative law judge and the board*
11 *unless an appeal of that decision is pending.*
- 12 **(e)** *Any malpractice judgment or arbitration award imposed*
13 *against a licensee and reported to the board.*
- 14 **(f)** *Any hospital disciplinary action imposed against a licensee*
15 *that resulted in the termination or revocation of a licensee’s*

17 *pursuant to Section 2533.11 or 805.*

25 *adopted by regulation.*
- 26 **(i)** *The information provided on the Internet shall be in*
27 *accordance with the California Public Records Act (Chapter 3.5*
28 *(commencing with Section 6250) of Division 7 of Title 1 of the*

36 *chapter, including the home telephone number, date of birth, or*
37 *social security number. The information may not include the*
38 *licensee’s address, but may include the city and county of the*
39 *licensee’s address of record.*

1 *SEC. 49. Section 2533.14 is added to the Business and*
2 *Professions Code, to read:*

3 2533.14. (a) *Unless otherwise provided, if a licensee possesses*
4 *a license or is otherwise authorized to practice in any state other*
5 *than California or by any agency of the federal government and*
6 *that license or authority is suspended or revoked outright, the*
7 *California license of the licensee shall be suspended automatically*
8 *for the duration of the suspension or revocation, unless terminated*
9 *or rescinded as provided in subdivision (c). The healing arts board*
10 *shall notify the licensee of the license suspension and of his or her*
11 *right to have the issue of penalty heard as provided in this section.*

12 (b) *Upon its own motion or for good cause shown, the board*
13 *may decline to impose or may set aside the suspension when it*
14 *appears to be in the interest of justice to do so, with due regard*
15 *to maintaining the integrity of, and confidence in, the specific*
16 *healing art.*

17 (c) *The issue of penalty shall be heard by an administrative law*
18 *judge sitting alone or with a panel of the board, in the discretion*
19 *of the board. A licensee may request a hearing on the penalty and*
20 *that hearing shall be held within 90 days from the date of the*
21 *request. If the order suspending or revoking the license or authority*
22 *to practice is overturned on appeal, any discipline ordered*
23 *pursuant to this section shall automatically cease. Upon a showing*
24 *to the administrative law judge or panel by the licensee that the*
25 *out-of-state action is not a basis for discipline in California, the*
26 *suspension shall be rescinded. If an accusation for permanent*
27 *discipline is not filed within 90 days of the suspension imposed*
28 *pursuant to this section, the suspension shall automatically*
29 *terminate.*

30 (d) *The record of the proceedings that resulted in the suspension*
31 *or revocation of the licensee's out-of-state license or authority to*
32 *practice, including a transcript of the testimony therein, may be*
33 *received in evidence.*

34 (e) *This section shall not apply to a licensee who maintains his*
35 *or her primary practice in California, as evidenced by having*
36 *maintained a practice in this state for not less than one year*
37 *immediately preceding the date of suspension or revocation.*
38 *Nothing in this section shall preclude a licensee's license from*
39 *being suspended pursuant to any other provision of law.*

1 (f) *This section shall not apply to a licensee whose license has*
2 *been surrendered, whose only discipline is a medical staff*
3 *disciplinary action at a federal hospital and not for medical*
4 *disciplinary cause or reason as that term is defined in Section 805,*
5 *or whose revocation or suspension has been stayed, even if the*
6 *licensee remains subject to terms of probation or other discipline.*

7 (g) *This section shall not apply to a suspension or revocation*
8 *imposed by a state that is based solely on the prior discipline of*
9 *the licensee by another state.*

10 (h) *The other provisions of this article setting forth a procedure*
11 *for the suspension or revocation of a licensee's license or*
12 *certificate shall not apply to summary suspensions issued pursuant*
13 *to this section. If a summary suspension has been issued pursuant*
14 *to this section, the licensee may request that the hearing on the*
15 *penalty conducted pursuant to subdivision (c) be held at the same*
16 *time as a hearing on the accusation.*

17 (i) *A board that complies with Section 2310 shall not be subject*
18 *to the requirements of this section.*

19 SEC. 50. *Section 2570.38 is added to the Business and*
20 *Professions Code, to read:*

21 2570.38. (a) *The board may delegate to its executive officer*
22 *the authority to adopt a proposed default decision where an*
23 *administrative action to revoke a license has been filed and the*
24 *licensee has failed to file a notice of defense or to appear at the*
25 *hearing and a proposed default decision revoking the license has*
26 *been issued.*

27 (b) *The board may delegate to its executive officer the authority*
28 *to adopt a proposed settlement agreement where an administrative*
29 *action to revoke a license has been filed by the board and the*
30 *licensee has agreed to the revocation or surrender of his or her*
31 *license.*

32 (c) *The executive officer shall, at scheduled board meetings,*
33 *report to the board the number of proposed default decisions or*
34 *proposed settlement agreements adopted pursuant to this section.*

35 SEC. 51. *Section 2570.39 is added to the Business and*
36 *Professions Code, to read:*

37 2570.39. (a) *Notwithstanding Section 11415.60 of the*

2 Penal Code, shall be conclusively presumed to be substantially
3 related to the qualifications, functions, or duties of a licensee and
4 no hearing shall be held on this issue. However, upon its own
5 motion or for good cause shown, the board may decline to impose
6 or may set aside the suspension when it appears to be in the interest
7 of justice to do so, with due regard to maintaining the integrity of,
8 and confidence in, the practice regulated by the board.

9 (d) (1) Discipline may be ordered against a licensee in
10 accordance with the statutes and regulations of the board when
11 the time for appeal has elapsed, the judgment of conviction has
12 been affirmed on appeal, or an order granting probation is made
13 suspending the imposition of sentence, irrespective of a subsequent
14 order under Section 1203.4 of the Penal Code allowing the person
15 to withdraw his or her plea of guilty and to enter a plea of not
16 guilty, setting aside the verdict of guilty, or dismissing the
17 accusation, complaint, information, or indictment.

18 (2) The issue of penalty shall be heard by an administrative law
19 judge from the Office of Administrative Hearings. The hearing
20 shall not be had until the judgment of conviction has become final
21 or, irrespective of a subsequent order under Section 1203.4 of the
22 Penal Code, an order granting probation has been made
23 suspending the imposition of sentence; except that a licensee may,
24 at his or her option, elect to have the issue of penalty decided
25 before those time periods have elapsed. Where the licensee so
26 elects, the issue of penalty shall be heard in the manner described
27 in subdivision (b) at the hearing to determine whether the
28 conviction was substantially related to the qualifications, functions,
29 or duties of a licensee. If the conviction of a licensee who has made
30 this election is overturned on appeal, any discipline ordered
31 pursuant to this section shall automatically cease. Nothing in this
32 subdivision shall prohibit the board from pursuing disciplinary
33 action based on any cause other than the overturned conviction.

34 (e) The record of the proceedings resulting in a conviction,
35 including a transcript of the testimony in those proceedings, may
36 be received in evidence.

37 (f) Any other provision of law setting forth a procedure for the
38 suspension or revocation of a license issued by the board shall not
39 apply to proceedings conducted pursuant to this section.

1 *SEC. 53. Section 2570.41 is added to the Business and*
2 *Professions Code, to read:*

3 2570.41. (a) *Except as otherwise provided, any proposed*
4 *decision or decision issued in accordance with the procedures set*
5 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
6 *Division 3 of Title 2 of the Government Code, that contains any*

8 *with a patient, as defined in subdivision (c) of Section 729, or any*
9 *finding that the licensee has committed a sex offense, shall contain*

18 *or 647(a) or (d) of the Penal Code or a finding that a person*
19 *committed such an act.*

20 (3) *Any attempt to commit any of the offenses specified in this*
21 *section.*

22 (4) *Any offense committed or attempted in any other state or*
23 *against the laws of the United States which, if committed or*
24 *attempted in this state, would have been punishable as one or more*
25 *of the offenses specified in this section.*

26 *SEC. 54. Section 2570.42 is added to the Business and*
27 *Professions Code, to read:*

28 2570.42. (a) *Except as otherwise provided, with regard to an*
29 *individual who is required to register as a sex offender pursuant*
30 *to Section 290 of the Penal Code, or the equivalent in another*
31 *state or territory, under military law, or under federal law, the*
32 *board shall be subject to the following requirements:*

33 (1) *The board shall deny an application by the individual for*
34 *licensure in accordance with the procedures set forth in Chapter*
35 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
36 *2 of the Government Code.*

37 (2) *If the individual is licensed under this chapter, the board*
38 *shall promptly revoke the license of the individual in accordance*
39 *with the procedures set forth in Chapter 5 (commencing with*
40 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*

1 Code. The board shall not stay the revocation and place the license
2 on probation.

3 (3) The board shall not reinstate or reissue the individual's
4 license. The board shall not issue a stay of license denial nor place
5 the license on probation.

6 (b) This section shall not apply to any of the following:

7 (1) An individual who has been relieved under Section 290.5 of
8 the Penal Code of his or her duty to register as a sex offender, or
9 whose duty to register has otherwise been formally terminated
10 under California law or the law of the jurisdiction that requires
11 his or her registration as a sex offender.

12 (2) An individual who is required to register as a sex offender
13 pursuant to Section 290 of the Penal Code solely because of a
14 misdemeanor conviction under Section 314 of the Penal Code.
15 However, nothing in this paragraph shall prohibit the board from
16 exercising its discretion to discipline a licensee under any other
17 provision of state law based upon the licensee's conviction under
18 Section 314 of the Penal Code.

19 (3) Any administrative adjudication proceeding under Chapter
20 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
21 2 of the Government Code that is fully adjudicated prior to January
22 1, 2008. A petition for reinstatement of a revoked or surrendered
23 license shall be considered a new proceeding for purposes of this
24 paragraph, and the prohibition against reinstating a license to an
25 individual who is required to register as a sex offender shall be
26 applicable.

27 SEC. 55. Section 2570.43 is added to the Business and
28 Professions Code, to read:

29 2570.43. (a) Notwithstanding any other provision of law
30 making a communication between a licensee and his or her patients
31 a privileged communication, those provisions shall not apply to
32 investigations or proceedings conducted by the board. Members
33 of the board, deputies, employees, agents, the office of the Attorney
34 General, and representatives of the board shall keep in confidence
35 during the course of investigations the names of any patients whose
36 records are reviewed and may not disclose or reveal those names,
37 except as is necessary during the course of an investigation, unless
38 and until proceedings are instituted. The authority under this
39 subdivision to examine records of patients in the office of a licensee

1 *is limited to records of patients who have complained to the board*
2 *about that licensee.*

3 *(b) Notwithstanding any other provision of law, the Attorney*
4 *General and his or her investigative agents, and the board and its*
5 *investigators and representatives may inquire into any alleged*
6 *violation of the laws under the jurisdiction of the board or any*
7 *other federal or state law, regulation, or rule relevant to the*
8 *practice regulated by the board, whichever is applicable, and may*
9 *inspect documents relevant to those investigations in accordance*
10 *with the following procedures:*

11 *(1) Any document relevant to an investigation may be inspected,*
12 *and copies may be obtained, where a patient provides written*
13 *authorization.*

14 *(2) Any document relevant to the business operations of a*
15 *licensee, and not involving medical records attributable to*
16 *identifiable patients, may be inspected and copied where relevant*
17 *to an investigation of a licensee.*

18 *(c) In all cases where documents are inspected or copies of*
19 *those documents are received, their acquisition or review shall be*
20 *arranged so as not to unnecessarily disrupt the medical and*
21 *business operations of the licensee or of the facility where the*
22 *records are kept or used.*

23 *(d) Where certified documents are lawfully requested from*
24 *licensees in accordance with this section by the Attorney General*
25 *or his or her agents or deputies, or investigators of any board, the*
26 *documents shall be provided within 10 business days of receipt of*
27 *the request, unless the licensee is unable to provide the certified*
28 *documents within this time period for good cause, including, but*
29 *not limited to, physical inability to access the records in the time*
30 *allowed due to illness or travel. Failure to produce requested*
31 *certified documents or copies thereof, after being informed of the*
32 *required deadline, shall constitute unprofessional conduct. A board*
33 *may use its authority to cite and fine a licensee for any violation*
34 *of this section. This remedy is in addition to any other authority*
35 *of the healing arts board to sanction a licensee for a delay in*
36 *producing requested records.*

37 *(e) Searches conducted of the office or medical facility of any*
38 *licensee shall not interfere with the recordkeeping format or*
39 *preservation needs of any licensee necessary for the lawful care*
40 *of patients.*

1 (f) *The licensee shall cooperate with the board in furnishing*
2 *information or assistance as may be required, including, but not*
3 *limited to, participation in an interview with investigators or*
4 *representatives of the healing arts board.*

5 (g) *This section shall not apply to a licensee who does not have*
6 *access to, and control over, certified medical records or other*
7 *types of documents that belong to or are controlled by a health*
8 *facility or clinic.*

9 SEC. 56. *Section 2570.44 is added to the Business and*
10 *Professions Code, to read:*

11 2570.44. (a) (1) *Notwithstanding any other provision of law,*
12 *a licensee who fails or refuses to comply with a request for the*
13 *certified medical records of a patient that is accompanied by that*
14 *patient's written authorization for release of records to a board*
15 *together with a notice citing this section and describing the*
16 *penalties for failure to comply with this section shall be required*
17 *to pay to the board a civil penalty of up to one thousand dollars*
18 *(\$1,000) per day for each day that the documents have not been*
19 *produced after the 15th day, up to ten thousand dollars (\$10,000),*
20 *unless the licensee is unable to provide the documents within this*
21 *time period for good cause.*

22 (2) *A health care facility shall comply with a request for the*
23 *certified medical records of a patient that is accompanied by that*
24 *patient's written authorization for release of records to a board*
25 *together with a notice citing this section and describing the*
26 *penalties for failure to comply with this section. Failure to provide*
27 *the authorizing patient's certified medical records to the board*
28 *within 15 days of receiving the request, authorization, and notice*
29 *shall subject the health care facility to a civil penalty, payable to*
30 *the board, of up to one thousand dollars (\$1,000) per day for each*
31 *day that the documents have not been produced after the 15th day,*
32 *up to ten thousand dollars (\$10,000), unless the health care facility*
33 *is unable to provide the documents within this time period for good*
34 *cause. This paragraph shall not require health care facilities to*
35 *assist the board in obtaining the patient's authorization. The board*
36 *shall pay the reasonable costs of copying the certified medical*
37 *records, but shall not be required to make that payment prior to*
38 *the production of the medical records.*

39 (b) (1) *A licensee who fails or refuses to comply with a court*
40 *order, issued in the enforcement of a subpoena, mandating the*

1 *release of records to the board, shall pay to the board a civil*
2 *penalty of up to one thousand dollars (\$1,000) per day for each*
3 *day that the documents have not been produced after the date by*
4 *which the court order requires the documents to be produced, up*
5 *to ten thousand dollars (\$10,000), unless it is determined that the*
6 *order is unlawful or invalid. Any statute of limitations applicable*
7 *to the filing of an accusation by the board shall be tolled during*
8 *the period the licensee is out of compliance with the court order*
9 *and during any related appeals.*

10 (2) *Any licensee who fails or refuses to comply with a court*
11 *order, issued in the enforcement of a subpoena, mandating the*
12 *release of records to a board is guilty of a misdemeanor punishable*
13 *by a fine payable to the board not to exceed five thousand dollars*
14 *(\$5,000). The fine shall be added to the licensee's renewal fee if*
15 *it is not paid by the next succeeding renewal date. Any statute of*
16 *limitations applicable to the filing of an accusation by the board*
17 *shall be tolled during the period the licensee is out of compliance*
18 *with the court order and during any related appeals.*

19 (3) *A health care facility that fails or refuses to comply with a*
20 *court order, issued in the enforcement of a subpoena, mandating*
21 *the release of patient records to the board, that is accompanied*
22 *by a notice citing this section and describing the penalties for*
23 *failure to comply with this section, shall pay to the board a civil*
24 *penalty of up to one thousand dollars (\$1,000) per day for each*
25 *day that the documents have not been produced, up to ten thousand*
26 *dollars (\$10,000), after the date by which the court order requires*
27 *the documents to be produced, unless it is determined that the*
28 *order is unlawful or invalid. Any statute of limitations applicable*
29 *to the filing of an accusation by the board against a licensee shall*
30 *be tolled during the period the health care facility is out of*
31 *compliance with the court order and during any related appeals.*

32 (4) *Any health care facility that fails or refuses to comply with*
33 *a court order, issued in the enforcement of a subpoena, mandating*
34 *the release of records to the board is guilty of a misdemeanor*
35 *punishable by a fine payable to the board not to exceed five*
36 *thousand dollars (\$5,000). Any statute of limitations applicable*
37 *to the filing of an accusation by the healing arts board against a*
38 *licensee shall be tolled during the period the health care facility*
39 *is out of compliance with the court order and during any related*
40 *appeals.*

1 (c) Multiple acts by a licensee in violation of subdivision (b)
2 shall be punishable by a fine not to exceed five thousand dollars
3 (\$5,000) or by imprisonment in a county jail not exceeding six
4 months, or by both that fine and imprisonment. Multiple acts by
5 a health care facility in violation of subdivision (b) shall be
6 punishable by a fine not to exceed five thousand dollars (\$5,000),
7 shall be reported to the State Department of Public Health, and
8 shall be considered as grounds for disciplinary action with respect
9 to licensure, including suspension or revocation of the license or
10 certificate.

11 (d) A failure or refusal of a licensee to comply with a court
12 order, issued in the enforcement of a subpoena, mandating the
13 release of records to the healing arts board constitutes
14 unprofessional conduct and is grounds for suspension or revocation
15 of his or her license.

16 (e) Imposition of the civil penalties authorized by this section
17 shall be in accordance with the Administrative Procedure Act
18 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
19 2 of the Government Code). Any civil penalties paid to, or received
20 by, the board pursuant to this section shall be deposited into the
21 fund administered by the board.

22 (f) For purposes of this section, “certified medical records”
23 means a copy of the patient’s medical records authenticated by
24 the licensee or health care facility, as appropriate, on a form
25 prescribed by the licensee’s board.

26 (g) For purposes of this section, a “health care facility” means
27 a clinic or health facility licensed or exempt from licensure

29 Health and Safety Code.

30 (h) If a board complies with Section 1684.1, 2225.5, or 2969,
31 that board shall not be subject to the requirements of this section.

32 (i) This section shall not apply to a licensee who does not have
33 access to, or control over, certified medical records or other types
34 of documents that belong to or are controlled by a health facility
35 or clinic.

36 SEC. 57. Section 2570.45 is added to the Business and
37 Professions Code, to read:

38 2570.45. (a) Notwithstanding any other provision of law, any
39 employer of a licensee shall report to the board the suspension or
40 termination for cause, or any resignation in lieu of suspension or

1 *termination for cause, of any licensee in its employ within 15*
2 *business days. The report shall not be made until after the*
3 *conclusion of the review process specified in Section 52.3 of Title*
4 *2 of the California Code of Regulations and Skelly v. State*
5 *Personnel Bd. (1975) 15 Cal.3d 194, for public employees. This*
6 *required reporting shall not constitute a waiver of confidentiality*
7 *of medical records. The information reported or disclosed shall*
8 *be kept confidential except as provided in subdivision (c) of Section*
9 *800 and shall not be subject to discovery in civil cases.*

10 *(b) The information to be reported by the employer shall include*
11 *the name and license number of the licensee involved, a*
12 *description of the facts and circumstances of the suspension or*
13 *termination for cause, any resignation in lieu of suspension or*
14 *termination for cause, and any other relevant information deemed*
15 *appropriate by the employer.*

16 *(c) The board shall be entitled to inspect and copy the following*
17 *documents in the record for any suspension or termination for*
18 *cause, or any resignation in lieu of suspension or termination for*
19 *cause, resulting in action that is required to be reported pursuant*
20 *to this section:*

21 *(1) Any statement for suspension or termination of the licensee.*

22 *(2) Any document or exhibits relevant to the suspension or*
23 *termination.*

24 *(d) If, during the investigation by the board of the cause for the*
25 *termination or suspension or resignation of the licensee, it is found*
26 *that there has been a violation of existing state or federal law, the*
27 *board shall report the violation to the appropriate agency.*

28 *(e) For purposes of this section, “suspension or termination for*
29 *cause” or “resignation in lieu of suspension or termination for*
30 *cause” is defined as resignation, suspension, or termination from*
31 *employment for any of the following reasons:*

32 *(1) Use of controlled substances or alcohol to the extent that it*
33 *impairs the licensee’s ability to safely practice.*

34 *(2) Unlawful sale of a controlled substance or other prescription*
35 *items.*

36 *(3) Patient or client abuse, neglect, physical harm, or sexual*
37 *contact with a patient or client.*

38 *(4) Gross negligence or incompetence.*

39 *(5) Theft from a patient or client, any other employee, or the*
40 *employer.*

1 (f) As used in this section, the following definitions apply:

2 (1) “Gross negligence” means a substantial departure from the
3 standard of care, which, under similar circumstances, would have
4 ordinarily been exercised by a competent licensee, and which has
5 or could have resulted in harm to the consumer. An exercise of so
6 slight a degree of care as to justify the belief that there was a
7 conscious disregard or indifference for the health, safety, or
8 welfare of the consumer shall be considered a substantial departure
9 from the standard of care.

10 (2) “Incompetence” means the lack of possession of, and the
11 failure to exercise that degree of learning, skill, care, and
12 experience ordinarily possessed by, a responsible licensee.

13 (3) “Willful” means a knowing and intentional violation of a
14 known legal duty.

15 (g) (1) Willful failure of an employer to make a report required
16 by this section is punishable by an administrative fine not to exceed
17 one hundred thousand dollars (\$100,000) per violation.

18 (2) Any failure of an employer, other than willful failure, to
19 make a report required by this section is punishable by an
20 administrative fine not to exceed fifty thousand dollars (\$50,000).

21 (h) The board shall investigate the circumstances underlying
22 any report received pursuant to this section within 30 days to
23 determine if an interim suspension order or temporary restraining
24 order should be issued. The board shall otherwise provide timely
25 disposition of the reports received pursuant to this section.

26 (i) The board shall send to the licentiate a copy of the report
27 along with the reasons for the filing of the report and notice
28 advising the licentiate of his or her right to submit additional
29 statements or other information to the board.

30 (j) Pursuant to Section 43.8 of the Civil Code, no person shall
31 incur any civil penalty as a result of making any report required
32 by this article.

33 (k) No report is required under this section where a report of
34 the action taken is already required under Section 805.

35 SEC. 58. Section 2570.46 is added to the Business and
36 Professions Code, to read:

37 2570.46. Unless otherwise provided, on or after July 1, 2013,
38 the board shall post on its Internet Web site the following
39 information, including the name and license number, in its

- 1 *possession, custody, or control regarding every licensee for which*
2 *the board licenses:*
- 3 *(a) With regard to the status of every license, whether or not*
4 *the licensee or former licensee is in good standing, subject to a*
5 *temporary restraining order; subject to an interim suspension*
6 *order; subject to a restriction or cease practice ordered pursuant*
7 *to Section 23 of the Penal Code, or subject to any of the*
8 *enforcement actions described in Section 803.1.*
- 9 *(b) With regard to prior discipline of a licensee, whether or not*
10 *the licensee or former licensee has been subject to discipline by*
11 *the board or by the board of another state or jurisdiction, as*
12 *described in Section 803.1.*
- 13 *(c) Any felony conviction of a licensee reported to the board.*
- 14 *(d) All current accusations filed by the Attorney General,*
15 *including those accusations that are on appeal. For purposes of*
16 *this paragraph, “current accusation” means an accusation that*
17 *has not been dismissed, withdrawn, or settled, and has not been*
18 *finally decided upon by an administrative law judge and the board*
19 *unless an appeal of that decision is pending.*
- 20 *(e) Any malpractice judgment or arbitration award imposed*
21 *against a licensee and reported to the healing arts board.*
- 22 *(f) Any hospital disciplinary action imposed against a licensee*
23 *that resulted in the termination or revocation of a licensee’s*
24 *hospital staff privileges for a medical disciplinary cause or reason*
25 *pursuant to Section 2570.44 or 805.*
- 26 *(g) Any misdemeanor conviction of a licensee that results in a*
27 *disciplinary action or an accusation that is not subsequently*
28 *withdrawn or dismissed.*
- 29 *(h) Appropriate disclaimers and explanatory statements to*
30 *accompany the above information, including an explanation of*
31 *what types of information are not disclosed. These disclaimers*
32 *and statements shall be developed by the board and shall be*
33 *adopted by regulation.*
- 34 *(i) The information provided on the Internet shall be in*
35 *accordance with the California Public Records Act (Chapter 3.5*
36 *(commencing with Section 6250) of Division 7 of Title 1 of the*
37 *Government Code) and the Information Practices Act of 1977*
38 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*
39 *of Division 3 of the Civil Code) and shall comply with the*

1 *Department of Consumer Affairs Guidelines for Access to Public*
2 *Records.*

3 *(j) Information provided on the Internet may not include*
4 *personal information, unless otherwise provided pursuant to this*
5 *chapter, including the home telephone number, date of birth, or*
6 *social security number. The information may not include the*
7 *licensee's address, but may include the city and county of the*
8 *licensee's address of record.*

9 *SEC. 59. Section 2570.47 is added to the Business and*
10 *Professions Code, to read:*

11 *2570.47. (a) Unless otherwise provided, if a licensee possesses*
12 *a license or is otherwise authorized to practice in any state other*
13 *than California or by any agency of the federal government and*
14 *that license or authority is suspended or revoked outright, the*
15 *California license of the licensee shall be suspended automatically*
16 *for the duration of the suspension or revocation, unless terminated*
17 *or rescinded as provided in subdivision (c). The board shall notify*
18 *the licensee of the license suspension and of his or her right to*
19 *have the issue of penalty heard as provided in this section.*

20 *(b) Upon its own motion or for good cause shown, the board*
21 *may decline to impose or may set aside the suspension when it*
22 *appears to be in the interest of justice to do so, with due regard*
23 *to maintaining the integrity of, and confidence in, the specific*
24 *healing art.*

25 *(c) The issue of penalty shall be heard by an administrative law*
26 *judge sitting alone or with a panel of the board, in the discretion*
27 *of the board. A licensee may request a hearing on the penalty and*
28 *that hearing shall be held within 90 days from the date of the*
29 *request. If the order suspending or revoking the license or authority*
30 *to practice is overturned on appeal, any discipline ordered*
31 *pursuant to this section shall automatically cease. Upon a showing*
32 *to the administrative law judge or panel by the licensee that the*
33 *out-of-state action is not a basis for discipline in California, the*
34 *suspension shall be rescinded. If an accusation for permanent*
35 *discipline is not filed within 90 days of the suspension imposed*
36 *pursuant to this section, the suspension shall automatically*
37 *terminate.*

38 *(d) The record of the proceedings that resulted in the suspension*
39 *or revocation of the licensee's out-of-state license or authority to*

1 *practice, including a transcript of the testimony therein, may be*
2 *received in evidence.*

3 *(e) This section shall not apply to a licensee who maintains his*
4 *or her primary practice in California, as evidenced by having*
5 *maintained a practice in this state for not less than one year*
6 *immediately preceding the date of suspension or revocation.*
7 *Nothing in this section shall preclude a licensee's license from*
8 *being suspended pursuant to any other provision of law.*

9 *(f) This section shall not apply to a licensee whose license has*
10 *been surrendered, whose only discipline is a medical staff*
11 *disciplinary action at a federal hospital and not for medical*
12 *disciplinary cause or reason as that term is defined in Section 805,*
13 *or whose revocation or suspension has been stayed, even if the*
14 *licensee remains subject to terms of probation or other discipline.*

15 *(g) This section shall not apply to a suspension or revocation*
16 *imposed by a state that is based solely on the prior discipline of*
17 *the licensee by another state.*

18 *(h) The other provisions of this article setting forth a procedure*
19 *for the suspension or revocation of a licensee's license or*
20 *certificate shall not apply to summary suspensions issued pursuant*
21 *to this section. If a summary suspension has been issued pursuant*
22 *to this section, the licensee may request that the hearing on the*
23 *penalty conducted pursuant to subdivision (c) be held at the same*
24 *time as a hearing on the accusation.*

25 *(i) A board that complies with Section 2310 shall not be subject*
26 *to the requirements of this section.*

27 *SEC. 60. Section 2608.5 of the Business and Professions Code*
28 *is repealed.*

30 ~~therapist appointed by the board, may inspect, or require reports~~
31 ~~from, a general or specialized hospital or any other facility~~

39 ~~physical therapist and shall be subject to the restrictions against~~
40 ~~disclosure described in Section 2263.~~

1 *SEC. 61. Section 2660.5 of the Business and Professions Code*
2 *is repealed.*

3 ~~2660.5. The board shall deny a physical therapist license or~~
4 ~~physical therapist assistant approval to an applicant who is required~~
5 ~~to register pursuant to Section 290 of the Penal Code. This section~~
6 ~~does not apply to an applicant who is required to register as a sex~~
7 ~~offender pursuant to Section 290 of the Penal Code solely because~~
8 ~~of a misdemeanor conviction under Section 314 of the Penal Code.~~

9 *SEC. 62. Section 2661.8 is added to the Business and*
10 *Professions Code, to read:*

11 2661.8. (a) *The board may delegate to its executive officer the*

16 *been issued.*

17 (b) *The board may delegate to its executive officer the authority*
18 *to adopt a proposed settlement agreement where an administrative*
19 *action to revoke a license has been filed by the board and the*
20 *licensee has agreed to the revocation or surrender of his or her*

25 *SEC. 63. Section 2661.9 is added to the Business and*
26 *Professions Code, to read:*

27 2661.9. (a) *Notwithstanding Section 11415.60 of the*
28 *Government Code, the board may enter into a settlement with a*
29 *licensee or applicant in lieu of the issuance of an accusation or*
30 *statement of issues against that licensee or applicant, as applicable.*

31 (b) *The settlement shall include language identifying the factual*
32 *basis for the action being taken and a list of the statutes or*
33 *regulations violated.*

34 (c) *A person who enters a settlement pursuant to this section is*
35 *not precluded from filing a petition, in the timeframe permitted by*
36 *law, to modify the terms of the settlement or petition for early*
37 *termination of probation, if probation is part of the settlement.*

38 (d) *Any settlement against a licensee executed pursuant to this*
39 *section shall be considered discipline and a public record and*
40 *shall be posted on the applicable board's Internet Web site. Any*

1 settlement against an applicant executed pursuant to this section
2 shall be considered a public record and shall be posted on the
3 applicable board's Internet Web site.

4 (e) The executive officer shall, at scheduled board meetings,
5 report to the board the number of proposed settlement agreements
6 adopted pursuant to this section.

7 SEC. 64. Section 2661.10 is added to the Business and
8 Professions Code, to read:

9 2661.10. (a) The license of a licensee shall be suspended
10 automatically during any time that the licensee is incarcerated
11 after conviction of a felony, regardless of whether the conviction
12 has been appealed. The board shall, immediately upon receipt of
13 the certified copy of the record of conviction, determine whether
14 the license of the licensee has been automatically suspended by
15 virtue of his or her incarceration, and if so, the duration of that
16 suspension. The board shall notify the licensee in writing of the
17 license suspension and of his or her right to elect to have the issue
18 of penalty heard as provided in subdivision (d).

19 (b) Upon receipt of the certified copy of the record of conviction,
20 if after a hearing before an administrative law judge from the
21 Office of Administrative Hearings it is determined that the felony
22 for which the licensee was convicted was substantially related to
23 the qualifications, functions, or duties of a licensee, the board
24 shall suspend the license until the time for appeal has elapsed, if
25 no appeal has been taken, or until the judgment of conviction has
26 been affirmed on appeal or has otherwise become final, and until
27 further order of the board.

28 (c) Notwithstanding subdivision (b), a conviction of a charge
29 of violating any federal statute or regulation or any statute or
30 regulation of this state, regulating dangerous drugs or controlled
31 substances, or a conviction of Section 187, 261, 262, or 288 of the
32 Penal Code, shall be conclusively presumed to be substantially
33 related to the qualifications, functions, or duties of a licensee and
34 no hearing shall be held on this issue. However, upon its own
35 motion or for good cause shown, the board may decline to impose
36 or may set aside the suspension when it appears to be in the interest
37 of justice to do so, with due regard to maintaining the integrity of,
38 and confidence in, the practice regulated by the board.

39 (d) (1) Discipline may be ordered against a licensee in
40 accordance with the statutes and regulations of the board when

1 *the time for appeal has elapsed, the judgment of conviction has*
2 *been affirmed on appeal, or an order granting probation is made*
3 *suspending the imposition of sentence, irrespective of a subsequent*
4 *order under Section 1203.4 of the Penal Code allowing the person*
5 *to withdraw his or her plea of guilty and to enter a plea of not*
6 *guilty, setting aside the verdict of guilty, or dismissing the*
7 *accusation, complaint, information, or indictment.*

8 (2) *The issue of penalty shall be heard by an administrative law*
9 *judge from the Office of Administrative Hearings. The hearing*
10 *shall not be had until the judgment of conviction has become final*
11 *or, irrespective of a subsequent order under Section 1203.4 of the*
12 *Penal Code, an order granting probation has been made*
13 *suspending the imposition of sentence; except that a licensee may,*
14 *at his or her option, elect to have the issue of penalty decided*
15 *before those time periods have elapsed. Where the licensee so*
16 *elects, the issue of penalty shall be heard in the manner described*
17 *in subdivision (b) at the hearing to determine whether the*
18 *conviction was substantially related to the qualifications, functions,*
19 *or duties of a licensee. If the conviction of a licensee who has made*
20 *this election is overturned on appeal, any discipline ordered*
21 *pursuant to this section shall automatically cease. Nothing in this*
22 *subdivision shall prohibit the board from pursuing disciplinary*
23 *action based on any cause other than the overturned conviction.*

24 (e) *The record of the proceedings resulting in a conviction,*
25 *including a transcript of the testimony in those proceedings, may*
26 *be received in evidence.*

27 (f) *Any other provision of law setting forth a procedure for the*
28 *suspension or revocation of a license issued by the board shall not*
29 *apply to proceedings conducted pursuant to this section.*

30 SEC. 65. *Section 2661.11 is added to the Business and*
31 *Professions Code, to read:*

32 2661.11. (a) *Except as otherwise provided, any proposed*
33 *decision or decision issued in accordance with the procedures set*
34 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
35 *Division 3 of Title 2 of the Government Code, that contains any*
36 *finding of fact that the licensee engaged in any act of sexual contact*
37 *with a patient, as defined in subdivision (c) of Section 729, or any*
38 *finding that the licensee has committed a sex offense, shall contain*
39 *an order revoking the license. The proposed decision shall not*
40 *contain any order staying the revocation of the licensee.*

1 (2) *An individual who is required to register as a sex offender*
2 *pursuant to Section 290 of the Penal Code solely because of a*
3 *misdemeanor conviction under Section 314 of the Penal Code.*
4 *However, nothing in this paragraph shall prohibit the board from*
5 *exercising its discretion to discipline a licensee under any other*
6 *provision of state law based upon the licensee's conviction under*
7 *Section 314 of the Penal Code.*

8 (3) *Any administrative adjudication proceeding under Chapter*
9 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
10 *2 of the Government Code that is fully adjudicated prior to January*
11 *1, 2008. A petition for reinstatement of a revoked or surrendered*
12 *license shall be considered a new proceeding for purposes of this*
13 *paragraph, and the prohibition against reinstating a license to an*
14 *individual who is required to register as a sex offender shall be*
15 *applicable.*

16 *SEC. 67. Section 2661.13 is added to the Business and*
17 *Professions Code, to read:*

18 *2661.13. (a) Notwithstanding any other provision of law*
19 *making a communication between a licensee and his or her patients*
20 *a privileged communication, those provisions shall not apply to*
21 *investigations or proceedings conducted by the board. Members*
22 *of the board, deputies, employees, agents, the office of the Attorney*
23 *General, and representatives of the board shall keep in confidence*
24 *during the course of investigations the names of any patients whose*
25 *records are reviewed and may not disclose or reveal those names,*
26 *except as is necessary during the course of an investigation, unless*
27 *and until proceedings are instituted. The authority under this*
28 *subdivision to examine records of patients in the office of a licensee*
29 *is limited to records of patients who have complained to the board*
30 *about that licensee.*

31 *(b) Notwithstanding any other provision of law, the Attorney*
32 *General and his or her investigative agents, and the board and its*
33 *investigators and representatives may inquire into any alleged*
34 *violation of the laws under the jurisdiction of the board or any*
35 *other federal or state law, regulation, or rule relevant to the*
36 *practice regulated by the board, whichever is applicable, and may*
37 *inspect documents relevant to those investigations in accordance*
38 *with the following procedures:*

1 (1) Any document relevant to an investigation may be inspected,
2 and copies may be obtained, where a patient provides written
3 authorization.

4 (2) Any document relevant to the business operations of a
5 licensee, and not involving medical records attributable to
6 identifiable patients, may be inspected and copied where relevant
7 to an investigation of a licensee.

8 (c) In all cases where documents are inspected or copies of
9 those documents are received, their acquisition or review shall be
10 arranged so as not to unnecessarily disrupt the medical and
11 business operations of the licensee or of the facility where the
12 records are kept or used.

13 (d) Where certified documents are lawfully requested from
14 licensees in accordance with this section by the Attorney General
15 or his or her agents or deputies, or investigators of any board, the
16 documents shall be provided within 10 business days of receipt of
17 the request, unless the licensee is unable to provide the certified
18 documents within this time period for good cause, including, but
19 not limited to, physical inability to access the records in the time
20 allowed due to illness or travel. Failure to produce requested
21 certified documents or copies thereof, after being informed of the
22 required deadline, shall constitute unprofessional conduct. A board
23 may use its authority to cite and fine a licensee for any violation
24 of this section. This remedy is in addition to any other authority
25 of the board to sanction a licensee for a delay in producing
26 requested records.

27 (e) Searches conducted of the office or medical facility of any
28 licensee shall not interfere with the recordkeeping format or
29 preservation needs of any licensee necessary for the lawful care
30 of patients.

31 (f) The licensee shall cooperate with the board in furnishing
32 information or assistance as may be required, including, but not
33 limited to, participation in an interview with investigators or
34 representatives of the board.

35 (g) This section shall not apply to a licensee who does not have
36 access to, and control over, certified medical records or other
37 types of documents that belong to or are controlled by a health
38 facility or clinic.

39 SEC. 68. Section 2661.14 is added to the Business and
40 Professions Code, to read:

1 2661.14. (a) (1) Notwithstanding any other provision of law,
2 a licensee who fails or refuses to comply with a request for the
3 certified medical records of a patient that is accompanied by that
4 patient's written authorization for release of records to a board
5 together with a notice citing this section and describing the
6 penalties for failure to comply with this section shall be required
7 to pay to the board a civil penalty of up to one thousand dollars
8 (\$1,000) per day for each day that the documents have not been
9 produced after the 15th day, up to ten thousand dollars (\$10,000),
10 unless the licensee is unable to provide the documents within this
11 time period for good cause.

12 (2) A health care facility shall comply with a request for the
13 certified medical records of a patient that is accompanied by that
14 patient's written authorization for release of records to a board
15 together with a notice citing this section and describing the
16 penalties for failure to comply with this section. Failure to provide
17 the authorizing patient's certified medical records to the board
18 within 15 days of receiving the request, authorization, and notice
19 shall subject the health care facility to a civil penalty, payable to
20 the board, of up to one thousand dollars (\$1,000) per day for each
21 day that the documents have not been produced after the 15th day,
22 up to ten thousand dollars (\$10,000), unless the health care facility
23 is unable to provide the documents within this time period for good
24 cause. This paragraph shall not require health care facilities to
25 assist the board in obtaining the patient's authorization. The board
26 shall pay the reasonable costs of copying the certified medical
27 records, but shall not be required to make that payment prior to
28 the production of the medical records.

29 (b) (1) A licensee who fails or refuses to comply with a court
30 order, issued in the enforcement of a subpoena, mandating the
31 release of records to the board, shall pay to the board a civil
32 penalty of up to one thousand dollars (\$1,000) per day for each
33 day that the documents have not been produced after the date by
34 which the court order requires the documents to be produced, up
35 to ten thousand dollars (\$10,000), unless it is determined that the
36 order is unlawful or invalid. Any statute of limitations applicable
37 to the filing of an accusation by the board shall be tolled during
38 the period the licensee is out of compliance with the court order
39 and during any related appeals.

1 (2) Any licensee who fails or refuses to comply with a court
2 order, issued in the enforcement of a subpoena, mandating the
3 release of records to a board is guilty of a misdemeanor punishable
4 by a fine payable to the board not to exceed five thousand dollars
5 (\$5,000). The fine shall be added to the licensee's renewal fee if
6 it is not paid by the next succeeding renewal date. Any statute of
7 limitations applicable to the filing of an accusation by the board
8 shall be tolled during the period the licensee is out of compliance
9 with the court order and during any related appeals.

10 (3) A health care facility that fails or refuses to comply with a
11 court order, issued in the enforcement of a subpoena, mandating
12 the release of patient records to the board, that is accompanied
13 by a notice citing this section and describing the penalties for
14 failure to comply with this section, shall pay to the board a civil
15 penalty of up to one thousand dollars (\$1,000) per day for each
16 day that the documents have not been produced, up to ten thousand
17 dollars (\$10,000), after the date by which the court order requires
18 the documents to be produced, unless it is determined that the
19 order is unlawful or invalid. Any statute of limitations applicable
20 to the filing of an accusation by the board against a licensee shall
21 be tolled during the period the health care facility is out of
22 compliance with the court order and during any related appeals.

23 (4) Any health care facility that fails or refuses to comply with
24 a court order, issued in the enforcement of a subpoena, mandating
25 the release of records to the board is guilty of a misdemeanor
26 punishable by a fine payable to the board not to exceed five
27 thousand dollars (\$5,000). Any statute of limitations applicable
28 to the filing of an accusation by the board against a licensee shall
29 be tolled during the period the health care facility is out of
30 compliance with the court order and during any related appeals.

31 (c) Multiple acts by a licensee in violation of subdivision (b)
32 shall be punishable by a fine not to exceed five thousand dollars
33 (\$5,000) or by imprisonment in a county jail not exceeding six
34 months, or by both that fine and imprisonment. Multiple acts by
35 a health care facility in violation of subdivision (b) shall be
36 punishable by a fine not to exceed five thousand dollars (\$5,000),
37 shall be reported to the State Department of Public Health, and
38 shall be considered as grounds for disciplinary action with respect
39 to licensure, including suspension or revocation of the license or
40 certificate.

1 (d) A failure or refusal of a licensee to comply with a court
2 order, issued in the enforcement of a subpoena, mandating the
3 release of records to the board constitutes unprofessional conduct
4 and is grounds for suspension or revocation of his or her license.

5 (e) Imposition of the civil penalties authorized by this section
6 shall be in accordance with the Administrative Procedure Act
7 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
8 2 of the Government Code). Any civil penalties paid to, or received
9 by, the board pursuant to this section shall be deposited into the
10 fund administered by the board.

11 (f) For purposes of this section, “certified medical records”
12 means a copy of the patient’s medical records authenticated by
13 the licensee or health care facility, as appropriate, on a form
14 prescribed by the licensee’s board.

15 (g) For purposes of this section, a “health care facility” means
16 a clinic or health facility licensed or exempt from licensure
17 pursuant to Division 2 (commencing with Section 1200) of the
18 Health and Safety Code.

19 (h) If a board complies with Section 1684.1, 2225.5, or 2969,
20 that board shall not be subject to the requirements of this section.

21 (i) This section shall not apply to a licensee who does not have
22 access to, or control over, certified medical records or other types
23 of documents that belong to or are controlled by a health facility
24 or clinic.

