

1032.9 Portfolio Examination: Competency Examiner Qualifications.

(a) Portfolio competency examiners shall meet the following criteria established by the board:

(1) An examiner shall be full-time or part-time faculty member of a Board-approved California dental school.

(2) An examiner shall have a minimum of one (1) year of previous experience in administering clinical examinations.

(3) An examiner shall undergo calibration training in the Board's standardized evaluation system through didactic and experiential methods as established in section 1032.10. Portfolio competency examiners are required to attend Board-approved standardized calibration training sessions offered at their schools prior to administering a competency examination and annually thereafter.

(b) At the beginning of each school year, each school shall submit to the Board the names, credentials and qualifications of the dental school faculty to be approved or disapproved by the Board as portfolio competency examiners. Documentation of qualifications shall include a letter from the dean of the California dental school stating that the dental school faculty satisfies the criteria and standards established by the dental school to conduct portfolio competency examinations in an objective manner, and has met the requirements of subdivision (a)(1) through (a)(3) of this section.

(c) In addition to the names, credentials and qualifications, the dean of the California dental school shall submit documentation that the appointed dental school faculty examiners have been trained and calibrated in compliance with the Board's requirements established in section 1032.10.

(d) Any changes to the list of portfolio competency examiners shall be reported to the Board within thirty (30) days, including any action taken by the school to replace an examiner.

§ 1032.10 Portfolio Examination: Competency Examiner Training Requirements.

(a) Portfolio competency examiners are required to attend Board-approved standardized calibration training sessions offered at their schools prior to administering a competency examination. Each of the schools will designate faculty who have been approved by the Board to serve as competency examiners and is responsible for administering the Board approved calibration course for said examiners. Examiners may grade any competency examination in which they have completed the required calibration. Each training session shall be presented by designated Portfolio competency examiners at their respective schools and require the prospective examiners to participate in both didactic and hands-on activities.

(b) Didactic Training Component. During didactic training, designated Portfolio competency examiners shall present an overview of the examination and its evaluation (grading) system through lecture, review of examiner training materials, including slide presentations, sample documentation, and sample cases.

(c) Hands-On Component. Training shall include multiple examples of performance that clearly relate to the specific judgments that examiners are expected to provide during the portfolio competency examinations. Hands-on training sessions include an overview of the rating process, clear examples of rating errors, examples of how to mark the grading forms, a series of several sample cases for examiners to hone their skills, and opportunities for training staff to provide feedback to individual examiners.

(d) Calibration of Examiners. The calibration of portfolio competency examiners shall be conducted to maintain common standards as an ongoing process. Portfolio competency examiners shall be provided feedback about their performance and how their scoring varies from their fellow examiners. Portfolio competency examiners whose error rate exceeds psychometrically accepted standards for reliability shall be re-calibrated. A school shall notify the Board if, at any time, it is determined that a competency examiner is unable to meet the Board's calibration standards. If any portfolio competency examiner is unable to be re-calibrated, the Board shall disapprove the portfolio competency examiner from further participation in the portfolio examination process.

§ 1033. General Procedures for Law and Ethics Written and Laboratory Dental Licensure Examinations.

The following rules, which are in addition to any other examination rules set forth elsewhere in this chapter, are adopted for the uniform conduct of all written and laboratory dental licensure examinations:

(a) The ability of an examinee candidate to read and interpret instructions and examination material is a part of the examination.

~~(b) No person shall be admitted to an examination room or laboratory unless he or she is wearing the appropriate identification badge.~~

~~(c) An examinee candidate may be dismissed from the entire examination, and a statement of issues may be filed against the examinee candidate, for acts which interfere with the board's objective of evaluating professional competence. Such acts include, but are not limited to, the following:~~

~~(1) Allowing another person to take the examination in the place of, and under the identity of, the examinee candidate.~~

- (2) Copying or otherwise obtaining examination answers from other persons during the course of the written examination.
- (3) Bringing any notes, textbooks, unauthorized models, or other informative data into an examination room ~~or laboratory~~.
- (4) Assisting another ~~examinee~~ examinee candidate during the examination process.
- (5) Copying, photographing or in any way reproducing or recording examination questions or answers.

