I wish to **ACTIVATE** my RDA/RDAEF license or OA/DSA permit. I understand that the CE credits must be taken through a Board-approved CE provider within the last two years of the date of this application; and that the minimum requirement to activate a license or permit is 25 hours of CE credits, which includes: Basic Life Support (BLS), 2-hours of California Infection Control and 2-hours of California Dental Practice Act. I understand that my BLS must be approved by the American Red Cross; or the American Heart Association; or a BLS course taught by a provider approved by the American Dental Association's Continuing Education Recognition Program (CERP); or the Academy of General Dentistry's Program Approval for Continuing Education (PACE); and that the maximum CE credits allowed for BLS is 4 CE units. I understand that an online BLS course will not be accepted for Basic Life Support requirement. Attached are copies of my CE certificates and copy of a current approved BLS card. I understand in addition to the above-mentioned requirements, per Business and Professions Code 1752.6., if I am activating my RDA license and that if my license was issued on or after January 1, 2010, that by my license second renewal, a pit and fissure sealants – certificate of course completion must be on record with the Board for my license to be activated.

I have furnished a full set of fingerprints to the Department of Justice as required by Title 16, California Code of Regulations Section 1008. YES NO. Fingerprints are not required for an inactive license.
I have enclosed my current **original INACTIVE pocket license** as required.

I wish to **ACTIVATE** my RDA/RDAEF license or OA/DSA permit and have the required CE credits waived due to a **DISABILITY**. I understand that the disability must be within the last 12 months of the date of this application; and that I have not practice as a licensed auxiliary during the period of the disability. Attached is a letter from my medical provider on their business letter head stating that I was on disability and includes the start and end date of my disability; and copy of a current approved BLS Card. I understand in addition to the above-mentioned requirements, per Business and Professions Code 1752.6., if I am activating my RDA license and that if my license was issued on or after January 1, 2010, that by my license second renewal, a pit and fissure sealants – certificate of course completion must be on record with the Board for my license to be activated.

I have furnished a full set of fingerprints to the Department of Justice as required by Title 16, California Code of Regulations Section 1008. YES NO. Fingerprints are not required for an inactive license.
I have enclosed my current **original INACTIVE pocket license** as required.

I wish to **INACTIVATE** my RDA/RDAEF license or OA/DSA Permit. I understand that I may **NOT** perform any duties that require a license or permit until my license or permit is reactivated and I must renew my inactive license or permit every two years from the date of license or permit expiration date to keep the license current. I understand that per Business and Professions Code 1718.3, a license not renewed for five years from the license/permit expiration date will automatically be cancelled. I have enclosed my current **original ACTIVE pocket license**, as required.

I have enclosed the required **\$50.00 fee** for issuance of a replacement pocket license. The fee is Non-Refundable
Make check or money order payable to: Dental Board of California

I certify under penalty of the laws of the State of California that the above is true and correct; that I am the person named and lawful holder of the license or permit stated above.