25 SEC. 69. Section 2661.15 is added to the Business and
26 Professions Code, to read:

27 2661.15. (a) Notwithstanding any other provision of law, any
28 employer of a licensee shall report to the board the suspension or
29 termination for cause, or any resignation in lieu of suspension or
30 termination for cause, of any licensee in its employ within 15
31 business days. The report shall not be made until after the
32 conclusion of the review process specified in Section 52.3 of Title
33 2 of the California Code of Regulations and *Skelly v. State*
34 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
35 required reporting shall not constitute a waiver of confidentiality
36 of medical records. The information reported or disclosed shall
37 be kept confidential except as provided in subdivision (c) of Section
38 800 and shall not be subject to discovery in civil cases.

39 (b) The information to be reported by the employer shall include
40 the name and license number of the licentiate involved, a

1 *description of the facts and circumstances of the suspension or*
2 *termination for cause, any resignation in lieu of suspension or*
3 *termination for cause, and any other relevant information deemed*
4 *appropriate by the employer.*

5 *(c) The board shall be entitled to inspect and copy the following*
6 *documents in the record for any suspension or termination for*
7 *cause, or any resignation in lieu of suspension or termination for*
8 *cause, resulting in action that is required to be reported pursuant*
9 *to this section:*

10 *(1) Any statement for suspension or termination of the licensee.*

11 *(2) Any document or exhibits relevant to the suspension or*
12 *termination.*

13 *(d) If, during the investigation by the board of the cause for the*
14 *termination or suspension or resignation of the licensee, it is found*
15 *that there has been a violation of existing state or federal law, the*
16 *board shall report the violation to the appropriate agency.*

17 *(e) For purposes of this section, “suspension or termination for*
18 *cause” or “resignation in lieu of suspension or termination for*
19 *cause” is defined as resignation, suspension, or termination from*
20 *employment for any of the following reasons:*

21 *(1) Use of controlled substances or alcohol to the extent that it*
22 *impairs the licensee’s ability to safely practice.*

23 *(2) Unlawful sale of a controlled substance or other prescription*
24 *items.*

25 *(3) Patient or client abuse, neglect, physical harm, or sexual*
26 *contact with a patient or client.*

27 *(4) Gross negligence or incompetence.*

28 *(5) Theft from a patient or client, any other employee, or the*
29 *employer.*

30 *(f) As used in this section, the following definitions apply:*

31 *(1) “Gross negligence” means a substantial departure from the*
32 *standard of care, which, under similar circumstances, would have*
33 *ordinarily been exercised by a competent licensee, and which has*
34 *or could have resulted in harm to the consumer. An exercise of so*
35 *slight a degree of care as to justify the belief that there was a*
36 *conscious disregard or indifference for the health, safety, or*
37 *welfare of the consumer shall be considered a substantial departure*
38 *from the standard of care.*

1 (2) “Incompetence” means the lack of possession of, and the
2 failure to exercise that degree of learning, skill, care, and
3 experience ordinarily possessed by, a responsible licensee.

5 known legal duty.

6 (g) (1) Willful failure of an employer to make a report required

9 (2) Any failure of an employer, other than willful failure, to
10 make a report required by this section is punishable by an
11 administrative fine not to exceed fifty thousand dollars (\$50,000).

12 (h) The board shall investigate the circumstances underlying
13 any report received pursuant to this section within 30 days to
14 determine if an interim suspension order or temporary restraining
15 order should be issued. The board shall otherwise provide timely
16 disposition of the reports received pursuant to this section.

17 (i) The board shall send to the licentiate a copy of the report
18 along with the reasons for the filing of the report and notice
19 advising the licentiate of his or her right to submit additional
20 statements or other information to the board.

21 (j) Pursuant to Section 43.8 of the Civil Code, no person shall
22 incur any civil penalty as a result of making any report required
23 by this article.

24 (k) No report is required under this section where a report of
25 the action taken is already required under Section 805.

26 SEC. 70. Section 2661.16 is added to the Business and
27 Professions Code, to read:

28 2661.16. Unless otherwise provided, on or after July 1, 2013,
29 the board shall post on its Internet Web site the following
30 information including the name and license number in its
31 possession, custody, or control regarding every licensee for which
32 the board licenses:

33 (a) With regard to the status of every license, whether or not
34 the licensee or former licensee is in good standing, subject to a
35 temporary restraining order, subject to an interim suspension

6 *this paragraph, “current accusation” means an accusation that*
7 *has not been dismissed, withdrawn, or settled, and has not been*
8 *finally decided upon by an administrative law judge and the board*
9 *unless an appeal of that decision is pending.*

10 *(e) Any malpractice judgment or arbitration award imposed*
11 *against a licensee and reported to the board.*

12 *(f) Any hospital disciplinary action imposed against a licensee*

14 *hospital staff privileges for a medical disciplinary cause or reason*
15 *pursuant to Section 2661.14 or 805.*

16 *(g) Any misdemeanor conviction of a licensee that results in a*
17 *disciplinary action or an accusation that is not subsequently*
18 *withdrawn or dismissed.*

28 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*
29 *of Division 3 of the Civil Code) and shall comply with the*
30 *Department of Consumer Affairs Guidelines for Access to Public*
31 *Records.*

32 *(j) Information provided on the Internet may not include*
33 *personal information, unless otherwise provided pursuant to this*
34 *chapter, including the home telephone number, date of birth, or*
35 *social security number. The information may not include the*
36 *licensee’s address, but may include the city and county of the*
37 *licensee’s address of record.*

38 *SEC. 71. Section 2661.17 is added to the Business and*
39 *Professions Code, to read:*

1 2661.17. (a) *Unless otherwise provided, if a licensee possesses*
2 *a license or is otherwise authorized to practice in any state other*
3 *than California or by any agency of the federal government and*
4 *that license or authority is suspended or revoked outright, the*
5 *California license of the licensee shall be suspended automatically*
6 *for the duration of the suspension or revocation, unless terminated*
7 *or rescinded as provided in subdivision (c). The board shall notify*
8 *the licensee of the license suspension and of his or her right to*
9 *have the issue of penalty heard as provided in this section.*

10 (b) *Upon its own motion or for good cause shown, the board*
11 *may decline to impose or may set aside the suspension when it*
12 *appears to be in the interest of justice to do so, with due regard*
13 *to maintaining the integrity of, and confidence in, the specific*
14 *healing art.*

15 (c) *The issue of penalty shall be heard by an administrative law*
16 *judge sitting alone or with a panel of the board, in the discretion*
17 *of the board. A licensee may request a hearing on the penalty and*
18 *that hearing shall be held within 90 days from the date of the*
19 *request. If the order suspending or revoking the license or authority*
20 *to practice is overturned on appeal, any discipline ordered*
21 *pursuant to this section shall automatically cease. Upon a showing*
22 *to the administrative law judge or panel by the licensee that the*
23 *out-of-state action is not a basis for discipline in California, the*
24 *suspension shall be rescinded. If an accusation for permanent*
25 *discipline is not filed within 90 days of the suspension imposed*
26 *pursuant to this section, the suspension shall automatically*
27 *terminate.*

28 (d) *The record of the proceedings that resulted in the suspension*
29 *or revocation of the licensee's out-of-state license or authority to*
30 *practice, including a transcript of the testimony therein, may be*
31 *received in evidence.*

32 (e) *This section shall not apply to a licensee who maintains his*
33 *or her primary practice in California, as evidenced by having*
34 *maintained a practice in this state for not less than one year*
35 *immediately preceding the date of suspension or revocation.*
36 *Nothing in this section shall preclude a licensee's license from*
37 *being suspended pursuant to any other provision of law.*

38 (f) *This section shall not apply to a licensee whose license has*
39 *been surrendered, whose only discipline is a medical staff*
40 *disciplinary action at a federal hospital and not for medical*

1 *disciplinary cause or reason as that term is defined in Section 805,*
2 *or whose revocation or suspension has been stayed, even if the*
3 *licensee remains subject to terms of probation or other discipline.*

4 *(g) This section shall not apply to a suspension or revocation*
5 *imposed by a state that is based solely on the prior discipline of*
6 *the licensee by another state.*

7 *(h) The other provisions of this article setting forth a procedure*
8 *for the suspension or revocation of a licensee's license or*
9 *certificate shall not apply to summary suspensions issued pursuant*
10 *to this section. If a summary suspension has been issued pursuant*
11 *to this section, the licensee may request that the hearing on the*
12 *penalty conducted pursuant to subdivision (c) be held at the same*
13 *time as a hearing on the accusation.*

14 *(i) A board that complies with Section 2310 shall not be subject*
15 *to the requirements of this section.*

16 *SEC. 72. Section 2766 is added to the Business and Professions*
17 *Code, to read:*

18 *2766. (a) The board may delegate to its executive officer the*
19 *authority to adopt a proposed default decision where an*
20 *administrative action to revoke a license has been filed and the*
21 *licensee has failed to file a notice of defense or to appear at the*
22 *hearing and a proposed default decision revoking the license has*
23 *been issued.*

24 *(b) The board may delegate to its executive officer the authority*
25 *to adopt a proposed settlement agreement where an administrative*
26 *action to revoke a license has been filed by the board and the*
27 *licensee has agreed to the revocation or surrender of his or her*
28 *license.*

29 *(c) The executive officer shall, at scheduled board meetings,*
30 *report to the board the number of proposed default decisions or*
31 *proposed settlement agreements adopted pursuant to this section.*

32 *SEC. 73. Section 2766.1 is added to the Business and*
33 *Professions Code, to read:*

34 *2766.1. (a) Notwithstanding Section 11415.60 of the*
35 *Government Code, the board may enter into a settlement with a*
36 *licensee or applicant in lieu of the issuance of an accusation or*
37 *statement of issues against that licensee or applicant, as applicable.*

38 *(b) The settlement shall include language identifying the factual*
39 *basis for the action being taken and a list of the statutes or*
40 *regulations violated.*

1 (c) A person who enters a settlement pursuant to this section is
2 not precluded from filing a petition, in the timeframe permitted by
3 law, to modify the terms of the settlement or petition for early
4 termination of probation, if probation is part of the settlement.

5 (d) Any settlement against a licensee executed pursuant to this
6 section shall be considered discipline and a public record and
7 shall be posted on the applicable board's Internet Web site. Any
8 settlement against an applicant executed pursuant to this section
9 shall be considered a public record and shall be posted on the
10 applicable board's Internet Web site.

11 (e) The executive officer shall, at scheduled board meetings,
12 report to the board the number of proposed settlement agreements
13 adopted pursuant to this section.

14 SEC. 74. Section 2766.2 is added to the Business and
15 Professions Code, to read:

16 2766.2. (a) The license of a licensee shall be suspended
17 automatically during any time that the licensee is incarcerated
18 after conviction of a felony, regardless of whether the conviction
19 has been appealed. The board shall, immediately upon receipt of
20 the certified copy of the record of conviction, determine whether
21 the license of the licensee has been automatically suspended by
22 virtue of his or her incarceration, and if so, the duration of that
23 suspension. The board shall notify the licensee in writing of the
24 license suspension and of his or her right to elect to have the issue
25 of penalty heard as provided in subdivision (d).

26 (b) Upon receipt of the certified copy of the record of conviction,
27 if after a hearing before an administrative law judge from the
28 Office of Administrative Hearings it is determined that the felony
29 for which the licensee was convicted was substantially related to
30 the qualifications, functions, or duties of a licensee, the board
31 shall suspend the license until the time for appeal has elapsed, if
32 no appeal has been taken, or until the judgment of conviction has
33 been affirmed on appeal or has otherwise become final, and until
34 further order of the board.

35 (c) Notwithstanding subdivision (b), a conviction of a charge
36 of violating any federal statute or regulation or any statute or
37 regulation of this state, regulating dangerous drugs or controlled
38 substances, or a conviction of Section 187, 261, 262, or 288 of the
39 Penal Code, shall be conclusively presumed to be substantially
40 related to the qualifications, functions, or duties of a licensee and

1 *no hearing shall be held on this issue. However, upon its own*
2 *motion or for good cause shown, the board may decline to impose*
3 *or may set aside the suspension when it appears to be in the interest*
4 *of justice to do so, with due regard to maintaining the integrity of,*
5 *and confidence in, the practice regulated by the board.*

6 *(d) (1) Discipline may be ordered against a licensee in*
7 *accordance with the statutes and regulations of the board when*
8 *the time for appeal has elapsed, the judgment of conviction has*
9 *been affirmed on appeal, or an order granting probation is made*
10 *suspending the imposition of sentence, irrespective of a subsequent*
11 *order under Section 1203.4 of the Penal Code allowing the person*
12 *to withdraw his or her plea of guilty and to enter a plea of not*
13 *guilty, setting aside the verdict of guilty, or dismissing the*
14 *accusation, complaint, information, or indictment.*

15 *(2) The issue of penalty shall be heard by an administrative law*
16 *judge from the Office of Administrative Hearings. The hearing*
17 *shall not be had until the judgment of conviction has become final*
18 *or, irrespective of a subsequent order under Section 1203.4 of the*
19 *Penal Code, an order granting probation has been made*
20 *suspending the imposition of sentence; except that a licensee may,*
21 *at his or her option, elect to have the issue of penalty decided*
22 *before those time periods have elapsed. Where the licensee so*
23 *elects, the issue of penalty shall be heard in the manner described*
24 *in subdivision (b) at the hearing to determine whether the*
25 *conviction was substantially related to the qualifications, functions,*
26 *or duties of a licensee. If the conviction of a licensee who has made*
27 *this election is overturned on appeal, any discipline ordered*
28 *pursuant to this section shall automatically cease. Nothing in this*
29 *subdivision shall prohibit the board from pursuing disciplinary*
30 *action based on any cause other than the overturned conviction.*

31 *(e) The record of the proceedings resulting in a conviction,*
32 *including a transcript of the testimony in those proceedings, may*
33 *be received in evidence.*

34 *(f) Any other provision of law setting forth a procedure for the*
35 *suspension or revocation of a license issued by the board shall not*
36 *apply to proceedings conducted pursuant to this section.*

37 *SEC. 75. Section 2766.3 is added to the Business and*
38 *Professions Code, to read:*

39 *2766.3. (a) Except as otherwise provided, any proposed*
40 *decision or decision issued in accordance with the procedures set*

1 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
2 *Division 3 of Title 2 of the Government Code, that contains any*
3 *finding of fact that the licensee engaged in any act of sexual contact*
4 *with a patient, as defined in subdivision (c) of Section 729, or any*
5 *finding that the licensee has committed a sex offense, shall contain*
6 *an order revoking the license. The proposed decision shall not*
7 *contain any order staying the revocation of the licensee.*

8 *(b) As used in this section, the term sex offense shall mean any*
9 *of the following:*

10 *(1) Any offense for which registration is required by Section*
11 *290 of the Penal Code or a finding that a person committed such*
12 *an act.*

13 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
14 *or 647(a) or (d) of the Penal Code or a finding that a person*
15 *committed such an act.*

16 *(3) Any attempt to commit any of the offenses specified in this*
17 *section.*

18 *(4) Any offense committed or attempted in any other state or*
19 *against the laws of the United States which, if committed or*
20 *attempted in this state, would have been punishable as one or more*
21 *of the offenses specified in this section.*

22 *SEC. 76. Section 2766.4 is added to the Business and*
23 *Professions Code, to read:*

24 *2766.4. (a) Except as otherwise provided, with regard to an*
25 *individual who is required to register as a sex offender pursuant*
26 *to Section 290 of the Penal Code, or the equivalent in another*
27 *state or territory, under military law, or under federal law, the*
28 *board shall be subject to the following requirements:*

29 *(1) The board shall deny an application by the individual for*
30 *licensure in accordance with the procedures set forth in Chapter*
31 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
32 *2 of the Government Code.*

33 *(2) If the individual is licensed under this chapter, the board*
34 *shall promptly revoke the license of the individual in accordance*
35 *with the procedures set forth in Chapter 5 (commencing with*
36 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*
37 *Code. The board shall not stay the revocation and place the license*
38 *on probation.*

1 (3) *The board shall not reinstate or reissue the individual's*
2 *license. The board shall not issue a stay of license denial nor place*
3 *the license on probation.*

4 (b) *This section shall not apply to any of the following:*

5 (1) *An individual who has been relieved under Section 290.5 of*
6 *the Penal Code of his or her duty to register as a sex offender, or*
7 *whose duty to register has otherwise been formally terminated*
8 *under California law or the law of the jurisdiction that requires*
9 *his or her registration as a sex offender.*

10 (2) *An individual who is required to register as a sex offender*
11 *pursuant to Section 290 of the Penal Code solely because of a*
12 *misdemeanor conviction under Section 314 of the Penal Code.*
13 *However, nothing in this paragraph shall prohibit the board from*
14 *exercising its discretion to discipline a licensee under any other*
15 *provision of state law based upon the licensee's conviction under*
16 *Section 314 of the Penal Code.*

17 (3) *Any administrative adjudication proceeding under Chapter*
18 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
19 *2 of the Government Code that is fully adjudicated prior to January*
20 *1, 2008. A petition for reinstatement of a revoked or surrendered*
21 *license shall be considered a new proceeding for purposes of this*
22 *paragraph, and the prohibition against reinstating a license to an*
23 *individual who is required to register as a sex offender shall be*
24 *applicable.*

25 SEC. 77. *Section 2766.5 is added to the Business and*
26 *Professions Code, to read:*

27 2766.5. (a) *Notwithstanding any other provision of law making*
28 *a communication between a licensee and his or her patients a*
29 *privileged communication, those provisions shall not apply to*
30 *investigations or proceedings conducted by the board. Members*
31 *of the board, deputies, employees, agents, the office of the Attorney*
32 *General, and representatives of the board shall keep in confidence*
33 *during the course of investigations the names of any patients whose*
34 *records are reviewed and may not disclose or reveal those names,*
35 *except as is necessary during the course of an investigation, unless*
36 *and until proceedings are instituted. The authority under this*
37 *subdivision to examine records of patients in the office of a licensee*
38 *is limited to records of patients who have complained to the board*
39 *about that licensee.*

1 **(b)** Notwithstanding any other provision of law, the Attorney
2 General and his or her investigative agents, and the board and its
3 investigators and representatives may inquire into any alleged
4 violation of the laws under the jurisdiction of the board or any
5 other federal or state law, regulation, or rule relevant to the
6 practice regulated by the board, whichever is applicable, and may
7 inspect documents relevant to those investigations in accordance
8 with the following procedures:

9 **(1)** Any document relevant to an investigation may be inspected,
10 and copies may be obtained, where a patient provides written
11 authorization.

12 **(2)** Any document relevant to the business operations of a
13 licensee, and not involving medical records attributable to
14 identifiable patients, may be inspected and copied where relevant
15 to an investigation of a licensee.

16 **(c)** In all cases where documents are inspected or copies of
17 those documents are received, their acquisition or review shall be
18 arranged so as not to unnecessarily disrupt the medical and
19 business operations of the licensee or of the facility where the
20 records are kept or used.

21 **(d)** Where certified documents are lawfully requested from
22 licensees in accordance with this section by the Attorney General
23 or his or her agents or deputies, or investigators of any board, the
24 documents shall be provided within 10 business days of receipt of
25 the request, unless the licensee is unable to provide the certified
26 documents within this time period for good cause, including, but
27 not limited to, physical inability to access the records in the time
28 allowed due to illness or travel. Failure to produce requested
29 certified documents or copies thereof, after being informed of the
30 required deadline, shall constitute unprofessional conduct. A board
31 may use its authority to cite and fine a licensee for any violation
32 of this section. This remedy is in addition to any other authority
33 of the board to sanction a licensee for a delay in producing
34 requested records.

35 **(e)** Searches conducted of the office or medical facility of any
36 licensee shall not interfere with the recordkeeping format or
37 preservation needs of any licensee necessary for the lawful care
38 of patients.

39 **(f)** The licensee shall cooperate with the board in furnishing
40 information or assistance as may be required, including, but not

1 *limited to, participation in an interview with investigators or*
2 *representatives of the board.*

3 *(g) This section shall not apply to a licensee who does not have*
4 *access to, and control over, certified medical records or other*
5 *types of documents that belong to or are controlled by a health*
6 *facility or clinic.*

7 *SEC. 78. Section 2766.6 is added to the Business and*
8 *Professions Code, to read:*

9 *2766.6. (a) (1) Notwithstanding any other provision of law,*
10 *a licensee who fails or refuses to comply with a request for the*
11 *certified medical records of a patient that is accompanied by that*
12 *patient's written authorization for release of records to a board*
13 *together with a notice citing this section and describing the*
14 *penalties for failure to comply with this section shall be required*
15 *to pay to the board a civil penalty of up to one thousand dollars*
16 *(\$1,000) per day for each day that the documents have not been*
17 *produced after the 15th day, up to ten thousand dollars (\$10,000),*
18 *unless the licensee is unable to provide the documents within this*
19 *time period for good cause.*

20 *(2) A health care facility shall comply with a request for the*
21 *certified medical records of a patient that is accompanied by that*
22 *patient's written authorization for release of records to a board*
23 *together with a notice citing this section and describing the*
24 *penalties for failure to comply with this section. Failure to provide*
25 *the authorizing patient's certified medical records to the board*
26 *within 15 days of receiving the request, authorization, and notice*
27 *shall subject the health care facility to a civil penalty, payable to*
28 *the board, of up to one thousand dollars (\$1,000) per day for each*
29 *day that the documents have not been produced after the 15th day,*
30 *up to ten thousand dollars (\$10,000), unless the health care facility*
31 *is unable to provide the documents within this time period for good*
32 *cause. This paragraph shall not require health care facilities to*
33 *assist the board in obtaining the patient's authorization. The board*
34 *shall pay the reasonable costs of copying the certified medical*
35 *records, but shall not be required to make that payment prior to*
36 *the production of the medical records.*

37 *(b) (1) A licensee who fails or refuses to comply with a court*
38 *order, issued in the enforcement of a subpoena, mandating the*
39 *release of records to the board, shall pay to the board a civil*
40 *penalty of up to one thousand dollars (\$1,000) per day for each*

1 day that the documents have not been produced after the date by
2 which the court order requires the documents to be produced, up
3 to ten thousand dollars (\$10,000), unless it is determined that the
4 order is unlawful or invalid. Any statute of limitations applicable
5 to the filing of an accusation by the board shall be tolled during
6 the period the licensee is out of compliance with the court order
7 and during any related appeals.

8 (2) Any licensee who fails or refuses to comply with a court
9 order, issued in the enforcement of a subpoena, mandating the
10 release of records to a board is guilty of a misdemeanor punishable
11 by a fine payable to the board not to exceed five thousand dollars
12 (\$5,000). The fine shall be added to the licensee's renewal fee if
13 it is not paid by the next succeeding renewal date. Any statute of
14 limitations applicable to the filing of an accusation by the board
15 shall be tolled during the period the licensee is out of compliance
16 with the court order and during any related appeals.

17 (3) A health care facility that fails or refuses to comply with a
18 court order, issued in the enforcement of a subpoena, mandating
19 the release of patient records to the board, that is accompanied
20 by a notice citing this section and describing the penalties for
21 failure to comply with this section, shall pay to the board a civil
22 penalty of up to one thousand dollars (\$1,000) per day for each
23 day that the documents have not been produced, up to ten thousand
24 dollars (\$10,000), after the date by which the court order requires
25 the documents to be produced, unless it is determined that the
26 order is unlawful or invalid. Any statute of limitations applicable
27 to the filing of an accusation by the board against a licensee shall
28 be tolled during the period the health care facility is out of
29 compliance with the court order and during any related appeals.

30 (4) Any health care facility that fails or refuses to comply with
31 a court order, issued in the enforcement of a subpoena, mandating
32 the release of records to the board is guilty of a misdemeanor
33 punishable by a fine payable to the board not to exceed five
34 thousand dollars (\$5,000). Any statute of limitations applicable
35 to the filing of an accusation by the healing arts board against a
36 licensee shall be tolled during the period the health care facility
37 is out of compliance with the court order and during any related
38 appeals.

39 (c) Multiple acts by a licensee in violation of subdivision (b)
40 shall be punishable by a fine not to exceed five thousand dollars

1 (\$5,000) or by imprisonment in a county jail not exceeding six
2 months, or by both that fine and imprisonment. Multiple acts by
3 a health care facility in violation of subdivision (b) shall be
4 punishable by a fine not to exceed five thousand dollars (\$5,000),
5 shall be reported to the State Department of Public Health, and
6 shall be considered as grounds for disciplinary action with respect
7 to licensure, including suspension or revocation of the license or
8 certificate.

9 (d) A failure or refusal of a licensee to comply with a court
10 order, issued in the enforcement of a subpoena, mandating the
11 release of records to the board constitutes unprofessional conduct
12 and is grounds for suspension or revocation of his or her license.

13 (e) Imposition of the civil penalties authorized by this section
14 shall be in accordance with the Administrative Procedure Act
15 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
16 2 of the Government Code). Any civil penalties paid to, or received
17 by, the board pursuant to this section shall be deposited into the
18 fund administered by the board.

19 (f) For purposes of this section, “certified medical records”
20 means a copy of the patient’s medical records authenticated by
21 the licensee or health care facility, as appropriate, on a form
22 prescribed by the licensee’s board.

23 (g) For purposes of this section, a “health care facility” means
24 a clinic or health facility licensed or exempt from licensure
25 pursuant to Division 2 (commencing with Section 1200) of the
26 Health and Safety Code.

27 (h) If a board complies with Section 1684.1, 2225.5, or 2969,
28 that board shall not be subject to the requirements of this section.

29 (i) This section shall not apply to a licensee who does not have
30 access to, or control over, certified medical records or other types
31 of documents that belong to or are controlled by a health facility
32 or clinic.

33 SEC. 79. Section 2766.7 is added to the Business and
34 Professions Code, to read:

35 2766.7. (a) Unless otherwise provided, on or after July 1,
36 2013, the board shall post on the Internet the following
37 information, including the name and license number, in its
38 possession, custody, or control regarding every licensee for which
39 the board licenses:

1 (1) *With regard to the status of every license, whether or not*
2 *the licensee or former licensee is in good standing, subject to a*

11 (3) *Any felony conviction of a licensee reported to the board.*

16 *finally decided upon by an administrative law judge and the board*
17 *unless an appeal of that decision is pending.*

18 (5) *Any malpractice judgment or arbitration award imposed*
19 *against a licensee and reported to the healing arts board.*

20 (6) *Any misdemeanor conviction of a licensee that results in a*

23 (7) *Appropriate disclaimers and explanatory statements to*

28 (b) *The information provided on the Internet shall be in*
29 *accordance with the California Public Records Act (Chapter 3.5*
30 *(commencing with Section 6250) of Division 7 of Title 1 of the*

2 of record.

3 SEC. 80. Section 2766.8 is added to the Business and
4 Professions Code, to read:

5 2766.8. (a) Unless otherwise provided, if a licensee possesses

13 right to have the issue of penalty heard as provided in this section.

14 (b) Upon its own motion or for good cause shown, the board
15 may decline to impose or may set aside the suspension when it
16 appears to be in the interest of justice to do so, with due regard
17 to maintaining the integrity of, and confidence in, the specific
18 healing art.

19 (c) The issue of penalty shall be heard by an administrative law
20 judge sitting alone or with a panel of the board, in the discretion
21 of the board. A licensee may request a hearing on the penalty and
22 that hearing shall be held within 90 days from the date of the
23 request. If the order suspending or revoking the license or authority
24 to practice is overturned on appeal, any discipline ordered
25 pursuant to this section shall automatically cease. Upon a showing
26 to the administrative law judge or panel by the licensee that the
27 out-of-state action is not a basis for discipline in California, the
28 suspension shall be rescinded. If an accusation for permanent
29 discipline is not filed within 90 days of the suspension imposed
30 pursuant to this section, the suspension shall automatically
31 terminate.

32 (d) The record of the proceedings that resulted in the suspension
33 or revocation of the licensee's out-of-state license or authority to
34 practice, including a transcript of the testimony therein, may be
35 received in evidence.

36 (e) This section shall not apply to a licensee who maintains his
37 or her primary practice in California, as evidenced by having
38 maintained a practice in this state for not less than one year
39 immediately preceding the date of suspension or revocation.

1 *Nothing in this section shall preclude a licensee's license from*
2 *being suspended pursuant to any other provision of law.*

3 *(f) This section shall not apply to a licensee whose license has*
4 *been surrendered, whose only discipline is a medical staff*
5 *disciplinary action at a federal hospital and not for medical*
6 *disciplinary cause or reason as that term is defined in Section 805,*
7 *or whose revocation or suspension has been stayed, even if the*
8 *licensee remains subject to terms of probation or other discipline.*

9 *(g) This section shall not apply to a suspension or revocation*
10 *imposed by a state that is based solely on the prior discipline of*
11 *the licensee by another state.*

12 *(h) The other provisions of this article setting forth a procedure*
13 *for the suspension or revocation of a licensee's license or*
14 *certificate shall not apply to summary suspensions issued pursuant*
15 *to this section. If a summary suspension has been issued pursuant*
16 *to this section, the licensee may request that the hearing on the*
17 *penalty conducted pursuant to subdivision (c) be held at the same*
18 *time as a hearing on the accusation.*

19 *(i) A board that complies with Section 2310 shall not be subject*
20 *to the requirements of this section.*

21 *SEC. 81. Section 2879.1 is added to the Business and*
22 *Professions Code, to read:*

23 *2879.1. (a) The board may delegate to its executive officer the*
24 *authority to adopt a proposed default decision where an*
25 *administrative action to revoke a license has been filed and the*
26 *licensee has failed to file a notice of defense or to appear at the*
27 *hearing and a proposed default decision revoking the license has*
28 *been issued.*

29 *(b) The board may delegate to its executive officer the authority*
30 *to adopt a proposed settlement agreement where an administrative*
31 *action to revoke a license has been filed by the board and the*
32 *licensee has agreed to the revocation or surrender of his or her*
33 *license.*

34 *(c) The executive officer shall, at scheduled board meetings,*
35 *report to the board the number of proposed default decisions or*
36 *proposed settlement agreements adopted pursuant to this section.*

37 *SEC. 82. Section 2879.2 is added to the Business and*
38 *Professions Code, to read:*

39 *2879.2. (a) Notwithstanding Section 11415.60 of the*
40 *Government Code, the board may enter into a settlement with a*

1 licensee or applicant in lieu of the issuance of an accusation or
2 statement of issues against that licensee or applicant, as applicable.

3 (b) The settlement shall include language identifying the factual
4 basis for the action being taken and a list of the statutes or
5 regulations violated.

6 (c) A person who enters a settlement pursuant to this section is
7 not precluded from filing a petition, in the timeframe permitted by
8 law, to modify the terms of the settlement or petition for early
9 termination of probation, if probation is part of the settlement.

10 (d) Any settlement against a licensee executed pursuant to this
11 section shall be considered discipline and a public record and
12 shall be posted on the applicable board's Internet Web site. Any
13 settlement against an applicant executed pursuant to this section
14 shall be considered a public record and shall be posted on the
15 applicable board's Internet Web site.

16 (e) The executive officer shall, at scheduled board meetings,
17 report to the board the number of proposed settlement agreements
18 adopted pursuant to this section.

19 SEC. 83. Section 2879.3 is added to the Business and
20 Professions Code, to read:

21 2879.3. (a) The license of a licensee shall be suspended
22 automatically during any time that the licensee is incarcerated
23 after conviction of a felony, regardless of whether the conviction
24 has been appealed. The board shall, immediately upon receipt of
25 the certified copy of the record of conviction, determine whether
26 the license of the licensee has been automatically suspended by
27 virtue of his or her incarceration, and if so, the duration of that
28 suspension. The board shall notify the licensee in writing of the
29 license suspension and of his or her right to elect to have the issue
30 of penalty heard as provided in subdivision (d).

31 (b) Upon receipt of the certified copy of the record of conviction,
32 if after a hearing before an administrative law judge from the
33 Office of Administrative Hearings it is determined that the felony
34 for which the licensee was convicted was substantially related to
35 the qualifications, functions, or duties of a licensee, the board
36 shall suspend the license until the time for appeal has elapsed, if
37 no appeal has been taken, or until the judgment of conviction has
38 been affirmed on appeal or has otherwise become final, and until
39 further order of the board.

1 (c) Notwithstanding subdivision (b), a conviction of a charge
2 of violating any federal statute or regulation or any statute or
3 regulation of this state, regulating dangerous drugs or controlled
4 substances, or a conviction of Section 187, 261, 262, or 288 of the
5 Penal Code, shall be conclusively presumed to be substantially
6 related to the qualifications, functions, or duties of a licensee and
7 no hearing shall be held on this issue. However, upon its own
8 motion or for good cause shown, the board may decline to impose
9 or may set aside the suspension when it appears to be in the interest
10 of justice to do so, with due regard to maintaining the integrity of,
11 and confidence in, the practice regulated by the board.

12 (d) (1) Discipline may be ordered against a licensee in
13 accordance with the statutes and regulations of the board when
14 the time for appeal has elapsed, the judgment of conviction has
15 been affirmed on appeal, or an order granting probation is made
16 suspending the imposition of sentence, irrespective of a subsequent
17 order under Section 1203.4 of the Penal Code allowing the person
18 to withdraw his or her plea of guilty and to enter a plea of not
19 guilty, setting aside the verdict of guilty, or dismissing the
20 accusation, complaint, information, or indictment.

21 (2) The issue of penalty shall be heard by an administrative law
22 judge from the Office of Administrative Hearings. The hearing
23 shall not be had until the judgment of conviction has become final
24 or, irrespective of a subsequent order under Section 1203.4 of the
25 Penal Code, an order granting probation has been made
26 suspending the imposition of sentence; except that a licensee may,
27 at his or her option, elect to have the issue of penalty decided
28 before those time periods have elapsed. Where the licensee so
29 elects, the issue of penalty shall be heard in the manner described
30 in subdivision (b) at the hearing to determine whether the
31 conviction was substantially related to the qualifications, functions,
32 or duties of a licensee. If the conviction of a licensee who has made
33 this election is overturned on appeal, any discipline ordered
34 pursuant to this section shall automatically cease. Nothing in this
35 subdivision shall prohibit the board from pursuing disciplinary
36 action based on any cause other than the overturned conviction.

37 (e) The record of the proceedings resulting in a conviction,
38 including a transcript of the testimony in those proceedings, may
39 be received in evidence.

1 (f) Any other provision of law setting forth a procedure for the
2 suspension or revocation of a license issued by the board shall not
3 apply to proceedings conducted pursuant to this section.

4 SEC. 84. Section 2879.4 is added to the Business and
5 Professions Code, to read:

6 2879.4. (a) Except as otherwise provided, any proposed
7 decision or decision issued in accordance with the procedures set
8 forth in Chapter 5 (commencing with Section 11500) of Part 1 of
9 Division 3 of Title 2 of the Government Code, that contains any
10 finding of fact that the licensee engaged in any act of sexual contact
11 with a patient, as defined in subdivision (c) of Section 729, or any
12 finding that the licensee has committed a sex offense, shall contain
13 an order revoking the license. The proposed decision shall not
14 contain any order staying the revocation of the licensee.

15 (b) As used in this section, the term sex offense shall mean any
16 of the following:

17 (1) Any offense for which registration is required by Section
18 290 of the Penal Code or a finding that a person committed such
19 an act.

20 (2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,
21 or 647(a) or (d) of the Penal Code or a finding that a person
22 committed such an act.

23 (3) Any attempt to commit any of the offenses specified in this
24 section.

25 (4) Any offense committed or attempted in any other state or
26 against the laws of the United States which, if committed or
27 attempted in this state, would have been punishable as one or more
28 of the offenses specified in this section.

29 SEC. 85. Section 2879.5 is added to the Business and
30 Professions Code, to read:

31 2879.5. (a) Except as otherwise provided, with regard to an
32 individual who is required to register as a sex offender pursuant
33 to Section 290 of the Penal Code, or the equivalent in another
34 state or territory, under military law, or under federal law, the
35 board shall be subject to the following requirements:

36 (1) The board shall deny an application by the individual for
37 licensure in accordance with the procedures set forth in Chapter
38 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
39 2 of the Government Code.

1 (2) If the individual is licensed under this chapter, the board
2 shall promptly revoke the license of the individual in accordance
3 with the procedures set forth in Chapter 5 (commencing with
4 Section 11500) of Part 1 of Division 3 of Title 2 of the Government
5 Code. The board shall not stay the revocation and place the license
6 on probation.

7 (3) The board shall not reinstate or reissue the individual's
8 license. The board shall not issue a stay of license denial nor place
9 the license on probation.

10 (b) This section shall not apply to any of the following:

11 (1) An individual who has been relieved under Section 290.5 of
12 the Penal Code of his or her duty to register as a sex offender, or
13 whose duty to register has otherwise been formally terminated
14 under California law or the law of the jurisdiction that requires
15 his or her registration as a sex offender.

16 (2) An individual who is required to register as a sex offender
17 pursuant to Section 290 of the Penal Code solely because of a
18 misdemeanor conviction under Section 314 of the Penal Code.
19 However, nothing in this paragraph shall prohibit the board from
20 exercising its discretion to discipline a licensee under any other
21 provision of state law based upon the licensee's conviction under
22 Section 314 of the Penal Code.

23 (3) Any administrative adjudication proceeding under Chapter
24 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
25 2 of the Government Code that is fully adjudicated prior to January
26 1, 2008. A petition for reinstatement of a revoked or surrendered
27 license shall be considered a new proceeding for purposes of this
28 paragraph, and the prohibition against reinstating a license to an
29 individual who is required to register as a sex offender shall be
30 applicable.

31 SEC. 86. Section 2879.6 is added to the Business and
32 Professions Code, to read:

33 2879.6. (a) Notwithstanding any other provision of law making
34 a communication between a licensee and his or her patients a
35 privileged communication, those provisions shall not apply to
36 investigations or proceedings conducted by the board. Members
37 of the board, deputies, employees, agents, the office of the Attorney
38 General, and representatives of the board shall keep in confidence
39 during the course of investigations the names of any patients whose
40 records are reviewed and may not disclose or reveal those names,

1 *except as is necessary during the course of an investigation, unless*
2 *and until proceedings are instituted. The authority under this*
3 *subdivision to examine records of patients in the office of a licensee*
4 *is limited to records of patients who have complained to the board*
5 *about that licensee.*

6 *(b) Notwithstanding any other provision of law, the Attorney*
7 *General and his or her investigative agents, and the board and its*
8 *investigators and representatives may inquire into any alleged*
9 *violation of the laws under the jurisdiction of the board or any*
10 *other federal or state law, regulation, or rule relevant to the*
11 *practice regulated by the board, whichever is applicable, and may*
12 *inspect documents relevant to those investigations in accordance*
13 *with the following procedures:*

14 *(1) Any document relevant to an investigation may be inspected,*
15 *and copies may be obtained, where a patient provides written*
16 *authorization.*

17 *(2) Any document relevant to the business operations of a*
18 *licensee, and not involving medical records attributable to*
19 *identifiable patients, may be inspected and copied where relevant*
20 *to an investigation of a licensee.*

21 *(c) In all cases where documents are inspected or copies of*
22 *those documents are received, their acquisition or review shall be*
23 *arranged so as not to unnecessarily disrupt the medical and*
24 *business operations of the licensee or of the facility where the*
25 *records are kept or used.*

26 *(d) Where certified documents are lawfully requested from*
27 *licensees in accordance with this section by the Attorney General*
28 *or his or her agents or deputies, or investigators of any board, the*
29 *documents shall be provided within 10 business days of receipt of*
30 *the request, unless the licensee is unable to provide the certified*
31 *documents within this time period for good cause, including, but*
32 *not limited to, physical inability to access the records in the time*
33 *allowed due to illness or travel. Failure to produce requested*
34 *certified documents or copies thereof, after being informed of the*
35 *required deadline, shall constitute unprofessional conduct. A board*
36 *may use its authority to cite and fine a licensee for any violation*
37 *of this section. This remedy is in addition to any other authority*
38 *of the board to sanction a licensee for a delay in producing*
39 *requested records.*

1 (e) Searches conducted of the office or medical facility of any
2 licensee shall not interfere with the recordkeeping format or
3 preservation needs of any licensee necessary for the lawful care
4 of patients.

5 (f) The licensee shall cooperate with the board in furnishing
6 information or assistance as may be required, including, but not
7 limited to, participation in an interview with investigators or
8 representatives of the board.

9 (g) This section shall not apply to a licensee who does not have
10 access to, and control over, certified medical records or other
11 types of documents that belong to or are controlled by a health
12 facility or clinic.

13 SEC. 87. Section 2879.7 is added to the Business and
14 Professions Code, to read:

15 2879.7. (a) (1) Notwithstanding any other provision of law,
16 a licensee who fails or refuses to comply with a request for the
17 certified medical records of a patient that is accompanied by that
18 patient's written authorization for release of records to a board
19 together with a notice citing this section and describing the
20 penalties for failure to comply with this section shall be required
21 to pay to the board a civil penalty of up to one thousand dollars
22 (\$1,000) per day for each day that the documents have not been
23 produced after the 15th day, up to ten thousand dollars (\$10,000),
24 unless the licensee is unable to provide the documents within this
25 time period for good cause.

26 (2) A health care facility shall comply with a request for the
27 certified medical records of a patient that is accompanied by that
28 patient's written authorization for release of records to a board
29 together with a notice citing this section and describing the
30 penalties for failure to comply with this section. Failure to provide
31 the authorizing patient's certified medical records to the board
32 within 15 days of receiving the request, authorization, and notice
33 shall subject the health care facility to a civil penalty, payable to
34 the healing arts board, of up to one thousand dollars (\$1,000) per
35 day for each day that the documents have not been produced after
36 the 15th day, up to ten thousand dollars (\$10,000), unless the
37 health care facility is unable to provide the documents within this
38 time period for good cause. This paragraph shall not require health
39 care facilities to assist the board in obtaining the patient's
40 authorization. The board shall pay the reasonable costs of copying

1 *the certified medical records, but shall not be required to make*
2 *that payment prior to the production of the medical records.*

3 *(b) (1) A licensee who fails or refuses to comply with a court*
4 *order, issued in the enforcement of a subpoena, mandating the*
5 *release of records to the board, shall pay to the board a civil*
6 *penalty of up to one thousand dollars (\$1,000) per day for each*
7 *day that the documents have not been produced after the date by*
8 *which the court order requires the documents to be produced, up*
9 *to ten thousand dollars (\$10,000), unless it is determined that the*
10 *order is unlawful or invalid. Any statute of limitations applicable*
11 *to the filing of an accusation by the healing arts board shall be*
12 *tolled during the period the licensee is out of compliance with the*
13 *court order and during any related appeals.*

14 *(2) Any licensee who fails or refuses to comply with a court*
15 *order, issued in the enforcement of a subpoena, mandating the*
16 *release of records to a board is guilty of a misdemeanor punishable*
17 *by a fine payable to the board not to exceed five thousand dollars*
18 *(\$5,000). The fine shall be added to the licensee's renewal fee if*
19 *it is not paid by the next succeeding renewal date. Any statute of*
20 *limitations applicable to the filing of an accusation by the board*
21 *shall be tolled during the period the licensee is out of compliance*
22 *with the court order and during any related appeals.*

23 *(3) A health care facility that fails or refuses to comply with a*
24 *court order, issued in the enforcement of a subpoena, mandating*
25 *the release of patient records to the board, that is accompanied*
26 *by a notice citing this section and describing the penalties for*
27 *failure to comply with this section, shall pay to the board a civil*
28 *penalty of up to one thousand dollars (\$1,000) per day for each*
29 *day that the documents have not been produced, up to ten thousand*
30 *dollars (\$10,000), after the date by which the court order requires*
31 *the documents to be produced, unless it is determined that the*
32 *order is unlawful or invalid. Any statute of limitations applicable*
33 *to the filing of an accusation by the board against a licensee shall*
34 *be tolled during the period the health care facility is out of*
35 *compliance with the court order and during any related appeals.*

36 *(4) Any health care facility that fails or refuses to comply with*
37 *a court order, issued in the enforcement of a subpoena, mandating*
38 *the release of records to the board is guilty of a misdemeanor*
39 *punishable by a fine payable to the board not to exceed five*
40 *thousand dollars (\$5,000). Any statute of limitations applicable*

1 to the filing of an accusation by the board against a licensee shall
2 be tolled during the period the health care facility is out of
3 compliance with the court order and during any related appeals.

