

License Verification / License Search

The Dental Board of California (Board) has recently deleted the License Verification page, as it is no longer valid.

The Department of Consumer Affairs has launched a new License Search page which is available by clicking on a link at the Board's home page. Be sure to visit the new License Search page to get real-time updated information on licensees.

The screenshot shows the homepage of the Dental Board of California. At the top left is the logo for the Department of Consumer Affairs (CA.GOV) and the Dental Board of California. A navigation menu includes links for Home, About Us, Consumers, Licensees, Applicants, Forms and Publications, Prescription Drug Abuse, and Contact Us. On the left side, there are portraits and names of the Office of Governor Edmund G. Brown Jr., Secretary Alexis Podesta, and Director Dean R. Grafio. Below this is a 'QUICK HITS' section with links to the Dental Assisting Program, Examination Statistics, Approved DA Courses, and Dental Workforce Survey. The main content area features a large 'DENTAL BOARD OF CALIFORNIA' logo and a message encouraging users to click on the 'Breeze' icon to register and utilize the new online licensing and enforcement system. A 'License Search' button is highlighted with a red box, and a red arrow points to it from the right.