Note: Authority cited: Section 1614, Business and Professions Code. Reference: Sections 1630, ~~and 1632~~, and 1632.1, Business and Professions Code.

§ 1033.1. General Procedures and Policies for ~~Clinical Dental Licensure~~ Portfolio Examination.

The following rules, which are in addition to any other examination rules set forth elsewhere in this chapter, are adopted for the uniform conduct of the ~~clinical dental licensure portfolio~~ portfolio examination.

~~(a) Each examinee shall furnish patients, instruments, handpieces and materials, necessary to carry the procedures to completion. The board will provide operatory lights, dental delivery units and chairs or simulators.~~

(a) The ~~examinee~~ examinee candidate shall be able to read and interpret instructions and examination material as part of the examination.

~~(b) A patient provided by an examinee shall be in a health condition acceptable for dental treatment. If conditions indicate a need to consult the patient's physician or for the patient to be premedicated (e.g. high blood pressure, heart murmur, rheumatic fever, heart condition, prosthesis), the ~~examinee~~ examinee candidate must obtain the necessary written medical clearance and/or, evidence of premedication before the patient will be accepted. The examiners may, in their discretion, reject a patient who in the opinion of at least two examiners has a condition which interferes with evaluation or which may be hazardous to the patient, other patients, applicants or examiners. A hazardous condition includes, but is not limited to, acute symptomatic hepatitis, active herpetic lesions, acute periodontal or periapical abscesses, or necrotizing ulcerative gingivitis. In addition, a patient may be rejected when, in the opinion of at least two examiners, the proposed treatment demonstrates improper patient management, including but not necessarily limited to, contraindicating medical status of the patient, grossly pathologic or unhygienic oral conditions such as extremely heavy calculus deposits, other pathology related to the tooth to be treated, or selection of a restoration that is not suited to the patient's biological or cosmetic requirements. Whenever a patient is rejected, the reason for such rejection shall be noted on the examination record and shall be signed by both rejecting examiners. If the patient's well-being is put into jeopardy at any time during the portfolio competency examination, the examination shall be terminated. The~~

examineecandidate shall fail the examination, regardless of performance on any other part of the examination.

~~(c) No person shall be admitted to the clinic unless he or she is wearing the appropriate identification badge.~~

~~(dc) The use of local anesthetics shall be administered according to the school's protocol and standards of care. The type and amount of anesthetics shall be consistent with the patient's medical history and current condition not be permitted until the patient has been approved by an examiner.~~

~~(e) Only the services of registered dental assistance or dental assistants shall be permitted.~~

~~(f) An assignment which has been made by the board shall not be changed by an examinee without the specific approval of the board.~~

~~(gd) An examineecandidate may be dismissed from the entire examination, and a statement of issues may be filed against the examineecandidate, for acts which interfere with the board's objective of evaluating professional competence. Such acts include, but are not limited to the following:~~

~~(1) Allowing another person to take the portfolio examination in the place of, and under the identity of, the examineecandidate.~~

~~(2) Presenting purported carious lesions which are artificially created, whether or not the examineecandidate created the defect.~~

~~(3) Presenting radiographs which have been altered, or contrived to represent other than the patient's true condition, whether or not the misleading radiograph was created by the examineecandidate.~~

~~(4) Bringing any notes, textbooks, unauthorized models, periodontal charting information or other informative data into the clinic during any portfolio competency examination.~~

~~(5) Assisting another examineecandidate during the portfolio examination process.~~

~~(6) Failing to comply with the board's infection control regulations. Examinee Candidates shall be responsible for maintaining all of the standards of infection control while treating patients. This shall include the appropriate sterilization and disinfection of the cubicle, instruments and handpieces, as well as, the use of barrier techniques (including glasses, mask, gloves, proper attire, etc.) as required by the California Division of Occupational Safety and Health (Cal/OSHA) and California Code of Regulations, Title 16, Section 1005.~~

~~(7) Failing to use an aspirating syringe for administering local anesthesia.~~

~~(8) Utilizing the services of a licensed dentist, dental school graduate, dental school student, registered dental hygienist in extended functions, registered dental hygienist, dental hygiene graduate, dental hygiene student, or registered dental assistant in extended functions, or student or graduate of a registered dental assistant in extended functions program.~~

(97) Treating a patient, or causing a patient to receive treatment outside the designated examination settings and timeframes.