4 (c) Multiple acts by a licensee in violation of subdivision (b)
5 shall be punishable by a fine not to exceed five thousand dollars
6 (\$5,000) or by imprisonment in a county jail not exceeding six
7 months, or by both that fine and imprisonment. Multiple acts by
8 a health care facility in violation of subdivision (b) shall be
9 punishable by a fine not to exceed five thousand dollars (\$5,000),
10 shall be reported to the State Department of Public Health, and
11 shall be considered as grounds for disciplinary action with respect
12 to licensure, including suspension or revocation of the license or
13 certificate.

14 (d) A failure or refusal of a licensee to comply with a court
15 order, issued in the enforcement of a subpoena, mandating the
16 release of records to the board constitutes unprofessional conduct
17 and is grounds for suspension or revocation of his or her license.

18 (e) Imposition of the civil penalties authorized by this section
19 shall be in accordance with the Administrative Procedure Act
20 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
21 2 of the Government Code). Any civil penalties paid to, or received
22 by, the board pursuant to this section shall be deposited into the
23 fund administered by the board.

24 (f) For purposes of this section, “certified medical records”
25 means a copy of the patient’s medical records authenticated by
26 the licensee or health care facility, as appropriate, on a form
27 prescribed by the licensee’s board.

28 (g) For purposes of this section, a “health care facility” means
29 a clinic or health facility licensed or exempt from licensure
30 pursuant to Division 2 (commencing with Section 1200) of the
31 Health and Safety Code.

32 (h) If a board complies with Section 1684.1, 2225.5, or 2969,
33 that board shall not be subject to the requirements of this section.

34 (i) This section shall not apply to a licensee who does not have
35 access to, or control over, certified medical records or other types
36 of documents that belong to or are controlled by a health facility
37 or clinic.

38 SEC. 88. Section 2879.8 is added to the Business and
39 Professions Code, to read:

1 2879.8. *Unless otherwise provided, on or after July 1, 2013,*
2 *the board shall post on its Internet Web site the following*
3 *information, including the name and license number, in its*
4 *possession, custody, or control regarding every licensee for which*
5 *the board licenses:*

6 (a) *With regard to the status of every license, whether or not*
7 *the licensee or former licensee is in good standing, subject to a*
8 *temporary restraining order, subject to an interim suspension*
9 *order, subject to a restriction or cease practice ordered pursuant*
10 *to Section 23 of the Penal Code, or subject to any of the*
11 *enforcement actions described in Section 803.1.*

12 (b) *With regard to prior discipline of a licensee, whether or not*
13 *the licensee or former licensee has been subject to discipline by*
14 *the board or by the board of another state or jurisdiction, as*
15 *described in Section 803.1.*

16 (c) *Any felony conviction of a licensee reported to the board.*

17 (d) *All current accusations filed by the Attorney General,*
18 *including those accusations that are on appeal. For purposes of*
19 *this paragraph, “current accusation” means an accusation that*
20 *has not been dismissed, withdrawn, or settled, and has not been*
21 *finally decided upon by an administrative law judge and the board*
22 *unless an appeal of that decision is pending.*

23 (e) *Any malpractice judgment or arbitration award imposed*
24 *against a licensee and reported to the board.*

25 (f) *Any hospital disciplinary action imposed against a licensee*
26 *that resulted in the termination or revocation of a licensee’s*
27 *hospital staff privileges for a medical disciplinary cause or reason*
28 *pursuant to Section 2879.7 or 805.*

29 (g) *Any misdemeanor conviction of a licensee that results in a*
30 *disciplinary action or an accusation that is not subsequently*
31 *withdrawn or dismissed.*

32 (h) *Appropriate disclaimers and explanatory statements to*
33 *accompany the above information, including an explanation of*
34 *what types of information are not disclosed. These disclaimers*
35 *and statements shall be developed by the board and shall be*
36 *adopted by regulation.*

37 (i) *The information provided on the Internet shall be in*
38 *accordance with the California Public Records Act (Chapter 3.5*
39 *(commencing with Section 6250) of Division 7 of Title 1 of the*
40 *Government Code) and the Information Practices Act of 1977*

1 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4
2 of Division 3 of the Civil Code) and shall comply with the
3 Department of Consumer Affairs Guidelines for Access to Public
4 Records.

5 (j) Information provided on the Internet may not include
6 personal information, unless otherwise provided pursuant to this
7 chapter, including the home telephone number, date of birth, or
8 social security number. The information may not include the
9 licensee's address, but may include the city and county of the
10 licensee's address of record.

11 SEC. 89. Section 2879.10 is added to the Business and
12 Professions Code, to read:

13 2879.10. (a) Unless otherwise provided, if a licensee possesses
14 a license or is otherwise authorized to practice in any state other
15 than California or by any agency of the federal government and
16 that license or authority is suspended or revoked outright, the
17 California license of the licensee shall be suspended automatically
18 for the duration of the suspension or revocation, unless terminated
19 or rescinded as provided in subdivision (c). The healing arts board
20 shall notify the licensee of the license suspension and of his or her
21 right to have the issue of penalty heard as provided in this section.

22 (b) Upon its own motion or for good cause shown, the board
23 may decline to impose or may set aside the suspension when it
24 appears to be in the interest of justice to do so, with due regard
25 to maintaining the integrity of, and confidence in, the specific
26 healing art.

27 (c) The issue of penalty shall be heard by an administrative law
28 judge sitting alone or with a panel of the board, in the discretion
29 of the board. A licensee may request a hearing on the penalty and
30 that hearing shall be held within 90 days from the date of the
31 request. If the order suspending or revoking the license or authority
32 to practice is overturned on appeal, any discipline ordered
33 pursuant to this section shall automatically cease. Upon a showing
34 to the administrative law judge or panel by the licensee that the
35 out-of-state action is not a basis for discipline in California, the
36 suspension shall be rescinded. If an accusation for permanent
37 discipline is not filed within 90 days of the suspension imposed
38 pursuant to this section, the suspension shall automatically
39 terminate.

1 (d) *The record of the proceedings that resulted in the suspension*
2 *or revocation of the licensee’s out-of-state license or authority to*
3 *practice, including a transcript of the testimony therein, may be*
4 *received in evidence.*

5 (e) *This section shall not apply to a licensee who maintains his*
6 *or her primary practice in California, as evidenced by having*
7 *maintained a practice in this state for not less than one year*
8 *immediately preceding the date of suspension or revocation.*
9 *Nothing in this section shall preclude a licensee’s license from*
10 *being suspended pursuant to any other provision of law.*

11 (f) *This section shall not apply to a licensee whose license has*
12 *been surrendered, whose only discipline is a medical staff*
13 *disciplinary action at a federal hospital and not for medical*
14 *disciplinary cause or reason as that term is defined in Section 805,*
15 *or whose revocation or suspension has been stayed, even if the*
16 *licensee remains subject to terms of probation or other discipline.*

17 (g) *This section shall not apply to a suspension or revocation*

5 (b) The settlement shall include language identifying the factual
6 basis for the action being taken and a list of the statutes or

8 (c) A person who enters a settlement pursuant to this section is
9 not precluded from filing a petition, in the timeframe permitted by

12 (d) Any settlement against a licensee executed pursuant to this

23 2969.3. Unless otherwise provided, on or after July 1, 2013,
24 the board shall post on its Internet Web site the following
25 information, including the name and license number, in its
26 possession, custody, or control regarding every licensee for which
27 the board licenses:

28 (a) With regard to the status of every license, whether or not
29 the licensee or former licensee is in good standing, subject to a
30 temporary restraining order, subject to an interim suspension

32 to Section 23 of the Penal Code, or subject to any of the
33 enforcement actions described in Section 803.1.

34 (b) With regard to prior discipline of a licensee, whether or not
35 the licensee or former licensee has been subject to discipline by
36 the board or by the board of another state or jurisdiction, as
37 described in Section 803.1.

38 (c) Any felony conviction of a licensee reported to the board.

39 (d) All current accusations filed by the Attorney General,
40 including those accusations that are on appeal. For purposes of

1 *this paragraph, “current accusation” means an accusation that*
2 *has not been dismissed, withdrawn, or settled, and has not been*
3 *finally decided upon by an administrative law judge and the board*
4 *unless an appeal of that decision is pending.*

5 *(e) Any malpractice judgment or arbitration award imposed*
6 *against a licensee and reported to the board.*

7 *(f) Any hospital disciplinary action imposed against a licensee*
8 *that resulted in the termination or revocation of a licensee’s*
9 *hospital staff privileges for a medical disciplinary cause or reason*
10 *pursuant to Section 805.*

11 *(g) Any misdemeanor conviction of a licensee that results in a*
12 *disciplinary action or an accusation that is not subsequently*
13 *withdrawn or dismissed.*

14 *(h) Appropriate disclaimers and explanatory statements to*
15 *accompany the above information, including an explanation of*
16 *what types of information are not disclosed. These disclaimers*
17 *and statements shall be developed by the board and shall be*

19 *(i) The information provided on the Internet shall be in*
20 *accordance with the California Public Records Act (Chapter 3.5*
21 *(commencing with Section 6250) of Division 7 of Title 1 of the*

23 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*

35 *2969.4. (a) Unless otherwise provided, if a licensee possesses*
36 *a license or is otherwise authorized to practice in any state other*
37 *than California or by any agency of the federal government and*
38 *that license or authority is suspended or revoked outright, the*
39 *California license of the licensee shall be suspended automatically*
40 *for the duration of the suspension or revocation, unless terminated*

1 *or rescinded as provided in subdivision (c). The board shall notify*
2 *the licensee of the license suspension and of his or her right to*

4 *(b) Upon its own motion or for good cause shown, the board*
5 *may decline to impose or may set aside the suspension when it*
6 *appears to be in the interest of justice to do so, with due regard*
7 *to maintaining the integrity of, and confidence in, the specific*
8 *healing art.*

9 *(c) The issue of penalty shall be heard by an administrative law*
10 *judge sitting alone or with a panel of the board, in the discretion*
11 *of the board. A licensee may request a hearing on the penalty and*
12 *that hearing shall be held within 90 days from the date of the*
13 *request. If the order suspending or revoking the license or authority*
14 *to practice is overturned on appeal, any discipline ordered*
15 *pursuant to this section shall automatically cease. Upon a showing*
16 *to the administrative law judge or panel by the licensee that the*
17 *out-of-state action is not a basis for discipline in California, the*
18 *suspension shall be rescinded. If an accusation for permanent*
19 *discipline is not filed within 90 days of the suspension imposed*
20 *pursuant to this section, the suspension shall automatically*
21 *terminate.*

22 *(d) The record of the proceedings that resulted in the suspension*
23 *or revocation of the licensee's out-of-state license or authority to*
24 *practice, including a transcript of the testimony therein, may be*
25 *received in evidence.*

26 *(e) This section shall not apply to a licensee who maintains his*
27 *or her primary practice in California, as evidenced by having*
28 *maintained a practice in this state for not less than one year*
29 *immediately preceding the date of suspension or revocation.*
30 *Nothing in this section shall preclude a licensee's license from*
31 *being suspended pursuant to any other provision of law.*

32 *(f) This section shall not apply to a licensee whose license has*
33 *been surrendered, whose only discipline is a medical staff*
34 *disciplinary action at a federal hospital and not for medical*
35 *disciplinary cause or reason as that term is defined in Section 805,*
36 *or whose revocation or suspension has been stayed, even if the*
37 *licensee remains subject to terms of probation or other discipline.*

38 *(g) This section shall not apply to a suspension or revocation*
39 *imposed by a state that is based solely on the prior discipline of*
40 *the licensee by another state.*

1 (h) *The other provisions of this article setting forth a procedure*
2 *for the suspension or revocation of a licensee's license or*
3 *certificate shall not apply to summary suspensions issued pursuant*
4 *to this section. If a summary suspension has been issued pursuant*
5 *to this section, the licensee may request that the hearing on the*
6 *penalty conducted pursuant to subdivision (c) be held at the same*
7 *time as a hearing on the accusation.*

8 (i) *A board that complies with Section 2310 shall not be subject*
9 *to the requirements of this section.*

10 SEC. 95. *Section 3112 is added to the Business and Professions*
11 *Code, to read:*

12 3112. (a) *The board may delegate to its executive officer the*
13 *authority to adopt a proposed default decision where an*
14 *administrative action to revoke a certificate of registration has*
15 *been filed and the registrant has failed to file a notice of defense*
16 *or to appear at the hearing and a proposed default decision*
17 *revoking the certificate of registration has been issued.*

18 (b) *The board may delegate to its executive officer the authority*
19 *to adopt a proposed settlement agreement where an administrative*
20 *action to revoke a certificate of registration has been filed by the*
21 *board and the registrant has agreed to the revocation or surrender*
22 *of his or her certificate of registration.*

23 (c) *The executive officer shall, at scheduled board meetings,*
24 *report to the board the number of proposed default decisions or*
25 *proposed settlement agreements adopted pursuant to this section.*

26 SEC. 96. *Section 3112.1 is added to the Business and*
27 *Professions Code, to read:*

28 3112.1. (a) *Notwithstanding Section 11415.60 of the*
29 *Government Code, the board may enter into a settlement with a*
30 *registrant or applicant in lieu of the issuance of an accusation or*
31 *statement of issues against that registrant or applicant, as*
32 *applicable.*

33 (b) *The settlement shall include language identifying the factual*
34 *basis for the action being taken and a list of the statutes or*
35 *regulations violated.*

36 (c) *A person who enters a settlement pursuant to this section is*
37 *not precluded from filing a petition, in the timeframe permitted by*
38 *law, to modify the terms of the settlement or petition for early*
39 *termination of probation, if probation is part of the settlement.*

1 (d) Any settlement against a registrant executed pursuant to
2 this section shall be considered discipline and a public record and
3 shall be posted on the applicable board's Internet Web site. Any
4 settlement against an applicant executed pursuant to this section
5 shall be considered a public record and shall be posted on the
6 applicable board's Internet Web site.

7 (e) The executive officer shall, at scheduled board meetings,
8 report to the board the number of proposed settlement agreements
9 adopted pursuant to this section.

10 SEC. 97. Section 3112.2 is added to the Business and
11 Professions Code, to read:

12 3112.2. (a) The certificate of registration of a registrant shall
13 be suspended automatically during any time that the registrant is
14 incarcerated after conviction of a felony, regardless of whether
15 the conviction has been appealed. The board shall, immediately
16 upon receipt of the certified copy of the record of conviction,
17 determine whether the certificate of registration of the registrant
18 has been automatically suspended by virtue of his or her
19 incarceration, and if so, the duration of that suspension. The board
20 shall notify the registrant in writing of the certificate of registration
21 suspension and of his or her right to elect to have the issue of
22 penalty heard as provided in subdivision (d).

23 (b) Upon receipt of the certified copy of the record of conviction,
24 if after a hearing before an administrative law judge from the
25 Office of Administrative Hearings it is determined that the felony
26 for which the registrant was convicted was substantially related
27 to the qualifications, functions, or duties of a registrant, the board
28 shall suspend the certificate of registration until the time for appeal
29 has elapsed, if no appeal has been taken, or until the judgment of
30 conviction has been affirmed on appeal or has otherwise become
31 final, and until further order of the board.

32 (c) Notwithstanding subdivision (b), a conviction of a charge
33 of violating any federal statute or regulation or any statute or
34 regulation of this state, regulating dangerous drugs or controlled
35 substances, or a conviction of Section 187, 261, 262, or 288 of the
36 Penal Code, shall be conclusively presumed to be substantially
37 related to the qualifications, functions, or duties of a registrant
38 and no hearing shall be held on this issue. However, upon its own
39 motion or for good cause shown, the board may decline to impose
40 or may set aside the suspension when it appears to be in the interest

1 of justice to do so, with due regard to maintaining the integrity of,
2 and confidence in, the practice regulated by the board.

3 (d) (1) Discipline may be ordered against a registrant in
4 accordance with the statutes and regulations of the board when
5 the time for appeal has elapsed, the judgment of conviction has
6 been affirmed on appeal, or an order granting probation is made
7 suspending the imposition of sentence, irrespective of a subsequent
8 order under Section 1203.4 of the Penal Code allowing the person
9 to withdraw his or her plea of guilty and to enter a plea of not
10 guilty, setting aside the verdict of guilty, or dismissing the
11 accusation, complaint, information, or indictment.

12 (2) The issue of penalty shall be heard by an administrative law
13 judge from the Office of Administrative Hearings. The hearing
14 shall not be had until the judgment of conviction has become final
15 or, irrespective of a subsequent order under Section 1203.4 of the
16 Penal Code, an order granting probation has been made
17 suspending the imposition of sentence; except that a registrant
18 may, at his or her option, elect to have the issue of penalty decided
19 before those time periods have elapsed. Where the registrant so
20 elects, the issue of penalty shall be heard in the manner described
21 in subdivision (b) at the hearing to determine whether the
22 conviction was substantially related to the qualifications, functions,
23 or duties of a registrant. If the conviction of a registrant who has
24 made this election is overturned on appeal, any discipline ordered
25 pursuant to this section shall automatically cease. Nothing in this
26 subdivision shall prohibit the board from pursuing disciplinary
27 action based on any cause other than the overturned conviction.

28 (e) The record of the proceedings resulting in a conviction,
29 including a transcript of the testimony in those proceedings, may
30 be received in evidence.

31 (f) Any other provision of law setting forth a procedure for the
32 suspension or revocation of a certificate of registration issued by
33 the board shall not apply to proceedings conducted pursuant to
34 this section.

35 SEC. 98. Section 3112.3 is added to the Business and
36 Professions Code, to read:

37 3112.3. (a) Except as otherwise provided, any proposed
38 decision or decision issued in accordance with the procedures set
39 forth in Chapter 5 (commencing with Section 11500) of Part 1 of
40 Division 3 of Title 2 of the Government Code, that contains any

1 *finding of fact that the registrant engaged in any act of sexual*
2 *contact with a patient, as defined in subdivision (c) of Section 729,*
3 *or any finding that the licensee has committed a sex offense, shall*
4 *contain an order revoking the license. The proposed decision shall*
5 *not contain any order staying the revocation of the certificate.*

6 *(b) As used in this section, the term sex offense shall mean any*
7 *of the following:*

8 *(1) Any offense for which registration is required by Section*
9 *290 of the Penal Code or a finding that a person committed such*
10 *an act.*

11 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
12 *or 647(a) or (d) of the Penal Code or a finding that a person*
13 *committed such an act.*

14 *(3) Any attempt to commit any of the offenses specified in this*
15 *section.*

16 *(4) Any offense committed or attempted in any other state or*
17 *against the laws of the United States which, if committed or*
18 *attempted in this state, would have been punishable as one or more*
19 *of the offenses specified in this section.*

20 *SEC. 99. Section 3112.4 is added to the Business and*
21 *Professions Code, to read:*

22 *3112.4. (a) Except as otherwise provided, with regard to an*
23 *individual who is required to register as a sex offender pursuant*
24 *to Section 290 of the Penal Code, or the equivalent in another*
25 *state or territory, under military law, or under federal law, the*
26 *board shall be subject to the following requirements:*

27 *(1) The board shall deny an application by the individual for*
28 *registration in accordance with the procedures set forth in Chapter*
29 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
30 *2 of the Government Code.*

31 *(2) If the individual is registered under this chapter, the board*
32 *shall promptly revoke the certificate of registration of the*
33 *individual in accordance with the procedures set forth in Chapter*
34 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
35 *2 of the Government Code. The board shall not stay the revocation*
36 *and place the certificate of registration on probation.*

37 *(3) The board shall not reinstate or reissue the individual's*
38 *certificate of registration. The board shall not issue a stay of*
39 *certificate of registration denial nor place the certificate of*
40 *registration on probation.*

1 (b) This section shall not apply to any of the following:

2 (1) An individual who has been relieved under Section 290.5 of
3 the Penal Code of his or her duty to register as a sex offender, or
4 whose duty to register has otherwise been formally terminated
5 under California law or the law of the jurisdiction that requires
6 his or her registration as a sex offender.

7 (2) An individual who is required to register as a sex offender
8 pursuant to Section 290 of the Penal Code solely because of a
9 misdemeanor conviction under Section 314 of the Penal Code.
10 However, nothing in this paragraph shall prohibit the board from
11 exercising its discretion to discipline a licensee under any other
12 provision of state law based upon the licensee's conviction under
13 Section 314 of the Penal Code.

14 (3) Any administrative adjudication proceeding under Chapter
15 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
16 2 of the Government Code that is fully adjudicated prior to January
17 1, 2008. A petition for reinstatement of a revoked or surrendered
18 license shall be considered a new proceeding for purposes of this
19 paragraph, and the prohibition against reinstating a certificate of
20 registration to an individual who is required to register as a sex
21 offender shall be applicable.

22 SEC. 100. Section 3112.5 is added to the Business and
23 Professions Code, to read:

24 3112.5. (a) Notwithstanding any other provision of law making
25 a communication between a registrant and his or her patients a
26 privileged communication, those provisions shall not apply to
27 investigations or proceedings conducted by the board. Members
28 of the board, deputies, employees, agents, the office of the Attorney
29 General, and representatives of the board shall keep in confidence
30 during the course of investigations the names of any patients whose
31 records are reviewed and may not disclose or reveal those names,
32 except as is necessary during the course of an investigation, unless
33 and until proceedings are instituted. The authority under this
34 subdivision to examine records of patients in the office of a licensee
35 is limited to records of patients who have complained to the board
36 about that licensee.

37 (b) Notwithstanding any other provision of law, the Attorney
38 General and his or her investigative agents, and the board and its
39 investigators and representatives may inquire into any alleged
40 violation of the laws under the jurisdiction of the board or any

1 *other federal or state law, regulation, or rule relevant to the*
2 *practice regulated by the board, whichever is applicable, and may*
3 *inspect documents relevant to those investigations in accordance*
4 *with the following procedures:*

5 *(1) Any document relevant to an investigation may be inspected,*
6 *and copies may be obtained, where a patient provides written*
7 *authorization.*

8 *(2) Any document relevant to the business operations of a*
9 *registrant, and not involving medical records attributable to*
10 *identifiable patients, may be inspected and copied where relevant*
11 *to an investigation of a licensee.*

12 *(c) In all cases where documents are inspected or copies of*
13 *those documents are received, their acquisition or review shall be*
14 *arranged so as not to unnecessarily disrupt the medical and*
15 *business operations of the registrant or of the facility where the*
16 *records are kept or used.*

17 *(d) Where certified documents are lawfully requested from*
18 *registrants in accordance with this section by the Attorney General*
19 *or his or her agents or deputies, or investigators of any board, the*
20 *documents shall be provided within 10 business days of receipt of*
21 *the request, unless the registrant is unable to provide the certified*
22 *documents within this time period for good cause, including, but*
23 *not limited to, physical inability to access the records in the time*
24 *allowed due to illness or travel. Failure to produce requested*
25 *certified documents or copies thereof, after being informed of the*
26 *required deadline, shall constitute unprofessional conduct. A board*
27 *may use its authority to cite and fine a registrant for any violation*
28 *of this section. This remedy is in addition to any other authority*
29 *of the board to sanction a licensee for a delay in producing*
30 *requested records.*

31 *(e) Searches conducted of the office or medical facility of any*
32 *licensee shall not interfere with the recordkeeping format or*
33 *preservation needs of any licensee necessary for the lawful care*
34 *of patients.*

35 *(f) The registrant shall cooperate with the board in furnishing*
36 *information or assistance as may be required, including, but not*
37 *limited to, participation in an interview with investigators or*
38 *representatives of the board.*

39 *(g) This section shall not apply to a licensee who does not have*
40 *access to, and control over, certified medical records or other*

1 types of documents that belong to or are controlled by a health
2 facility or clinic.

3 SEC. 101. Section 3112.6 is added to the Business and
4 Professions Code, to read:

5 3112.6. (a) (1) Notwithstanding any other provision of law,
6 a registrant who fails or refuses to comply with a request for the
7 certified medical records of a patient that is accompanied by that
8 patient's written authorization for release of records to a board
9 together with a notice citing this section and describing the
10 penalties for failure to comply with this section shall be required
11 to pay to the board a civil penalty of up to one thousand dollars
12 (\$1,000) per day for each day that the documents have not been
13 produced after the 15th day, up to ten thousand dollars (\$10,000),
14 unless the registrant is unable to provide the documents within
15 this time period for good cause.

16 (2) A health care facility shall comply with a request for the
17 certified medical records of a patient that is accompanied by that
18 patient's written authorization for release of records to a board
19 together with a notice citing this section and describing the
20 penalties for failure to comply with this section. Failure to provide
21 the authorizing patient's certified medical records to the board
22 within 15 days of receiving the request, authorization, and notice
23 shall subject the health care facility to a civil penalty, payable to
24 the board, of up to one thousand dollars (\$1,000) per day for each
25 day that the documents have not been produced after the 15th day,
26 up to ten thousand dollars (\$10,000), unless the health care facility
27 is unable to provide the documents within this time period for good
28 cause. This paragraph shall not require health care facilities to
29 assist the board in obtaining the patient's authorization. The board
30 shall pay the reasonable costs of copying the certified medical
31 records, but shall not be required to make that payment prior to
32 the production of the medical records.

33 (b) (1) A registrant who fails or refuses to comply with a court
34 order, issued in the enforcement of a subpoena, mandating the
35 release of records to the board, shall pay to the board a civil
36 penalty of up to one thousand dollars (\$1,000) per day for each
37 day that the documents have not been produced after the date by
38 which the court order requires the documents to be produced, up

3 and during any related appeals.

4 (2) Any licensee who fails or refuses to comply with a court
5 order, issued in the enforcement of a subpoena, mandating the
6 release of records to a board is guilty of a misdemeanor punishable

18 penalty of up to one thousand dollars (\$1,000) per day for each
19 day that the documents have not been produced, up to ten thousand
20 dollars (\$10,000), after the date by which the court order requires
21 the documents to be produced, unless it is determined that the
22 order is unlawful or invalid. Any statute of limitations applicable

34 (c) Multiple acts by a licensee in violation of subdivision (b)
35 shall be punishable by a fine not to exceed five thousand dollars
36 (\$5,000) or by imprisonment in a county jail not exceeding six

9 shall be in accordance with the Administrative Procedure Act
10 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
11 2 of the Government Code). Any civil penalties paid to, or received
12 by, the board pursuant to this section shall be deposited into the
13 fund administered by the board.

14 (f) For purposes of this section, “certified medical records”
15 means a copy of the patient’s medical records authenticated by

31 employer of a licensee shall report to the board the suspension or
32 termination for cause, or any resignation in lieu of suspension or
33 termination for cause, of any licensee in its employ within 15
34 business days. The report shall not be made until after the
35 conclusion of the review process specified in Section 52.3 of Title
36 2 of the California Code of Regulations and *Skelly v. State*
37 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
38 required reporting shall not constitute a waiver of confidentiality
39 of medical records. The information reported or disclosed shall

1 *be kept confidential except as provided in subdivision (c) of Section*
2 *800 and shall not be subject to discovery in civil cases.*

3 *(b) The information to be reported by the employer shall include*
4 *the name and license number of the licensee involved, a*
5 *description of the facts and circumstances of the suspension or*
6 *termination for cause, any resignation in lieu of suspension or*
7 *termination for cause, and any other relevant information deemed*
8 *appropriate by the employer.*

9 *(c) The board shall be entitled to inspect and copy the following*

13 *to this section:*

14 *(1) Any statement for suspension or termination of the registrant.*

15 *(2) Any document or exhibits relevant to the suspension or*
16 *termination.*

17 *(d) If, during the investigation by the board of the cause for the*
18 *termination or suspension or resignation of the registrant, it is*

23 *cause” is defined as resignation, suspension, or termination from*
24 *employment for any of the following reasons:*

32 *(5) Theft from a patient or client, any other employee, or the*
33 *employer.*

34 *(f) As used in this section, the following definitions apply:*

35 *(1) “Gross negligence” means a substantial departure from the*
36 *standard of care, which, under similar circumstances, would have*
37 *ordinarily been exercised by a competent licensee, and which has*
38 *or could have resulted in harm to the consumer. An exercise of so*
39 *slight a degree of care as to justify the belief that there was a*
40 *conscious disregard or indifference for the health, safety, or*

1 *welfare of the consumer shall be considered a substantial departure*
2 *from the standard of care.*

3 (2) *“Incompetence” means the lack of possession of, and the*

17 *order should be issued. The board shall otherwise provide timely*
18 *disposition of the reports received pursuant to this section.*

19 (i) *The board shall send to the licentiate a copy of the report*
20 *along with the reasons for the filing of the report and notice*
21 *advising the licentiate of his or her right to submit additional*
22 *statements or other information to the board.*

23 (j) *Pursuant to Section 43.8 of the Civil Code, no person shall*
24 *incur any civil penalty as a result of making any report required*
25 *by this article.*

26 (k) *No report is required under this section where a report of*
27 *the action taken is already required under Section 805.*

28 *SEC. 103. Section 3112.8 is added to the Business and*

36 *the registrant or former registrant is in good standing, subject to*
37 *a temporary restraining order, subject to an interim suspension*

4 *described in Section 803.1.*
- 5 **(c)** *Any felony conviction of a registrant reported to the board.*
- 6 **(d)** *All current accusations filed by the Attorney General,*
7 *including those accusations that are on appeal. For purposes of*
8 *this paragraph, “current accusation” means an accusation that*
9 *has not been dismissed, withdrawn, or settled, and has not been*
10 *finally decided upon by an administrative law judge and the board*
11 *unless an appeal of that decision is pending.*
- 12 **(e)** *Any malpractice judgment or arbitration award imposed*
13 *against a licensee and reported to the board.*
- 14 **(f)** *Any hospital disciplinary action imposed against a registrant*
15 *that resulted in the termination or revocation of a registrant’s*
16 *hospital staff privileges for a medical disciplinary cause or reason*
17 *pursuant to Section 3112.6 or 805.*

20 *withdrawn or dismissed.*
- 21 **(h)** *Appropriate disclaimers and explanatory statements to*
22 *accompany the above information, including an explanation of*

24 *and statements shall be developed by the board and shall be*
25 *adopted by regulation.*
- 26 **(i)** *The information provided on the Internet shall be in*
27 *accordance with the California Public Records Act (Chapter 3.5*
28 *commencing with Section 6250) of Division 7 of Title 1 of the*
29 *Government Code) and the Information Practices Act of 1977*
30 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*
31 *of Division 3 of the Civil Code) and shall comply with the*
32 *Department of Consumer Affairs Guidelines for Access to Public*
33 *Records.*
- 34 **(j)** *Information provided on the Internet may not include*
35 *personal information, unless otherwise provided pursuant to this*
36 *chapter, including the home telephone number, date of birth, or*
37 *social security number. The information may not include the*
38 *licensee’s address, but may include the city and county of the*
39 *licensee’s address of record.*

1 *SEC. 104. Section 3112.9 is added to the Business and*
2 *Professions Code, to read:*

3 3112.9. (a) *Unless otherwise provided, if a registrant possesses*
4 *a license or is otherwise authorized to practice in any state other*
5 *than California or by any agency of the federal government and*
6 *that license or authority is suspended or revoked outright, the*
7 *California license of the licensee shall be suspended automatically*
8 *for the duration of the suspension or revocation, unless terminated*
9 *or rescinded as provided in subdivision (c). The board shall notify*
10 *the licensee of the license suspension and of his or her right to*
11 *have the issue of penalty heard as provided in this section.*

12 (b) *Upon its own motion or for good cause shown, the board*
13 *may decline to impose or may set aside the suspension when it*
14 *appears to be in the interest of justice to do so, with due regard*
15 *to maintaining the integrity of, and confidence in, the specific*
16 *healing art.*

17 (c) *The issue of penalty shall be heard by an administrative law*
18 *judge sitting alone or with a panel of the board, in the discretion*
19 *of the board. A licensee may request a hearing on the penalty and*
20 *that hearing shall be held within 90 days from the date of the*
21 *request. If the order suspending or revoking the certificate or*
22 *authority to practice is overturned on appeal, any discipline*
23 *ordered pursuant to this section shall automatically cease. Upon*
24 *a showing to the administrative law judge or panel by the licensee*
25 *that the out-of-state action is not a basis for discipline in*
26 *California, the suspension shall be rescinded. If an accusation for*
27 *permanent discipline is not filed within 90 days of the suspension*
28 *imposed pursuant to this section, the suspension shall automatically*
29 *terminate.*

30 (d) *The record of the proceedings that resulted in the suspension*
31 *or revocation of the licensee's out-of-state license or authority to*
32 *practice, including a transcript of the testimony therein, may be*
33 *received in evidence.*

34 (e) *This section shall not apply to a registrant who maintains*
35 *his or her primary practice in California, as evidenced by having*
36 *maintained a practice in this state for not less than one year*
37 *immediately preceding the date of suspension or revocation.*
38 *Nothing in this section shall preclude a registrant's license from*
39 *being suspended pursuant to any other provision of law.*

1 (f) *This section shall not apply to a registrant whose license has*
2 *been surrendered, whose only discipline is a medical staff*
3 *disciplinary action at a federal hospital and not for medical*
4 *disciplinary cause or reason as that term is defined in Section 805,*
5 *or whose revocation or suspension has been stayed, even if the*
6 *licensee remains subject to terms of probation or other discipline.*

7 (g) *This section shall not apply to a suspension or revocation*
8 *imposed by a state that is based solely on the prior discipline of*
9 *the registrant by another state.*

10 (h) *The other provisions of this article setting forth a procedure*
11 *for the suspension or revocation of a licensee's license or*
12 *certificate shall not apply to summary suspensions issued pursuant*
13 *to this section. If a summary suspension has been issued pursuant*
14 *to this section, the licensee may request that the hearing on the*
15 *penalty conducted pursuant to subdivision (c) be held at the same*
16 *time as a hearing on the accusation.*

17 (i) *A board that complies with Section 2310 shall not be subject*
18 *to the requirements of this section.*

19 *SEC. 105. Section 3405 is added to the Business and*
20 *Professions Code, to read:*

21 *3405. (a) The board may delegate to its executive officer the*
22 *authority to adopt a proposed default decision where an*
23 *administrative action to revoke a license has been filed and the*
24 *licensee has failed to file a notice of defense or to appear at the*
25 *hearing and a proposed default decision revoking the license has*
26 *been issued.*

27 (b) *The board may delegate to its executive officer the authority*
28 *to adopt a proposed settlement agreement where an administrative*
29 *action to revoke a license has been filed by the board and the*
30 *licensee has agreed to the revocation or surrender of his or her*
31 *license.*

32 (c) *The executive officer shall, at scheduled board meetings,*
33 *report to the board the number of proposed default decisions or*
34 *proposed settlement agreements adopted pursuant to this section.*

35 *SEC. 106. Section 3405.1 is added to the Business and*
36 *Professions Code, to read:*

37 *3405.1. (a) Notwithstanding Section 11415.60 of the*
38 *Government Code, the board may enter into a settlement with a*
39 *licensee or applicant in lieu of the issuance of an accusation or*
40 *statement of issues against that licensee or applicant, as applicable.*

1 **(b)** *The settlement shall include language identifying the factual*
2 *basis for the action being taken and a list of the statutes or*
3 *regulations violated.*

4 **(c)** *A person who enters a settlement pursuant to this section is*
5 *not precluded from filing a petition, in the timeframe permitted by*
6 *law, to modify the terms of the settlement or petition for early*
7 *termination of probation, if probation is part of the settlement.*

8 **(d)** *Any settlement against a licensee executed pursuant to this*
9 *section shall be considered discipline and a public record and*
10 *shall be posted on the applicable board's Internet Web site. Any*
11 *settlement against an applicant executed pursuant to this section*
12 *shall be considered a public record and shall be posted on the*
13 *applicable board's Internet Web site.*

14 **(e)** *The executive officer shall, at scheduled board meetings,*
15 *report to the board the number of proposed settlement agreements*
16 *adopted pursuant to this section.*

17 **SEC. 107.** *Section 3405.2 is added to the Business and*
18 *Professions Code, to read:*

19 **3405.2.** *(a) The license of a licensee shall be suspended*
20 *automatically during any time that the licensee is incarcerated*
21 *after conviction of a felony, regardless of whether the conviction*
22 *has been appealed. The board shall, immediately upon receipt of*
23 *the certified copy of the record of conviction, determine whether*
24 *the license of the licensee has been automatically suspended by*
25 *virtue of his or her incarceration, and if so, the duration of that*
26 *suspension. The board shall notify the licensee in writing of the*
27 *license suspension and of his or her right to elect to have the issue*
28 *of penalty heard as provided in subdivision (d).*

29 **(b)** *Upon receipt of the certified copy of the record of conviction,*
30 *if after a hearing before an administrative law judge from the*
31 *Office of Administrative Hearings it is determined that the felony*
32 *for which the licensee was convicted was substantially related to*
33 *the qualifications, functions, or duties of a licensee, the board*
34 *shall suspend the license until the time for appeal has elapsed, if*
35 *no appeal has been taken, or until the judgment of conviction has*
36 *been affirmed on appeal or has otherwise become final, and until*
37 *further order of the board.*

38 **(c)** *Notwithstanding subdivision (b), a conviction of a charge*
39 *of violating any federal statute or regulation or any statute or*
40 *regulation of this state, regulating dangerous drugs or controlled*

1 substances, or a conviction of Section 187, 261, 262, or 288 of the
2 Penal Code, shall be conclusively presumed to be substantially
3 related to the qualifications, functions, or duties of a licensee and
4 no hearing shall be held on this issue. However, upon its own
5 motion or for good cause shown, the board may decline to impose
6 or may set aside the suspension when it appears to be in the interest
7 of justice to do so, with due regard to maintaining the integrity of,
8 and confidence in, the practice regulated by the board.

9 (d) (1) Discipline may be ordered against a licensee in
10 accordance with the statutes and regulations of the board when
11 the time for appeal has elapsed, the judgment of conviction has
12 been affirmed on appeal, or an order granting probation is made
13 suspending the imposition of sentence, irrespective of a subsequent
14 order under Section 1203.4 of the Penal Code allowing the person
15 to withdraw his or her plea of guilty and to enter a plea of not
16 guilty, setting aside the verdict of guilty, or dismissing the
17 accusation, complaint, information, or indictment.

18 (2) The issue of penalty shall be heard by an administrative law
19 judge from the Office of Administrative Hearings. The hearing
20 shall not be had until the judgment of conviction has become final
21 or, irrespective of a subsequent order under Section 1203.4 of the
22 Penal Code, an order granting probation has been made
23 suspending the imposition of sentence; except that a licensee may,
24 at his or her option, elect to have the issue of penalty decided
25 before those time periods have elapsed. Where the licensee so
26 elects, the issue of penalty shall be heard in the manner described
27 in subdivision (b) at the hearing to determine whether the
28 conviction was substantially related to the qualifications, functions,
29 or duties of a licensee. If the conviction of a licensee who has made
30 this election is overturned on appeal, any discipline ordered
31 pursuant to this section shall automatically cease. Nothing in this
32 subdivision shall prohibit the board from pursuing disciplinary
33 action based on any cause other than the overturned conviction.

34 (e) The record of the proceedings resulting in a conviction,
35 including a transcript of the testimony in those proceedings, may
36 be received in evidence.

37 (f) Any other provision of law setting forth a procedure for the
38 suspension or revocation of a license issued by the board shall not
39 apply to proceedings conducted pursuant to this section.

1 *SEC. 108. Section 3405.3 is added to the Business and*
2 *Professions Code, to read:*

3 3405.3. (a) *Except as otherwise provided, any proposed*
4 *decision or decision issued in accordance with the procedures set*
5 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
6 *Division 3 of Title 2 of the Government Code, that contains any*
7 *finding of fact that the licensee engaged in any act of sexual contact*
8 *with a patient, as defined in subdivision (c) of Section 729, or any*
9 *finding that the licensee has committed a sex offense, shall contain*
10 *an order revoking the license. The proposed decision shall not*
11 *contain any order staying the revocation of the licensee.*

12 (b) *As used in this section, the term sex offense shall mean any*
13 *of the following:*

14 (1) *Any offense for which registration is required by Section*
15 *290 of the Penal Code or a finding that a person committed such*
16 *an act.*

17 (2) *Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
18 *or 647(a) or (d) of the Penal Code or a finding that a person*
19 *committed such an act.*

20 (3) *Any attempt to commit any of the offenses specified in this*
21 *section.*

22 (4) *Any offense committed or attempted in any other state or*
23 *against the laws of the United States which, if committed or*
24 *attempted in this state, would have been punishable as one or more*
25 *of the offenses specified in this section.*

26 *SEC. 109. Section 3405.4 is added to the Business and*
27 *Professions Code, to read:*

28 3405.4. (a) *Except as otherwise provided, with regard to an*
29 *individual who is required to register as a sex offender pursuant*
30 *to Section 290 of the Penal Code, or the equivalent in another*
31 *state or territory, under military law, or under federal law, the*
32 *board shall be subject to the following requirements:*

33 (1) *The board shall deny an application by the individual for*
34 *licensure in accordance with the procedures set forth in Chapter*
35 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
36 *2 of the Government Code.*

37 (2) *If the individual is licensed under this chapter, the board*
38 *shall promptly revoke the license of the individual in accordance*
39 *with the procedures set forth in Chapter 5 (commencing with*
40 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*

1 Code. The board shall not stay the revocation and place the license
2 on probation.

3 (3) The board shall not reinstate or reissue the individual's
4 license. The board shall not issue a stay of license denial nor place
5 the license on probation.

6 (b) This section shall not apply to any of the following:

7 (1) An individual who has been relieved under Section 290.5 of
8 the Penal Code of his or her duty to register as a sex offender, or
9 whose duty to register has otherwise been formally terminated
10 under California law or the law of the jurisdiction that requires
11 his or her registration as a sex offender.

12 (2) An individual who is required to register as a sex offender
13 pursuant to Section 290 of the Penal Code solely because of a
14 misdemeanor conviction under Section 314 of the Penal Code.
15 However, nothing in this paragraph shall prohibit the board from
16 exercising its discretion to discipline a licensee under any other
17 provision of state law based upon the licensee's conviction under
18 Section 314 of the Penal Code.

19 (3) Any administrative adjudication proceeding under Chapter
20 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
21 2 of the Government Code that is fully adjudicated prior to January
22 1, 2008. A petition for reinstatement of a revoked or surrendered
23 license shall be considered a new proceeding for purposes of this
24 paragraph, and the prohibition against reinstating a license to an
25 individual who is required to register as a sex offender shall be
26 applicable.

