Mr. Richard DeCuir, deferred this item to our legal attorneys, Ms. Norine Marks and Ms. Anita Scuri, for them to explain the process, what is required by statute, which is to appoint a Board President, Vice President and a Secretary. Ms. Scuri informed the board of the history of electing officers. Traditionally, election of officers would take place at the last

board meeting of the year. This was done to allow the incoming President to serve a full year term and to provide that individual an opportunity to figure out which direction he/she wanted to go with the board. Ms. Scuri advised the members of their option to (1) choose officers now; (2) wait until the end of the meeting to give them a chance to get to know each other better; or (3) defer the election of officers until the next meeting of the board.

Ms. Patricia Osuna made a motion to table the election of officers until the end of the meeting. It was 2<sup>nd</sup> by ( ). The motion died.

It was m/s/c (Pinkerton/SooHoo) to elect officers at the present time.

Another issue that had to be taken into consideration with regards to electing officers was whether or not to elect officers just for the remainder of this calendar year or allow the elected officers to serve current year and calendar year 2003.

Ms. Osuna made a motion to elect officers for the remainder of this year only and stay with the tradition of holding elections at the November meeting. It was 2<sup>nd</sup> by ( ). This motion died.

Dr. Newton Gordon nominated Ms. LaDonna Drury-Klein for the position of secretary. It was m/s/c to elect Ms. Drury-Klein as secretary.

Dr. Chester Yokoyama commented for the record "that only the members who served on the board previously know each other and are commenting on the qualifications of each other. He has no idea of who or what they have done in the past, but obviously the previous board was not doing what they should have been doing." He requested to go on record as saying that with these elections, he has no way of judging these people, so he is just going along.

**AGENDA ITEM 8** Accept Receipt of 11/30/01 and 12/27/01 minutes of the former Board

Board President, Dr. Alan Kaye, deferred this item to Legal Counsel, Anita Scuri. She advised the board of their option to adopt, accept, modify or reject the minutes from the last meeting of the previous board. She recommended that the board do not reject the minutes.

It was m/s/c ( / ) to adopt the 12/27/01 teleconference meeting minutes.

Ms. LaDonna Drury-Klein made a motion to modify and correct the 11/30/01 minutes prior to the board taking action. She pointed out issues that were excluded from the minutes. Ms. Drury-Klein also requested that the maker of the minutes identify the

makers of the motions.

During the overview of the board's budget, Judy Babcock of the California Dental Association (CDA) asked for clarification of the Budget Act Transfers line item in the amount of \$5,000,000. She requested the board provide, to the public, a thorough financial analysis with a substantiated rationale for maintaining the current fee level or alternatively, a proposal to reduce the licensure fee. Ms. Babcock was advised that the \$5,000,000 was a loan to the General Fund in an effort to assist in balancing the State Budget.

**AGENDA ITEM 10** Appointment of Members to Statutory Committees

Ms. Anita Scuri advised the board that they be required by law to make appointments to the Enforcement and Examination Committees. All other standing committees have been at the discretion of the board president. Legislative Coordinator, Mr. Errol Chisom, informed the board that this legislation is over 5 years old and has not been implemented yet. The regulations were approved October 15, 2001. As a result, he advised the board of the urgency to appoint an On-Site Evaluation Team to visit the one applicant that is pending. By regulation, the board has until July 15, 2002 to actually visit this school. Mr. Chisom asked the board to defer the authority to appoint the On-Site Evaluation Team and a Technical Advisory Group to the Assistant Executive Officer of the board or in an effort to expedite this process.