~~(10) Premedicating a patient for purposes of sedation.~~

~~(11) Dismissing a patient without the approval and signature of an examiner.~~

~~(h) An examinee may be declared by the board to have failed the entire examination for demonstration of gross incompetence in treating a patient.~~

(e) Examinee Candidates shall wear personal protective equipment (PPE) during the portfolio competency examinations. PPE shall include masks, gloves, and eye protection during each portfolio competency examination.

(f) Radiographs for each of the portfolio competency examinations shall be of diagnostic quality. Digital or conventional radiographs may be used.

(g) Dental dams shall be used during endodontic treatment and the preparation of amalgam and composite restorations. Finished restorations shall be graded without the dental dam in place.

(h) Examinee Candidates shall provide clinical services upon patients of record of the dental school who fulfill the acceptable criteria for each of the six (6) portfolio competency examinations.

(i) Examinee Candidates shall be allowed three (3) hours and thirty (30) minutes for each patient treatment session.

(j) Each portfolio competency examination shall be performed by the examinee candidate without faculty intervention. Completion of a successful portfolio competency examination may be counted as a clinical experience for the purpose of meeting the requirements of section 1032.2.

(k) ~~Examinee~~Candidates who fail a portfolio competency examination three (3) times shall not be permitted to retake the portfolio competency examination until remediation has been completed as specified in section 1036.

(l) Readiness for an ~~examinee~~-candidate to take a portfolio competency examination shall be determined by the dental school's clinical faculty.

Note: Authority cited: Section 1614, Business and Professions Code. Reference: Sections 1630,~~and~~1632, and 1632.1, Business and Professions Code.

§ 1034. Grading of Examinations Administered by the Board Portfolio Competency Examination Grading.

This section shall apply to the clinical and written examination administered by the board pursuant to Section 1632(c)(1) of the code. This section shall apply, in addition to any other examination rules set forth in this Chapter, for the purpose of uniform conduct of the portfolio examination grading.

(a) Each examiner shall grade independently. Examinations shall be anonymous. An anonymous examination is one conducted in accordance with procedures, including but not limited to those set forth below, which ensure and preserve the anonymity of examinees. The board shall randomly assign each examinee a number, and said examinee shall be known by that number throughout the entire examination. The grading area shall be separated from the examination area by barriers that block the grading examiners' view of examinees during the performance of the examination assignments. There shall be no communication between grading examiners and clinical floor examiners except for oral communications conducted in the presence of board staff. Each portfolio competency examination shall be graded by two (2) independent portfolio competency examiners and shall use the Board's standardized scoring system as specified in subdivision (f) of this section. There shall be no communication between grading examiners and examinees except written communications on board approved forms.

(b) The final grade of each examinee shall be determined by averaging the grades obtained in:

- (1) Endodontics;
- (2) Removable prosthodontics evaluation examination;
- (3) Periodontics;
- (4) Amalgam restoration;
- (5) Composite resin restoration; and
- (6) Clinical simulated fixed prosthetics preparations.

~~(c) An examinee shall be deemed to have passed the examination if his or her overall average for the entire examination is at least 75% and the examinee has obtained a grade of 75% or more in at least four sections of the examination, except that an examinee shall not be deemed to have passed the examination if he or she receives a score of less than 75% in more than one section of the examination in which a patient is treated. An examinee candidate shall be deemed to have passed the portfolio examination if his or her overall scaled score is at least 75 in each of the portfolio competency examinations.~~

~~(d) The ~~executive officer~~ Board shall compile and summarize the grades attained by each examinee and establish the overall average of each examinee. He or she shall indicate on the records so compiled the names of notify those examinee candidates who have passed or failed the portfolio examination and shall so notify each examinee.~~

~~(e) Each portfolio competency examination shall be signed by the school portfolio competency examiners who performed the grading.~~

~~(f) Competency Examination Scoring: The portfolio competency examiners shall use the following scoring system for each of the competency examinations:~~

~~(1) The scoring system used for the ODTP competency examination as specified in Section 1032.3(d), is defined as follows:~~