27 SEC. 110. Section 3405.5 is added to the Business and
28 Professions Code, to read:

29 3405.5. (a) Notwithstanding any other provision of law making
30 a communication between a licensee and his or her patients a
31 privileged communication, those provisions shall not apply to
32 investigations or proceedings conducted by the board. Members
33 of the board, deputies, employees, agents, the office of the Attorney
34 General, and representatives of the board shall keep in confidence
35 during the course of investigations the names of any patients whose
36 records are reviewed and may not disclose or reveal those names,
37 except as is necessary during the course of an investigation, unless
38 and until proceedings are instituted. The authority under this
39 subdivision to examine records of patients in the office of a licensee

1 *is limited to records of patients who have complained to the board*
2 *about that licensee.*

3 *(b) Notwithstanding any other provision of law, the Attorney*
4 *General and his or her investigative agents, and the board and its*
5 *investigators and representatives may inquire into any alleged*
6 *violation of the laws under the jurisdiction of the board or any*
7 *other federal or state law, regulation, or rule relevant to the*
8 *practice regulated by the board, whichever is applicable, and may*
9 *inspect documents relevant to those investigations in accordance*
10 *with the following procedures:*

11 *(1) Any document relevant to an investigation may be inspected,*
12 *and copies may be obtained, where a patient provides written*
13 *authorization.*

14 *(2) Any document relevant to the business operations of a*
15 *licensee, and not involving medical records attributable to*
16 *identifiable patients, may be inspected and copied where relevant*
17 *to an investigation of a licensee.*

18 *(c) In all cases where documents are inspected or copies of*
19 *those documents are received, their acquisition or review shall be*
20 *arranged so as not to unnecessarily disrupt the medical and*
21 *business operations of the licensee or of the facility where the*
22 *records are kept or used.*

23 *(d) Where certified documents are lawfully requested from*
24 *licensees in accordance with this section by the Attorney General*
25 *or his or her agents or deputies, or investigators of any board, the*
26 *documents shall be provided within 10 business days of receipt of*
27 *the request, unless the licensee is unable to provide the certified*
28 *documents within this time period for good cause, including, but*
29 *not limited to, physical inability to access the records in the time*
30 *allowed due to illness or travel. Failure to produce requested*
31 *certified documents or copies thereof, after being informed of the*
32 *required deadline, shall constitute unprofessional conduct. A board*
33 *may use its authority to cite and fine a licensee for any violation*
34 *of this section. This remedy is in addition to any other authority*
35 *of the board to sanction a licensee for a delay in producing*
36 *requested records.*

37 *(e) Searches conducted of the office or medical facility of any*
38 *licensee shall not interfere with the recordkeeping format or*
39 *preservation needs of any licensee necessary for the lawful care*
40 *of patients.*

1 (f) *The licensee shall cooperate with the board in furnishing*
2 *information or assistance as may be required, including, but not*
3 *limited to, participation in an interview with investigators or*
4 *representatives of the board.*

5 (g) *This section shall not apply to a licensee who does not have*
6 *access to, and control over, certified medical records or other*
7 *types of documents that belong to or are controlled by a health*
8 *facility or clinic.*

9 SEC. 111. *Section 3405.6 is added to the Business and*
10 *Professions Code, to read:*

11 3405.6. (a) (1) *Notwithstanding any other provision of law,*
12 *a licensee who fails or refuses to comply with a request for the*
13 *certified medical records of a patient that is accompanied by that*
14 *patient's written authorization for release of records to the board*
15 *together with a notice citing this section and describing the*
16 *penalties for failure to comply with this section shall be required*
17 *to pay to the board a civil penalty of up to one thousand dollars*
18 *(\$1,000) per day for each day that the documents have not been*
19 *produced after the 15th day, up to ten thousand dollars (\$10,000),*
20 *unless the licensee is unable to provide the documents within this*
21 *time period for good cause.*

22 (2) *A health care facility shall comply with a request for the*
23 *certified medical records of a patient that is accompanied by that*
24 *patient's written authorization for release of records to the board*
25 *together with a notice citing this section and describing the*
26 *penalties for failure to comply with this section. Failure to provide*
27 *the authorizing patient's certified medical records to the board*
28 *within 15 days of receiving the request, authorization, and notice*
29 *shall subject the health care facility to a civil penalty, payable to*
30 *the board, of up to one thousand dollars (\$1,000) per day for each*
31 *day that the documents have not been produced after the 15th day,*
32 *up to ten thousand dollars (\$10,000), unless the health care facility*
33 *is unable to provide the documents within this time period for good*
34 *cause. This paragraph shall not require health care facilities to*
35 *assist a board in obtaining the patient's authorization. The board*
36 *shall pay the reasonable costs of copying the certified medical*
37 *records, but shall not be required to make that payment prior to*
38 *the production of the medical records.*

39 (b) (1) *A licensee who fails or refuses to comply with a court*
40 *order, issued in the enforcement of a subpoena, mandating the*

1 release of records to the board, shall pay to the board a civil
2 penalty of up to one thousand dollars (\$1,000) per day for each
3 day that the documents have not been produced after the date by
4 which the court order requires the documents to be produced, up
5 to ten thousand dollars (\$10,000), unless it is determined that the
6 order is unlawful or invalid. Any statute of limitations applicable
7 to the filing of an accusation by the board shall be tolled during
8 the period the licensee is out of compliance with the court order
9 and during any related appeals.

10 (2) Any licensee who fails or refuses to comply with a court
11 order, issued in the enforcement of a subpoena, mandating the
12 release of records to a board is guilty of a misdemeanor punishable
13 by a fine payable to the board not to exceed five thousand dollars
14 (\$5,000). The fine shall be added to the licensee's renewal fee if
15 it is not paid by the next succeeding renewal date. Any statute of
16 limitations applicable to the filing of an accusation by the board
17 shall be tolled during the period the licensee is out of compliance
18 with the court order and during any related appeals.

19 (3) A health care facility that fails or refuses to comply with a
20 court order, issued in the enforcement of a subpoena, mandating
21 the release of patient records to the board, that is accompanied
22 by a notice citing this section and describing the penalties for
23 failure to comply with this section, shall pay to the board a civil
24 penalty of up to one thousand dollars (\$1,000) per day for each
25 day that the documents have not been produced, up to ten thousand
26 dollars (\$10,000), after the date by which the court order requires
27 the documents to be produced, unless it is determined that the
28 order is unlawful or invalid. Any statute of limitations applicable
29 to the filing of an accusation by the board against a licensee shall
30 be tolled during the period the health care facility is out of
31 compliance with the court order and during any related appeals.

32 (4) Any health care facility that fails or refuses to comply with
33 a court order, issued in the enforcement of a subpoena, mandating
34 the release of records to the board is guilty of a misdemeanor
35 punishable by a fine payable to the board not to exceed five
36 thousand dollars (\$5,000). Any statute of limitations applicable
37 to the filing of an accusation by the board against a licensee shall
38 be tolled during the period the health care facility is out of
39 compliance with the court order and during any related appeals.

1 (c) *Multiple acts by a licensee in violation of subdivision (b)*
2 *shall be punishable by a fine not to exceed five thousand dollars*
3 *(\$5,000) or by imprisonment in a county jail not exceeding six*
4 *months, or by both that fine and imprisonment. Multiple acts by*
5 *a health care facility in violation of subdivision (b) shall be*
6 *punishable by a fine not to exceed five thousand dollars (\$5,000),*
7 *shall be reported to the State Department of Public Health, and*
8 *shall be considered as grounds for disciplinary action with respect*
9 *to licensure, including suspension or revocation of the license or*
10 *certificate.*

11 (d) *A failure or refusal of a licensee to comply with a court*
12 *order, issued in the enforcement of a subpoena, mandating the*
13 *release of records to the board constitutes unprofessional conduct*
14 *and is grounds for suspension or revocation of his or her license.*

15 (e) *Imposition of the civil penalties authorized by this section*
16 *shall be in accordance with the Administrative Procedure Act*
17 *(Chapter 5 (commencing with Section 11500) of Division 3 of Title*
18 *2 of the Government Code). Any civil penalties paid to, or received*
19 *by, a board pursuant to this section shall be deposited into the*
20 *fund administered by the board.*

21 (f) *For purposes of this section, “certified medical records”*
22 *means a copy of the patient’s medical records authenticated by*
23 *the licensee or health care facility, as appropriate, on a form*
24 *prescribed by the licensee’s board.*

25 (g) *For purposes of this section, a “health care facility” means*
26 *a clinic or health facility licensed or exempt from licensure*
27 *pursuant to Division 2 (commencing with Section 1200) of the*
28 *Health and Safety Code.*

29 (h) *If a board complies with Section 1684.1, 2225.5, or 2969,*
30 *that board shall not be subject to the requirements of this section.*

31 (i) *This section shall not apply to a licensee who does not have*
32 *access to, or control over, certified medical records.*

33 SEC. 112. *Section 3405.7 is added to the Business and*
34 *Professions Code, to read:*

35 3405.7. (a) *Notwithstanding any other provision of law, any*
36 *employer of a licensee shall report to the board the suspension or*
37 *termination for cause, or any resignation in lieu of suspension or*
38 *termination for cause, of any licensee in its employ within 15*
39 *business days. The report shall not be made until after the*
40 *conclusion of the review process specified in Section 52.3 of Title*

1 2 of the California Code of Regulations and *Skelly v. State*
2 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
3 required reporting shall not constitute a waiver of confidentiality
4 of medical records. The information reported or disclosed shall
5 be kept confidential except as provided in subdivision (c) of Section
6 800 and shall not be subject to discovery in civil cases.

7 (b) The information to be reported by the employer shall include
8 the name and license number of the licentiate involved, a
9 description of the facts and circumstances of the suspension or
10 termination for cause, any resignation in lieu of suspension or
11 termination for cause, and any other relevant information deemed
12 appropriate by the employer.

13 (c) The board shall be entitled to inspect and copy the following
14 documents in the record for any suspension or termination for
15 cause, or any resignation in lieu of suspension or termination for
16 cause, resulting in action that is required to be reported pursuant
17 to this section:

18 (1) Any statement for suspension or termination of the licensee.

19 (2) Any document or exhibits relevant to the suspension or
20 termination.

21 (d) If, during the investigation by the board of the cause for the
22 termination or suspension or resignation of the licensee, it is found
23 that there has been a violation of existing state or federal law, the
24 board shall report the violation to the appropriate agency.

25 (e) For purposes of this section, “suspension or termination for
26 cause” or “resignation in lieu of suspension or termination for
27 cause” is defined as resignation, suspension, or termination from
28 employment for any of the following reasons:

29 (1) Use of controlled substances or alcohol to the extent that it
30 impairs the licensee’s ability to safely practice.

31 (2) Unlawful sale of a controlled substance or other prescription
32 items.

33 (3) Patient or client abuse, neglect, physical harm, or sexual
34 contact with a patient or client.

35 (4) Gross negligence or incompetence.

36 (5) Theft from a patient or client, any other employee, or the
37 employer.

38 (f) As used in this section, the following definitions apply:

39 (1) “Gross negligence” means a substantial departure from the
40 standard of care, which, under similar circumstances, would have

1 *ordinarily been exercised by a competent licensee, and which has*
2 *or could have resulted in harm to the consumer. An exercise of so*
3 *slight a degree of care as to justify the belief that there was a*
4 *conscious disregard or indifference for the health, safety, or*
5 *welfare of the consumer shall be considered a substantial departure*
6 *from the standard of care.*

7 (2) *“Incompetence” means the lack of possession of, and the*
8 *failure to exercise that degree of learning, skill, care, and*
9 *experience ordinarily possessed by, a responsible licensee.*

10 (3) *“Willful” means a knowing and intentional violation of a*
11 *known legal duty.*

12 (g) (1) *Willful failure of an employer to make a report required*
13 *by this section is punishable by an administrative fine not to exceed*
14 *one hundred thousand dollars (\$100,000) per violation.*

15 (2) *Any failure of an employer, other than willful failure, to*
16 *make a report required by this section is punishable by an*
17 *administrative fine not to exceed fifty thousand dollars (\$50,000).*

18 (h) *The board shall investigate the circumstances underlying*
19 *any report received pursuant to this section within 30 days to*
20 *determine if an interim suspension order or temporary restraining*
21 *order should be issued. The board shall otherwise provide timely*
22 *disposition of the reports received pursuant to this section.*

23 (i) *The board shall send to the licentiate a copy of the report*
24 *along with the reasons for the filing of the report and notice*
25 *advising the licentiate of his or her right to submit additional*
26 *statements or other information to the board.*

27 (j) *Pursuant to Section 43.8 of the Civil Code, no person shall*
28 *incur any civil penalty as a result of making any report required*
29 *by this article.*

30 (k) *No report is required under this section where a report of*
31 *the action taken is already required under Section 805.*

32 *SEC. 113. Section 3405.8 is added to the Business and*
33 *Professions Code, to read:*

34 *3405.8. Unless otherwise provided, on or after July 1, 2013,*
35 *the board shall post on its Internet Web site the following*
36 *information, including the name and license number, in its*
37 *possession, custody, or control regarding every licensee for which*
38 *the board licenses:*

39 (a) *With regard to the status of every license, whether or not*
40 *the licensee or former licensee is in good standing, subject to a*

1 temporary restraining order, subject to an interim suspension
2 order, subject to a restriction or cease practice ordered pursuant
3 to Section 23 of the Penal Code, or subject to any of the
4 enforcement actions described in Section 803.1.

5 (b) With regard to prior discipline of a licensee, whether or not
6 the licensee or former licensee has been subject to discipline by
7 the board or by the board of another state or jurisdiction, as
8 described in Section 803.1.

9 (c) Any felony conviction of a licensee reported to the board.

10 (d) All current accusations filed by the Attorney General,
11 including those accusations that are on appeal. For purposes of
12 this paragraph, "current accusation" means an accusation that
13 has not been dismissed, withdrawn, or settled, and has not been
14 finally decided upon by an administrative law judge and the board
15 unless an appeal of that decision is pending.

16 (e) Any malpractice judgment or arbitration award imposed
17 against a licensee and reported to the healing arts board.

18 (f) Any hospital disciplinary action imposed against a licensee
19 that resulted in the termination or revocation of a licensee's
20 hospital staff privileges for a medical disciplinary cause or reason
21 pursuant to Section 3405.6 or 805.

22 (g) Any misdemeanor conviction of a licensee that results in a
23 disciplinary action or an accusation that is not subsequently
24 withdrawn or dismissed.

25 (h) Appropriate disclaimers and explanatory statements to
26 accompany the above information, including an explanation of
27 what types of information are not disclosed. These disclaimers
28 and statements shall be developed by the board and shall be
29 adopted by regulation.

30 (i) The information provided on the Internet shall be in
31 accordance with the California Public Records Act (Chapter 3.5
32 (commencing with Section 6250) of Division 7 of Title 1 of the
33 Government Code) and the Information Practices Act of 1977
34 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4
35 of Division 3 of the Civil Code) and shall comply with the
36 Department of Consumer Affairs Guidelines for Access to Public
37 Records.

38 (j) Information provided on the Internet may not include
39 personal information, unless otherwise provided pursuant to this
40 chapter, including the home telephone number, date of birth, or

1 *social security number. The information may not include the*
2 *licensee's address, but may include the city and county of the*
3 *licensee's address of record.*

4 *SEC. 114. Section 3405.9 is added to the Business and*
5 *Professions Code, to read:*

6 *3405.9. (a) Unless otherwise provided, if a licensee possesses*
7 *a license or is otherwise authorized to practice in any state other*
8 *than California or by any agency of the federal government and*
9 *that license or authority is suspended or revoked outright, the*
10 *California license of the licensee shall be suspended automatically*
11 *for the duration of the suspension or revocation, unless terminated*
12 *or rescinded as provided in subdivision (c). The healing arts board*
13 *shall notify the licensee of the license suspension and of his or her*
14 *right to have the issue of penalty heard as provided in this section.*

15 *(b) Upon its own motion or for good cause shown, the board*
16 *may decline to impose or may set aside the suspension when it*
17 *appears to be in the interest of justice to do so, with due regard*
18 *to maintaining the integrity of, and confidence in, the specific*
19 *healing art.*

20 *(c) The issue of penalty shall be heard by an administrative law*
21 *judge sitting alone or with a panel of the board, in the discretion*
22 *of the board. A licensee may request a hearing on the penalty and*
23 *that hearing shall be held within 90 days from the date of the*
24 *request. If the order suspending or revoking the license or authority*
25 *to practice is overturned on appeal, any discipline ordered*
26 *pursuant to this section shall automatically cease. Upon a showing*
27 *to the administrative law judge or panel by the licensee that the*
28 *out-of-state action is not a basis for discipline in California, the*
29 *suspension shall be rescinded. If an accusation for permanent*
30 *discipline is not filed within 90 days of the suspension imposed*
31 *pursuant to this section, the suspension shall automatically*
32 *terminate.*

33 *(d) The record of the proceedings that resulted in the suspension*
34 *or revocation of the licensee's out-of-state license or authority to*
35 *practice, including a transcript of the testimony therein, may be*
36 *received in evidence.*

37 *(e) This section shall not apply to a licensee who maintains his*
38 *or her primary practice in California, as evidenced by having*
39 *maintained a practice in this state for not less than one year*
40 *immediately preceding the date of suspension or revocation.*

1 *Nothing in this section shall preclude a licensee's license from*
2 *being suspended pursuant to any other provision of law.*

3 *(f) This section shall not apply to a licensee whose license has*
4 *been surrendered, whose only discipline is a medical staff*
5 *disciplinary action at a federal hospital and not for medical*
6 *disciplinary cause or reason as that term is defined in Section 805,*
7 *or whose revocation or suspension has been stayed, even if the*
8 *licensee remains subject to terms of probation or other discipline.*

9 *(g) This section shall not apply to a suspension or revocation*
10 *imposed by a state that is based solely on the prior discipline of*
11 *the licensee by another state.*

12 *(h) The other provisions of this article setting forth a procedure*
13 *for the suspension or revocation of a licensee's license or*
14 *certificate shall not apply to summary suspensions issued pursuant*
15 *to this section. If a summary suspension has been issued pursuant*
16 *to this section, the licensee may request that the hearing on the*
17 *penalty conducted pursuant to subdivision (c) be held at the same*
18 *time as a hearing on the accusation.*

19 *(i) A board that complies with Section 2310 shall not be subject*
20 *to the requirements of this section.*

21 *SEC. 115. Section 3531.1 is added to the Business and*
22 *Professions Code, to read:*

23 *3531.1. (a) The committee may delegate to its executive officer*
24 *the authority to adopt a proposed default decision where an*
25 *administrative action to revoke a license has been filed and the*
26 *licensee has failed to file a notice of defense or to appear at the*
27 *hearing and a proposed default decision revoking the license has*
28 *been issued.*

29 *(b) The committee may delegate to its executive officer the*
30 *authority to adopt a proposed settlement agreement where an*
31 *administrative action to revoke a license has been filed by the*
32 *committee and the licensee has agreed to the revocation or*
33 *surrender of his or her license.*

34 *(c) The executive officer shall, at scheduled committee meetings,*
35 *report to the committee the number of proposed default decisions*
36 *or proposed settlement agreements adopted pursuant to this*
37 *section.*

38 *SEC. 116. Section 3531.2 is added to the Business and*
39 *Professions Code, to read:*

1 3531.2. (a) Notwithstanding Section 11415.60 of the
2 Government Code, the committee may enter into a settlement with
3 a licensee or applicant in lieu of the issuance of an accusation or
4 statement of issues against that licensee or applicant, as applicable.

5 (b) The settlement shall include language identifying the factual
6 basis for the action being taken and a list of the statutes or
7 regulations violated.

8 (c) A person who enters a settlement pursuant to this section is
9 not precluded from filing a petition, in the timeframe permitted by
10 law, to modify the terms of the settlement or petition for early
11 termination of probation, if probation is part of the settlement.

12 (d) Any settlement against a licensee executed pursuant to this
13 section shall be considered discipline and a public record and
14 shall be posted on the applicable committee's Internet Web site.
15 Any settlement against an applicant executed pursuant to this
16 section shall be considered a public record and shall be posted
17 on the applicable committee's Internet Web site.

18 (e) The executive officer shall, at scheduled committee meetings,
19 report to the committee the number of proposed settlement
20 agreements adopted pursuant to this section.

21 SEC. 117. Section 3531.3 is added to the Business and
22 Professions Code, to read:

23 3531.3. (a) The license of a licensee shall be suspended
24 automatically during any time that the licensee is incarcerated
25 after conviction of a felony, regardless of whether the conviction
26 has been appealed. The committee shall, immediately upon receipt
27 of the certified copy of the record of conviction, determine whether
28 the license of the licensee has been automatically suspended by
29 virtue of his or her incarceration, and if so, the duration of that
30 suspension. The committee shall notify the licensee in writing of
31 the license suspension and of his or her right to elect to have the
32 issue of penalty heard as provided in subdivision (d).

33 (b) Upon receipt of the certified copy of the record of conviction,
34 if after a hearing before an administrative law judge from the
35 Office of Administrative Hearings it is determined that the felony
36 for which the licensee was convicted was substantially related to
37 the qualifications, functions, or duties of a licensee, the committee
38 shall suspend the license until the time for appeal has elapsed, if
39 no appeal has been taken, or until the judgment of conviction has

1 *been affirmed on appeal or has otherwise become final, and until*
2 *further order of the committee.*

3 *(c) Notwithstanding subdivision (b), a conviction of a charge*
4 *of violating any federal statute or regulation or any statute or*
5 *regulation of this state, regulating dangerous drugs or controlled*
6 *substances, or a conviction of Section 187, 261, 262, or 288 of the*
7 *Penal Code, shall be conclusively presumed to be substantially*
8 *related to the qualifications, functions, or duties of a licensee and*
9 *no hearing shall be held on this issue. However, upon its own*
10 *motion or for good cause shown, the committee may decline to*
11 *impose or may set aside the suspension when it appears to be in*
12 *the interest of justice to do so, with due regard to maintaining the*
13 *integrity of, and confidence in, the practice regulated by the*
14 *committee.*

15 *(d) (1) Discipline may be ordered against a licensee in*
16 *accordance with the statutes and regulations of the committee*
17 *when the time for appeal has elapsed, the judgment of conviction*
18 *has been affirmed on appeal, or an order granting probation is*
19 *made suspending the imposition of sentence, irrespective of a*
20 *subsequent order under Section 1203.4 of the Penal Code allowing*
21 *the person to withdraw his or her plea of guilty and to enter a plea*
22 *of not guilty, setting aside the verdict of guilty, or dismissing the*
23 *accusation, complaint, information, or indictment.*

24 *(2) The issue of penalty shall be heard by an administrative law*
25 *judge from the Office of Administrative Hearings. The hearing*
26 *shall not be had until the judgment of conviction has become final*
27 *or, irrespective of a subsequent order under Section 1203.4 of the*
28 *Penal Code, an order granting probation has been made*
29 *suspending the imposition of sentence; except that a licensee may,*
30 *at his or her option, elect to have the issue of penalty decided*
31 *before those time periods have elapsed. Where the licensee so*
32 *elects, the issue of penalty shall be heard in the manner described*
33 *in subdivision (b) at the hearing to determine whether the*
34 *conviction was substantially related to the qualifications, functions,*
35 *or duties of a licensee. If the conviction of a licensee who has made*
36 *this election is overturned on appeal, any discipline ordered*
37 *pursuant to this section shall automatically cease. Nothing in this*
38 *subdivision shall prohibit the committee from pursuing disciplinary*
39 *action based on any cause other than the overturned conviction.*

1 (e) *The record of the proceedings resulting in a conviction,*
2 *including a transcript of the testimony in those proceedings, may*
3 *be received in evidence.*

4 (f) *Any other provision of law setting forth a procedure for the*
5 *suspension or revocation of a license issued by the committee shall*
6 *not apply to proceedings conducted pursuant to this section.*

7 SEC. 118. *Section 3531.4 is added to the Business and*
8 *Professions Code, to read:*

9 3531.4. (a) *Except as otherwise provided, any proposed*
10 *decision or decision issued in accordance with the procedures set*
11 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
12 *Division 3 of Title 2 of the Government Code, that contains any*
13 *finding of fact that the licensee engaged in any act of sexual contact*
14 *with a patient, as defined in subdivision (c) of Section 729, or any*
15 *finding that the licensee has committed a sex offense, shall contain*
16 *an order revoking the license. The proposed decision shall not*
17 *contain any order staying the revocation of the licensee.*

18 (b) *As used in this section, the term sex offense shall mean any*
19 *of the following:*

20 (1) *Any offense for which registration is required by Section*
21 *290 of the Penal Code or a finding that a person committed such*
22 *an act.*

23 (2) *Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
24 *or 647(a) or (d) of the Penal Code or a finding that a person*
25 *committed such an act.*

26 (3) *Any attempt to commit any of the offenses specified in this*
27 *section.*

28 (4) *Any offense committed or attempted in any other state or*
29 *against the laws of the United States which, if committed or*
30 *attempted in this state, would have been punishable as one or more*
31 *of the offenses specified in this section.*

32 SEC. 119. *Section 3531.5 is added to the Business and*
33 *Professions Code, to read:*

34 3531.5. (a) *Except as otherwise provided, with regard to an*
35 *individual who is required to register as a sex offender pursuant*
36 *to Section 290 of the Penal Code, or the equivalent in another*
37 *state or territory, under military law, or under federal law, the*
38 *committee shall be subject to the following requirements:*

39 (1) *The committee shall deny an application by the individual*
40 *for licensure in accordance with the procedures set forth in*

1 Chapter 5 (commencing with Section 11500) of Part 1 of Division
2 3 of Title 2 of the Government Code.

3 (2) If the individual is licensed under this chapter, the committee
4 shall promptly revoke the license of the individual in accordance
5 with the procedures set forth in Chapter 5 (commencing with
6 Section 11500) of Part 1 of Division 3 of Title 2 of the Government
7 Code. The committee shall not stay the revocation and place the
8 license on probation.

9 (3) The committee shall not reinstate or reissue the individual's
10 license. The committee shall not issue a stay of license denial nor
11 place the license on probation.

12 (b) This section shall not apply to any of the following:

13 (1) An individual who has been relieved under Section 290.5 of
14 the Penal Code of his or her duty to register as a sex offender, or
15 whose duty to register has otherwise been formally terminated
16 under California law or the law of the jurisdiction that requires
17 his or her registration as a sex offender.

18 (2) An individual who is required to register as a sex offender
19 pursuant to Section 290 of the Penal Code solely because of a
20 misdemeanor conviction under Section 314 of the Penal Code.
21 However, nothing in this paragraph shall prohibit the committee
22 from exercising its discretion to discipline a licensee under any
23 other provision of state law based upon the licensee's conviction
24 under Section 314 of the Penal Code.

25 (3) Any administrative adjudication proceeding under Chapter
26 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
27 2 of the Government Code that is fully adjudicated prior to January
28 1, 2008. A petition for reinstatement of a revoked or surrendered
29 license shall be considered a new proceeding for purposes of this
30 paragraph, and the prohibition against reinstating a license to an
31 individual who is required to register as a sex offender shall be
32 applicable.

33 SEC. 120. Section 3531.6 is added to the Business and
34 Professions Code, to read:

35 3531.6. (a) Notwithstanding any other provision of law making
36 a communication between a licensee and his or her patients a
37 privileged communication, those provisions shall not apply to
38 investigations or proceedings conducted by the committee.
39 Members of the committee, deputies, employees, agents, the office
40 of the Attorney General, and representatives of the committee shall

1 *keep in confidence during the course of investigations the names*
2 *of any patients whose records are reviewed and may not disclose*
3 *or reveal those names, except as is necessary during the course*
4 *of an investigation, unless and until proceedings are instituted.*
5 *The authority under this subdivision to examine records of patients*
6 *in the office of a licensee is limited to records of patients who have*
7 *complained to the committee about that licensee.*

8 *(b) Notwithstanding any other provision of law, the Attorney*
9 *General and his or her investigative agents, and the committee*
10 *and its investigators and representatives may inquire into any*
11 *alleged violation of the laws under the jurisdiction of the committee*
12 *or any other federal or state law, regulation, or rule relevant to*
13 *the practice regulated by the committee, whichever is applicable,*
14 *and may inspect documents relevant to those investigations in*
15 *accordance with the following procedures:*

16 *(1) Any document relevant to an investigation may be inspected,*
17 *and copies may be obtained, where a patient provides written*
18 *authorization.*

19 *(2) Any document relevant to the business operations of a*
20 *licensee, and not involving medical records attributable to*
21 *identifiable patients, may be inspected and copied where relevant*
22 *to an investigation of a licensee.*

23 *(c) In all cases where documents are inspected or copies of*
24 *those documents are received, their acquisition or review shall be*
25 *arranged so as not to unnecessarily disrupt the medical and*
26 *business operations of the licensee or of the facility where the*
27 *records are kept or used.*

28 *(d) Where certified documents are lawfully requested from*
29 *licensees in accordance with this section by the Attorney General*
30 *or his or her agents or deputies, or investigators of the committee,*
31 *the documents shall be provided within 10 business days of receipt*
32 *of the request, unless the licensee is unable to provide the certified*
33 *documents within this time period for good cause, including, but*
34 *not limited to, physical inability to access the records in the time*
35 *allowed due to illness or travel. Failure to produce requested*
36 *certified documents or copies thereof, after being informed of the*
37 *required deadline, shall constitute unprofessional conduct. The*
38 *committee may use its authority to cite and fine a licensee for any*
39 *violation of this section. This remedy is in addition to any other*

1 authority of the committee to sanction a licensee for a delay in
2 producing requested records.

3 (e) Searches conducted of the office or medical facility of any
4 licensee shall not interfere with the recordkeeping format or
5 preservation needs of any licensee necessary for the lawful care
6 of patients.

7 (f) The licensee shall cooperate with the committee in furnishing
8 information or assistance as may be required, including, but not
9 limited to, participation in an interview with investigators or
10 representatives of the committee.

11 (g) This section shall not apply to a licensee who does not have
12 access to, and control over, certified medical records or other
13 types of documents that belong to or are controlled by a health
14 facility or clinic.

15 SEC. 121. Section 3531.7 is added to the Business and
16 Professions Code, to read:

17 3531.7. (a) (1) Notwithstanding any other provision of law,
18 a licensee who fails or refuses to comply with a request for the
19 certified medical records of a patient that is accompanied by that
20 patient's written authorization for release of records to the
21 committee together with a notice citing this section and describing
22 the penalties for failure to comply with this section shall be
23 required to pay to the committee a civil penalty of up to one
24 thousand dollars (\$1,000) per day for each day that the documents
25 have not been produced after the 15th day, up to ten thousand
26 dollars (\$10,000), unless the licensee is unable to provide the
27 documents within this time period for good cause.

28 (2) A health care facility shall comply with a request for the
29 certified medical records of a patient that is accompanied by that
30 patient's written authorization for release of records to the
31 committee together with a notice citing this section and describing
32 the penalties for failure to comply with this section. Failure to
33 provide the authorizing patient's certified medical records to the
34 committee within 15 days of receiving the request, authorization,
35 and notice shall subject the health care facility to a civil penalty,
36 payable to the committee, of up to one thousand dollars (\$1,000)
37 per day for each day that the documents have not been produced
38 after the 15th day, up to ten thousand dollars (\$10,000), unless
39 the health care facility is unable to provide the documents within
40 this time period for good cause. This paragraph shall not require

1 health care facilities to assist the committee in obtaining the
2 patient's authorization. The committee shall pay the reasonable
3 costs of copying the certified medical records, but shall not be
4 required to make that payment prior to the production of the
5 medical records.

6 (b) (1) A licensee who fails or refuses to comply with a court
7 order, issued in the enforcement of a subpoena, mandating the
8 release of records to the committee, shall pay to the committee a
9 civil penalty of up to one thousand dollars (\$1,000) per day for
10 each day that the documents have not been produced after the date
11 by which the court order requires the documents to be produced,
12 up to ten thousand dollars (\$10,000), unless it is determined that
13 the order is unlawful or invalid. Any statute of limitations
14 applicable to the filing of an accusation by the committee shall be
15 tolled during the period the licensee is out of compliance with the
16 court order and during any related appeals.

17 (2) Any licensee who fails or refuses to comply with a court
18 order, issued in the enforcement of a subpoena, mandating the
19 release of records to the committee is guilty of a misdemeanor
20 punishable by a fine payable to the committee not to exceed five
21 thousand dollars (\$5,000). The fine shall be added to the licensee's
22 renewal fee if it is not paid by the next succeeding renewal date.
23 Any statute of limitations applicable to the filing of an accusation
24 by the committee shall be tolled during the period the licensee is
25 out of compliance with the court order and during any related
26 appeals.

27 (3) A health care facility that fails or refuses to comply with a
28 court order, issued in the enforcement of a subpoena, mandating
29 the release of patient records to the committee, that is accompanied
30 by a notice citing this section and describing the penalties for
31 failure to comply with this section, shall pay to the committee a
32 civil penalty of up to one thousand dollars (\$1,000) per day for
33 each day that the documents have not been produced, up to ten
34 thousand dollars (\$10,000), after the date by which the court order
35 requires the documents to be produced, unless it is determined
36 that the order is unlawful or invalid. Any statute of limitations
37 applicable to the filing of an accusation by the committee against
38 a licensee shall be tolled during the period the health care facility
39 is out of compliance with the court order and during any related
40 appeals.

1 (4) Any health care facility that fails or refuses to comply with
2 a court order, issued in the enforcement of a subpoena, mandating
3 the release of records to the committee is guilty of a misdemeanor
4 punishable by a fine payable to the committee not to exceed five
5 thousand dollars (\$5,000). Any statute of limitations applicable
6 to the filing of an accusation by the committee against a licensee
7 shall be tolled during the period the health care facility is out of
8 compliance with the court order and during any related appeals.

9 (c) Multiple acts by a licensee in violation of subdivision (b)
10 shall be punishable by a fine not to exceed five thousand dollars
11 (\$5,000) or by imprisonment in a county jail not exceeding six
12 months, or by both that fine and imprisonment. Multiple acts by
13 a health care facility in violation of subdivision (b) shall be
14 punishable by a fine not to exceed five thousand dollars (\$5,000),
15 shall be reported to the State Department of Public Health, and
16 shall be considered as grounds for disciplinary action with respect
17 to licensure, including suspension or revocation of the license or
18 certificate.

19 (d) A failure or refusal of a licensee to comply with a court
20 order, issued in the enforcement of a subpoena, mandating the
21 release of records to the committee constitutes unprofessional
22 conduct and is grounds for suspension or revocation of his or her
23 license.

24 (e) Imposition of the civil penalties authorized by this section
25 shall be in accordance with the Administrative Procedure Act
26 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
27 2 of the Government Code). Any civil penalties paid to, or received
28 by, the committee pursuant to this section shall be deposited into
29 the fund administered by the committee.

30 (f) For purposes of this section, “certified medical records”
31 means a copy of the patient’s medical records authenticated by
32 the licensee or health care facility, as appropriate, on a form
33 prescribed by the committee.

34 (g) For purposes of this section, a “health care facility” means
35 a clinic or health facility licensed or exempt from licensure
36 pursuant to Division 2 (commencing with Section 1200) of the
37 Health and Safety Code.

38 (h) If the committee complies with Section 1684.1, 2225.5, or
39 2969, the committee shall not be subject to the requirements of
40 this section.

1 (i) *This section shall not apply to a licensee who does not have*
2 *access to, or control over, certified medical records or other types*
3 *of documents that belong to or are controlled by a health facility*
4 *or clinic.*

5 SEC. 122. *Section 3531.8 is added to the Business and*
6 *Professions Code, to read:*

7 3531.8. (a) *Notwithstanding any other provision of law, any*
8 *employer of a licensee shall report to the committee the suspension*
9 *or termination for cause, or any resignation in lieu of suspension*
10 *or termination for cause, of any licensee in its employ within 15*
11 *business days. The report shall not be made until after the*
12 *conclusion of the review process specified in Section 52.3 of Title*
13 *2 of the California Code of Regulations and Skelly v. State*
14 *Personnel Bd. (1975) 15 Cal.3d 194, for public employees. This*
15 *required reporting shall not constitute a waiver of confidentiality*
16 *of medical records. The information reported or disclosed shall*
17 *be kept confidential except as provided in subdivision (c) of Section*
18 *800 and shall not be subject to discovery in civil cases.*

19 (b) *The information to be reported by the employer shall include*
20 *the name and license number of the licentiate involved, a*
21 *description of the facts and circumstances of the suspension or*
22 *termination for cause, any resignation in lieu of suspension or*
23 *termination for cause, and any other relevant information deemed*
24 *appropriate by the employer.*

25 (c) *The committee shall be entitled to inspect and copy the*
26 *following documents in the record for any suspension or*
27 *termination for cause, or any resignation in lieu of suspension or*
28 *termination for cause, resulting in action that is required to be*
29 *reported pursuant to this section:*

30 (1) *Any statement for suspension or termination of the licensee.*

31 (2) *Any document or exhibits relevant to the suspension or*
32 *termination.*

33 (d) *If, during the investigation by the committee of the cause*
34 *for the termination or suspension or resignation of the licensee,*
35 *it is found that there has been a violation of existing state or federal*
36 *law, the committee shall report the violation to the appropriate*
37 *agency.*

38 (e) *For purposes of this section, “suspension or termination for*
39 *cause” or “resignation in lieu of suspension or termination for*

- 1 *cause*” is defined as resignation, suspension, or termination from
2 *employment for any of the following reasons:*
- 3 (1) *Use of controlled substances or alcohol to the extent that it*
4 *impairs the licensee’s ability to safely practice.*
- 5 (2) *Unlawful sale of a controlled substance or other prescription*
6 *items.*
- 7 (3) *Patient or client abuse, neglect, physical harm, or sexual*
8 *contact with a patient or client.*
- 9 (4) *Gross negligence or incompetence.*
- 10 (5) *Theft from a patient or client, any other employee, or the*
11 *employer.*
- 12 (f) *As used in this section, the following definitions apply:*
- 13 (1) *“Gross negligence” means a substantial departure from the*
14 *standard of care, which, under similar circumstances, would have*
15 *ordinarily been exercised by a competent licensee, and which has*
16 *or could have resulted in harm to the consumer. An exercise of so*
17 *slight a degree of care as to justify the belief that there was a*
18 *conscious disregard or indifference for the health, safety, or*
19 *welfare of the consumer shall be considered a substantial departure*
20 *from the standard of care.*
- 21 (2) *“Incompetence” means the lack of possession of, and the*
22 *failure to exercise that degree of learning, skill, care, and*
23 *experience ordinarily possessed by, a responsible licensee.*
- 24 (3) *“Willful” means a knowing and intentional violation of a*
25 *known legal duty.*
- 26 (g) (1) *Willful failure of an employer to make a report required*
27 *by this section is punishable by an administrative fine not to exceed*
28 *one hundred thousand dollars (\$100,000) per violation.*
- 29 (2) *Any failure of an employer, other than willful failure, to*
30 *make a report required by this section is punishable by an*
31 *administrative fine not to exceed fifty thousand dollars (\$50,000).*
- 32 (h) *The committee shall investigate the circumstances underlying*
33 *any report received pursuant to this section within 30 days to*
34 *determine if an interim suspension order or temporary restraining*
35 *order should be issued. The committee shall otherwise provide*
36 *timely disposition of the reports received pursuant to this section.*
- 37 (i) *The committee shall send to the licentiate a copy of the report*
38 *along with the reasons for the filing of the report and notice*
39 *advising the licentiate of his or her right to submit additional*
40 *statements or other information to the committee.*

1 (j) Pursuant to Section 43.8 of the Civil Code, no person shall
2 incur any civil penalty as a result of making any report required
3 by this article.

4 (k) No report is required under this section where a report of
5 the action taken is already required under Section 805.

6 SEC. 123. Section 3531.9 is added to the Business and
7 Professions Code, to read:

8 3531.9. Unless otherwise provided, on or after July 1, 2013,
9 the committee shall post on its Internet Web site the following
10 information, including the name and license number, in its
11 possession, custody, or control regarding every licensee for which
12 the committee licenses:

13 (a) With regard to the status of every license, whether or not
14 the licensee or former licensee is in good standing, subject to a
15 temporary restraining order, subject to an interim suspension
16 order, subject to a restriction or cease practice ordered pursuant
17 to Section 23 of the Penal Code, or subject to any of the
18 enforcement actions described in Section 803.1.

19 (b) With regard to prior discipline of a licensee, whether or not
20 the licensee or former licensee has been subject to discipline by
21 the board or by the committee of another state or jurisdiction, as
22 described in Section 803.1.

23 (c) Any felony conviction of a licensee reported to the committee.

24 (d) All current accusations filed by the Attorney General,
25 including those accusations that are on appeal. For purposes of
26 this paragraph, “current accusation” means an accusation that
27 has not been dismissed, withdrawn, or settled, and has not been
28 finally decided upon by an administrative law judge and the
29 committee unless an appeal of that decision is pending.

30 (e) Any malpractice judgment or arbitration award imposed
31 against a licensee and reported to the committee.

32 (f) Any hospital disciplinary action imposed against a licensee
33 that resulted in the termination or revocation of a licensee’s
34 hospital staff privileges for a medical disciplinary cause or reason
35 pursuant to Section 3531.7 or 805.

36 (g) Any misdemeanor conviction of a licensee that results in a
37 disciplinary action or an accusation that is not subsequently
38 withdrawn or dismissed.

39 (h) Appropriate disclaimers and explanatory statements to
40 accompany the above information, including an explanation of

1 *what types of information are not disclosed. These disclaimers*
2 *and statements shall be developed by the committee and shall be*
3 *adopted by regulation.*

4 *(i) The information provided on the Internet shall be in*
5 *accordance with the California Public Records Act (Chapter 3.5*
6 *(commencing with Section 6250) of Division 7 of Title 1 of the*
7 *Government Code) and the Information Practices Act of 1977*
8 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*
9 *of Division 3 of the Civil Code) and shall comply with the*
10 *Department of Consumer Affairs Guidelines for Access to Public*
11 *Records.*

12 *(j) Information provided on the Internet may not include*
13 *personal information, unless otherwise provided pursuant to this*
14 *chapter, including the home telephone number, date of birth, or*
15 *social security number. The information may not include the*
16 *licensee's address, but may include the city and county of the*
17 *licensee's address of record.*

18 *SEC. 124. Section 3531.10 is added to the Business and*
19 *Professions Code, to read:*

20 *3531.10. (a) Unless otherwise provided, if a licensee possesses*
21 *a license or is otherwise authorized to practice in any state other*
22 *than California or by any agency of the federal government and*
23 *that license or authority is suspended or revoked outright, the*
24 *California license of the licensee shall be suspended automatically*
25 *for the duration of the suspension or revocation, unless terminated*
26 *or rescinded as provided in subdivision (c). The committee shall*
27 *notify the licensee of the license suspension and of his or her right*
28 *to have the issue of penalty heard as provided in this section.*

29 *(b) Upon its own motion or for good cause shown, the committee*
30 *may decline to impose or may set aside the suspension when it*
31 *appears to be in the interest of justice to do so, with due regard*
32 *to maintaining the integrity of, and confidence in, the specific*
33 *healing art.*

34 *(c) The issue of penalty shall be heard by an administrative law*
35 *judge sitting alone or with a panel of the committee, in the*
36 *discretion of the committee. A licensee may request a hearing on*
37 *the penalty and that hearing shall be held within 90 days from the*
38 *date of the request. If the order suspending or revoking the license*
39 *or authority to practice is overturned on appeal, any discipline*
40 *ordered pursuant to this section shall automatically cease. Upon*

1 a showing to the administrative law judge or panel by the licensee
2 that the out-of-state action is not a basis for discipline in
3 California, the suspension shall be rescinded. If an accusation for
4 permanent discipline is not filed within 90 days of the suspension
5 imposed pursuant to this section, the suspension shall automatically
6 terminate.

7 (d) The record of the proceedings that resulted in the suspension
8 or revocation of the licensee's out-of-state license or authority to
9 practice, including a transcript of the testimony therein, may be
10 received in evidence.

11 (e) This section shall not apply to a licensee who maintains his
12 or her primary practice in California, as evidenced by having
13 maintained a practice in this state for not less than one year
14 immediately preceding the date of suspension or revocation.
15 Nothing in this section shall preclude a licensee's license from
16 being suspended pursuant to any other provision of law.

17 (f) This section shall not apply to a licensee whose license has
18 been surrendered, whose only discipline is a medical staff
19 disciplinary action at a federal hospital and not for medical
20 disciplinary cause or reason as that term is defined in Section 805,
21 or whose revocation or suspension has been stayed, even if the
22 licensee remains subject to terms of probation or other discipline.

23 (g) This section shall not apply to a suspension or revocation
24 imposed by a state that is based solely on the prior discipline of
25 the licensee by another state.

26 (h) The other provisions of this article setting forth a procedure
27 for the suspension or revocation of a licensee's license or
28 certificate shall not apply to summary suspensions issued pursuant
29 to this section. If a summary suspension has been issued pursuant
30 to this section, the licensee may request that the hearing on the
31 penalty conducted pursuant to subdivision (c) be held at the same
32 time as a hearing on the accusation.

33 (i) If the committee complies with Section 2310 it shall not be
34 subject to the requirements of this section.

35 SEC. 125. Section 3665 is added to the Business and
36 Professions Code, to read:

37 3665. (a) The committee may delegate to its executive officer
38 the authority to adopt a proposed default decision where an
39 administrative action to revoke a license has been filed and the
40 licensee has failed to file a notice of defense or to appear at the

1 hearing and a proposed default decision revoking the license has
2 been issued.

3 (b) The committee may delegate to its executive officer the
4 authority to adopt a proposed settlement agreement where an
5 administrative action to revoke a license has been filed by the
6 committee and the licensee has agreed to the revocation or
7 surrender of his or her license.

8 (c) The executive officer shall, at scheduled committee meetings,
9 report to the committee the number of proposed default decisions
10 or proposed settlement agreements adopted pursuant to this
11 section.

12 SEC. 126. Section 3665.1 is added to the Business and
13 Professions Code, to read:

14 3665.1. (a) Notwithstanding Section 11415.60 of the
15 Government Code, the committee may enter into a settlement with
16 a licensee or applicant in lieu of the issuance of an accusation or
17 statement of issues against that licensee or applicant, as applicable.

18 (b) The settlement shall include language identifying the factual
19 basis for the action being taken and a list of the statutes or
20 regulations violated.

21 (c) A person who enters a settlement pursuant to this section is
22 not precluded from filing a petition, in the timeframe permitted by
23 law, to modify the terms of the settlement or petition for early
24 termination of probation, if probation is part of the settlement.

25 (d) Any settlement against a licensee executed pursuant to this
26 section shall be considered discipline and a public record and
27 shall be posted on the applicable committee's Internet Web site.
28 Any settlement against an applicant executed pursuant to this
29 section shall be considered a public record and shall be posted
30 on the applicable committee's Internet Web site.

31 (e) The executive officer shall, at scheduled committee meetings,
32 report to the committee the number of proposed settlement
33 agreements adopted pursuant to this section.

34 SEC. 127. Section 3665.2 is added to the Business and
35 Professions Code, to read:

36 3665.2. (a) The license of a licensee shall be suspended
37 automatically during any time that the licensee is incarcerated
38 after conviction of a felony, regardless of whether the conviction
39 has been appealed. The committee shall, immediately upon receipt
40 of the certified copy of the record of conviction, determine whether

1 *the license of the licensee has been automatically suspended by*
2 *virtue of his or her incarceration, and if so, the duration of that*
3 *suspension. The committee shall notify the licensee in writing of*
4 *the license suspension and of his or her right to elect to have the*
5 *issue of penalty heard as provided in subdivision (d).*

6 *(b) Upon receipt of the certified copy of the record of conviction,*
7 *if after a hearing before an administrative law judge from the*
8 *Office of Administrative Hearings it is determined that the felony*
9 *for which the licensee was convicted was substantially related to*
10 *the qualifications, functions, or duties of a licensee, the committee*
11 *shall suspend the license until the time for appeal has elapsed, if*
12 *no appeal has been taken, or until the judgment of conviction has*
13 *been affirmed on appeal or has otherwise become final, and until*
14 *further order of the committee.*

15 *(c) Notwithstanding subdivision (b), a conviction of a charge*
16 *of violating any federal statute or regulation or any statute or*
17 *regulation of this state, regulating dangerous drugs or controlled*
18 *substances, or a conviction of Section 187, 261, 262, or 288 of the*
19 *Penal Code, shall be conclusively presumed to be substantially*
20 *related to the qualifications, functions, or duties of a licensee and*
21 *no hearing shall be held on this issue. However, upon its own*
22 *motion or for good cause shown, the committee may decline to*
23 *impose or may set aside the suspension when it appears to be in*
24 *the interest of justice to do so, with due regard to maintaining the*
25 *integrity of, and confidence in, the practice regulated by the*
26 *committee.*

27 *(d) (1) Discipline may be ordered against a licensee in*
28 *accordance with the statutes and regulations of the committee*
29 *when the time for appeal has elapsed, the judgment of conviction*
30 *has been affirmed on appeal, or an order granting probation is*
31 *made suspending the imposition of sentence, irrespective of a*
32 *subsequent order under Section 1203.4 of the Penal Code allowing*
33 *the person to withdraw his or her plea of guilty and to enter a plea*
34 *of not guilty, setting aside the verdict of guilty, or dismissing the*
35 *accusation, complaint, information, or indictment.*

36 *(2) The issue of penalty shall be heard by an administrative law*
37 *judge from the Office of Administrative Hearings. The hearing*
38 *shall not be had until the judgment of conviction has become final*
39 *or, irrespective of a subsequent order under Section 1203.4 of the*
40 *Penal Code, an order granting probation has been made*

1 *suspending the imposition of sentence; except that a licensee may,*
2 *at his or her option, elect to have the issue of penalty decided*
3 *before those time periods have elapsed. Where the licensee so*
4 *elects, the issue of penalty shall be heard in the manner described*
5 *in subdivision (b) at the hearing to determine whether the*
6 *conviction was substantially related to the qualifications, functions,*
7 *or duties of a licensee. If the conviction of a licensee who has made*
8 *this election is overturned on appeal, any discipline ordered*
9 *pursuant to this section shall automatically cease. Nothing in this*
10 *subdivision shall prohibit the board from pursuing disciplinary*
11 *action based on any cause other than the overturned conviction.*

12 *(e) The record of the proceedings resulting in a conviction,*
13 *including a transcript of the testimony in those proceedings, may*
14 *be received in evidence.*

15 *(f) Any other provision of law setting forth a procedure for the*
16 *suspension or revocation of a license issued by the board shall not*
17 *apply to proceedings conducted pursuant to this section.*

18 *SEC. 128. Section 3665.3 is added to the Business and*
19 *Professions Code, to read:*

20 *3665.3. (a) Except as otherwise provided, any proposed*
21 *decision or decision issued in accordance with the procedures set*
22 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
23 *Division 3 of Title 2 of the Government Code, that contains any*
24 *finding of fact that the licensee engaged in any act of sexual contact*
25 *with a patient, as defined in subdivision (c) of Section 729, or any*
26 *finding that the licensee has committed a sex offense, shall contain*
27 *an order revoking the license. The proposed decision shall not*
28 *contain any order staying the revocation of the licensee.*

29 *(b) As used in this section, the term sex offense shall mean any*
30 *of the following:*

31 *(1) Any offense for which registration is required by Section*
32 *290 of the Penal Code or a finding that a person committed such*
33 *an act.*

34 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
35 *or 647(a) or (d) of the Penal Code or a finding that a person*
36 *committed such an act.*

37 *(3) Any attempt to commit any of the offenses specified in this*
38 *section.*

39 *(4) Any offense committed or attempted in any other state or*
40 *against the laws of the United States which, if committed or*

1 attempted in this state, would have been punishable as one or more
2 of the offenses specified in this section.

3 SEC. 129. Section 3665.4 is added to the Business and
4 Professions Code, to read:

5 3665.4. (a) Except as otherwise provided, with regard to an
6 individual who is required to register as a sex offender pursuant
7 to Section 290 of the Penal Code, or the equivalent in another
8 state or territory, under military law, or under federal law, the
9 committee shall be subject to the following requirements:

10 (1) The committee shall deny an application by the individual
11 for licensure in accordance with the procedures set forth in
12 Chapter 5 (commencing with Section 11500) of Part 1 of Division
13 3 of Title 2 of the Government Code.

14 (2) If the individual is licensed under this chapter, the committee
15 shall promptly revoke the license of the individual in accordance
16 with the procedures set forth in Chapter 5 (commencing with
17 Section 11500) of Part 1 of Division 3 of Title 2 of the Government
18 Code. The committee shall not stay the revocation and place the
19 license on probation.

20 (3) The committee shall not reinstate or reissue the individual's
21 license. The board shall not issue a stay of license denial nor place
22 the license on probation.

23 (b) This section shall not apply to any of the following:

24 (1) An individual who has been relieved under Section 290.5 of
25 the Penal Code of his or her duty to register as a sex offender, or
26 whose duty to register has otherwise been formally terminated
27 under California law or the law of the jurisdiction that requires
28 his or her registration as a sex offender.

29 (2) An individual who is required to register as a sex offender
30 pursuant to Section 290 of the Penal Code solely because of a
31 misdemeanor conviction under Section 314 of the Penal Code.
32 However, nothing in this paragraph shall prohibit the committee
33 from exercising its discretion to discipline a licensee under any
34 other provision of state law based upon the licensee's conviction
35 under Section 314 of the Penal Code.

36 (3) Any administrative adjudication proceeding under Chapter
37 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
38 2 of the Government Code that is fully adjudicated prior to January
39 1, 2008. A petition for reinstatement of a revoked or surrendered
40 license shall be considered a new proceeding for purposes of this

1 paragraph, and the prohibition against reinstating a license to an
2 individual who is required to register as a sex offender shall be
3 applicable.

4 SEC. 130. Section 3665.5 is added to the Business and
5 Professions Code, to read:

6 3665.5. (a) Notwithstanding any other provision of law making
7 a communication between a licensee and his or her patients a
8 privileged communication, those provisions shall not apply to
9 investigations or proceedings conducted by the board. Members
10 of the board, deputies, employees, agents, the office of the Attorney
11 General, and representatives of the board shall keep in confidence
12 during the course of investigations the names of any patients whose
13 records are reviewed and may not disclose or reveal those names,
14 except as is necessary during the course of an investigation, unless
15 and until proceedings are instituted. The authority under this
16 subdivision to examine records of patients in the office of a licensee
17 is limited to records of patients who have complained to the board
18 about that licensee.

19 (b) Notwithstanding any other provision of law, the Attorney
20 General and his or her investigative agents, and the committee
21 and its investigators and representatives may inquire into any
22 alleged violation of the laws under the jurisdiction of the committee
23 or any other federal or state law, regulation, or rule relevant to
24 the practice regulated by the committee, whichever is applicable,
25 and may inspect documents relevant to those investigations in
26 accordance with the following procedures:

27 (1) Any document relevant to an investigation may be inspected,
28 and copies may be obtained, where a patient provides written
29 authorization.

30 (2) Any document relevant to the business operations of a
31 licensee, and not involving medical records attributable to
32 identifiable patients, may be inspected and copied where relevant
33 to an investigation of a licensee.

34 (c) In all cases where documents are inspected or copies of
35 those documents are received, their acquisition or review shall be
36 arranged so as not to unnecessarily disrupt the medical and
37 business operations of the licensee or of the facility where the
38 records are kept or used.

39 (d) Where certified documents are lawfully requested from
40 licensees in accordance with this section by the Attorney General

1 or his or her agents or deputies, or investigators of any board, the
2 documents shall be provided within 10 business days of receipt of
3 the request, unless the licensee is unable to provide the certified
4 documents within this time period for good cause, including, but
5 not limited to, physical inability to access the records in the time
6 allowed due to illness or travel. Failure to produce requested
7 certified documents or copies thereof, after being informed of the
8 required deadline, shall constitute unprofessional conduct. The
9 committee may use its authority to cite and fine a licensee for any
10 violation of this section. This remedy is in addition to any other
11 authority of the committee to sanction a licensee for a delay in
12 producing requested records.

13 (e) Searches conducted of the office or medical facility of any
14 licensee shall not interfere with the recordkeeping format or
15 preservation needs of any licensee necessary for the lawful care
16 of patients.

17 (f) The licensee shall cooperate with the board in furnishing
18 information or assistance as may be required, including, but not
19 limited to, participation in an interview with investigators or
20 representatives of the committee.

21 (g) This section shall not apply to a licensee who does not have
22 access to, and control over, certified medical records or other
23 types of documents that belong to or are controlled by a health
24 facility or clinic.

25 SEC. 131. Section 3665.6 is added to the Business and
26 Professions Code, to read:

27 3665.6. (a) (1) Notwithstanding any other provision of law,
28 a licensee who fails or refuses to comply with a request for the
29 certified medical records of a patient that is accompanied by that
30 patient's written authorization for release of records to the
31 committee together with a notice citing this section and describing
32 the penalties for failure to comply with this section shall be
33 required to pay to the board a civil penalty of up to one thousand
34 dollars (\$1,000) per day for each day that the documents have not
35 been produced after the 15th day, up to ten thousand dollars
36 (\$10,000), unless the licensee is unable to provide the documents
37 within this time period for good cause.

38 (2) A health care facility shall comply with a request for the
39 certified medical records of a patient that is accompanied by that
40 patient's written authorization for release of records to the

1 committee together with a notice citing this section and describing
2 the penalties for failure to comply with this section. Failure to
3 provide the authorizing patient's certified medical records to the
4 board within 15 days of receiving the request, authorization, and
5 notice shall subject the health care facility to a civil penalty,
6 payable to the committee, of up to one thousand dollars (\$1,000)
7 per day for each day that the documents have not been produced
8 after the 15th day, up to ten thousand dollars (\$10,000), unless
9 the health care facility is unable to provide the documents within
10 this time period for good cause. This paragraph shall not require
11 health care facilities to assist the committee in obtaining the
12 patient's authorization. The committee shall pay the reasonable
13 costs of copying the certified medical records, but shall not be
14 required to make that payment prior to the production of the
15 medical records.

16 (b) (1) A licensee who fails or refuses to comply with a court
17 order, issued in the enforcement of a subpoena, mandating the
18 release of records to the committee, shall pay to the committee a
19 civil penalty of up to one thousand dollars (\$1,000) per day for
20 each day that the documents have not been produced after the date
21 by which the court order requires the documents to be produced,
22 up to ten thousand dollars (\$10,000), unless it is determined that
23 the order is unlawful or invalid. Any statute of limitations
24 applicable to the filing of an accusation by the committee shall be
25 tolled during the period the licensee is out of compliance with the
26 court order and during any related appeals.

27 (2) Any licensee who fails or refuses to comply with a court
28 order, issued in the enforcement of a subpoena, mandating the
29 release of records to a board is guilty of a misdemeanor punishable
30 by a fine payable to the committee not to exceed five thousand
31 dollars (\$5,000). The fine shall be added to the licensee's renewal
32 fee if it is not paid by the next succeeding renewal date. Any statute
33 of limitations applicable to the filing of an accusation by the
34 committee shall be tolled during the period the licensee is out of
35 compliance with the court order and during any related appeals.

36 (3) A health care facility that fails or refuses to comply with a
37 court order, issued in the enforcement of a subpoena, mandating
38 the release of patient records to the committee, that is accompanied
39 by a notice citing this section and describing the penalties for
40 failure to comply with this section, shall pay to the committee a

1 civil penalty of up to one thousand dollars (\$1,000) per day for
2 each day that the documents have not been produced, up to ten
3 thousand dollars (\$10,000), after the date by which the court order
4 requires the documents to be produced, unless it is determined
5 that the order is unlawful or invalid. Any statute of limitations
6 applicable to the filing of an accusation by the committee against
7 a licensee shall be tolled during the period the health care facility
8 is out of compliance with the court order and during any related
9 appeals.

10 (4) Any health care facility that fails or refuses to comply with
11 a court order, issued in the enforcement of a subpoena, mandating
12 the release of records to a healing arts board is guilty of a
13 misdemeanor punishable by a fine payable to the committee not
14 to exceed five thousand dollars (\$5,000). Any statute of limitations
15 applicable to the filing of an accusation by the committee against
16 a licensee shall be tolled during the period the health care facility
17 is out of compliance with the court order and during any related
18 appeals.

19 (c) Multiple acts by a licensee in violation of subdivision (b)
20 shall be punishable by a fine not to exceed five thousand dollars
21 (\$5,000) or by imprisonment in a county jail not exceeding six
22 months, or by both that fine and imprisonment. Multiple acts by
23 a health care facility in violation of subdivision (b) shall be
24 punishable by a fine not to exceed five thousand dollars (\$5,000),
25 shall be reported to the State Department of Public Health, and
26 shall be considered as grounds for disciplinary action with respect
27 to licensure, including suspension or revocation of the license or
28 certificate.

29 (d) A failure or refusal of a licensee to comply with a court
30 order, issued in the enforcement of a subpoena, mandating the
31 release of records to the committee constitutes unprofessional
32 conduct and is grounds for suspension or revocation of his or her
33 license.

34 (e) Imposition of the civil penalties authorized by this section
35 shall be in accordance with the Administrative Procedure Act
36 (Chapter 5 (commencing with Section 11500) of Division 3 of Title
37 2 of the Government Code). Any civil penalties paid to, or received
38 by, the committee pursuant to this section shall be deposited into
39 the fund administered by the committee.

1 (f) For purposes of this section, “certified medical records”
2 means a copy of the patient’s medical records authenticated by
3 the licensee or health care facility, as appropriate, on a form
4 prescribed by the licensee’s board.

5 (g) For purposes of this section, a “health care facility” means
6 a clinic or health facility licensed or exempt from licensure
7 pursuant to Division 2 (commencing with Section 1200) of the
8 Health and Safety Code.

9 (h) If the committee complies with Section 1684.1, 2225.5, or
10 2969, the committee shall not be subject to the requirements of
11 this section.

12 (i) This section shall not apply to a licensee who does not have
13 access to, or control over, certified medical records or other types
14 of documents that belong to or are controlled by a health facility
15 or clinic.

16 SEC. 132. Section 3665.7 is added to the Business and
17 Professions Code, to read:

18 3665.7. (a) Notwithstanding any other provision of law, any
19 employer of a licensee shall report to the committee the suspension
20 or termination for cause, or any resignation in lieu of suspension
21 or termination for cause, of any licensee in its employ within 15
22 business days. The report shall not be made until after the
23 conclusion of the review process specified in Section 52.3 of Title
24 2 of the California Code of Regulations and *Skelly v. State*
25 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
26 required reporting shall not constitute a waiver of confidentiality
27 of medical records. The information reported or disclosed shall
28 be kept confidential except as provided in subdivision (c) of Section
29 800 and shall not be subject to discovery in civil cases.

30 (b) The information to be reported by the employer shall include
31 the name and license number of the licentiate involved, a
32 description of the facts and circumstances of the suspension or
33 termination for cause, any resignation in lieu of suspension or
34 termination for cause, and any other relevant information deemed
35 appropriate by the employer.

36 (c) The committee shall be entitled to inspect and copy the
37 following documents in the record for any suspension or
38 termination for cause, or any resignation in lieu of suspension or
39 termination for cause, resulting in action that is required to be
40 reported pursuant to this section:

- 1 (1) Any statement for suspension or termination of the licensee.
2 (2) Any document or exhibits relevant to the suspension or
3 termination.
- 4 (d) If, during the investigation by the committee of the cause
5 for the termination or suspension or resignation of the licensee,
6 it is found that there has been a violation of existing state or federal
7 law, the committee shall report the violation to the appropriate
8 agency.
- 9 (e) For purposes of this section, “suspension or termination for
10 cause” or “resignation in lieu of suspension or termination for
11 cause” is defined as resignation, suspension, or termination from
12 employment for any of the following reasons:
- 13 (1) Use of controlled substances or alcohol to the extent that it
14 impairs the licensee’s ability to safely practice.
- 15 (2) Unlawful sale of a controlled substance or other prescription
16 items.
- 17 (3) Patient or client abuse, neglect, physical harm, or sexual
18 contact with a patient or client.
- 19 (4) Gross negligence or incompetence.
- 20 (5) Theft from a patient or client, any other employee, or the
21 employer.
- 22 (f) As used in this section, the following definitions apply:
- 23 (1) “Gross negligence” means a substantial departure from the
24 standard of care, which, under similar circumstances, would have
25 ordinarily been exercised by a competent licensee, and which has
26 or could have resulted in harm to the consumer. An exercise of so
27 slight a degree of care as to justify the belief that there was a
28 conscious disregard or indifference for the health, safety, or
29 welfare of the consumer shall be considered a substantial departure
30 from the standard of care.
- 31 (2) “Incompetence” means the lack of possession of, and the
32 failure to exercise that degree of learning, skill, care, and
33 experience ordinarily possessed by, a responsible licensee.
- 34 (3) “Willful” means a knowing and intentional violation of a
35 known legal duty.
- 36 (g) (1) Willful failure of an employer to make a report required
37 by this section is punishable by an administrative fine not to exceed
38 one hundred thousand dollars (\$100,000) per violation.

1 (2) Any failure of an employer, other than willful failure, to
2 make a report required by this section is punishable by an
3 administrative fine not to exceed fifty thousand dollars (\$50,000).

4 (h) The committee shall investigate the circumstances underlying
5 any report received pursuant to this section within 30 days to
6 determine if an interim suspension order or temporary restraining
7 order should be issued. The board shall otherwise provide timely
8 disposition of the reports received pursuant to this section.

9 (i) The committee shall send to the licentiate a copy of the report
10 along with the reasons for the filing of the report and notice
11 advising the licentiate of his or her right to submit additional
12 statements or other information to the board.

13 (j) Pursuant to Section 43.8 of the Civil Code, no person shall
14 incur any civil penalty as a result of making any report required
15 by this article.

16 (k) No report is required under this section where a report of
17 the action taken is already required under Section 805.

18 SEC. 133. Section 3665.8 is added to the Business and
19 Professions Code, to read:

20 3665.8. Unless otherwise provided, on or after July 1, 2013,
21 the committee shall post on its Internet Web site the following
22 information, including the name and license number, in its
23 possession, custody, or control regarding every licensee for which
24 the committee licenses:

25 (a) With regard to the status of every license, whether or not
26 the licensee or former licensee is in good standing, subject to a
27 temporary restraining order, subject to an interim suspension
28 order, subject to a restriction or cease practice ordered pursuant
29 to Section 23 of the Penal Code, or subject to any of the
30 enforcement actions described in Section 803.1.

31 (b) With regard to prior discipline of a licensee, whether or not
32 the licensee or former licensee has been subject to discipline by
33 the board or by the board of another state or jurisdiction, as
34 described in Section 803.1.

35 (c) Any felony conviction of a licensee reported to the board.

36 (d) All current accusations filed by the Attorney General,
37 including those accusations that are on appeal. For purposes of
38 this paragraph, "current accusation" means an accusation that
39 has not been dismissed, withdrawn, or settled, and has not been

1 *finally decided upon by an administrative law judge and the board*
2 *unless an appeal of that decision is pending.*

3 *(e) Any malpractice judgment or arbitration award imposed*
4 *against a licensee and reported to the committee.*

5 *(f) Any hospital disciplinary action imposed against a licensee*
6 *that resulted in the termination or revocation of a licensee's*
7 *hospital staff privileges for a medical disciplinary cause or reason*
8 *pursuant to Section 3665.8 or 805.*

9 *(g) Any misdemeanor conviction of a licensee that results in a*
10 *disciplinary action or an accusation that is not subsequently*
11 *withdrawn or dismissed.*

12 *(h) Appropriate disclaimers and explanatory statements to*
13 *accompany the above information, including an explanation of*
14 *what types of information are not disclosed. These disclaimers*
15 *and statements shall be developed by the board and shall be*
16 *adopted by regulation.*

17 *(i) The information provided on the Internet shall be in*
18 *accordance with the California Public Records Act (Chapter 3.5*
19 *(commencing with Section 6250) of Division 7 of Title 1 of the*
20 *Government Code) and the Information Practices Act of 1977*
21 *(Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4*
22 *of Division 3 of the Civil Code) and shall comply with the*
23 *Department of Consumer Affairs Guidelines for Access to Public*
24 *Records.*

25 *(j) Information provided on the Internet may not include*
26 *personal information, unless otherwise provided pursuant to this*
27 *chapter, including the home telephone number, date of birth, or*
28 *social security number. The information may not include the*
29 *licensee's address, but may include the city and county of the*
30 *licensee's address of record.*

31 *SEC. 134. Section 3665.9 is added to the Business and*
32 *Professions Code, to read:*

33 *3665.9. (a) Unless otherwise provided, if a licensee possesses*
34 *a license or is otherwise authorized to practice in any state other*
35 *than California or by any agency of the federal government and*
36 *that license or authority is suspended or revoked outright, the*
37 *California license of the licensee shall be suspended automatically*
38 *for the duration of the suspension or revocation, unless terminated*
39 *or rescinded as provided in subdivision (c). The committee shall*

1 *notify the licensee of the license suspension and of his or her right*
2 *to have the issue of penalty heard as provided in this section.*

3 *(b) Upon its own motion or for good cause shown, a committee*
4 *may decline to impose or may set aside the suspension when it*
5 *appears to be in the interest of justice to do so, with due regard*
6 *to maintaining the integrity of, and confidence in, the specific*
7 *healing art.*

8 *(c) The issue of penalty shall be heard by an administrative law*
9 *judge sitting alone or with a panel of the committee, in the*
10 *discretion of the board. A licensee may request a hearing on the*
11 *penalty and that hearing shall be held within 90 days from the*
12 *date of the request. If the order suspending or revoking the license*
13 *or authority to practice is overturned on appeal, any discipline*
14 *ordered pursuant to this section shall automatically cease. Upon*
15 *a showing to the administrative law judge or panel by the licensee*
16 *that the out-of-state action is not a basis for discipline in*
17 *California, the suspension shall be rescinded. If an accusation for*
18 *permanent discipline is not filed within 90 days of the suspension*
19 *imposed pursuant to this section, the suspension shall automatically*
20 *terminate.*

21 *(d) The record of the proceedings that resulted in the suspension*
22 *or revocation of the licensee's out-of-state license or authority to*
23 *practice, including a transcript of the testimony therein, may be*
24 *received in evidence.*

25 *(e) This section shall not apply to a licensee who maintains his*
26 *or her primary practice in California, as evidenced by having*
27 *maintained a practice in this state for not less than one year*
28 *immediately preceding the date of suspension or revocation.*
29 *Nothing in this section shall preclude a licensee's license from*
30 *being suspended pursuant to any other provision of law.*

31 *(f) This section shall not apply to a licensee whose license has*
32 *been surrendered, whose only discipline is a medical staff*
33 *disciplinary action at a federal hospital and not for medical*
34 *disciplinary cause or reason as that term is defined in Section 805,*
35 *or whose revocation or suspension has been stayed, even if the*
36 *licensee remains subject to terms of probation or other discipline.*

37 *(g) This section shall not apply to a suspension or revocation*
38 *imposed by a state that is based solely on the prior discipline of*
39 *the licensee by another state.*

1 (h) *The other provisions of this article setting forth a procedure*
2 *for the suspension or revocation of a licensee's license or*
3 *certificate shall not apply to summary suspensions issued pursuant*
4 *to this section. If a summary suspension has been issued pursuant*
5 *to this section, the licensee may request that the hearing on the*
6 *penalty conducted pursuant to subdivision (c) be held at the same*
7 *time as a hearing on the accusation.*

8 (i) *A board that complies with Section 2310 shall not be subject*
9 *to the requirements of this section.*

10 SEC. 135. *Section 3769.4 is added to the Business and*

16 *hearing and a proposed default decision revoking the license has*
17 *been issued.*

18 (b) *The board may delegate to its executive officer the authority*
19 *to adopt a proposed settlement agreement where an administrative*
20 *action to revoke a license has been filed by the board and the*
21 *licensee has agreed to the revocation or surrender of his or her*
22 *license.*

23 (c) *The executive officer shall, at scheduled board meetings,*
24 *report to the board the number of proposed default decisions or*

26 SEC. 136. *Section 3769.5 is added to the Business and*

28 3769.5. (a) *Notwithstanding Section 11415.60 of the*

31 *statement of issues against that licensee or applicant, as applicable.*

32 (b) *The settlement shall include language identifying the factual*
33 *basis for the action being taken and a list of the statutes or*
34 *regulations violated.*

35 (c) *A person who enters a settlement pursuant to this section is*
36 *not precluded from filing a petition, in the timeframe permitted by*

38 *termination of probation, if probation is part of the settlement.*

39 (d) *Any settlement against a licensee executed pursuant to this*

8 SEC. 137. Section 3769.6 is added to the Business and
9 Professions Code, to read:

10 3769.6. (a) The license of a licensee shall be suspended
11 automatically during any time that the licensee is incarcerated
12 after conviction of a felony, regardless of whether the conviction
13 has been appealed. The board shall, immediately upon receipt of
14 the certified copy of the record of conviction, determine whether
15 the license of the licensee has been automatically suspended by
16 virtue of his or her incarceration, and if so, the duration of that
17 suspension. The board shall notify the licensee in writing of the
18 license suspension and of his or her right to elect to have the issue
19 of penalty heard as provided in subdivision (d).

20 (b) Upon receipt of the certified copy of the record of conviction,
21 if after a hearing before an administrative law judge from the
22 Office of Administrative Hearings it is determined that the felony
23 for which the licensee was convicted was substantially related to
24 the qualifications, functions, or duties of a licensee, the board
25 shall suspend the license until the time for appeal has elapsed, if
26 no appeal has been taken, or until the judgment of conviction has
27 been affirmed on appeal or has otherwise become final, and until
28 further order of the board.

29 (c) Notwithstanding subdivision (b), a conviction of a charge
30 of violating any federal statute or regulation or any statute or
31 regulation of this state, regulating dangerous drugs or controlled
32 substances, or a conviction of Section 187, 261, 262, or 288 of the
33 Penal Code, shall be conclusively presumed to be substantially
34 related to the qualifications, functions, or duties of a licensee and
35 no hearing shall be held on this issue. However, upon its own
36 motion or for good cause shown, the board may decline to impose
37 or may set aside the suspension when it appears to be in the interest
38 of justice to do so, with due regard to maintaining the integrity of,
39 and confidence in, the practice regulated by the board.

1 (d) (1) *Discipline may be ordered against a licensee in*
2 *accordance with the statutes and regulations of the board when*
3 *the time for appeal has elapsed, the judgment of conviction has*
4 *been affirmed on appeal, or an order granting probation is made*
5 *suspending the imposition of sentence, irrespective of a subsequent*
6 *order under Section 1203.4 of the Penal Code allowing the person*
7 *to withdraw his or her plea of guilty and to enter a plea of not*
8 *guilty, setting aside the verdict of guilty, or dismissing the*
9 *accusation, complaint, information, or indictment.*

10 (2) *The issue of penalty shall be heard by an administrative law*
11 *judge from the Office of Administrative Hearings. The hearing*
12 *shall not be had until the judgment of conviction has become final*
13 *or, irrespective of a subsequent order under Section 1203.4 of the*
14 *Penal Code, an order granting probation has been made*
15 *suspending the imposition of sentence; except that a licensee may,*
16 *at his or her option, elect to have the issue of penalty decided*
17 *before those time periods have elapsed. Where the licensee so*
18 *elects, the issue of penalty shall be heard in the manner described*
19 *in subdivision (b) at the hearing to determine whether the*
20 *conviction was substantially related to the qualifications, functions,*
21 *or duties of a licensee. If the conviction of a licensee who has made*
22 *this election is overturned on appeal, any discipline ordered*
23 *pursuant to this section shall automatically cease. Nothing in this*
24 *subdivision shall prohibit the board from pursuing disciplinary*
25 *action based on any cause other than the overturned conviction.*

26 (e) *The record of the proceedings resulting in a conviction,*
27 *including a transcript of the testimony in those proceedings, may*
28 *be received in evidence.*

29 (f) *Any other provision of law setting forth a procedure for the*
30 *suspension or revocation of a license issued by the board shall not*
31 *apply to proceedings conducted pursuant to this section.*

32 SEC. 138. *Section 3769.7 is added to the Business and*
33 *Professions Code, to read:*

34 3769.7. (a) *Except as otherwise provided, any proposed*
35 *decision or decision issued in accordance with the procedures set*
36 *forth in Chapter 5 (commencing with Section 11500) of Part 1 of*
37 *Division 3 of Title 2 of the Government Code, that contains any*
38 *finding of fact that the licensee engaged in any act of sexual contact*
39 *with a patient, as defined in subdivision (c) of Section 729, or any*
40 *finding that the licensee has committed a sex offense, shall contain*

1 *an order revoking the license. The proposed decision shall not*
2 *contain any order staying the revocation of the licensee.*

3 *(b) As used in this section, the term sex offense shall mean any*
4 *of the following:*

5 *(1) Any offense for which registration is required by Section*
6 *290 of the Penal Code or a finding that a person committed such*
7 *an act.*

8 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
9 *or 647(a) or (d) of the Penal Code or a finding that a person*
10 *committed such an act.*

11 *(3) Any attempt to commit any of the offenses specified in this*
12 *section.*

13 *(4) Any offense committed or attempted in any other state or*
14 *against the laws of the United States which, if committed or*
15 *attempted in this state, would have been punishable as one or more*
16 *of the offenses specified in this section.*

17 *SEC. 139. Section 3769.8 is added to the Business and*
18 *Professions Code, to read:*

19 *3769.8. (a) Except as otherwise provided, with regard to an*
20 *individual who is required to register as a sex offender pursuant*
21 *to Section 290 of the Penal Code, or the equivalent in another*
22 *state or territory, under military law, or under federal law, the*
23 *board shall be subject to the following requirements:*

24 *(1) The board shall deny an application by the individual for*
25 *licensure in accordance with the procedures set forth in Chapter*
26 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
27 *2 of the Government Code.*

28 *(2) If the individual is licensed under this chapter, the board*
29 *shall promptly revoke the license of the individual in accordance*
30 *with the procedures set forth in Chapter 5 (commencing with*
31 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*
32 *Code. The board shall not stay the revocation and place the license*
33 *on probation.*

34 *(3) The board shall not reinstate or reissue the individual's*
35 *license. The board shall not issue a stay of license denial nor place*
36 *the license on probation.*

37 *(b) This section shall not apply to any of the following:*

38 *(1) An individual who has been relieved under Section 290.5 of*
39 *the Penal Code of his or her duty to register as a sex offender, or*
40 *whose duty to register has otherwise been formally terminated*

1 under California law or the law of the jurisdiction that requires
2 his or her registration as a sex offender.

3 (2) An individual who is required to register as a sex offender
4 pursuant to Section 290 of the Penal Code solely because of a
5 misdemeanor conviction under Section 314 of the Penal Code.
6 However, nothing in this paragraph shall prohibit the board from
7 exercising its discretion to discipline a licensee under any other
8 provision of state law based upon the licensee's conviction under
9 Section 314 of the Penal Code.

10 (3) Any administrative adjudication proceeding under Chapter
11 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
12 2 of the Government Code that is fully adjudicated prior to January
13 1, 2008. A petition for reinstatement of a revoked or surrendered
14 license shall be considered a new proceeding for purposes of this
15 paragraph, and the prohibition against reinstating a license to an
16 individual who is required to register as a sex offender shall be
17 applicable.

18 SEC. 140. Section 3769.9 is added to the Business and
19 Professions Code, to read:

20 3769.9. Unless otherwise provided, on or after July 1, 2013,
21 the board shall post on its Internet Web site the following
22 information in its possession, custody, or control regarding every
23 licensee for which the board licenses:

24 (a) With regard to the status of every license, whether or not
25 the licensee or former licensee is in good standing, subject to a
26 temporary restraining order, subject to an interim suspension
27 order, subject to a restriction or cease practice ordered pursuant
28 to Section 23 of the Penal Code, or subject to any of the
29 enforcement actions described in Section 803.1.

30 (b) With regard to prior discipline of a licensee, whether or not
31 the licensee or former licensee has been subject to discipline by
32 the board or by the board of another state or jurisdiction, as
33 described in Section 803.1.

34 (c) Any felony conviction of a licensee reported to the board.

35 (d) All current accusations filed by the Attorney General,
36 including those accusations that are on appeal. For purposes of
37 this paragraph, "current accusation" means an accusation that
38 has not been dismissed, withdrawn, or settled, and has not been
39 finally decided upon by an administrative law judge and the board
40 unless an appeal of that decision is pending.

- 1 (e) Any malpractice judgment or arbitration award imposed
2 against a licensee and reported to the healing arts board.
- 3 (f) Any hospital disciplinary action imposed against a licensee
4 that resulted in the termination or revocation of a licensee's
5 hospital staff privileges for a medical disciplinary cause or reason
6 pursuant to Section 805.
- 7 (g) Any misdemeanor conviction of a licensee that results in a
8 disciplinary action or an accusation that is not subsequently
9 withdrawn or dismissed.
- 10 (h) Appropriate disclaimers and explanatory statements to
11 accompany the above information, including an explanation of
12 what types of information are not disclosed. These disclaimers
13 and statements shall be developed by the board and shall be
14 adopted by regulation.
- 15 (i) The information provided on the Internet shall be in
16 accordance with the California Public Records Act (Chapter 3.5
17 (commencing with Section 6250) of Division 7 of Title 1 of the
18 Government Code) and the Information Practices Act of 1977
19 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4
20 of Division 3 of the Civil Code) and shall comply with the
21 Department of Consumer Affairs Guidelines for Access to Public
22 Records.
- 23 (j) Information provided on the Internet may not include
24 personal information, unless otherwise provided pursuant to this
25 chapter, including the home telephone number, date of birth, or
26 social security number. The information may not include the
27 licensee's address, but may include the city and county of the
28 licensee's address of record.
- 29 SEC. 141. Section 3796.10 is added to the Business and
30 Professions Code, to read:
- 31 3796.10. (a) Unless otherwise provided, if a licensee possesses
32 a license or is otherwise authorized to practice in any state other
33 than California or by any agency of the federal government and
34 that license or authority is suspended or revoked outright, the
35 California license of the licensee shall be suspended automatically
36 for the duration of the suspension or revocation, unless terminated
37 or rescinded as provided in subdivision (c). The healing arts board
38 shall notify the licensee of the license suspension and of his or her
39 right to have the issue of penalty heard as provided in this section.

1 **(b)** *Upon its own motion or for good cause shown, a healing*
2 *arts board may decline to impose or may set aside the suspension*
3 *when it appears to be in the interest of justice to do so, with due*
4 *regard to maintaining the integrity of, and confidence in, the*
5 *specific healing art.*

6 **(c)** *The issue of penalty shall be heard by an administrative law*
7 *judge sitting alone or with a panel of the board, in the discretion*
8 *of the board. A licensee may request a hearing on the penalty and*
9 *that hearing shall be held within 90 days from the date of the*
10 *request. If the order suspending or revoking the license or authority*
11 *to practice is overturned on appeal, any discipline ordered*
12 *pursuant to this section shall automatically cease. Upon a showing*
13 *to the administrative law judge or panel by the licensee that the*
14 *out-of-state action is not a basis for discipline in California, the*
15 *suspension shall be rescinded. If an accusation for permanent*
16 *discipline is not filed within 90 days of the suspension imposed*
17 *pursuant to this section, the suspension shall automatically*
18 *terminate.*

19 **(d)** *The record of the proceedings that resulted in the suspension*
20 *or revocation of the licensee's out-of-state license or authority to*
21 *practice, including a transcript of the testimony therein, may be*
22 *received in evidence.*

23 **(e)** *This section shall not apply to a licensee who maintains his*
24 *or her primary practice in California, as evidenced by having*
25 *maintained a practice in this state for not less than one year*
26 *immediately preceding the date of suspension or revocation.*
27 *Nothing in this section shall preclude a licensee's license from*
28 *being suspended pursuant to any other provision of law.*

29 **(f)** *This section shall not apply to a licensee whose license has*
30 *been surrendered, whose only discipline is a medical staff*
31 *disciplinary action at a federal hospital and not for medical*
32 *disciplinary cause or reason as that term is defined in Section 805,*
33 *or whose revocation or suspension has been stayed, even if the*
34 *licensee remains subject to terms of probation or other discipline.*

35 **(g)** *This section shall not apply to a suspension or revocation*
36 *imposed by a state that is based solely on the prior discipline of*
37 *the licensee by another state.*

38 **(h)** *The other provisions of this article setting forth a procedure*
39 *for the suspension or revocation of a licensee's license or*
40 *certificate shall not apply to summary suspensions issued pursuant*

1 to this section. If a summary suspension has been issued pursuant
2 to this section, the licensee may request that the hearing on the
3 penalty conducted pursuant to subdivision (c) be held at the same
4 time as a hearing on the accusation.

5 (i) A board that complies with Section 2310 shall not be subject
6 to the requirements of this section.

7 SEC. 142. Section 4316 is added to the Business and
8 Professions Code, to read:

9 4316. (a) The board may delegate to its executive officer the
10 authority to adopt a proposed default decision where an
11 administrative action to revoke a license has been filed and the
12 licensee has failed to file a notice of defense or to appear at the
13 hearing and a proposed default decision revoking the license has
14 been issued.

15 (b) The board may delegate to its executive officer the authority
16 to adopt a proposed settlement agreement where an administrative
17 action to revoke a license has been filed by the board and the
18 licensee has agreed to the revocation or surrender of his or her
19 license.

20 (c) The executive officer shall, at scheduled board meetings,
21 report to the board the number of proposed default decisions or
22 proposed settlement agreements adopted pursuant to this section.

23 SEC. 143. Section 4316.1 is added to the Business and
24 Professions Code, to read:

25 4316.1. (a) Notwithstanding Section 11415.60 of the
26 Government Code, the board may enter into a settlement with a
27 licensee or applicant in lieu of the issuance of an accusation or
28 statement of issues against that licensee or applicant, as applicable.

29 (b) The settlement shall include language identifying the factual
30 basis for the action being taken and a list of the statutes or
31 regulations violated.

32 (c) A person who enters a settlement pursuant to this section is
33 not precluded from filing a petition, in the timeframe permitted by
34 law, to modify the terms of the settlement or petition for early
35 termination of probation, if probation is part of the settlement.

36 (d) Any settlement against a licensee executed pursuant to this
37 section shall be considered discipline and a public record and
38 shall be posted on the applicable board's Internet Web site. Any
39 settlement against an applicant executed pursuant to this section

1 shall be considered a public record and shall be posted on the
2 applicable board's Internet Web site.

3 (e) The executive officer shall, at scheduled board meetings,
4 report to the board the number of proposed settlement agreements
5 adopted pursuant to this section.

6 SEC. 144. Section 4316.2 is added to the Business and
7 Professions Code, to read:

8 4316.2. (a) The license of a licensee shall be suspended
9 automatically during any time that the licensee is incarcerated
10 after conviction of a felony, regardless of whether the conviction
11 has been appealed. The board shall, immediately upon receipt of
12 the certified copy of the record of conviction, determine whether
13 the license of the licensee has been automatically suspended by
14 virtue of his or her incarceration, and if so, the duration of that
15 suspension. The board shall notify the licensee in writing of the
16 license suspension and of his or her right to elect to have the issue
17 of penalty heard as provided in subdivision (d).

18 (b) Upon receipt of the certified copy of the record of conviction,
19 if after a hearing before an administrative law judge from the
20 Office of Administrative Hearings it is determined that the felony
21 for which the licensee was convicted was substantially related to
22 the qualifications, functions, or duties of a licensee, the board
23 shall suspend the license until the time for appeal has elapsed, if
24 no appeal has been taken, or until the judgment of conviction has
25 been affirmed on appeal or has otherwise become final, and until
26 further order of the board.

27 (c) Notwithstanding subdivision (b), a conviction of a charge
28 of violating any federal statute or regulation or any statute or
29 regulation of this state, regulating dangerous drugs or controlled
30 substances, or a conviction of Section 187, 261, 262, or 288 of the
31 Penal Code, shall be conclusively presumed to be substantially
32 related to the qualifications, functions, or duties of a licensee and
33 no hearing shall be held on this issue. However, upon its own
34 motion or for good cause shown, the board may decline to impose
35 or may set aside the suspension when it appears to be in the interest
36 of justice to do so, with due regard to maintaining the integrity of,
37 and confidence in, the practice regulated by the board.