~~(A) A score of 0 is unacceptable; examinee exhibits a critical error.~~

~~(B) A score of 1 is unacceptable; major deviations that are correctable.~~

~~(C) A score of 2 is acceptable; minimum competence.~~

~~(D) A score of 3 is adequate; less than optimal.~~

~~(E) A score of 4 is optimal.~~

~~A score rating of "2" shall be deemed the minimum competence level performance.~~

~~(2) The scoring system used for the direct restoration competency as specified in Section 1032.4(d), examination is defined as follows:~~

~~(A) A score of 0 is unacceptable; examinee exhibits a critical error.~~

~~(B) A score of 1 is unacceptable; multiple major deviations that are correctable.~~

~~(C) A score of 2 is unacceptable; one major deviation that is correctable.~~

~~(D) A score of 3 is acceptable; minimum competence.~~

~~(E) A score of 4 is adequate; less than optimal.~~

~~(F) A score of 5 is optimal.~~

~~A score rating of "3" shall be deemed the minimum competence level performance.~~

~~(3) The scoring system used for the indirect restoration competency examination as specified in Section 1032.5(d) is defined as follows:~~

~~(A) A score of 0 is unacceptable; examinee exhibits a critical error~~

~~(B) A score of 1 is unacceptable; multiple major deviations that are correctable~~

~~(C) A score of 2 is unacceptable; one major deviation that is correctable~~

~~(D) A score of 3 is acceptable; minimum competence~~

~~(E) A score of 4 is adequate; less than optimal~~

~~(F) A score of 5 is optimal~~

~~A score rating of "3" shall be deemed the minimum competence level of performance.~~

~~(4) The scoring system used for the removable prosthodontics competency examination as specified in Section 1032.6(d) is defined as follows:~~

~~(A) A score of 1 is unacceptable with gross errors~~

~~(B) A score of 2 is unacceptable with major errors~~

~~(C) A score of 3 is minimum competence with moderate errors that do not compromise outcome~~

~~(D) A score of 4 is acceptable with minor errors that do not compromise outcome~~

~~(E) A score of 5 is optimal with no errors evident~~

~~A score rating of "3" shall be deemed the minimum competence level of performance.~~

(5) The scoring system used for the endodontics competency examination as specified in Section 1032.7(d), is defined as follows:

(A) A score of 0 is unacceptable; examinee exhibits a critical error.

(B) A score of 1 is unacceptable; major deviations that are correctable.

(C) A score of 2 is acceptable; minimum competence.

(D) A score of 3 is adequate; less than optimal.

(E) A score of 4 is optimal.

A score rating of "2" shall be deemed the minimum competence level performance.

(6) The scoring system used for the periodontics competency examination as specified in Section 1032.8(d), is defined as follows:

(A) A score of 0 is unacceptable; examinee exhibits a critical error

(B) A score of 1 is unacceptable; major deviations that are correctable

(C) A score of 2 is acceptable; minimum competence

(D) A score of 3 is adequate; less than optimal

(E) A score of 4 is optimal

A score rating of "2" shall be deemed the minimum competence level performance.

(g) If an examinee candidate commits a critical error, the examinee candidate shall not proceed with the portfolio competency examination. If the examinee candidate makes a critical error at any point during a portfolio competency examination, a score of "0" shall be assigned and the portfolio competency examination shall be terminated immediately.

Guidelines for Remedial Education

- Course of study must be a minimum of 50 hours for each competency failed three (3) times.
- Course work must be completed prior to re-examination of the competency.
- Course of study must be didactic and/or laboratory. Use of patients is optional.
- Instruction must be provided by a faculty member(s) of an approved dental school.
- Pre-testing and post-testing must be a part of the course of study to ensure the program has been effective in improving knowledge and skills.

Summary of Requirement

An applicant who fails to pass the examination required by Section 1632 of the Business and Professions Code after three (3) attempts shall not be eligible for further reexamination until the applicant has successfully completed a minimum of 50 hours of education for each subject which the applicant failed in the examination. The coursework shall be taken at a dental school approved by either the Commission on Dental Accreditation or a comparable organization approved by the board, and shall be completed within one year from the date of notification of the applicant's third failure.