38 (d) (1) Discipline may be ordered against a licensee in
39 accordance with the statutes and regulations of the board when
40 the time for appeal has elapsed, the judgment of conviction has

1 *been affirmed on appeal, or an order granting probation is made*
2 *suspending the imposition of sentence, irrespective of a subsequent*
3 *order under Section 1203.4 of the Penal Code allowing the person*
4 *to withdraw his or her plea of guilty and to enter a plea of not*
5 *guilty, setting aside the verdict of guilty, or dismissing the*
6 *accusation, complaint, information, or indictment.*

7 *(2) The issue of penalty shall be heard by an administrative law*
8 *judge from the Office of Administrative Hearings. The hearing*
9 *shall not be had until the judgment of conviction has become final*
10 *or, irrespective of a subsequent order under Section 1203.4 of the*
11 *Penal Code, an order granting probation has been made*
12 *suspending the imposition of sentence; except that a licensee may,*
13 *at his or her option, elect to have the issue of penalty decided*
14 *before those time periods have elapsed. Where the licensee so*
15 *elects, the issue of penalty shall be heard in the manner described*
16 *in subdivision (b) at the hearing to determine whether the*
17 *conviction was substantially related to the qualifications, functions,*
18 *or duties of a licensee. If the conviction of a licensee who has made*
19 *this election is overturned on appeal, any discipline ordered*
20 *pursuant to this section shall automatically cease. Nothing in this*
21 *subdivision shall prohibit the board from pursuing disciplinary*
22 *action based on any cause other than the overturned conviction.*

23 *(e) The record of the proceedings resulting in a conviction,*
24 *including a transcript of the testimony in those proceedings, may*
25 *be received in evidence.*

26 *(f) Any other provision of law setting forth a procedure for the*
27 *suspension or revocation of a license issued by the board shall not*
28 *apply to proceedings conducted pursuant to this section.*

29 *SEC. 145. Section 4316.3 is added to the Business and*

32 (c) *Any felony conviction of a licensee reported to the board.*

33 (d) *All current accusations filed by the Attorney General,*

38 *unless an appeal of that decision is pending.*

6 disciplinary action or an accusation that is not subsequently

12 adopted by regulation.

13 (i) The information provided on the Internet shall be in
14 accordance with the California Public Records Act (Chapter 3.5
15 commencing with Section 6250) of Division 7 of Title 1 of the
16 Government Code) and the Information Practices Act of 1977
17 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4
18 of Division 3 of the Civil Code) and shall comply with the
19 Department of Consumer Affairs Guidelines for Access to Public
20 Records.

21 (j) Information provided on the Internet may not include
22 personal information, unless otherwise provided pursuant to this
23 chapter, including the home telephone number, date of birth, or
24 social security number. The information may not include the

26 licensee's address of record.

27 SEC. 148. Section 4316.6 is added to the Business and
28 Professions Code, to read:

29 4316.6. (a) Unless otherwise provided, if a licensee possesses
30 a license or is otherwise authorized to practice in any state other
31 than California or by any agency of the federal government and
32 that license or authority is suspended or revoked outright, the
33 California license of the licensee shall be suspended automatically
34 for the duration of the suspension or revocation, unless terminated
35 or rescinded as provided in subdivision (c). The healing arts board
36 shall notify the licensee of the license suspension and of his or her
37 right to have the issue of penalty heard as provided in this section.

38 (b) Upon its own motion or for good cause shown, a healing
39 arts board may decline to impose or may set aside the suspension
40 when it appears to be in the interest of justice to do so, with due

1 regard to maintaining the integrity of, and confidence in, the
2 specific healing art.

3 (c) The issue of penalty shall be heard by an administrative law
4 judge sitting alone or with a panel of the board, in the discretion
5 of the board. A licensee may request a hearing on the penalty and
6 that hearing shall be held within 90 days from the date of the
7 request. If the order suspending or revoking the license or authority
8 to practice is overturned on appeal, any discipline ordered
9 pursuant to this section shall automatically cease. Upon a showing
10 to the administrative law judge or panel by the licensee that the
11 out-of-state action is not a basis for discipline in California, the
12 suspension shall be rescinded. If an accusation for permanent
13 discipline is not filed within 90 days of the suspension imposed
14 pursuant to this section, the suspension shall automatically
15 terminate.

16 (d) The record of the proceedings that resulted in the suspension
17 or revocation of the licensee's out-of-state license or authority to
18 practice, including a transcript of the testimony therein, may be
19 received in evidence.

20 (e) This section shall not apply to a licensee who maintains his
21 or her primary practice in California, as evidenced by having
22 maintained a practice in this state for not less than one year
23 immediately preceding the date of suspension or revocation.
24 Nothing in this section shall preclude a licensee's license from
25 being suspended pursuant to any other provision of law.

26 (f) This section shall not apply to a licensee whose license has
27 been surrendered, whose only discipline is a medical staff
28 disciplinary action at a federal hospital and not for medical
29 disciplinary cause or reason as that term is defined in Section 805,
30 or whose revocation or suspension has been stayed, even if the
31 licensee remains subject to terms of probation or other discipline.

32 (g) This section shall not apply to a suspension or revocation
33 imposed by a state that is based solely on the prior discipline of
34 the licensee by another state.

35 (h) The other provisions of this article setting forth a procedure
36 for the suspension or revocation of a licensee's license or
37 certificate shall not apply to summary suspensions issued pursuant
38 to this section. If a summary suspension has been issued pursuant
39 to this section, the licensee may request that the hearing on the

1 *penalty conducted pursuant to subdivision (c) be held at the same*
2 *time as a hearing on the accusation.*

3 *(i) A board that complies with Section 2310 shall not be subject*
4 *to the requirements of this section.*

5 *SEC. 149. Section 4375 is added to the Business and*

18 *The board and its staff shall cooperate with the audit, and the*
19 *board shall provide data, information, and case files as requested*
20 *by the auditor to perform all of its duties. The provision of*
21 *confidential data, information, and case files by the board to the*
22 *auditor shall not constitute a waiver of any exemption from*
23 *disclosure or discovery or of any confidentiality protection or*
24 *privilege otherwise provided by law that is applicable to the data,*
25 *information, or case files.*

26 *(b) It is the intent of the Legislature that the audit shall be paid*
27 *for with funds from the Pharmacy Board Contingent Fund.*

28 *SEC. 150. Section 4526 is added to the Business and*
29 *Professions Code, to read:*

30 *4526. (a) The board may delegate to its executive officer the*
31 *authority to adopt a proposed default decision where an*
32 *administrative action to revoke a license has been filed and the*
33 *licensee has failed to file a notice of defense or to appear at the*
34 *hearing and a proposed default decision revoking the license has*
35 *been issued.*

36 *(b) The board may delegate to its executive officer the authority*
37 *to adopt a proposed settlement agreement where an administrative*
38 *action to revoke a license has been filed by the board and the*
39 *licensee has agreed to the revocation or surrender of his or her*
40 *license.*

1 (c) *The executive officer shall, at scheduled board meetings,*
2 *report to the board the number of proposed default decisions or*
3 *proposed settlement agreements adopted pursuant to this section.*

4 *SEC. 151. Section 4526.1 is added to the Business and*
5 *Professions Code, to read:*

6 *4526.1. (a) Notwithstanding Section 11415.60 of the*
7 *Government Code, the board may enter into a settlement with a*
8 *licensee or applicant in lieu of the issuance of an accusation or*
9 *statement of issues against that licensee or applicant, as applicable.*

10 *(b) The settlement shall include language identifying the factual*
11 *basis for the action being taken and a list of the statutes or*
12 *regulations violated.*

13 *(c) A person who enters a settlement pursuant to this section is*
14 *not precluded from filing a petition, in the timeframe permitted by*
15 *law, to modify the terms of the settlement or petition for early*
16 *termination of probation, if probation is part of the settlement.*

17 *(d) Any settlement against a licensee executed pursuant to this*
18 *section shall be considered discipline and a public record and*
19 *shall be posted on the applicable board's Internet Web site. Any*
20 *settlement against an applicant executed pursuant to this section*
21 *shall be considered a public record and shall be posted on the*
22 *applicable board's Internet Web site.*

23 *(e) The executive officer shall, at scheduled board meetings,*
24 *report to the board the number of proposed settlement agreements*
25 *adopted pursuant to this section.*

26 *SEC. 152. Section 4526.2 is added to the Business and*
27 *Professions Code, to read:*

28 *4526.2. (a) The license of a licensee shall be suspended*
29 *automatically during any time that the licensee is incarcerated*
30 *after conviction of a felony, regardless of whether the conviction*
31 *has been appealed. The board shall, immediately upon receipt of*
32 *the certified copy of the record of conviction, determine whether*
33 *the license of the licensee has been automatically suspended by*
34 *virtue of his or her incarceration, and if so, the duration of that*
35 *suspension. The board shall notify the licensee in writing of the*
36 *license suspension and of his or her right to elect to have the issue*
37 *of penalty heard as provided in subdivision (d).*

38 *(b) Upon receipt of the certified copy of the record of conviction,*
39 *if after a hearing before an administrative law judge from the*
40 *Office of Administrative Hearings it is determined that the felony*

1 *for which the licensee was convicted was substantially related to*
2 *the qualifications, functions, or duties of a licensee, the board*
3 *shall suspend the license until the time for appeal has elapsed, if*
4 *no appeal has been taken, or until the judgment of conviction has*
5 *been affirmed on appeal or has otherwise become final, and until*
6 *further order of the board.*

7 *(c) Notwithstanding subdivision (b), a conviction of a charge*
8 *of violating any federal statute or regulation or any statute or*
9 *regulation of this state, regulating dangerous drugs or controlled*
10 *substances, or a conviction of Section 187, 261, 262, or 288 of the*
11 *Penal Code, shall be conclusively presumed to be substantially*
12 *related to the qualifications, functions, or duties of a licensee and*
13 *no hearing shall be held on this issue. However, upon its own*
14 *motion or for good cause shown, the board may decline to impose*
15 *or may set aside the suspension when it appears to be in the interest*
16 *of justice to do so, with due regard to maintaining the integrity of,*
17 *and confidence in, the practice regulated by the board.*

18 *(d) (1) Discipline may be ordered against a licensee in*
19 *accordance with the statutes and regulations of the board when*
20 *the time for appeal has elapsed, the judgment of conviction has*
21 *been affirmed on appeal, or an order granting probation is made*
22 *suspending the imposition of sentence, irrespective of a subsequent*
23 *order under Section 1203.4 of the Penal Code allowing the person*
24 *to withdraw his or her plea of guilty and to enter a plea of not*
25 *guilty, setting aside the verdict of guilty, or dismissing the*
26 *accusation, complaint, information, or indictment.*

27 *(2) The issue of penalty shall be heard by an administrative law*
28 *judge from the Office of Administrative Hearings. The hearing*
29 *shall not be had until the judgment of conviction has become final*
30 *or, irrespective of a subsequent order under Section 1203.4 of the*
31 *Penal Code, an order granting probation has been made*
32 *suspending the imposition of sentence; except that a licensee may,*
33 *at his or her option, elect to have the issue of penalty decided*
34 *before those time periods have elapsed. Where the licensee so*
35 *elects, the issue of penalty shall be heard in the manner described*
36 *in subdivision (b) at the hearing to determine whether the*
37 *conviction was substantially related to the qualifications, functions,*
38 *or duties of a licensee. If the conviction of a licensee who has made*
39 *this election is overturned on appeal, any discipline ordered*
40 *pursuant to this section shall automatically cease. Nothing in this*

1 subdivision shall prohibit the board from pursuing disciplinary
2 action based on any cause other than the overturned conviction.

3 (e) The record of the proceedings resulting in a conviction,
4 including a transcript of the testimony in those proceedings, may
5 be received in evidence.

6 (f) Any other provision of law setting forth a procedure for the
7 suspension or revocation of a license issued by the board shall not
8 apply to proceedings conducted pursuant to this section.

9 SEC. 153. Section 4526.3 is added to the Business and
10 Professions Code, to read:

11 4526.3. (a) Except as otherwise provided, any proposed
12 decision or decision issued in accordance with the procedures set
13 forth in Chapter 5 (commencing with Section 11500) of Part 1 of
14 Division 3 of Title 2 of the Government Code, that contains any
15 finding of fact that the licensee engaged in any act of sexual contact
16 with a patient, as defined in subdivision (c) of Section 729, or any
17 finding that the licensee has committed a sex offense, shall contain
18 an order revoking the license. The proposed decision shall not
19 contain any order staying the revocation of the licensee.

20 (b) As used in this section, the term sex offense shall mean any
21 of the following:

22 (1) Any offense for which registration is required by Section
23 290 of the Penal Code or a finding that a person committed such

27 committed such an act.

28 (3) Any attempt to commit any of the offenses specified in this
29 section.

30 (4) Any offense committed or attempted in any other state or
31 against the laws of the United States which, if committed or
32 attempted in this state, would have been punishable as one or more
33 of the offenses specified in this section.

34 SEC. 154. Section 4526.4 is added to the Business and
35 Professions Code, to read:

36 4526.4. (a) Except as otherwise provided, with regard to an
37 individual who is required to register as a sex offender pursuant
38 to Section 290 of the Penal Code, or the equivalent in another
39 state or territory, under military law, or under federal law, the
40 board shall be subject to the following requirements:

1 (1) *The board shall deny an application by the individual for*
2 *licensure in accordance with the procedures set forth in Chapter*
3 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
4 *2 of the Government Code.*

5 (2) *If the individual is licensed under this chapter, the board*
6 *shall promptly revoke the license of the individual in accordance*
7 *with the procedures set forth in Chapter 5 (commencing with*
8 *Section 11500) of Part 1 of Division 3 of Title 2 of the Government*
9 *Code. The board shall not stay the revocation and place the license*
10 *on probation.*

11 (3) *The board shall not reinstate or reissue the individual's*
12 *license. The board shall not issue a stay of license denial nor place*
13 *the license on probation.*

14 **(b)** *This section shall not apply to any of the following:*

15 (1) *An individual who has been relieved under Section 290.5 of*
16 *the Penal Code of his or her duty to register as a sex offender, or*
17 *whose duty to register has otherwise been formally terminated*
18 *under California law or the law of the jurisdiction that requires*
19 *his or her registration as a sex offender.*

20 (2) *An individual who is required to register as a sex offender*
21 *pursuant to Section 290 of the Penal Code solely because of a*
22 *misdemeanor conviction under Section 314 of the Penal Code.*
23 *However, nothing in this paragraph shall prohibit the board from*
24 *exercising its discretion to discipline a licensee under any other*
25 *provision of state law based upon the licensee's conviction under*
26 *Section 314 of the Penal Code.*

27 (3) *Any administrative adjudication proceeding under Chapter*
28 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
29 *2 of the Government Code that is fully adjudicated prior to January*
30 *1, 2008. A petition for reinstatement of a revoked or surrendered*
31 *license shall be considered a new proceeding for purposes of this*
32 *paragraph, and the prohibition against reinstating a license to an*
33 *individual who is required to register as a sex offender shall be*
34 *applicable.*

35 **SEC. 155.** *Section 4526.5 is added to the Business and*
36 *Professions Code, to read:*

37 **4526.5.** *(a) Notwithstanding any other provision of law making*
38 *a communication between a licensee and his or her patients a*
39 *privileged communication, those provisions shall not apply to*
40 *investigations or proceedings conducted by the board. Members*

1 of the board, deputies, employees, agents, the office of the Attorney
2 General, and representatives of the board shall keep in confidence
3 during the course of investigations the names of any patients whose
4 records are reviewed and may not disclose or reveal those names,
5 except as is necessary during the course of an investigation, unless
6 and until proceedings are instituted. The authority under this
7 subdivision to examine records of patients in the office of a licensee
8 is limited to records of patients who have complained to the board
9 about that licensee.

10 (b) Notwithstanding any other provision of law, the Attorney
11 General and his or her investigative agents, and the board and its
12 investigators and representatives may inquire into any alleged
13 violation of the laws under the jurisdiction of the board or any
14 other federal or state law, regulation, or rule relevant to the
15 practice regulated by the board, whichever is applicable, and may
16 inspect documents relevant to those investigations in accordance
17 with the following procedures:

18 (1) Any document relevant to an investigation may be inspected,
19 and copies may be obtained, where a patient provides written
20 authorization.

21 (2) Any document relevant to the business operations of a
22 licensee, and not involving medical records attributable to
23 identifiable patients, may be inspected and copied where relevant
24 to an investigation of a licensee.

25 (c) In all cases where documents are inspected or copies of
26 those documents are received, their acquisition or review shall be
27 arranged so as not to unnecessarily disrupt the medical and
28 business operations of the licensee or of the facility where the
29 records are kept or used.

30 (d) Where certified documents are lawfully requested from
31 licensees in accordance with this section by the Attorney General
32 or his or her agents or deputies, or investigators of any board, the
33 documents shall be provided within 10 business days of receipt of
34 the request, unless the licensee is unable to provide the certified
35 documents within this time period for good cause, including, but
36 not limited to, physical inability to access the records in the time
37 allowed due to illness or travel. Failure to produce requested
38 certified documents or copies thereof, after being informed of the
39 required deadline, shall constitute unprofessional conduct. A board
40 may use its authority to cite and fine a licensee for any violation

1 of this section. This remedy is in addition to any other authority
2 of the board to sanction a licensee for a delay in producing
3 requested records.

4 (e) Searches conducted of the office or medical facility of any
5 licensee shall not interfere with the recordkeeping format or
6 preservation needs of any licensee necessary for the lawful care
7 of patients.

8 (f) The licensee shall cooperate with the board in furnishing
9 information or assistance as may be required, including, but not
10 limited to, participation in an interview with investigators or
11 representatives of the healing arts board.

12 (g) This section shall not apply to a licensee who does not have
13 access to, and control over, certified medical records or other
14 types of documents that belong to or are controlled by a health
15 facility or clinic.

16 SEC. 156. Section 4526.6 is added to the Business and
17 Professions Code, to read:

18 4526.6. (a) (1) Notwithstanding any other provision of law,
19 a licensee who fails or refuses to comply with a request for the
20 certified medical records of a patient that is accompanied by that
21 patient's written authorization for release of records to a board
22 together with a notice citing this section and describing the
23 penalties for failure to comply with this section shall be required
24 to pay to the board a civil penalty of up to one thousand dollars
25 (\$1,000) per day for each day that the documents have not been
26 produced after the 15th day, up to ten thousand dollars (\$10,000),
27 unless the licensee is unable to provide the documents within this
28 time period for good cause.

29 (2) A health care facility shall comply with a request for the
30 certified medical records of a patient that is accompanied by that
31 patient's written authorization for release of records to a board
32 together with a notice citing this section and describing the
33 penalties for failure to comply with this section. Failure to provide
34 the authorizing patient's certified medical records to the board
35 within 15 days of receiving the request, authorization, and notice

37 the healing arts board, of up to one thousand dollars (\$1,000) per
38 day for each day that the documents have not been produced after
39 the 15th day, up to ten thousand dollars (\$10,000), unless the
40 health care facility is unable to provide the documents within this

1 *time period for good cause. This paragraph shall not require health*
2 *care facilities to assist the board in obtaining the patient's*
3 *authorization. The board shall pay the reasonable costs of copying*
4 *the certified medical records, but shall not be required to make*
5 *that payment prior to the production of the medical records.*

6 *(b) (1) A licensee who fails or refuses to comply with a court*
7 *order, issued in the enforcement of a subpoena, mandating the*
8 *release of records to the board, shall pay to the board a civil*
9 *penalty of up to one thousand dollars (\$1,000) per day for each*
10 *day that the documents have not been produced after the date by*
11 *which the court order requires the documents to be produced, up*
12 *to ten thousand dollars (\$10,000), unless it is determined that the*
13 *order is unlawful or invalid. Any statute of limitations applicable*
14 *to the filing of an accusation by the board shall be tolled during*
15 *the period the licensee is out of compliance with the court order*
16 *and during any related appeals.*

17 *(2) Any licensee who fails or refuses to comply with a court*

19 *release of records to a board is guilty of a misdemeanor punishable*
20 *by a fine payable to the board not to exceed five thousand dollars*
21 *(\$5,000). The fine shall be added to the licensee's renewal fee if*
22 *it is not paid by the next succeeding renewal date. Any statute of*
23 *limitations applicable to the filing of an accusation by the board*
24 *shall be tolled during the period the licensee is out of compliance*
25 *with the court order and during any related appeals.*

26 *(3) A health care facility that fails or refuses to comply with a*
27 *court order, issued in the enforcement of a subpoena, mandating*
28 *the release of patient records to the board, that is accompanied*
29 *by a notice citing this section and describing the penalties for*
30 *failure to comply with this section, shall pay to the board a civil*
31 *penalty of up to one thousand dollars (\$1,000) per day for each*
32 *day that the documents have not been produced, up to ten thousand*
33 *dollars (\$10,000), after the date by which the court order requires*
34 *the documents to be produced, unless it is determined that the*
35 *order is unlawful or invalid. Any statute of limitations applicable*
36 *to the filing of an accusation by the board against a licensee shall*
37 *be tolled during the period the health care facility is out of*
38 *compliance with the court order and during any related appeals.*

39 *(4) Any health care facility that fails or refuses to comply with*
40 *a court order, issued in the enforcement of a subpoena, mandating*

1 *the release of records to a healing arts board is guilty of a*
2 *misdemeanor punishable by a fine payable to the board not to*
3 *exceed five thousand dollars (\$5,000). Any statute of limitations*
4 *applicable to the filing of an accusation by the healing arts board*
5 *against a licensee shall be tolled during the period the health care*
6 *facility is out of compliance with the court order and during any*
7 *related appeals.*

8 *(c) Multiple acts by a licensee in violation of subdivision (b)*
9 *shall be punishable by a fine not to exceed five thousand dollars*
10 *(\$5,000) or by imprisonment in a county jail not exceeding six*
11 *months, or by both that fine and imprisonment. Multiple acts by*
12 *a health care facility in violation of subdivision (b) shall be*
13 *punishable by a fine not to exceed five thousand dollars (\$5,000),*
14 *shall be reported to the State Department of Public Health, and*
15 *shall be considered as grounds for disciplinary action with respect*
16 *to licensure, including suspension or revocation of the license or*
17 *certificate.*

18 *(d) A failure or refusal of a licensee to comply with a court*
19 *order, issued in the enforcement of a subpoena, mandating the*
20 *release of records to the healing arts board constitutes*
21 *unprofessional conduct and is grounds for suspension or revocation*
22 *of his or her license.*

23 *(e) Imposition of the civil penalties authorized by this section*
24 *shall be in accordance with the Administrative Procedure Act*
25 *(Chapter 5 (commencing with Section 11500) of Division 3 of Title*
26 *2 of the Government Code). Any civil penalties paid to, or received*
27 *by, the board pursuant to this section shall be deposited into the*
28 *fund administered by the board.*

29 *(f) For purposes of this section, “certified medical records”*
30 *means a copy of the patient’s medical records authenticated by*
31 *the licensee or health care facility, as appropriate, on a form*
32 *prescribed by the licensee’s board.*

33 *(g) For purposes of this section, a “health care facility” means*
34 *a clinic or health facility licensed or exempt from licensure*
35 *pursuant to Division 2 (commencing with Section 1200) of the*
36 *Health and Safety Code.*

38 *that board shall not be subject to the requirements of this section.*

39 *(i) This section shall not apply to a licensee who does not have*
40 *access to, or control over, certified medical records or other types*

33 **4888.2.** *(a) The license of a licensee shall be suspended*
34 *automatically during any time that the licensee is incarcerated*
35 *after conviction of a felony, regardless of whether the conviction*

40 *suspension. The board shall notify the licensee in writing of the*

1 license suspension and of his or her right to elect to have the issue

3 (b) Upon receipt of the certified copy of the record of conviction,
4 if after a hearing before an administrative law judge from the
5 Office of Administrative Hearings it is determined that the felony
6 for which the licensee was convicted was substantially related to
7 the qualifications, functions, or duties of a licensee, the board
8 shall suspend the license until the time for appeal has elapsed, if
9 no appeal has been taken, or until the judgment of conviction has
10 been affirmed on appeal or has otherwise become final, and until
11 further order of the board.

12 (c) Notwithstanding subdivision (b), a conviction of a charge
13 of violating any federal statute or regulation or any statute or
14 regulation of this state, regulating dangerous drugs or controlled
15 substances, or a conviction of Section 187, 261, 262, or 288 of the
16 Penal Code, shall be conclusively presumed to be substantially
17 related to the qualifications, functions, or duties of a licensee and
18 no hearing shall be held on this issue. However, upon its own
19 motion or for good cause shown, the board may decline to impose
20 or may set aside the suspension when it appears to be in the interest
21 of justice to do so, with due regard to maintaining the integrity of,
22 and confidence in, the practice regulated by the board.

23 (d) (1) Discipline may be ordered against a licensee in
24 accordance with the statutes and regulations of the board when
25 the time for appeal has elapsed, the judgment of conviction has
26 been affirmed on appeal, or an order granting probation is made
27 suspending the imposition of sentence, irrespective of a subsequent
28 order under Section 1203.4 of the Penal Code allowing the person
29 to withdraw his or her plea of guilty and to enter a plea of not
30 guilty, setting aside the verdict of guilty, or dismissing the
31 accusation, complaint, information, or indictment.

32 (2) The issue of penalty shall be heard by an administrative law
33 judge from the Office of Administrative Hearings. The hearing
34 shall not be had until the judgment of conviction has become final
35 or, irrespective of a subsequent order under Section 1203.4 of the
36 Penal Code, an order granting probation has been made
37 suspending the imposition of sentence; except that a licensee may,
38 at his or her option, elect to have the issue of penalty decided
39 before those time periods have elapsed. Where the licensee so
40 elects, the issue of penalty shall be heard in the manner described

1 in subdivision (b) at the hearing to determine whether the
2 conviction was substantially related to the qualifications, functions,
3 or duties of a licensee. If the conviction of a licensee who has made
4 this election is overturned on appeal, any discipline ordered
5 pursuant to this section shall automatically cease. Nothing in this
6 subdivision shall prohibit the board from pursuing disciplinary
7 action based on any cause other than the overturned conviction.

8 (e) The record of the proceedings resulting in a conviction,
9 including a transcript of the testimony in those proceedings, may
10 be received in evidence.

11 (f) Any other provision of law setting forth a procedure for the
12 suspension or revocation of a license issued by the board shall not
13 apply to proceedings conducted pursuant to this section.

20 finding of fact that the licensee engaged in any act of sexual contact
21 with a patient, as defined in subdivision (c) of Section 729, or any
22 finding that the licensee has committed a sex offense, shall contain
23 an order revoking the license. The proposed decision shall not

25 (b) As used in this section, the term sex offense shall mean any

33 (3) Any attempt to commit any of the offenses specified in this
34 section.

35 (4) Any offense committed or attempted in any other state or
36 against the laws of the United States which, if committed or
37 attempted in this state, would have been punishable as one or more
38 of the offenses specified in this section.

40 Professions Code, to read:

1 4888.4. (a) *Except as otherwise provided, with regard to an*
2 *individual who is required to register as a sex offender pursuant*
3 *to Section 290 of the Penal Code, or the equivalent in another*
4 *state or territory, under military law, or under federal law, the*
5 *board shall be subject to the following requirements:*

6 (1) *The board shall deny an application by the individual for*
7 *licensure in accordance with the procedures set forth in Chapter*
8 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
9 *2 of the Government Code.*

10 (2) *If the individual is licensed under this chapter, the board*
11 *shall promptly revoke the license of the individual in accordance*
12 *with the procedures set forth in Chapter 5 (commencing with*

23 *under California law or the law of the jurisdiction that requires*
24 *his or her registration as a sex offender.*

25 (2) *An individual who is required to register as a sex offender*
26 *pursuant to Section 290 of the Penal Code solely because of a*
27 *misdemeanor conviction under Section 314 of the Penal Code.*
28 *However, nothing in this paragraph shall prohibit the board from*
29 *exercising its discretion to discipline a licensee under any other*
30 *provision of state law based upon the licensee's conviction under*
31 *Section 314 of the Penal Code.*

32 (3) *Any administrative adjudication proceeding under Chapter*
33 *5 (commencing with Section 11500) of Part 1 of Division 3 of Title*
34 *2 of the Government Code that is fully adjudicated prior to January*
35 *1, 2008. A petition for reinstatement of a revoked or surrendered*
36 *license shall be considered a new proceeding for purposes of this*
37 *paragraph, and the prohibition against reinstating a license to an*
38 *individual who is required to register as a sex offender shall be*
39 *applicable.*

1 *SEC. 164. Section 4888.5 is added to the Business and*
2 *Professions Code, to read:*

3 4888.5. (a) *Notwithstanding any other provision of law, any*

15 (b) *The information to be reported by the employer shall include*
16 *the name and license number of the licensee involved, a*
17 *description of the facts and circumstances of the suspension or*
18 *termination for cause, any resignation in lieu of suspension or*
19 *termination for cause, and any other relevant information deemed*

23 *cause, or any resignation in lieu of suspension or termination for*
24 *cause, resulting in action that is required to be reported pursuant*
25 *to this section:*

26 (1) *Any statement for suspension or termination of the licensee.*

27 (2) *Any document or exhibits relevant to the suspension or*
28 *termination.*

29 (d) *If, during the investigation by the board of the cause for the*

16 disciplinary cause or reason as that term is defined in Section 805,
17 or whose revocation or suspension has been stayed, even if the
18 licensee remains subject to terms of probation or other discipline.

19 (g) This section shall not apply to a suspension or revocation
20 imposed by a state that is based solely on the prior discipline of
21 the licensee by another state.

22 (h) The other provisions of this article setting forth a procedure
23 for the suspension or revocation of a licensee's license or
24 certificate shall not apply to summary suspensions issued pursuant
25 to this section. If a summary suspension has been issued pursuant
26 to this section, the licensee may request that the hearing on the
27 penalty conducted pursuant to subdivision (c) be held at the same
28 time as a hearing on the accusation.

29 (i) A board that complies with Section 2310 shall not be subject
30 to the requirements of this section.

31 SEC. 167. Section 4964.1 is added to the Business and
32 Professions Code, to read:

33 4964.1. (a) The board may delegate to its executive officer the
34 authority to adopt a proposed default decision where an
35 administrative action to revoke a license has been filed and the
36 licensee has failed to file a notice of defense or to appear at the
37 hearing and a proposed default decision revoking the license has
38 been issued.

39 (b) The board may delegate to its executive officer the authority
40 to adopt a proposed settlement agreement where an administrative

1 action to revoke a license has been filed by the board and the
2 licensee has agreed to the revocation or surrender of his or her
3 license.

4 (c) The executive officer shall, at scheduled board meetings,
5 report to the board the number of proposed default decisions or
6 proposed settlement agreements adopted pursuant to this section.

7 SEC. 168. Section 4964.2 is added to the Business and
8 Professions Code, to read:

9 4964.2. (a) Notwithstanding Section 11415.60 of the
10 Government Code, the board may enter into a settlement with a
11 licensee or applicant in lieu of the issuance of an accusation or
12 statement of issues against that licensee or applicant, as applicable.

13 (b) The settlement shall include language identifying the factual
14 basis for the action being taken and a list of the statutes or
15 regulations violated.

16 (c) A person who enters a settlement pursuant to this section is
17 not precluded from filing a petition, in the timeframe permitted by
18 law, to modify the terms of the settlement or petition for early
19 termination of probation, if probation is part of the settlement.

20 (d) Any settlement against a licensee executed pursuant to this
21 section shall be considered discipline and a public record and
22 shall be posted on the applicable board's Internet Web site. Any
23 settlement against an applicant executed pursuant to this section
24 shall be considered a public record and shall be posted on the
25 applicable board's Internet Web site.

26 (e) The executive officer shall, at scheduled board meetings,
27 report to the board the number of proposed settlement agreements
28 adopted pursuant to this section.

29 SEC. 169. Section 4964.3 is added to the Business and
30 Professions Code, to read:

31 4964.3. (a) The license of a licensee shall be suspended
32 automatically during any time that the licensee is incarcerated
33 after conviction of a felony, regardless of whether the conviction
34 has been appealed. The board shall, immediately upon receipt of
35 the certified copy of the record of conviction, determine whether
36 the license of the licensee has been automatically suspended by
37 virtue of his or her incarceration, and if so, the duration of that
38 suspension. The board shall notify the licensee in writing of the
39 license suspension and of his or her right to elect to have the issue
40 of penalty heard as provided in subdivision (d).

1 **(b)** *Upon receipt of the certified copy of the record of conviction,*
2 *if after a hearing before an administrative law judge from the*
3 *Office of Administrative Hearings it is determined that the felony*
4 *for which the licensee was convicted was substantially related to*
5 *the qualifications, functions, or duties of a licensee, the board*
6 *shall suspend the license until the time for appeal has elapsed, if*
7 *no appeal has been taken, or until the judgment of conviction has*
8 *been affirmed on appeal or has otherwise become final, and until*
9 *further order of the board.*

10 **(c)** *Notwithstanding subdivision (b), a conviction of a charge*
11 *of violating any federal statute or regulation or any statute or*
12 *regulation of this state, regulating dangerous drugs or controlled*
13 *substances, or a conviction of Section 187, 261, 262, or 288 of the*
14 *Penal Code, shall be conclusively presumed to be substantially*
15 *related to the qualifications, functions, or duties of a licensee and*
16 *no hearing shall be held on this issue. However, upon its own*
17 *motion or for good cause shown, the board may decline to impose*
18 *or may set aside the suspension when it appears to be in the interest*
19 *of justice to do so, with due regard to maintaining the integrity of,*
20 *and confidence in, the practice regulated by the board.*

21 **(d)** **(1)** *Discipline may be ordered against a licensee in*
22 *accordance with the statutes and regulations of the board when*
23 *the time for appeal has elapsed, the judgment of conviction has*
24 *been affirmed on appeal, or an order granting probation is made*
25 *suspending the imposition of sentence, irrespective of a subsequent*
26 *order under Section 1203.4 of the Penal Code allowing the person*
27 *to withdraw his or her plea of guilty and to enter a plea of not*
28 *guilty, setting aside the verdict of guilty, or dismissing the*
29 *accusation, complaint, information, or indictment.*

30 **(2)** *The issue of penalty shall be heard by an administrative law*
31 *judge from the Office of Administrative Hearings. The hearing*
32 *shall not be had until the judgment of conviction has become final*
33 *or, irrespective of a subsequent order under Section 1203.4 of the*
34 *Penal Code, an order granting probation has been made*
35 *suspending the imposition of sentence; except that a licensee may,*
36 *at his or her option, elect to have the issue of penalty decided*
37 *before those time periods have elapsed. Where the licensee so*
38 *elects, the issue of penalty shall be heard in the manner described*
39 *in subdivision (b) at the hearing to determine whether the*
40 *conviction was substantially related to the qualifications, functions,*

1 or duties of a licensee. If the conviction of a licensee who has made
2 this election is overturned on appeal, any discipline ordered
3 pursuant to this section shall automatically cease. Nothing in this
4 subdivision shall prohibit the board from pursuing disciplinary
5 action based on any cause other than the overturned conviction.

6 (e) The record of the proceedings resulting in a conviction,
7 including a transcript of the testimony in those proceedings, may
8 be received in evidence.

9 (f) Any other provision of law setting forth a procedure for the
10 suspension or revocation of a license issued by the board shall not
11 apply to proceedings conducted pursuant to this section.

12 SEC. 170. Section 4964.4 is added to the Business and
13 Professions Code, to read:

14 4964.4. (a) Except as otherwise provided, any proposed
15 decision or decision issued in accordance with the procedures set
16 forth in Chapter 5 (commencing with Section 11500) of Part 1 of
17 Division 3 of Title 2 of the Government Code, that contains any
18 finding of fact that the licensee engaged in any act of sexual contact
19 with a patient, as defined in subdivision (c) of Section 729, or any
20 finding that the licensee has committed a sex offense, shall contain
21 an order revoking the license. The proposed decision shall not
22 contain any order staying the revocation of the licensee.

23 (b) As used in this section, the term sex offense shall mean any
24 of the following:

25 (1) Any offense for which registration is required by Section
26 290 of the Penal Code or a finding that a person committed such
27 an act.

28 (2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,
29 or 647(a) or (d) of the Penal Code or a finding that a person
30 committed such an act.

31 (3) Any attempt to commit any of the offenses specified in this
32 section.

33 (4) Any offense committed or attempted in any other state or
34 against the laws of the United States which, if committed or
35 attempted in this state, would have been punishable as one or more
36 of the offenses specified in this section.

37 SEC. 171. Section 4964.55 is added to the Business and
38 Professions Code, to read:

39 4964.55. (a) Except as otherwise provided, with regard to an
40 individual who is required to register as a sex offender pursuant

1 to Section 290 of the Penal Code, or the equivalent in another
2 state or territory, under military law, or under federal law, the
3 board shall be subject to the following requirements:

4 (1) The board shall deny an application by the individual for
5 licensure in accordance with the procedures set forth in Chapter
6 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
7 2 of the Government Code.

8 (2) If the individual is licensed under this chapter, the board
9 shall promptly revoke the license of the individual in accordance
10 with the procedures set forth in Chapter 5 (commencing with
11 Section 11500) of Part 1 of Division 3 of Title 2 of the Government
12 Code. The board shall not stay the revocation and place the license
13 on probation.

14 (3) The board shall not reinstate or reissue the individual's
15 license. The board shall not issue a stay of license denial nor place
16 the license on probation.

17 (b) This section shall not apply to any of the following:

18 (1) An individual who has been relieved under Section 290.5 of
19 the Penal Code of his or her duty to register as a sex offender, or
20 whose duty to register has otherwise been formally terminated
21 under California law or the law of the jurisdiction that requires
22 his or her registration as a sex offender.

23 (2) An individual who is required to register as a sex offender
24 pursuant to Section 290 of the Penal Code solely because of a
25 misdemeanor conviction under Section 314 of the Penal Code.
26 However, nothing in this paragraph shall prohibit the board from
27 exercising its discretion to discipline a licensee under any other
28 provision of state law based upon the licensee's conviction under
29 Section 314 of the Penal Code.

30 (3) Any administrative adjudication proceeding under Chapter
31 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
32 2 of the Government Code that is fully adjudicated prior to January
33 1, 2008. A petition for reinstatement of a revoked or surrendered
34 license shall be considered a new proceeding for purposes of this
35 paragraph, and the prohibition against reinstating a license to an
36 individual who is required to register as a sex offender shall be
37 applicable.

38 SEC. 172. Section 4964.6 is added to the Business and
39 Professions Code, to read:

1 4964.6. (a) Notwithstanding any other provision of law making
2 a communication between a licensee and his or her patients a
3 privileged communication, those provisions shall not apply to
4 investigations or proceedings conducted by the board. Members
5 of the board, deputies, employees, agents, the office of the Attorney
6 General, and representatives of the board shall keep in confidence
7 during the course of investigations the names of any patients whose
8 records are reviewed and may not disclose or reveal those names,
9 except as is necessary during the course of an investigation, unless
10 and until proceedings are instituted. The authority under this
11 subdivision to examine records of patients in the office of a licensee
12 is limited to records of patients who have complained to the board
13 about that licensee.

14 (b) Notwithstanding any other provision of law, the Attorney
15 General and his or her investigative agents, and the board and its
16 investigators and representatives may inquire into any alleged
17 violation of the laws under the jurisdiction of the board or any
18 other federal or state law, regulation, or rule relevant to the
19 practice regulated by the board, whichever is applicable, and may
20 inspect documents relevant to those investigations in accordance
21 with the following procedures:

22 (1) Any document relevant to an investigation may be inspected,
23 and copies may be obtained, where a patient provides written
24 authorization.

25 (2) Any document relevant to the business operations of a
26 licensee, and not involving medical records attributable to
27 identifiable patients, may be inspected and copied where relevant
28 to an investigation of a licensee.

29 (c) In all cases where documents are inspected or copies of
30 those documents are received, their acquisition or review shall be
31 arranged so as not to unnecessarily disrupt the medical and
32 business operations of the licensee or of the facility where the
33 records are kept or used.

34 (d) Where certified documents are lawfully requested from
35 licensees in accordance with this section by the Attorney General
36 or his or her agents or deputies, or investigators of any board, the
37 documents shall be provided within 10 business days of receipt of
38 the request, unless the licensee is unable to provide the certified
39 documents within this time period for good cause, including, but
40 not limited to, physical inability to access the records in the time

1 allowed due to illness or travel. Failure to produce requested
2 certified documents or copies thereof, after being informed of the
3 required deadline, shall constitute unprofessional conduct. A board
4 may use its authority to cite and fine a licensee for any violation
5 of this section. This remedy is in addition to any other authority
6 of the healing arts board to sanction a licensee for a delay in
7 producing requested records.

8 (e) Searches conducted of the office or medical facility of any
9 licensee shall not interfere with the recordkeeping format or
10 preservation needs of any licensee necessary for the lawful care
11 of patients.

12 (f) The licensee shall cooperate with the board in furnishing
13 information or assistance as may be required, including, but not
14 limited to, participation in an interview with investigators or
15 representatives of the healing arts board.

16 (g) This section shall not apply to a licensee who does not have
17 access to, and control over, certified medical records or other
18 types of documents that belong to or are controlled by a health
19 facility or clinic.

20 SEC. 173. Section 4964.7 is added to the Business and
21 Professions Code, to read:

22 4964.7. (a) (1) Notwithstanding any other provision of law,
23 a licensee who fails or refuses to comply with a request for the
24 certified medical records of a patient that is accompanied by that
25 patient's written authorization for release of records to a board
26 together with a notice citing this section and describing the
27 penalties for failure to comply with this section shall be required
28 to pay to the board a civil penalty of up to one thousand dollars
29 (\$1,000) per day for each day that the documents have not been
30 produced after the 15th day, up to ten thousand dollars (\$10,000),
31 unless the licensee is unable to provide the documents within this
32 time period for good cause.

33 (2) A health care facility shall comply with a request for the
34 certified medical records of a patient that is accompanied by that
35 patient's written authorization for release of records to a board
36 together with a notice citing this section and describing the
37 penalties for failure to comply with this section. Failure to provide

13 *a civil penalty of up to one thousand dollars (\$1,000) per day for*
14 *each day that the documents have not been produced after the date*
15 *by which the court order requires the documents to be produced,*
16 *up to ten thousand dollars (\$10,000), unless it is determined that*
17 *the order is unlawful or invalid. Any statute of limitations*
18 *applicable to the filing of an accusation by the healing arts board*
19 *shall be tolled during the period the licensee is out of compliance*
20 *with the court order and during any related appeals.*

21 (2) *Any licensee who fails or refuses to comply with a court*

23 *release of records to a board is guilty of a misdemeanor punishable*
24 *by a fine payable to the board not to exceed five thousand dollars*
25 *(\$5,000). The fine shall be added to the licensee's renewal fee if*
26 *it is not paid by the next succeeding renewal date. Any statute of*
27 *limitations applicable to the filing of an accusation by the board*
28 *shall be tolled during the period the licensee is out of compliance*
29 *with the court order and during any related appeals.*

30 (3) *A health care facility that fails or refuses to comply with a*
31 *court order, issued in the enforcement of a subpoena, mandating*
32 *the release of patient records to the board, that is accompanied*
33 *by a notice citing this section and describing the penalties for*

36 *day that the documents have not been produced, up to ten thousand*
37 *dollars (\$10,000), after the date by which the court order requires*
38 *the documents to be produced, unless it is determined that the*
39 *order is unlawful or invalid. Any statute of limitations applicable*
40 *to the filing of an accusation by the board against a licensee shall*

1 *be tolled during the period the health care facility is out of*
2 *compliance with the court order and during any related appeals.*

3 *(4) Any health care facility that fails or refuses to comply with*
4 *a court order, issued in the enforcement of a subpoena, mandating*
5 *the release of records to the board is guilty of a misdemeanor*
6 *punishable by a fine payable to the board not to exceed five*
7 *thousand dollars (\$5,000). Any statute of limitations applicable*
8 *to the filing of an accusation by the board against a licensee shall*
9 *be tolled during the period the health care facility is out of*
10 *compliance with the court order and during any related appeals.*

11 *(c) Multiple acts by a licensee in violation of subdivision (b)*
12 *shall be punishable by a fine not to exceed five thousand dollars*
13 *(\$5,000) or by imprisonment in a county jail not exceeding six*
14 *months, or by both that fine and imprisonment. Multiple acts by*
15 *a health care facility in violation of subdivision (b) shall be*
16 *punishable by a fine not to exceed five thousand dollars (\$5,000),*
17 *shall be reported to the State Department of Public Health, and*
18 *shall be considered as grounds for disciplinary action with respect*
19 *to licensure, including suspension or revocation of the license or*
20 *certificate.*

21 *(d) A failure or refusal of a licensee to comply with a court*
22 *order, issued in the enforcement of a subpoena, mandating the*
23 *release of records to the board constitutes unprofessional conduct*
24 *and is grounds for suspension or revocation of his or her license.*

25 *(e) Imposition of the civil penalties authorized by this section*
26 *shall be in accordance with the Administrative Procedure Act*
27 *(Chapter 5 (commencing with Section 11500) of Division 3 of Title*
28 *2 of the Government Code). Any civil penalties paid to, or received*
29 *by, the board pursuant to this section shall be deposited into the*
30 *fund administered by the board.*

31 *(f) For purposes of this section, “certified medical records”*
32 *means a copy of the patient’s medical records authenticated by*
33 *the licensee or health care facility, as appropriate, on a form*
34 *prescribed by the licensee’s board.*

7 4964.8. (a) *Notwithstanding any other provision of law, any*
8 *employer of a licensee shall report to the board the suspension or*
9 *termination for cause, or any resignation in lieu of suspension or*
10 *termination for cause, of any licensee in its employ within 15*
11 *business days. The report shall not be made until after the*
12 *conclusion of the review process specified in Section 52.3 of Title*
13 *2 of the California Code of Regulations and Skelly v. State*
14 *Personnel Bd. (1975) 15 Cal.3d 194, for public employees. This*
15 *required reporting shall not constitute a waiver of confidentiality*
16 *of medical records. The information reported or disclosed shall*
17 *be kept confidential except as provided in subdivision (c) of Section*
18 *800 and shall not be subject to discovery in civil cases.*

19 (b) *The information to be reported by the employer shall include*
20 *the name and license number of the licentiate involved, a*
21 *description of the facts and circumstances of the suspension or*
22 *termination for cause, any resignation in lieu of suspension or*
23 *termination for cause, and any other relevant information deemed*
24 *appropriate by the employer.*

25 (c) *The board shall be entitled to inspect and copy the following*
26 *documents in the record for any suspension or termination for*

35 *that there has been a violation of existing state or federal law, the*
36 *board shall report the violation to the appropriate agency.*

37 (e) *For purposes of this section, “suspension or termination for*

10 information, including the name and license number, in its
11 possession, custody, or control regarding every licensee for which
12 the board licenses:

13 (a) With regard to the status of every license, whether or not
14 the licensee or former licensee is in good standing, subject to a

29 unless an appeal of that decision is pending.

30 (e) Any malpractice judgment or arbitration award imposed
31 against a licensee and reported to the board.

32 (f) Any hospital disciplinary action imposed against a licensee

35 pursuant to Section 4964.7 or 805.

36 (g) Any misdemeanor conviction of a licensee that results in a
37 disciplinary action or an accusation that is not subsequently
38 withdrawn or dismissed.

10 *Department of Consumer Affairs Guidelines for Access to Public*
11 *Records.*

12 *(j) Information provided on the Internet may not include*
13 *personal information, unless otherwise provided pursuant to this*
14 *chapter, including the home telephone number, date of birth, or*
15 *social security number. The information may not include the*
16 *licensee's address, but may include the city and county of the*
17 *licensee's address of record.*

18 *SEC. 176. Section 4964.10 is added to the Business and*
19 *Professions Code, to read:*

20 *4964.10. (a) Unless otherwise provided, if a licensee possesses*
21 *a license or is otherwise authorized to practice in any state other*
22 *than California or by any agency of the federal government and*
23 *that license or authority is suspended or revoked outright, the*
24 *California license of the licensee shall be suspended automatically*
25 *for the duration of the suspension or revocation, unless terminated*
26 *or rescinded as provided in subdivision (c). The board shall notify*
27 *the licensee of the license suspension and of his or her right to*

34 *(c) The issue of penalty shall be heard by an administrative law*

36 *of the board. A licensee may request a hearing on the penalty and*
37 *that hearing shall be held within 90 days from the date of the*

40 *pursuant to this section shall automatically cease. Upon a showing*

1 to the administrative law judge or panel by the licensee that the
2 out-of-state action is not a basis for discipline in California, the
3 suspension shall be rescinded. If an accusation for permanent
4 discipline is not filed within 90 days of the suspension imposed
5 pursuant to this section, the suspension shall automatically
6 terminate.

7 (d) The record of the proceedings that resulted in the suspension
8 or revocation of the licensee's out-of-state license or authority to
9 practice, including a transcript of the testimony therein, may be
10 received in evidence.

11 (e) This section shall not apply to a licensee who maintains his
12 or her primary practice in California, as evidenced by having
13 maintained a practice in this state for not less than one year
14 immediately preceding the date of suspension or revocation.
15 Nothing in this section shall preclude a licensee's license from
16 being suspended pursuant to any other provision of law.

17 (f) This section shall not apply to a licensee whose license has
18 been surrendered, whose only discipline is a medical staff
19 disciplinary action at a federal hospital and not for medical
20 disciplinary cause or reason as that term is defined in Section 805,
21 or whose revocation or suspension has been stayed, even if the
22 licensee remains subject to terms of probation or other discipline.

23 (g) This section shall not apply to a suspension or revocation
24 imposed by a state that is based solely on the prior discipline of
25 the licensee by another state.

26 (h) The other provisions of this article setting forth a procedure
27 for the suspension or revocation of a licensee's license or
28 certificate shall not apply to summary suspensions issued pursuant
29 to this section. If a summary suspension has been issued pursuant
30 to this section, the licensee may request that the hearing on the
31 penalty conducted pursuant to subdivision (c) be held at the same
32 time as a hearing on the accusation.

33 (i) A board that complies with Section 2310 shall not be subject
34 to the requirements of this section.

35 SEC. 177. Section 4982.26 of the Business and Professions
36 Code is amended to read:

37 4982.26. (a) The board shall revoke any license issued under
38 this chapter upon a decision made in accordance with the
39 procedures set forth in Chapter 5 (commencing with Section 11500)
40 of Part 1 of Division 3 of Title 2 of the Government Code, that

1 contains any finding of fact that the licensee or registrant engaged
2 in any act of sexual contact, as defined in Section 729, when that
3 act is with a patient, or with a former patient when the relationship
4 was terminated primarily for the purpose of engaging in that act.
5 The revocation shall not be stayed by the administrative law judge
6 or the board.

7 *(b) Except as otherwise provided, any proposed decision or*
8 *decision issued under this chapter in accordance with the*
9 *procedures set forth in Chapter 5 (commencing with Section 11500)*
10 *of Part 1 of Division 3 of Title 2 of the Government Code, that*
11 *contains any finding of fact that the licensee has committed a sex*
12 *offense, shall contain an order revoking the license. The proposed*
13 *decision or decision shall not contain any order staying the*
14 *revocation of the licensee.*

15 *(c) As used in this section, the term sex offense shall mean any*
16 *of the following:*

17 *(1) Any offense for which registration is required by Section*
18 *290 of the Penal Code or a finding that a person committed such*
19 *an act.*

20 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*
21 *or 647(a) or (d) of the Penal Code or a finding that a person*
22 *committed such an act.*

23 *(3) Any attempt to commit any of the offenses specified in this*
24 *section.*

25 *(4) Any offense committed or attempted in any other state or*
26 *against the laws of the United States which, if committed or*
27 *attempted in this state, would have been punishable as one or more*
28 *of the offenses specified in this section.*

29 *SEC. 178. Section 4990.44 is added to the Business and*
30 *Professions Code, to read:*

31 *4990.44. (a) The board may delegate to its executive officer*
32 *the authority to adopt a proposed default decision where an*
33 *administrative action to revoke a license has been filed and the*
34 *licensee has failed to file a notice of defense or to appear at the*
35 *hearing and a proposed default decision revoking the license has*
36 *been issued.*

37 *(b) The board may delegate to its executive officer the authority*
38 *to adopt a proposed settlement agreement where an administrative*
39 *action to revoke a license has been filed by the board and the*

1 licensee has agreed to the revocation or surrender of his or her
2 license.

3 (c) The executive officer shall, at scheduled board meetings,
4 report to the board the number of proposed default decisions or
5 proposed settlement agreements adopted pursuant to this section.

6 SEC. 179. Section 4990.45 is added to the Business and
7 Professions Code, to read:

8 4990.45. (a) Notwithstanding Section 11415.60 of the
9 Government Code, the board may enter into a settlement with a
10 licensee or applicant in lieu of the issuance of an accusation or
11 statement of issues against that licensee or applicant, as applicable.

12 (b) The settlement shall include language identifying the factual
13 basis for the action being taken and a list of the statutes or
14 regulations violated.

15 (c) A person who enters a settlement pursuant to this section is
16 not precluded from filing a petition, in the timeframe permitted by
17 law, to modify the terms of the settlement or petition for early
18 termination of probation, if probation is part of the settlement.

19 (d) Any settlement against a licensee executed pursuant to this
20 section shall be considered discipline and a public record and
21 shall be posted on the applicable board's Internet Web site. Any
22 settlement against an applicant executed pursuant to this section
23 shall be considered a public record and shall be posted on the
24 applicable board's Internet Web site.

25 (e) The executive officer shall, at scheduled board meetings,
26 report to the board the number of proposed settlement agreements
27 adopted pursuant to this section.

28 SEC. 180. Section 4990.46 is added to the Business and
29 Professions Code, to read:

30 4990.46. (a) The license of a licensee shall be suspended
31 automatically during any time that the licensee is incarcerated
32 after conviction of a felony, regardless of whether the conviction
33 has been appealed. The board shall, immediately upon receipt of
34 the certified copy of the record of conviction, determine whether
35 the license of the licensee has been automatically suspended by
36 virtue of his or her incarceration, and if so, the duration of that
37 suspension. The board shall notify the licensee in writing of the
38 license suspension and of his or her right to elect to have the issue
39 of penalty heard as provided in subdivision (d).

1 **(b)** Upon receipt of the certified copy of the record of conviction,
2 if after a hearing before an administrative law judge from the
3 Office of Administrative Hearings it is determined that the felony
4 for which the licensee was convicted was substantially related to
5 the qualifications, functions, or duties of a licensee, the board
6 shall suspend the license until the time for appeal has elapsed, if
7 no appeal has been taken, or until the judgment of conviction has
8 been affirmed on appeal or has otherwise become final, and until
9 further order of the board.

10 **(c)** Notwithstanding subdivision (b), a conviction of a charge
11 of violating any federal statute or regulation or any statute or
12 regulation of this state, regulating dangerous drugs or controlled
13 substances, or a conviction of Section 187, 261, 262, or 288 of the
14 Penal Code, shall be conclusively presumed to be substantially
15 related to the qualifications, functions, or duties of a licensee and
16 no hearing shall be held on this issue. However, upon its own
17 motion or for good cause shown, the board may decline to impose
18 or may set aside the suspension when it appears to be in the interest
19 of justice to do so, with due regard to maintaining the integrity of,
20 and confidence in, the practice regulated by the board.

21 **(d)** (1) Discipline may be ordered against a licensee in
22 accordance with the statutes and regulations of the board when
23 the time for appeal has elapsed, the judgment of conviction has
24 been affirmed on appeal, or an order granting probation is made
25 suspending the imposition of sentence, irrespective of a subsequent
26 order under Section 1203.4 of the Penal Code allowing the person
27 to withdraw his or her plea of guilty and to enter a plea of not
28 guilty, setting aside the verdict of guilty, or dismissing the
29 accusation, complaint, information, or indictment.

30 (2) The issue of penalty shall be heard by an administrative law
31 judge from the Office of Administrative Hearings. The hearing
32 shall not be had until the judgment of conviction has become final
33 or, irrespective of a subsequent order under Section 1203.4 of the
34 Penal Code, an order granting probation has been made
35 suspending the imposition of sentence; except that a licensee may,
36 at his or her option, elect to have the issue of penalty decided
37 before those time periods have elapsed. Where the licensee so
38 elects, the issue of penalty shall be heard in the manner described
39 in subdivision (b) at the hearing to determine whether the
40 conviction was substantially related to the qualifications, functions,

1 or duties of a licensee. If the conviction of a licensee who has made
2 this election is overturned on appeal, any discipline ordered
3 pursuant to this section shall automatically cease. Nothing in this
4 subdivision shall prohibit the board from pursuing disciplinary
5 action based on any cause other than the overturned conviction.

6 (e) The record of the proceedings resulting in a conviction,
7 including a transcript of the testimony in those proceedings, may
8 be received in evidence.

9 (f) Any other provision of law setting forth a procedure for the
10 suspension or revocation of a license issued by the board shall not
11 apply to proceedings conducted pursuant to this section.

12 SEC. 181. Section 4990.47 is added to the Business and
13 Professions Code, to read:

14 4990.47. (a) Except as otherwise provided, any proposed
15 decision or decision issued in accordance with the procedures set
16 forth in Chapter 5 (commencing with Section 11500) of Part 1 of
17 Division 3 of Title 2 of the Government Code, that contains any
18 finding of fact that the licensee engaged in any act of sexual contact
19 with a patient, as defined in subdivision (c) of Section 729, or any
20 finding that the licensee has committed a sex offense, shall contain
21 an order revoking the license. The proposed decision shall not
22 contain any order staying the revocation of the licensee.

23 (b) As used in this section, the term sex offense shall mean any
24 of the following:

25 (1) Any offense for which registration is required by Section
26 290 of the Penal Code or a finding that a person committed such
27 an act.

28 (2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,
29 or 647(a) or (d) of the Penal Code or a finding that a person
30 committed such an act.

31 (3) Any attempt to commit any of the offenses specified in this
32 section.

33 (4) Any offense committed or attempted in any other state or
34 against the laws of the United States which, if committed or
35 attempted in this state, would have been punishable as one or more
36 of the offenses specified in this section.

37 SEC. 182. Section 4990.48 is added to the Business and
38 Professions Code, to read:

39 4990.48. (a) Except as otherwise provided, with regard to an
40 individual who is required to register as a sex offender pursuant

1 to Section 290 of the Penal Code, or the equivalent in another
2 state or territory, under military law, or under federal law, the
3 board shall be subject to the following requirements:

4 (1) The board shall deny an application by the individual for
5 licensure in accordance with the procedures set forth in Chapter
6 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
7 2 of the Government Code.

8 (2) If the individual is licensed under this chapter, the board
9 shall promptly revoke the license of the individual in accordance
10 with the procedures set forth in Chapter 5 (commencing with
11 Section 11500) of Part 1 of Division 3 of Title 2 of the Government
12 Code. The board shall not stay the revocation and place the license
13 on probation.

14 (3) The board shall not reinstate or reissue the individual's
15 license. The board shall not issue a stay of license denial nor place
16 the license on probation.

17 (b) This section shall not apply to any of the following:

18 (1) An individual who has been relieved under Section 290.5 of
19 the Penal Code of his or her duty to register as a sex offender, or
20 whose duty to register has otherwise been formally terminated
21 under California law or the law of the jurisdiction that requires
22 his or her registration as a sex offender.

23 (2) An individual who is required to register as a sex offender
24 pursuant to Section 290 of the Penal Code solely because of a
25 misdemeanor conviction under Section 314 of the Penal Code.
26 However, nothing in this paragraph shall prohibit the board from
27 exercising its discretion to discipline a licensee under any other
28 provision of state law based upon the licensee's conviction under
29 Section 314 of the Penal Code.

30 (3) Any administrative adjudication proceeding under Chapter
31 5 (commencing with Section 11500) of Part 1 of Division 3 of Title
32 2 of the Government Code that is fully adjudicated prior to January
33 1, 2008. A petition for reinstatement of a revoked or surrendered
34 license shall be considered a new proceeding for purposes of this
35 paragraph, and the prohibition against reinstating a license to an
36 individual who is required to register as a sex offender shall be
37 applicable.

38 SEC. 183. Section 4990.49 is added to the Business and
39 Professions Code, to read:

1 4990.49. (a) Notwithstanding any other provision of law
2 making a communication between a licensee and his or her patients
3 a privileged communication, those provisions shall not apply to
4 investigations or proceedings conducted by the board. Members
5 of the board, deputies, employees, agents, the office of the Attorney
6 General, and representatives of the board shall keep in confidence
7 during the course of investigations the names of any patients whose
8 records are reviewed and may not disclose or reveal those names,
9 except as is necessary during the course of an investigation, unless
10 and until proceedings are instituted. The authority under this
11 subdivision to examine records of patients in the office of a licensee
12 is limited to records of patients who have complained to the board
13 about that licensee.

14 (b) Notwithstanding any other provision of law, the Attorney
15 General and his or her investigative agents, and the board and its
16 investigators and representatives may inquire into any alleged
17 violation of the laws under the jurisdiction of the board or any
18 other federal or state law, regulation, or rule relevant to the
19 practice regulated by the board, whichever is applicable, and may
20 inspect documents relevant to those investigations in accordance
21 with the following procedures:

22 (1) Any document relevant to an investigation may be inspected,
23 and copies may be obtained, where a patient provides written
24 authorization.

25 (2) Any document relevant to the business operations of a
26 licensee, and not involving medical records attributable to
27 identifiable patients, may be inspected and copied where relevant
28 to an investigation of a licensee.

29 (c) In all cases where documents are inspected or copies of
30 those documents are received, their acquisition or review shall be
31 arranged so as not to unnecessarily disrupt the medical and
32 business operations of the licensee or of the facility where the
33 records are kept or used.

34 (d) Where certified documents are lawfully requested from
35 licensees in accordance with this section by the Attorney General
36 or his or her agents or deputies, or investigators of any board, the
37 documents shall be provided within 10 business days of receipt of
38 the request, unless the licensee is unable to provide the certified
39 documents within this time period for good cause, including, but
40 not limited to, physical inability to access the records in the time

1 allowed due to illness or travel. Failure to produce requested
2 certified documents or copies thereof, after being informed of the
3 required deadline, shall constitute unprofessional conduct. A board
4 may use its authority to cite and fine a licensee for any violation
5 of this section. This remedy is in addition to any other authority
6 of the board to sanction a licensee for a delay in producing
7 requested records.

8 (e) Searches conducted of the office or medical facility of any
9 licensee shall not interfere with the recordkeeping format or
10 preservation needs of any licensee necessary for the lawful care
11 of patients.

12 (f) The licensee shall cooperate with the board in furnishing
13 information or assistance as may be required, including, but not
14 limited to, participation in an interview with investigators or
15 representatives of the board.

16 (g) This section shall not apply to a licensee who does not have
17 access to, and control over, certified medical records or other
18 types of documents that belong to or are controlled by a health
19 facility or clinic.

20 SEC. 184. Section 4990.50 is added to the Business and
21 Professions Code, to read:

22 4990.50. (a) (1) Notwithstanding any other provision of law,
23 a licensee who fails or refuses to comply with a request for the
24 certified medical records of a patient that is accompanied by that
25 patient's written authorization for release of records to a board
26 together with a notice citing this section and describing the
27 penalties for failure to comply with this section shall be required
28 to pay to the board a civil penalty of up to one thousand dollars
29 (\$1,000) per day for each day that the documents have not been
30 produced after the 15th day, up to ten thousand dollars (\$10,000),
31 unless the licensee is unable to provide the documents within this
32 time period for good cause.

33 (2) A health care facility shall comply with a request for the
34 certified medical records of a patient that is accompanied by that
35 patient's written authorization for release of records to a board
36 together with a notice citing this section and describing the
37 penalties for failure to comply with this section. Failure to provide
38 the authorizing patient's certified medical records to the board
39 within 15 days of receiving the request, authorization, and notice
40 shall subject the health care facility to a civil penalty, payable to

1 the board, of up to one thousand dollars (\$1,000) per day for each
2 day that the documents have not been produced after the 15th day,
3 up to ten thousand dollars (\$10,000), unless the health care facility
4 is unable to provide the documents within this time period for good
5 cause. This paragraph shall not require health care facilities to
6 assist the board in obtaining the patient's authorization. The board
7 shall pay the reasonable costs of copying the certified medical
8 records, but shall not be required to make that payment prior to
9 the production of the medical records.

10 (b) (1) A licensee who fails or refuses to comply with a court
11 order, issued in the enforcement of a subpoena, mandating the
12 release of records to the board, shall pay to the board a civil
13 penalty of up to one thousand dollars (\$1,000) per day for each
14 day that the documents have not been produced after the date by
15 which the court order requires the documents to be produced, up
16 to ten thousand dollars (\$10,000), unless it is determined that the
17 order is unlawful or invalid. Any statute of limitations applicable
18 to the filing of an accusation by the board shall be tolled during
19 the period the licensee is out of compliance with the court order
20 and during any related appeals.

21 (2) Any licensee who fails or refuses to comply with a court
22 order, issued in the enforcement of a subpoena, mandating the
23 release of records to a board is guilty of a misdemeanor punishable
24 by a fine payable to the board not to exceed five thousand dollars
25 (\$5,000). The fine shall be added to the licensee's renewal fee if
26 it is not paid by the next succeeding renewal date. Any statute of
27 limitations applicable to the filing of an accusation by the board
28 shall be tolled during the period the licensee is out of compliance
29 with the court order and during any related appeals.

30 (3) A health care facility that fails or refuses to comply with a
31 court order, issued in the enforcement of a subpoena, mandating
32 the release of patient records to the board, that is accompanied
33 by a notice citing this section and describing the penalties for
34 failure to comply with this section, shall pay to the board a civil
35 penalty of up to one thousand dollars (\$1,000) per day for each
36 day that the documents have not been produced, up to ten thousand
37 dollars (\$10,000), after the date by which the court order requires
38 the documents to be produced, unless it is determined that the
39 order is unlawful or invalid. Any statute of limitations applicable
40 to the filing of an accusation by the board against a licensee shall

1 *be tolled during the period the health care facility is out of*
2 *compliance with the court order and during any related appeals.*

3 *(4) Any health care facility that fails or refuses to comply with*
4 *a court order, issued in the enforcement of a subpoena, mandating*
5 *the release of records to the board is guilty of a misdemeanor*
6 *punishable by a fine payable to the board not to exceed five*
7 *thousand dollars (\$5,000). Any statute of limitations applicable*
8 *to the filing of an accusation by the healing arts board against a*
9 *licensee shall be tolled during the period the health care facility*
10 *is out of compliance with the court order and during any related*
11 *appeals.*

12 *(c) Multiple acts by a licensee in violation of subdivision (b)*
13 *shall be punishable by a fine not to exceed five thousand dollars*
14 *(\$5,000) or by imprisonment in a county jail not exceeding six*
15 *months, or by both that fine and imprisonment. Multiple acts by*
16 *a health care facility in violation of subdivision (b) shall be*
17 *punishable by a fine not to exceed five thousand dollars (\$5,000),*
18 *shall be reported to the State Department of Public Health, and*
19 *shall be considered as grounds for disciplinary action with respect*
20 *to licensure, including suspension or revocation of the license or*
21 *certificate.*

22 *(d) A failure or refusal of a licensee to comply with a court*
23 *order, issued in the enforcement of a subpoena, mandating the*
24 *release of records to the healing arts board constitutes*
25 *unprofessional conduct and is grounds for suspension or revocation*
26 *of his or her license.*

27 *(e) Imposition of the civil penalties authorized by this section*
28 *shall be in accordance with the Administrative Procedure Act*
29 *(Chapter 5 (commencing with Section 11500) of Division 3 of Title*
30 *2 of the Government Code). Any civil penalties paid to, or received*
31 *by, the board pursuant to this section shall be deposited into the*
32 *fund administered by the board.*

33 *(f) For purposes of this section, “certified medical records”*
34 *means a copy of the patient’s medical records authenticated by*
35 *the licensee or health care facility, as appropriate, on a form*
36 *prescribed by the licensee’s board.*

37 *(g) For purposes of this section, a “health care facility” means*
38 *a clinic or health facility licensed or exempt from licensure*
39 *pursuant to Division 2 (commencing with Section 1200) of the*
40 *Health and Safety Code.*

1 (h) If a board complies with Section 1684.1, 2225.5, or 2969,
2 that board shall not be subject to the requirements of this section.

3 (i) This section shall not apply to a licensee who does not have
4 access to, or control over, certified medical records or other types
5 of documents that belong to or are controlled by a health facility
6 or clinic.

7 SEC. 185. Section 4990.51 is added to the Business and
8 Professions Code, to read:

9 4990.51. (a) Notwithstanding any other provision of law, any
10 employer of a licensee shall report to the board the suspension or
11 termination for cause, or any resignation in lieu of suspension or
12 termination for cause, of any licensee in its employ within 15
13 business days. The report shall not be made until after the
14 conclusion of the review process specified in Section 52.3 of Title
15 2 of the California Code of Regulations and *Skelly v. State*
16 *Personnel Bd.* (1975) 15 Cal.3d 194, for public employees. This
17 required reporting shall not constitute a waiver of confidentiality
18 of medical records. The information reported or disclosed shall
19 be kept confidential except as provided in subdivision (c) of Section
20 800 and shall not be subject to discovery in civil cases.

21 (b) The information to be reported by the employer shall include
22 the name and license number of the licensee involved, a
23 description of the facts and circumstances of the suspension or
24 termination for cause, any resignation in lieu of suspension or
25 termination for cause, and any other relevant information deemed
26 appropriate by the employer.

36 *disposition of the reports received pursuant to this section.*

37 *(i) The board shall send to the licentiate a copy of the report*

24 (d) All current accusations filed by the Attorney General,
25 including those accusations that are on appeal. For purposes of
26 this paragraph, "current accusation" means an accusation that
27 has not been dismissed, withdrawn, or settled, and has not been
28 finally decided upon by an administrative law judge and the board
29 unless an appeal of that decision is pending.

30 (e) Any malpractice judgment or arbitration award imposed
31 against a licensee and reported to the board.

32 (f) Any hospital disciplinary action imposed against a licensee

15 *social security number. The information may not include the*
16 *licensee's address, but may include the city and county of the*
17 *licensee's address of record.*

18 *SEC. 187. Section 4990.53 is added to the Business and*
19 *Professions Code, to read:*

20 *4990.53. (a) Unless otherwise provided, if a licensee possesses*
21 *a license or is otherwise authorized to practice in any state other*
22 *than California or by any agency of the federal government and*

26 *or rescinded as provided in subdivision (c). The board shall notify*
27 *the licensee of the license suspension and of his or her right to*
28 *have the issue of penalty heard as provided in this section.*

29 *(b) Upon its own motion or for good cause shown, the board*
30 *may decline to impose or may set aside the suspension when it*
31 *appears to be in the interest of justice to do so, with due regard*
32 *to maintaining the integrity of, and confidence in, the specific*
33 *healing art.*

34 *(c) The issue of penalty shall be heard by an administrative law*
35 *judge sitting alone or with a panel of the board, in the discretion*
36 *of the board. A licensee may request a hearing on the penalty and*
37 *that hearing shall be held within 90 days from the date of the*
38 *request. If the order suspending or revoking the license or authority*
39 *to practice is overturned on appeal, any discipline ordered*
40 *pursuant to this section shall automatically cease. Upon a showing*

1 to the administrative law judge or panel by the licensee that the
2 out-of-state action is not a basis for discipline in California, the
3 suspension shall be rescinded. If an accusation for permanent
4 discipline is not filed within 90 days of the suspension imposed
5 pursuant to this section, the suspension shall automatically
6 terminate.

7 (d) The record of the proceedings that resulted in the suspension
8 or revocation of the licensee's out-of-state license or authority to
9 practice, including a transcript of the testimony therein, may be
10 received in evidence.

11 (e) This section shall not apply to a licensee who maintains his
12 or her primary practice in California, as evidenced by having

16 being suspended pursuant to any other provision of law.

17 (f) This section shall not apply to a licensee whose license has
18 been surrendered, whose only discipline is a medical staff
19 disciplinary action at a federal hospital and not for medical
20 disciplinary cause or reason as that term is defined in Section 805,
21 or whose revocation or suspension has been stayed, even if the
22 licensee remains subject to terms of probation or other discipline.

23 (g) This section shall not apply to a suspension or revocation
24 imposed by a state that is based solely on the prior discipline of
25 the licensee by another state.

26 (h) The other provisions of this article setting forth a procedure
27 for the suspension or revocation of a licensee's license or
28 certificate shall not apply to summary suspensions issued pursuant
29 to this section. If a summary suspension has been issued pursuant
30 to this section, the licensee may request that the hearing on the
31 penalty conducted pursuant to subdivision (c) be held at the same
32 time as a hearing on the accusation.

33 (i) A board that complies with Section 2310 shall not be subject
34 to the requirements of this section.

10 *of Part 1 of Division 3 of Title 2 of the Government Code, that*
11 *contains any finding of fact that the licensee has committed a sex*
12 *offense, shall contain an order revoking the license. The proposed*
13 *decision or decision shall not contain any order staying the*
14 *revocation of the licensee.*

15 *(c) As used in this section, the term sex offense shall mean any*
16 *of the following:*

17 *(1) Any offense for which registration is required by Section*
18 *290 of the Penal Code or a finding that a person committed such*
19 *an act.*

20 *(2) Any offense described in Section 243.4(a)–(d), 261.5, 313.1,*

- a) Report to a healing arts board any judgment for a crime committed or for any death or personal injury in excess of \$30,000, for which the licensee is responsible due to negligence, error or omission in practice, or rendering unauthorized professional services.
- b) Transmit any felony preliminary hearing transcript concerning a defendant licensee of a healing arts board.

14) Requires the district attorney, city attorney, other prosecuting agency, or clerk of the court to notify the appropriate healing arts boards if the licensee has been charged with a felony immediately upon obtaining information that the defendant is a licensee of the healing arts board.

15) Requires the AG's Office to ensure that subsequent reports and subsequent disposition information authorized to be issued by any board, as specified, are submitted to that board within 30 days from notification of subsequent arrests, convictions, or other updates.

16) Requires the AG's Office to do the following:

- a) Serve, or submit to a healing arts board for service, an accusation within 60 calendar days of receipt from the healing arts board.
- b) Serve, or submit to a healing arts board for service, a default decision within five days following the time period allowed for the filing of a notice of defense.
- c) Set a hearing date within three days of receiving a notice of defense, unless the healing arts board gives the AG instruction otherwise.

- 17) Includes issuing a limited or restricted license in the action that existing law allows a healing arts board to take against a licensee whose ability to practice may be impaired because of mental or physical illness.
- 18) Requires each healing arts board, the State Board of Chiropractic Examiners, and the Osteopathic Medical Board of California to query the federal National Practitioner Data Bank (NPDB) prior to any of the following:
 - a) Granting a license to an applicant who is currently residing in another state.
 - b) Granting a license to an applicant who is currently or has ever been licensed as a health care practitioner in California or another state.
 - c) Granting a petition for reinstatement of a revoked or surrendered license.
- 19) Allows a healing arts board, the State Board of Chiropractic Examiners, and the Osteopathic Medical Board of California to query the NPDB prior to issuing any license.
- 20) Requires a healing arts board to charge a fee to cover the actual cost to conduct the queries.
- 21) Specifies that it is a public offense, punishable by a fine not to exceed \$100,000 or imprisonment, to engage in any practice including healing arts practice without a current and valid license. States that this provision applies to a licensee who supervises the practice of any person who does not hold a current and valid license to practice.
- 22) For specified healing arts boards, allows a healing arts board to delegate to its executive officer or executive director the authority to adopt a proposed default decision where an administrative action to revoke a license has been filed and the licensee has failed to file a notice of defense or to appear at the hearing and a proposed default decision revoking the license has been issued.
- 23) For specified healing arts boards, allows a healing arts board to delegate to its executive officer the authority to adopt a proposed settlement agreement where an administrative action to revoke a license has been filed by the healing arts board and the licensee has agreed to the revocation or surrender his or her license.
- 24) For specified healing arts boards, allows a healing arts board to enter into a settlement with a licensee or applicant in lieu of the issuance of an accusation or statement of issues against that licensee or applicant. Requires the settlement to include language identifying the factual basis for the action being taken and a list of the statutes or regulations violated. Specifies that a person who enters a settlement is not precluded from filing a petition, in the timeframe permitted by law, to modify the terms of the settlement or petition for early termination of probation, if probation is part of the settlement. States that any settlement executed against a licensee shall be considered discipline, and a public record to be posted on the applicable board's Internet Website.
- 25) For specified healing arts boards, requires the automatic suspension of any licensee who is incarcerated after conviction of a felony, regardless of whether the conviction has been appealed. Requires the healing arts board to notify the licensee in writing of the suspension

and of his or her right to elect to have the issue of penalty heard, as specified.

- 26) For specified healing arts boards, provides that a decision issued by an administrative law judge that contains a finding that a licensee or registrant has engaged in any act of sexual exploitation, as defined, with a patient, or has committed an act or been convicted of a sex offense as defined, shall contain an order of revocation. Specifies that the revocation shall not be stayed by the administrative law judge.
- 27) For specified healing arts boards, specifies certain requirements for healing arts board when dealing with any applicant or licensee who is required to register as a sex offender.
- 28) For specified healing arts boards, allows the AG and his or her investigative agents, and a healing arts board and its investigators and representatives to inquire into any alleged violation of the laws under the jurisdiction of the healing arts board or any other federal or state law, regulation, or rule relevant to the practice regulated by the healing arts board, whichever is applicable, and may inspect documents relevant to those investigations in accordance with the following procedures:
 - a) Any document relevant to an investigation may be inspected, and copies may be obtained, where patient consent is given.
 - b) Any document relevant to the business operations of a licensee, and not involving medical records attributable to identifiable patients, may be inspected and copied where relevant to an investigation of a licensee.
- 29) For specified healing arts boards, specifies that where certified documents are requested from licensees in accordance with Item #28) above, by the AG, or his or her agents or deputies, or any board, the documents shall be provided within 10 business days of receipt of the request, unless the licensee is unable to provide the certified documents within this time period for good cause. States that good cause includes, but not limited to, physical inability to access the records in the time allowed due to illness or travel. Makes failure to produce requested certified documents or copies thereof, after being informed of the required deadline, unprofessional conduct.
- 30) For specified healing arts boards, states that any provision of law making a communication between a licensee of a healing arts board and his or her patients a privileged communication shall not apply to investigations or proceedings conducted by a healing arts board. Requires the names of any patients whose records are reviewed to be confidential, unless specified. States that the authority to examine records of patients in the office of a licensee is limited to records of patients who have complained to the healing arts board about that licensee.
- 31) For specified healing arts boards, specifies that a licensee who fails or refuses to comply with a request for the certified medical records of a patient, that is accompanied by that patient's written authorization for release of records to a healing arts board, within 15 days of receiving the request and authorization, shall pay to the healing arts board a civil penalty of up to \$1,000 per day for each day that the documents have not been produced after the 15th day, up to \$10,000, unless the licensee is unable to provide the documents within this time period for good cause.

- 32) For specified healing arts boards, requires a health facility to comply with a request for the certified medical records of a patient that is accompanied by that patient's written authorization for release of records to a healing arts board together with a notice citing this section and describing the penalties for failure to comply with this requirement. Specifies that failure to provide the authorizing patient's certified medical records to the healing arts board within 15 days of receiving the request, authorization, and notice shall subject the health care facility to a civil penalty, payable to the healing arts board, of up to one thousand dollars (\$1,000) per day for each day that the documents have not been produced after the 15th day, up to \$10,000, unless the health care facility is unable to provide the documents within this time period for good cause. Requires healing arts boards to pay the reasonable costs of copying the certified medical records, but shall not be required to make that payment prior to the production of the medical records.
- 33) For specified healing arts boards, states that a licensee who fails or refuses to comply with a court order, issued in the enforcement of a subpoena, mandating the release of records to a healing arts board, shall pay to the healing arts board a civil penalty of up to \$1,000 per day for each day that the documents have not been produced after the date by which the court order requires the documents to be produced, up to \$10,000, unless it is determined that the order is unlawful or invalid. Indicates that any statute of limitations applicable to the filing of an accusation by the healing arts board shall be tolled during the period the licensee is out of compliance with the court order and during any related appeals. Indicates that any licensee who fails or refuses to comply with a court order, issued in the enforcement of a subpoena, mandating the release of records to a board is guilty of a misdemeanor punishable by a fine payable to the board not to exceed \$5,000, as specified. Indicates that multiple acts by a licensee in violation of this provision is punishable by a fine not to exceed \$5,000 or by imprisonment in a county jail not exceeding 6 months, or by both that fine and imprisonment. A failure or refusal of a licensee to comply with a court order, issued in the enforcement of a subpoena, mandating the release of records to the healing arts board constitutes unprofessional conduct and is grounds for suspension or revocation of his or her license.
- 34) For specified healing arts boards, provides that a health care facility that fails or refuses to comply with a court order, issued in the enforcement of a subpoena, mandating the release of patient records to a healing arts board, that is accompanied by a notice citing this requirement and describing the penalties for failure to comply with this section, shall pay to the healing arts board a civil penalty of up to \$1,000 per day for each day that the documents have not been produced, up to \$10,000, after the date by which the court order requires the documents to be produced, unless it is determined that the order is unlawful or invalid. Indicates that any health care facility that fails or refuses to comply is guilty of a misdemeanor punishable by a fine payable to the board not to exceed \$5,000. Indicates that multiple acts by a health care facility in violation of this provision is punishable by a fine not to exceed \$5,000, shall be reported to the State Department of Public Health, and considered as grounds for disciplinary action with respect to licensure, including suspension or revocation of the license or certificate.
- 35) For specified healing arts boards, specifies that the provisions requiring the production of medical records do not apply to a licensee who does not have access to and control over certified medical records.

- 36) For specified healing arts boards, requires any employer of a health care licensee to report to the board the suspension or termination for cause, or any resignation in lieu of suspension or termination for cause, of any health care licensee in its employ within 15 business days, as specified. Indicates that this reporting requirement does not constitute a waiver of confidentiality of medical records, and that the information reported or disclosed shall be kept confidential and not subject to discovery in civil cases. States that no person shall incur any civil penalty as a result of making this report.
- 37) Defines, for purposes of Item #36) above, resignation, suspension or termination for cause as any of the following reasons:
- a) Use of controlled substances or alcohol to the extent that it impairs the licensee's ability to safely practice.
 - b) Unlawful sale of a controlled substance or other prescription items.
 - c) Patient or client abuse, neglect, physical harm, or sexual contact with a patient or client.
 - d) Gross negligence or incompetence.
 - e) Theft from a patient or client, any other employee, or the employer.
- 38) Defines, for purposes of Item #36) above, gross negligence as a substantial departure from the standard of care which, under similar circumstances, would have ordinarily been exercised by a competent health care licensee, and which has or could have resulted in harm to the consumer. An exercise of so slight a degree of care as to justify the belief that there was a conscious disregard or indifference for the health, safety, or welfare of the consumer shall be considered a substantial departure from the above standard of care.
- 39) Defines incompetence for purposes of Item #36) above, as the lack of possession of and the failure to exercise that degree of learning, skill, care and experience ordinarily possessed by a responsible health care licensee.
- 40) States that a willful failure of an employer to make a report required in Item #36) above is punishable by an administrative fine not to exceed one hundred thousand dollars (\$100,000) per violation. Defines willful as knowing and intentional violation of a known legal duty. States that any failure of an employer, other than willful failure, to make a report required by this section is punishable by an administrative fine not to exceed \$50,000.
- 41) For specified healing arts boards, provides that on or after July 1, 2013, every healing arts board shall post on the Internet specified information in its possession, custody, or control regarding every licensee for which the board licenses, including whether or not the licensee or former licensee is in good standing, subject to a temporary restraining order, subject to an interim suspension order, subject to a restriction or cease practice order, as specified, or subject to any of the enforcement actions, as specified; whether or not the licensee or former licensee has been subject to discipline by the healing arts board or by the board of another state or jurisdiction, as described; any felony conviction of a licensee reported to the healing arts board; all current accusations filed by the AG's Office; and any malpractice judgment or

arbitration award.

- 42) For specified healing arts boards, provides that if a licensee possesses a license or is otherwise authorized to practice in any state other than California or by any agency of the federal government and that license or authority is suspended or revoked outright, the California license of the licensee shall be suspended automatically for the duration of the suspension or revocation, as specified. Requires the board shall notify the licensee of the license suspension and of his or her right to have the issue of penalty heard, as provided.
- 43) Specifies that it is the intent of the Legislature, through a request in 2012 from the Joint Legislative Audit Committee, that the Bureau of State Audits conduct a thorough performance audit of the Pharmacists Recovery Program to evaluate the effectiveness and efficiency of the program, and make recommendations regarding the continuation of the program and any changes or reforms required to ensure that pharmacists and intern pharmacists participating in the program are appropriately monitored, and the public is protected from pharmacists and intern pharmacists who are impaired due to alcohol or drug abuse or mental or physical illness. The audit shall be completed by January 1, 2013. The board and its staff shall cooperate with the audit, and the board shall provide data, information, and case files as requested by the auditor to perform all of its duties. The provision of confidential data, information, and case files by the board to the auditor shall not constitute a waiver of any exemption from disclosure or discovery or of any confidentiality protection or privilege otherwise provided by law that is applicable to the data, information, or case files. Provides that it is the intent of the Legislature that the audit shall be paid for with funds from the Pharmacy Board Contingent Fund.

FISCAL EFFECT: Unknown. This bill has been keyed “fiscal” by Legislative Counsel.

COMMENTS:

1. **Purpose.** The Author is the Sponsor of this measure. The Author states that this bill provides healing arts boards several tools to improve their enforcement process and ensure patient safety. According to the author, some of DCA’s healing arts boards have been unable to investigate and prosecute consumer complaints in a timely manner, and are taking an average of three years or more to investigate and prosecute these cases. The author points out that this is an unacceptable timeframe given that the highest priority of these boards is the protection of the public.
2. **Background.** On July 11, 2009, the *Los Angeles Times*, in conjunction with Pro-Publica, a nonprofit investigative news agency, published an article entitled “*When Caregivers Harm: Problem Nurses Stay on the Job as Patients Suffer,*” charging that the BRN, which oversees California’s more than 350,000 nurses, often takes years to act on complaints of egregious misconduct. The article indicated that nurses with histories of drug abuse, negligence, violence, and incompetence continue to provide care, and BRN often took more than three years on average to investigate and discipline errant nurses. The article also pointed out that complaints often take a circuitous route through several clogged bureaucracies; the BRN failed to act against nurses who have been sanctioned by others and failed to use its authority to immediately suspend dangerous nurses from practicing; there were failures in the probation monitoring of troubled nurses; there is a lack of reporting requirement for hospitals to report nurses who have been fired or suspended for harming a patient or other serious

misconduct similar to what is required of vocational nurses, psychiatric technicians and respiratory care therapists; and, nurses convicted of crimes, including sex offenses and attempted murder continue to be licensed. On July 25, 2009, the *LA Times* published another article on the failures of BRN's drug diversion program. This article pointed out that participants in the program continue to practice while intoxicated, stole drugs from the bedridden and falsified records to cover their tracks. Moreover, more than half of those participating in drug diversion did not complete the program, and even those who were labeled as "public risk" or are considered dangerous to continue to treat patients did not trigger immediate action or public disclosure by BRN. The article further pointed out that because the program is confidential, it is impossible to know how many enrollees relapse or harm patients. But the article points out that a review of court and regulatory records filed since 2002, as well as interviews with diversion participants, regulators and experts suggests that dozens of nurses have not upheld their end of the bargain and oversight is lacking. These revelations, including other articles revealing lengthy enforcement timeframes against problem nurses who continue to practice and provide care to the detriment of patients, led Governor Schwarzenegger to replace four members of the BRN and appoint members to two long-time vacancies.

On July 27, 2009, DCA convened a meeting for the purpose of taking testimony and evidence relevant to the BRN enforcement program. BRN's discussion focused on its proposals that were contained in the "*Enforcement Report On the Board of Registered Nursing*." The report pointed out several barriers to BRN's enforcement process, but specifically indicated that for the board's diversion program, when a substance abuse case is referred to the diversion program, the investigation is placed on hold while the licensee decides if he/she wants to enter diversion. This practice allows the licensee to delay final disposition of the case. In addition, there is limited communication between the diversion program and the enforcement program which can delay investigation of licensees who are unsuccessfully diverted and are terminated from the program, and that the BRN lacks a number of enforcement tools, including the ability to automatically suspend licensees pending a hearing.

On August 17, 2009, this Committee held an informational hearing entitled "*Creating a Seamless Enforcement Program for Consumer Boards*" and investigated many of the problems pointed out by the *LA Times*, as well as others related to the BRN and other healing arts boards. A Background Paper was prepared for the hearing which pointed out many of the existing problems and made specific recommendations for improving the enforcement programs of the healing arts boards. This bill codifies many of the recommendations listed in the Background Paper for the informational hearing and well as other recommendations proposed by the DCA.

3. **Previous Legislation.** SB 1111 (Negrete McLeod) of 2010, contained many of the provisions that are codified in this bill. SB 1111 failed passage in this Committee.
4. **The Following Provisions have General Application to All the Healing Arts Boards.**
 - a) **Access to Records/Documents from Governmental Agencies.** Requires a state agency, upon receiving a request from a board, to provide all records in the custody of the agency including but not limited to confidential reports, medical records and records related to closed or open investigations. Requires a healing arts board to maintain the confidentiality of any personal identifying information.

Justification. When a regulatory program conducts an investigation on one of its licensees, there can be significant delays caused by the amount of time it takes to secure records from various state agencies. This proposal would solve this problem by requiring these agencies to release information relevant to investigations, upon the request of a board.

- b) **Payment to Agencies for Record/Documents Received.** Requires all local and state law enforcement agencies, state and local governments, state agencies and licensed health care facilities, and employers of any licensee of a board to provide records requested prior to receiving payment from the board.

Justification. Only a small number of external governmental agencies charges boards for producing records (i.e., Federal courts, several Los Angeles county agencies). However, under current practices, procedures involved in receiving approval for and completing the payment can delay delivery of the requested records.

- c) **Prohibition of Gag Clauses in Civil Litigation Action.** Prohibits a healing arts licensee from including, or permitting to be included, any provision in a civil dispute settlement agreement which would prohibit a person from contacting, cooperating with or filing a complaint with a board based on any action arising from his or her practice.

Justification. Currently, physicians and surgeons are prohibited from including gag clauses in civil dispute settlements. AB 249 (Eng, 2007) would have extended this prohibition to all healing arts professionals but was vetoed by the Governor. There is no reason why other healing arts professionals should not be subject to the same prohibition which would prevent them from including a “gag clause” in a malpractice settlement and thus prevent a board from receiving information about a practitioner who may have violated the law. The use of gag clauses still persists. Gag clauses are sometimes used to intimidate injured victims so they refuse to testify against a licensee in investigations. Gag clauses can cause delays and thwart a board’s effort to investigate possible cases of misconduct, thereby preventing the board from performing its most basic function – protection of the public. Gag clauses increase costs to taxpayers, delay action by regulators, and tarnish the reputation of competent and reputable licensed health professionals. California should not allow repeat offenders who injure patients to hide their illegal acts from the authority that grants them their license to practice as healing arts professional.

- d) **Director’s Authority to Audit Enforcement Programs of Health Boards.** Existing law authorizes the Director of DCA to audit and review, among other things, inquiries and complaints regarding licensees, dismissals of disciplinary cases, and discipline short of formal accusation by the Medical Board of California (MBC) and the California Board of Podiatric Medicine. This bill allows the Director to audit and review the aforementioned activities for any of the healing arts boards. The Director may make recommendations for changes to the disciplinary system to the appropriate board, the Legislature, or both, for their consideration.

Justification. There does not appear to be any reason why the Director should only be limited to auditing and taking specific actions on behalf of consumers for the MBC and the

Podiatric Board. The Director should be authorized to audit and review any healing arts boards as necessary, and allow the Director to make recommendations for changes to the board's disciplinary or enforcement system.

- e) **Allow Health Boards to Contract for Investigative Services provided by the Department of Justice.** Allows a healing arts board to contract with the Department of Justice to provide investigative services as determined necessary by the Executive Officer.

Justification. Healing arts boards should be provided with the greatest flexibility in obtaining investigative services and in completing cases in a timely manner. By allowing healing arts boards to contract with the Department of Justice, or to utilize the investigative services of the DOI, they will be provided with the broadest opportunity to move cases forward in a more expeditious manner. The AG's Office made this recommendation since it also believes that more difficult criminal-type cases could be investigated and prosecuted by their Office.

- f) **Create Within the Division of Investigation (DOI) a Health Quality Enforcement Unit.** Creates within DOI a special unit titled the "Health Quality Enforcement Unit" to focus on health care quality cases and to work closely with the AG's Health Quality Enforcement Section in investigation and prosecution of complex and varied disciplinary actions against licensees of the various healing arts boards.

Justification. Creating a Health Quality Enforcement Unit to focus on health care quality cases will create expertise in the investigation and prosecution of complex and varied disciplinary actions against licensees of the various healing arts boards.

- g) **Annual Enforcement Reports by Boards to the Department and Legislature.** Requires healing arts boards to report annually, by October 1, to the DCA and the Legislature certain information, including, but not limited to, the total number of consumer calls received by the board, the total number of complaint forms received by the board, the total number of convictions reported to the board, and the total number of licensees in diversion or on probation for alcohol or drug abuse.

Justification. Currently, the MBC reports annually to the DCA and the Legislature certain enforcement actions taken against physicians and surgeons. There is no reason why other healing arts boards should not be subject to the same requirements in submitting an annual enforcement report both to the DCA and the Legislature.

- h) **Conviction of Sexual Misconduct – Substantially Related Crime.** Provides that a conviction of sexual misconduct or a felony requiring registration as a registered sex offender shall be considered a crime substantially related to the qualifications, functions, or duties of a board license.

Justification. Existing law provides that for physicians and surgeons, dentists and other health professionals, a conviction of sexual misconduct or a felony requiring registration as a registered sex offender is considered a crime substantially related to the qualifications, functions, or duties of a board licensee. There is no reason why other health professionals who have been convicted of sexual misconduct, or have been required to register as a sex offender pursuant to a felony conviction, should not be subject to the same standard and

finding that such a crime is substantially related to the qualifications, functions, or duties of a board licensee.

- i) **Unprofessional Conduct for Drug Related Offense.** Specifies that a conviction of a charge of violating any federal statutes or regulations or any statute or regulation of this state, regulating dangerous drugs or controlled substances, constitutes unprofessional conduct, and that the record of the conviction is conclusive evidence of such unprofessional conduct.

Justification. The Medical Practice Act provides that a conviction of a charge of violating any federal statutes or regulations or any statute or regulation of this state, regulating dangerous drugs or controlled substances, constitutes unprofessional conduct, and that the record of the conviction is conclusive evidence of such unprofessional conduct. There is no reason why other health professionals should not be subject to the same requirements regarding certain drug related offenses which would be considered as unprofessional conduct on the part of the practitioner.

- j) **Unprofessional Conduct for Failure to Cooperate With Investigation of Board.** Specifies that failure to furnish information in a timely manner to the board or cooperate in any disciplinary investigation constitutes unprofessional conduct.

Justification. This requirement was recommended by the AG's Office. According to the AG, a significant factor preventing the timely completion of investigations is the refusal of some health care practitioners to cooperate with an investigation of the board. This refusal to cooperate routinely results in significant scheduling problems and delays, countless hours wasted serving and enforcing subpoenas, and delays resulting from the refusal to produce documents or answer questions during interviews. Other states have long required their licensees to cooperate with investigations being conducted by disciplinary authorities. The AG argues that the enactment of a statutory requirement in California would significantly reduce the substantial delays that result of a practitioner's failure to cooperate during a board's investigation.

- k) **Reporting by Licensee of Disciplinary Action.** Requires a healing arts licensee to submit a written report for any disciplinary action taken by another licensing authority or authority of this state or of another state or an agency of the federal government and any indictment or information charging a felony against the licensee or any conviction of a crime.

Justification. Existing law requires a physician and surgeon, osteopathic physician and surgeon, and a doctor of podiatric medicine to report to his or her respective board when there is an indictment or information charging a felony against the licensee or he or she been convicted of a felony or misdemeanor. There is no reason why all health professionals should not be subject to the same reporting requirements as some of the other health professionals.

- l) **Report of Crime or Personal Injury Judgment by Clerk of Court.** Requires that the clerk of the court provide notice to a healing arts board for which the licensee is licensed, if there is a judgment for a crime committed or for any death or personal injury in excess of \$30,000, for which the licensee is responsible due to their negligence, error or omission in

practice, or his or her rendering unauthorized professional services.

Justification. There is no reason the clerk of the court should not report a judgment for a crime or for personal injury to any of the other healing arts boards. Most healing arts boards are currently covered under this provision.

- m) **Report of Felony Charges by DA, City Attorney, or Clerk of Court.** Requires that any filings of charges of a felony be reported to all appropriate healing arts boards for which the licensee is licensed.

Justification. There is no reason why all the other healing arts boards should not receive notice that charges of a felony have been filed against the licensee of the board.

- n) **Report of Preliminary Hearing Transcript of Felony by Clerk of Court.** Requires that any filings of charges of a felony be reported to all appropriate healing arts boards for which the licensee is licensed.

Justification. There is no reason why all other healing arts boards should not receive notice that charges of a felony have been filed against the licensee of the board.

- o) **Notification of Subsequent Reports and Subsequent Disposition Information by DOJ.** Requires the Department of Justice to provide notification within 30 days of subsequent reports and subsequent disposition information or other updates of licensees to boards.

Justification. While all new fingerprints are performed electronically, not all records at the DOJ are kept electronically for licensees who were fingerprinted in the past. Retrieving non-electronic records adds unnecessary time to investigations. The DCA is not in a position to recommend how exactly the DOJ can reduce the amount of time it takes to complete subsequent arrest and conviction notices, but believes that a benchmark should be set. This would speed up the time it takes to receive some arrest and conviction notices and will allow boards to take action against licensees sooner.

- p) **Enforcement Timeframes for the Attorney General's Office.** Requires the AG's Office to serve an accusation within 60-calendar days after receipt of a request for accusation from a board; serve a default decision within 5 days following the time period allowed for the filing of a Notice of Defense and to set a hearing date within three days of receiving a Notice of Defense, unless instructed otherwise by the board.

Justification. There are delays in the prosecution of cases at the AG's Office that are contributing to the lengthy enforcement and disciplinary process that can take on average up to 2 to 3 years. According to statistics provided by the AG's Office, the average time for the AG to file an accusation for a board is taking from 5 to 8 months, and to complete prosecution can take on average about 400 days. Concerns have also been raised about the time it takes the AG to prepare a proposed default decision. The filing of a default decision is made once a licensee has failed to file a "notice of defense" when an accusation has been served on him or her. If the licensee fails to file a notice of defense within a specified timeframe, he or she is subject to a default judgment because of a failure to appear or make a defense of the disciplinary case. In 2004-2005 it was taking the AG

almost 6 months to file a proposed default decision. In 2008-2009 it was down to about 2.5 months. However, the filing of a proposed default decision is “not rocket science” and should only take a matter of days.

- q) **Clarifies that a board has an option to issue a limited or restricted license to a licensee whose ability to practice may be impaired because of mental or physical illness.**

Justification. Existing law allows healing arts boards to revoke, suspend, place on probation or take any other appropriate action against a licensee if the licensee’s ability to practice his or her profession safely is impaired because of mental or physical illness affecting competency. According to the Legislative Counsel, the Americans with Disabilities Act prohibits discrimination against disabled persons by public entities, and that no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a public entity, including a public entity that administers a licensing program. Although healing arts boards are authorized to issue a probationary license to licensees with physical or mental illness, some licensees disfavor the use of the term probationary license because of the negative implication associated with probation. The clarification contained in this bill does not require a healing arts board to issue limited or restricted license, but instead enumerates that these are options for a healing arts board to take against a licensee with physical or mental illness affecting competency to practice.

- r) **Checking Information Maintained by the National Practitioner Data Bank (NPDB) and the Healthcare Integrity and Protection Data Bank (HIPDB).** Requires healing arts boards to check the NPDB and the HIPDB under the following conditions: (1) Prior to granting a license to an applicant who is currently residing in another state; (2) Granting a license to an applicant who is currently or has ever been licensed as a health care practitioner in California or another state; (3) Granting a petition for reinstatement of a revoked or surrendered license. Allows a healing arts board to query the NPDB prior to issuing any license. Allows a healing arts board to charge a fee to cover the actual costs to conduct the search.

Justification. There is no reason for boards not to check the NPDB or other national professional or council databases to find out whether applicants or licensees have been sanctioned or disciplined by other states prior to granting or renewing of a license.

For background purposes, the NPDB and HIPDB, managed by the Health Resources and Services Administration of the U.S. Department of Health and Human Services, serves as an electronic repository of information on adverse licensure actions, certain actions restricting clinical privileges, and professional society membership actions taken against physicians, dentists, and other practitioners. The legislation that led to the creation of the NPDB was enacted because the U.S. Congress believed that the increasing occurrence of medical malpractice litigation and the need to improve the quality of medical care had become nationwide problems that warranted greater efforts than any individual State could undertake. The intent is to improve the quality of health care by encouraging State licensing boards, hospitals and other health care entities, and professional societies to identify and discipline those who engage in unprofessional behavior; and to restrict the ability of incompetent physicians, dentists, and other health care practitioners to move from

State to State without disclosure or discovery of previous medical malpractice payment and adverse action history. The information reported to these databanks is not public information.

One of the articles published by the *LA Times* pointed out that these databanks were missing critical cases, including those who have harmed patients in California. The *LA Times* asserted that there has been sporadic reporting to these databanks, and state boards, hospitals and other entities could be missing information necessary to ensure the protection of the public.

- s) **Unlicensed Practice – Public Crime.** Specifies that it is a public offense, punishable by a fine not to exceed \$100,000 or imprisonment, to engage in any practice, including healing arts practice, without a current and valid license.

Justification. Unlicensed practice presents a serious threat to public health and safety. However, it can be difficult for a board to get a district attorney to prosecute these cases criminally because the penalties are often significantly less than the cost to prosecute the case. While district attorneys do prosecute the most egregious cases, the inconsistent prosecution of these cases diminishes the deterrent effect. If the penalty for unlicensed practice is substantially increased, the deterrent will be increased two-fold; not only will the punishment be more severe, but district attorneys will be more likely to prosecute these cases.

- t) **Allow Healing Arts Boards to Utilize the Vertical Enforcement and Prosecution Model.** Expands the use of the vertical enforcement and prosecution model for cases handled by all other health boards.

Justification. Allowing healing arts boards to utilize the vertical enforcement and prosecution model that currently applies to physicians and surgeons could be beneficial especially for complex types of actions.

- u) **Intent Language for a New Information Technology System.** Provides that it is the intent of the Legislature that the DCA shall, on or before December 31, 2012, establish an enterprise information technology system necessary to electronically create and update healing arts license information, track enforcement cases, and allocate enforcement efforts pertaining to healing arts licensees.

Justification. DCA's current licensing and enforcement database systems are antiquated and impede the boards' abilities to meet their program goals and objectives. Over the past 25 years, these systems have been updated and expanded, but system design and documentation have deteriorated to such an extent that it has left the systems unstable and difficult to maintain. These systems have inadequate performance measurement, data quality errors, an inability to quickly adapt to changing laws and regulations, and a lack of available public self-service options. Implementation of a replacement system is needed to support enforcement monitoring, automate manual processes, streamline processes, and integrate information about licensees. The Governor's 2011-2012 Budget appropriated funds for the implementation of this system.

5. **The Following Provisions Have Been Placed Into Individual Practice Acts of Healing Arts Boards.**

a) **Allow Executive Officers (EO) to Adopt Default Decisions and Stipulated**

Settlements. Allows a healing arts board to delegate to the executive officer the authority to adopt a proposed default decision in an administrative action to revoke a license if a licensee fails to file a notice of defense, appear at the hearing, or has agreed to surrender his or her license. Require the EO to report to the board the number of default decisions and stipulated settlements adopted. Requires that a stipulated settlement give notice to licensees, to include language identifying the factual basis for the action taken, and a list of the statutes or regulations violated. Allows a licensee to file a petition to modify the terms of the settlement or petition for early termination of probation, if probation is part of the settlement.

Justification. According to the AG's Office, a majority of filed cases settle and the receipt of a Notice of Defense can trigger either settlement discussions or the issuance of a Default Decision. Stipulated settlements are a more expeditious and less costly method of case resolution. The EO of the board can provide summary reports of all settlements to the board and the board can provide constant review and feedback to the executive officer so that policies can be established and adjusted as necessary. Also, there have been instances of undue delays between when a fully-signed settlement has been forwarded to the board's headquarters and when it has been placed on the board's agenda for a vote. Delegating this authority to the executive officer will result in a final disposition of these matters much more quickly. The fact that the BRN, for example, has reduced the number of its annual meetings has only increased the need for this.

According to the Center for Public Interest Law (CPIL), it is taking the AG too long to prepare a proposed default decision. In 2004-2005, it was taking the AG almost 6 months to file a proposed default decision. In 2008-2009 it was down to about 2.5 months. As argued by CPIL, filing a proposed default decision is "not rocket science" and should only take a matter of hours.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Dental Board of California
- Dental Hygiene Committee within the Dental Board of California
- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- Board of Registered Nursing
- Board of Vocational Nursing and Psychiatric Technicians
- Psychology Board of California
- The State Board of Optometry
- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- Respiratory Care Board of California
- California State Board of Pharmacy

- The Veterinary Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

- b) **Automatic Suspension of License While Incarcerated.** Provides that the license of a healing arts licensee shall be suspended automatically if the licensee is incarcerated after the conviction of a felony, regardless of whether the conviction has been appealed, and requires the board to notify the licensee of the suspension and of his or her right to a specified (due process) hearing.

Justification. Existing law allows physicians and surgeons and podiatrists to be suspended while incarcerated and there is no reason why other healing arts professionals should not be subject to the same requirements regarding suspension of their license if they are convicted of a felony and incarcerated. Automatic license suspension is needed to prevent a healing arts licensee from practicing while in prison or while released pending appeal of a conviction. Years may pass before a convicted licensee's license can be revoked. There have been instances in which health practitioners had felony records and yet continued to have spotless licenses even while serving time behind bars.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Dental Board of California
- Dental Hygiene Committee within the Dental Board of California
- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- Board of Registered Nursing
- Board of Vocational Nursing and Psychiatric Technicians
- The State Board of Optometry
- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- Respiratory Care Board of California
- California State Board of Pharmacy
- The Veterinary Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

- c) **Mandatory Revocation for Sexual Acts and Registration as Sex Offender.** States that a decision issued by an administrative law judge that contains a finding that a healing arts practitioner engaged in any act of sexual contact with a patient, or any finding that the licensee has committed a sex offense, as defined, shall contain an order of revocation. Also, adds a new section that would require the board to deny a license to an applicant or revoke the license of a licensee who has been required to register as a sex offender.

Justification. Mandatory revocation of a license for acts of sexual exploitation

currently applies to physician and surgeons, psychologists, respiratory care therapists, marriage and family therapists, and clinical social workers. There is no reason why these provisions should not apply to other healing arts licensees.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Dental Board of California
- Dental Hygiene Committee within the Dental Board of California
- Medical Board of California (Sex Offense Provision Only)
- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- Board of Registered Nursing
- Board of Vocational Nursing and Psychiatric Technicians
- The State Board of Psychology (Sex Offense Provision Only)
- The State Board of Optometry
- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- Respiratory Care Board of California
- California State Board of Pharmacy
- The Veterinary Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

d) **Access to Medical Records/Documents Pursuant to Board Investigations.**

Authorizes the AG and his or her investigative agents and healing arts boards to inquire into any alleged violation of the laws under the board's jurisdiction and to inspect documents subject to specified procedures. Provides that any document relevant to an investigation may be inspected, and copies may be obtained where patient written authorization is given. Imposes civil and criminal penalties for licensees or health facilities for failure to comply with a patient's medical record request or with a court order mandating release of record.

Justification. Provisions authorizing the AG and its investigative agents and boards to inquire into any alleged violations of the laws under the board's jurisdiction and to inspect documents subject to specified procedures currently exists for physicians and surgeons. Furthermore, existing law requires physicians and surgeons, dentists, and psychologists to produce medical records accompanied by a patient's written authorization and pursuant to a court order (subpoena), and prescribes penalties for failure to produce the records. When a board or the AG is trying to obtain important documents and medical records pursuant to a disciplinary action of a licensee, requirements for obtaining these documents and records should be consistent with those of other health care practitioners. Language has been included which protects those licensees who may not be responsible for medical records or have no access or control over these records. Also, medical records can only be obtained under two circumstances: (1) The patient has given written authorization for release of the records to a board; and, (2) the board or the AG has sought a court order and the court

has issued a subpoena mandating the release of records. Under both circumstances penalties would apply if the records are not supplied by those who have both possession and control over the records. There is no reason why the requirement for obtaining important medical records and documents pursuant to an investigation by a board should not uniformly apply to all healing arts boards.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- Board of Registered Nursing
- Board of Vocational Nursing and Psychiatric Technicians
- The State Board of Optometry
- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

- e) **Employer of Health Care Practitioner Reporting Requirements.** Requires any employer of a healing arts licensee to report to the respective board the suspension or termination for cause, as defined (serious violations of professional practice), or resignation in lieu of suspension or termination, of any healing arts licensee in its employ. Requires the information reported to be confidential and not subject to discovery in civil cases, and to include the facts and circumstances of the suspension, termination or resignation. Requires a healing arts board to investigate the circumstances underlying the report within 30 days to determine if an interim suspension order or temporary restraining order should be issued.

Justification. Currently employers of vocational nurses, psychiatric technicians and respiratory care therapists are required to report to the respective boards the suspension or termination for cause of these health care practitioners. The MBC, the Board of Podiatric Medicine, Board of Behavioral Sciences, Board of Psychology and the Dental Board also have more extensive reporting requirements for peer review bodies and hospitals which are specified in Section 805 of the B&P Code. There is no reason why the remaining healing arts boards should not have similar reporting requirements for those licensees who have been suspended or terminated from employment for serious disciplinary reasons.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Dental Hygiene Committee within the Dental Board of California
- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- The State Board of Optometry

- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- The Veterinary Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

- f) **Information Provided on the Internet.** Requires healing arts boards to disclose the status of every license, including suspensions and revocations, whether or not the licensee or former licensee is in good standing, or has been subject to discipline by the healing arts board or by the board of another state or jurisdiction. Prohibits the disclosure of personal information, including home telephone number, date of birth, or social security number.

Justification. Although a number of boards, including healing arts boards, are required to post the aforementioned information regarding a licensee, there are other healing arts boards that do not. One of the issues which has been raised by the media is that the public is unaware of problem licensees, whether they have had prior disciplinary action taken against them, or whether their license is currently in good standing. They cited instances in which they looked up on the Internet, or on the particular health board's Website and never saw prior disciplinary or criminal convictions of the health care practitioner. This provision ensures the uniformity of information about the status of licensees that are posted on the Internet.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Dental Board of California
- Dental Hygiene Committee within the Dental Board of California
- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- Board of Registered Nursing
- Board of Vocational Nursing and Psychiatric Technicians
- The State Board of Psychology
- The State Board of Optometry
- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- Respiratory Care Board of California
- California State Board of Pharmacy
- The Veterinary Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

- g) **Automatic Suspension of License if Another State or Agency Revokes of Suspends the Licensee.** Requires the automatic suspension of a licensee if another regulatory/licensing authority of this state, another state or an agency of the federal government suspends or revokes the license of a healing arts practitioner. Specifies due process provisions.

Justification. There are certain health boards which require automatic suspension of a license base on the action taken by another jurisdiction or state. To further protect consumers, all health care boards should be allowed to automatically suspend the license of anyone whose license with the federal, state, or another regulatory agency has been suspended or revoked.

Pertains to the Following Boards: This provision will affect the following healing arts boards under their specific Practice Act:

- Dental Board of California
- Dental Hygiene Committee within the Dental Board of California
- Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board
- The California Board of Occupational Therapy
- Physical Therapy Board of California
- Board of Registered Nursing
- Board of Vocational Nursing and Psychiatric Technicians
- The State Board of Psychology
- The State Board of Optometry
- The Physician Assistant Committee within the Medical Board of California
- The Naturopathic Medicine Committee within the Osteopathic Medical Board
- Respiratory Care Board of California
- California State Board of Pharmacy
- The Veterinary Medical Board
- The Acupuncture Board
- The Board of Behavioral Sciences

h) **Bureau of State Audits Review of the Pharmacists Recovery Program in 2012.**

Justification. To ensure full implementation of SB 1441 standards and address problems encountered with the Maximus audit and drug testing requirements, this audit ensures that the Pharmacists Recovery Program is protecting the public and rehabilitating licensees.

6. **Oppose Unless Amended.** The California Nurses Association (CNA) has taken an oppose unless amended position on the following provisions of this bill:

- a) Access to records. CNA states that the bill's proposal to require state agencies, state and local governments, law enforcement agencies, health care facilities, and employers to turn over records pertaining to licensees is broad, and raises privacy concerns.
- b) Reporting of Charges. CNA is concern that licensees are being required to report charges to the board, particularly when there is not a subsequent conviction as this raises due process concerns.
- c) Alcohol and Unprofessional Conduct. CNA's concern is how this bill will be implemented.

- d) Restricted or limited license. CNA states it is unclear as to how or why the board would implement a limited or restricted license for registered nurses.
- e) Required Actions Against Sex offenders. CNA states it is unclear why this bill would give a sex offender who is required to be a sex offender because of a misdemeanor conviction [of indecent exposure] an exemption from the requirement to deny licensure application, or to revoke licensure.
- f) Internet Disclosures. These provisions are overly broad, the necessity of the postings is unclear, and the disclosures would be punitive and unfair toward licensees.
- g) Attorney General Timeframes. It is unclear if the timelines are realistic and can actually be implemented.
- h) Supervising Unlicensed Practice. As employees, registered nurses generally do not make decisions on the hiring of other nurses, and do not generally have control over who the employer requires a nurse to supervise. CNA states that this language should be amended to apply to facilities or independent practitioners who employ persons unlawfully engaging in unlicensed practice, or who knowingly aid and abet unlicensed practice.

**Letter Addressed to Senator Price
Regarding Senate Bill 544**

April 28, 2011

The Honorable Curren D. Price, Jr.
Chair, Business, Professions and Economic Development Committee
California State Senate
State Capitol, Room 2053
Sacramento, CA 95814

Subject: Senate Bill 544 (Price): April 14, 2011 Amended Version

Dear Senator Price:

Thank you for introducing Senate Bill 544 as amended. The enactment of the Consumer Health Protection Enforcement Act will provide the Dental Board of California (Board) with the additional tools and authorities necessary to reduce the timeframe for investigating and prosecuting violations of the Dental Practice Act (Act).

The success of reducing the timeframes for investigation and prosecution of violations is directly related to the ability of the Board to hire the allocated Consumer Protection Enforcement Initiative (CPEI) positions. The Board is currently unable to fill six (6) vacant positions due to the Governor's Executive Order relative to hiring, therefore some contingency provision may be necessary. Additionally, while the Board may intend to reduce the timeframe of investigating and prosecuting a case, it will be unable to control the ability of the Department of Justice to meet the necessary timeframes.

Since the Board does not meet until the end of May, this letter does not reflect an official Board position, rather it identifies provisions contained within the bill that: (1) may require additional clarification, (2) are duplicative of current provisions in the Act, and (3) may fiscally impact the Board's operations. Additionally, the Board has previously taken positions on similar provisions contained within Senate Bill 1111 (Negrete McLeod) from the 2009-2010 Legislative Session and the Consumer Protection Enforcement Initiative issued by the Department of Consumer Affairs (Department).

Additional Clarification Requested:

The Legislative findings and declarations specify that it is the Legislature's intent to reduce the timeframe for investigating and prosecuting violations of the law to between 12 and 18 months. However, it may be necessary to clarify if the 12 to 18 month timeframe begins at the time a complaint is filed with the Board, or if it begins from the time a complaint is found to warrant an investigation.

Business and Professions Code Sections 40 and 42 require state agencies to immediately provide records requested by the Board prior to payment. However, the proposed addition does not define "immediate". Existing law, Business and Professions Code Section 1684.1, requires licensees to provide records requested by the Board within 15 days of receipt of the request or face a civil penalty. Additionally, what recourse is there for a state agency's non-compliance with the Board's request for records.

Business and Professions Code Section 726 specifies that the commission of and conviction for any act of sexual abuse, sexual misconduct, or attempted sexual misconduct, whether or not with a patient, or conviction of a felony requiring registration shall be considered a crime substantially related to the qualifications, functions, or duties of a licensee of healing arts board. The bill also specifies that these provisions do not apply to sexual contact between a licensee and their spouse or person in an equivalent domestic relationship when the licensee provides medical treatment, other than psychotherapeutic treatment, to their spouse or equivalent domestic partner. However, the proposed amendments do not define an "equivalent domestic relationship".

Business and Professions Code Section 1688.1 authorizes the Board to enter into a settlement with a licensee or applicant in lieu of the issuance of an accusation or statement of issues against that licensee or applicant. It is unclear who has the responsibility of writing the settlement language. Currently the Deputy Attorney General and the paralegal assigned to the case draft the settlement language.

The proposed additions of Business and Professions Code Sections 1947.1 through 1947.8 pertain to the Dental Hygiene Committee of California (DHCC). The DHCC administers its own enforcement program and is autonomous from the Dental Board except when deciding scope of practice issues. However, the proposed language refers to the "board" in these sections rather than "committee" as used throughout Business and Professions Code Sections 1900 through 1966.6.

The proposed addition of Business and Professions Code Section 1947.6 requires any employer of a licensee to report the suspension or termination for cause of any licensee in its employ. The bill defines suspension or termination for cause as suspension or termination from employment for gross negligence or incompetence as well as other specified reasons. The determination of a licensee committing gross negligence or incompetence is typically made through the Board's enforcement process and not determined by an employer.

Duplication in the Dental Practice Act:

The bill proposes the addition of Business and Professions Code Section 1688.4 relative to the denial, revocation, or suspension of a license to an individual who is required to register as a sex offender. The proposed language is duplicative of existing law, Business and Professions Code Section 1687.

Fiscal Impact on the Board:

Requiring the Board to query the National Practitioner Data Bank (NPDB) will cause significant fiscal impact on the operations of the Board. The NPDB may only be queried through the use of a credit card; the Board currently uses a Cal-Card to query the NPDB for applicants. Each year the use of the Cal-Card is suspended from June 1 until the passage of a budget. During previous years when the budget has not passed until September or October, the applicant's licensure has been delayed for several months due to the inability of the Board to obtain NPDB information. Each query of the NPDB costs \$4.75. With an estimated 1,200 queries per year, this provision will require a staffing augmentation.

Requiring the Board to post specified information regarding licensees on the Internet on or after July 1, 2013 will require additional work of existing staff. While the Board currently provides most of this information on its web site, the license verification web site will need to be modified to accommodate the additional information to be disclosed. This will require approximately eighty (80) additional hours of analytical and computer programming staff time to compile the information, modify the Board's web site, and add the necessary information to the web site. The additional 80 hours will likely result in overtime pay to existing staff. Once the web site is updated, the work load associated with maintenance would be minor and absorbable.

Previous Board Positions:

Business and Professions Code Section 116 provides that the Director of the Department or his or her designee may audit and review the enforcement programs of all the healing arts boards. At its February 25, 2010 meeting, the Board reviewed the proposed Consumer Protection Enforcement Initiative and discussed the proposed

authority of the Director or designee to audit and review the Board's enforcement program. The Board discussed the possibility of the Director's audit and review to be limited to closed cases. The Board agreed that the Board's disciplinary process should be allowed to function independently, but be subject to review once cases are closed.

Absent Board discussions regarding mandatory revocation for a sex offense and prohibition of gag orders in settlements for civil litigation, we are still evaluating the affects these provisions will have and will provide a report with additional information as soon as possible. We respectfully request to respond at a later date.

Thank you for the opportunity to provide comments regarding Senate Bill 544. If you have any questions or concerns, please feel free to contact me at your convenience.

Respectfully,

MEMORANDUM

DATE	July 18, 2011
TO	Dental Board Members
FROM	Donna Kantner, Manager, Licensing and Examination Unit Dental Board of California
SUBJECT	Agenda Item 8: Discussion and Possible Action Regarding Special Permits (Business and Professions Code Section 1640 – 1642)

Background:

Business and Professions Code, Sections 1640 – 1642, allows the Board to issue a Special Permit to practice dentistry to an individual who does not hold a California dental license if he or she has a pending contract with a California dental college as a full-time professor, an associate professor or an assistant professor.

Currently, there are two ways to qualify for a Special Permit:

- 1) Must be a graduate of a board-approved dental college and show proof of certification as a diplomat of a specialty board or evidence of completion of an advanced educational program in a discipline from a board-approved dental college.
- 2) Provide written verification from the dean of the dental school where the contract is pending that, either:
 - a) the dentist's expertise or skill is in a specialty area of dental practice approved by the American Dental Association (ADA) and that the addition of this dentist to the faculty will benefit the students and the dental program, or
 - b) that the addition of this general dentist to the faculty will benefit the students and the dental program.

The number of Special Permits that may be issued according to the requirements of provision 1 is limited by Section 1640.2 to "the number that may be properly administered and supervised by the board."

The number of Special Permits that may be issued according to the requirements of provision 2 is limited to five permits per dental school for dentists whose expertise is in an ADA approved specialty and five permits per dental school for general dentists.

Any changes to statutory law must be made through legislation.

Dr. Morrow has provided his written summary which is attached. He will also address this issue further at the Board meeting.

**BUSINESS AND PROFESSIONS CODE
SECTIONS 1640-1642**

1640. Any person meeting all the following eligibility requirements may apply for a special permit:

1642. Every person to whom a special permit is issued shall be entitled to practice in their recognized specialty or discipline at the dental college at which he or she is employed and its affiliated institutions as approved by the board on the following terms and conditions:

(a) The special permit holder shall file a copy of his or her employment contract with the board. The contract shall contain the following provision:

That the holder understands and acknowledges that when his or her full-time or part-time employment is terminated at the dental college, his or her special permit will be automatically revoked and that he or she will voluntarily surrender the permit to the board and will no longer be eligible to practice unless or until he or she has successfully passed the required licensure examination as provided in Article 2 (commencing with Section 1625).

(b) The holder shall be employed as a full-time or part-time professor, an associate professor, or as an assistant professor at a California dental college approved by the board. "Full-time employment" as used in this section means a minimum of four days per week. "Part-time employment" as used in this section, means a maximum of three days a week.

**REPORT TO DENTAL BOARD OF CALIFORNIA
CALIFORNIA BUSINESS AND PROFESSIONS CODE
ARTICLE 2.5: SPECIAL PERMITS**

**Submitted by: Steven G. Morrow, DDS, MS
August 11, 2011**

On May 14, 2011, The California dental schools Deans, and/or their representatives, met to discuss concerns they have regarding special permits available to the dental schools by application to the Dental Board. I met with this group as a representative of Loma Linda University School of Dentistry and Dr. John Bettinger attended representing the Dental Board of California.

Special permits allow eligible full-time and part-time faculty who do not hold a current California dental license to participate in the schools' faculty practices. The specific language that establishes eligibility for a special permit, definition of terms, limitations on the number of permits allowed each school, and exceptions to special permit requirements are found in the Business and Professions Code Article 2.5, Sections 1640 – 1640.3. This code section is based on AB 1143 (Emmerson 2005) which became effective January 1, 2006.

Special permits are a type of Restricted Dental License that are used by dental schools in California to recruit and retain non-California licensed dentist to fill faculty positions in their Advanced Dental Education Programs and their DDS programs. Through participation in the faculty practice, the school is able to increase the dentist faculty member's financial compensation and provide the opportunity for the dentist to maintain and/or improve their clinical skills.

The ability to hire dental faculty to fill vacant positions in dental schools in the nation, and specifically in California, has reached a near crisis point. This has occurred for a number of reasons:

1. The economic slow-down resulting in a decrease in the financial support of dental education, not only in State supported institutions but in private universities as well.
2. The aging dental school faculty population and their rate of retirement.
3. The student educational debt resulting in a limited number of recent graduates' ability to pursue a career in dental education.

As a result, dental schools have been forced to rely, to an increasing degree, on hiring foreign trained dentists and dental specialists.

The primary concerns for the California dental school Deans regarding the issue of special permits discussed at this meeting were:

1. Confusion regarding the eligibility requirement for the applicant to “Furnish satisfactory evidence of having graduated from a dental college approved by the board” (Section 1640 (b)).
2. The limitation on the number of Special Permits available in the different categories. (Section 1640.2 and Section 1640.3)

Review of the current Business and Professions Code identifies the eligibility requirements for three (3) categories of Special Permits.

1. United States ADA/CODA approved trained dental specialists
2. Foreign trained dental specialists
3. General dentists

1. Section 1640. Eligibility for examination

Any person meeting all the following eligibility requirements may apply for a special permit:

- (a) Furnishing satisfactory evidence of having a pending contract with a California dental college approved by the board as a full-time professor, and associate professor, or an assistant professor.
- (b) Furnishing satisfactory evidence of having graduated from a dental college approved by the board.
- (c) Furnishing satisfactory evidence of having been certified as a diplomate of a specialty board or, in lieu thereof, establishing his or her qualifications to take a specialty board examination or furnishing satisfactory evidence of having completed an advanced educational program in a discipline from a dental college approved by the board.
- (d) Furnishing satisfactory evidence of successfully completing an examination in California law and ethics developed and administered by the board.
- (e) Paying a fee for applications as provided by this chapter.

2. Section 1640.1. Definitions

As used in this article, the following definitions shall apply:

- (a) “Specialty” means an area of dental practice approved by the American Dental Association and recognized by the board.
- (b) “Discipline” means an advanced dental educational program in an area of dental practice not approved as a specialty by the American Dental Association; but offered from a dental college approved by the board.
- (c) “Dental college approved by the board” means a dental school or college that is approved by the Commission on Dental Accreditation or the American Dental Association, that is accredited by a body that has a reciprocal accreditation agreement with that commission, or that has been approved by the Board of Dental Examiners through its own approval process.

3. Section 1640.2. Limitation on number of permits

- (a) The board shall limit the number of special permits to practice in a discipline at a college to the number that may be properly administered and supervised by the board.
- (b) The board shall allow a person who has held a special permit for at least the seven preceding years to enter into a part-time contract with a California dental college approved by the board. Section 1642 identifies “Full-time employment” as a minimum of four days per week and “Part-time employment” as a maximum of three days per week.
- (c) A holder of a special permit shall practice no more than one day per week in the school’s faculty practice.

4. Section 1640.3. Exceptions to special permit requirements

The board may issue a special permit to a dentist who does not meet the eligibility requirements pursuant to Section 1640 if he or she provides evidence of compliance with the following requirements to the board:

(a) A dentist shall satisfy either of the following conditions:

(1) The dentist’s expertise or skill is in a specialty area of dental practice approved by the American Dental Association and recognized by the board, and the board has received verification, in writing, from the dean of the dental school where a contract is pending, that the addition of this dentist to the faculty will benefit the students and the dental program.

(2) Verification, in writing, from the dean of the dental school where a contract is pending, that the addition of this general dentist to the faculty will benefit the students and the dental program.

(b) – (f) Identifies what is required for “Verification”.

(g) The number of special permits issued by the board under paragraph (1) of subdivision (a) is no more than five permits per dental school. The number of special permits issued by the board under paragraph (2) of subdivision (a) is no more than five permits per dental school.

CALIFORNIA DENTAL SCHOOLS DEANS’ REQUESTS

1. Clarification regarding the eligibility requirement to “Furnish satisfactory evidence of having graduated from a dental college approved by the board” (Section 1640 (b)).

Does this eligibility requirement apply to graduation with an initial dental degree from a dental college approved by the board or does graduating with a Certificate/MS/MSD from an Advanced Dental Education specialty program at a dental college approved by the board satisfy this requirement?

2. The limitation on the number of special permits available in the different categories.

Section 1640.2 limits the number of special permits to practice in a “discipline” at a college to the number that may be properly administered and supervised by the board. (See definition of a “discipline” above)

Has the board established this number?
If yes, what is it?
If no, is it unlimited at this time?

Section 1640.3(g) establishes the maximum number of special permits for a dentist with “expertise or skills in a specialty area of dental practice approved by the American Dental Association and recognized by the board” to five (5) per school. This section also establishes the maximum number of special permits for general dentists to a maximum of five (5) per school.

The dental schools Deans are requesting that the board raise the number of allowable special permits to ten (10) in each of these two categories to a total maximum of twenty (20) such permits per school.

Re: Special Permit

Dear Dr. Bettinger;

I appreciate the Board placing the topic of Special Permits on the August meeting schedule. As you know, this is an issue that is of concern to the California dental schools as was evidenced during our discussion at this past CDA meeting in Anaheim in May. Dentistry is now, more than ever, a global profession with experts in different fields emerging from a multitude of countries including the United States. The responsibility of the academic institutions is to provide the best quality education, that is, grounded in science and clinical evidence, to our dental students who will be the next generation of practitioners and educators.

A compounding factor in the United States is the large number of full time open faculty positions (400+) and a paucity of qualified applicants coming from our domestic dental schools. As a result, to recruit the best candidates the pool must be expanded to include international dental graduates. There are; however, two different types of international graduates: 1) those who have completed both dental school and advanced training in a foreign country and 2) those who have completed dental school in a foreign country and received advanced training from a CODA accredited specialty program. It is the issue of difference between these two pools that has created confusion due to a lack of clarity with the language of the current law pertaining to Special Permits.

The DPA Section 1640 states "Any person meeting all the following eligibility requirements may apply for a special permit"..."(b) Furnishing satisfactory evidence of having graduated from a dental college approved by the board." Section 1640 (c) goes on to state "Furnishing satisfactory evidence of having been certified as a diplomate of a specialty board or, in lieu thereof, establishing his or her qualifications to take a specialty board examination or furnishing satisfactory evidence of having completed an advanced educational program in a discipline from a dental college approved by the board.

The language in (b) is confusing and requires interpretation. Does a person who has completed a CODA approved specialty program meet this requirement? The schools' believe that these individuals do meet the requirement. All individuals who successfully complete a CODA approved program should be viewed as competent in their field. Their certificates of training should be considered equivalent. Any other perspective would be a harsh criticism of the CODA approval process.

The simplest way to correct this confusion is to strike Section 1640(b) and re-alphabetize the remaining subsections. The criteria in 1640(a),(c), (d) and (e) are sufficient to establish that a candidate has met the training requirements.

The second issue of concern pertains to Section 1640.3(g). The total number of specialty permits allowed per school for individuals who have completed their dental training and specialty training in a non-CODA approved program should be raised from five (5) to ten (10). The justification for this request is also the paucity of US graduates seeking faculty positions and the large number of open positions that exist across the country. There is no desire to alter the number of special permits allowed for general dentists.

I also wish to re-affirm that any individual who receives a special permit shall have their practice limited to the dental school or affiliated institution to which they are employed. This is how the current law reads.

Lastly, I thank the Board for reviewing this topic and strongly encourage the Board to prioritize action on this matter.

Sincerely,

Ronald S. Mito, DDS, FDS RCSEd
